University System of Georgia

General Catalog

2002-2003

Augusta State University
Augusta, Georgia 30904-2200

This catalog is intended primarily to guide Augusta State University students through their chosen academic programs. Although the university takes pride in a good student advising system, the individual student bears the main responsibility for his or her program, and this catalog should be the basic source of information.

Prospective students, parents, and high school counselors should find the information useful as well.

Augusta State University is an equal educational opportunity institution in that no person shall, on the grounds of race, color, sex, creed, national origin, or handicap, be excluded from participation in or be otherwise subjected to discrimination by any educational program, activity, or facility. This is in compliance with Title VI of the Civil Rights Act of 1964. An affirmative action, equal opportunity institution.

The statements set forth in this catalog are for informational purposes only and should not be construed as the basis of a contract between a student and this institution.

While the provisions of this catalog will ordinarily be applied as stated, Augusta State University reserves the right to change any provision listed in this catalog, including but not limited to academic requirements for graduation, without actual notice to individual students. Every effort will be made to keep students advised of any such changes. Information on changes will be available in the Office of the Registrar. It is especially important that all students realize their individual responsibility to keep apprized of current graduation requirements for their particular degree programs.

As part of an on-going effort to make this a better catalog -- accurate, up-to-date, and well organized -- all Augusta State University students, faculty, and staff are encouraged to submit editorial suggestions for improvement. Such suggestions, dealing with inaccuracies, clarity, organization and presentation of information may be submitted at any time to:

Tonya G. Cason
Augusta State University Catalog Editor
C/O Office of the VPAA
(706) 737-1422
tcason@aug.edu

A MESSAGE FROM THE PRESIDENT

Augusta State University is first and foremost a place of learning, where students learn from and with outstanding professors. It is also a place where students are individuals, not numbers--where they are players, not spectators.

This catalog describes our programs, lists our courses, and explains the procedures and policies of the university. I encourage you--as students--to use it for these purposes. I also encourage you to look at the listing of our faculty. Note their names, their fields of study, and the dozens of superb universities from which they earned advanced degrees. They are the key to the success of Augusta State University and its students.

If you have any questions about academic programs or services, please consult the directory of administrative offices at the back of this catalog. Our Office of Admissions (706-737-1632 or 800-341-4373) can answer any inquiries about admissions criteria, enrollment procedures, or the transfer of credit from other institutions.

Welcome to Augusta State University!

Sincerely yours,

William A. Bloodworth, Jr., Ph.D.
President

ACADEMIC CALENDAR

2002 - 2003*

	Fall 2002	Spring 2003	Summer 2003

INTRODUCTION TO AUGUSTA STATE UNIVERSITY

A Brief History of Augusta State University

The principles of equality and opportunity that animated the American Revolution are at the root of Augusta State University's historic mission. In 1783 the state of Georgia was newly free of British rule and undertook a broad effort to extend educational opportunity throughout the state. One of the first steps was to charter the Academy of Richmond County. The Academy offered secondary diplomas and post-secondary instruction which prepared students for their junior year at major American universities. In 1925, post-secondary instruction was assigned to the newly formed Junior College of Augusta, the first public junior college in the state of Georgia. When the site of the Augusta Arsenal, formerly the estate of Freeman Walker, was given to educational purposes, the Junior College moved to its present location. From the century old oaks and magnolias of the former estate to the thick masonry of the old Augusta Arsenal, the campus remains rich in reminders of bygone eras and its military origins.

The institution changed its name to Augusta College in 1958 when it became a part of the University System of Georgia. Augusta College continued to grow in size and programs: the first four year degrees were awarded in 1967 and graduate degrees in 1973. Now, more than 50 associate, bachelor, masters, and specialist degree programs are offered. On June 12, 1996, the college became Augusta State University.

As a member of the University System of Georgia, Augusta State University is the primary public institution of higher learning in the state's second largest city. While it shares the technological and innovative resources of the University System, it maintains the historical roots that make the learning experience as unique as the campus itself. The university is well known for its dedication to expanding educational opportunities for people of all ages and backgrounds, with a special emphasis on service to Georgians in the Central Savannah River Area. We express this dedication in the first sentence of our mission statement, the central point of reference for all our academic and other programs (The full text of the ASU Mission Statement begins on page 3.):

Augusta State University is committed to excellence in teaching, advancement of knowledge, and enrichment of the community in a climate which fosters humane values and a life-long love of learning.

Accreditations

Augusta State University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097: Telephone number 404-679-4501) to award Associate's, Bachelor's, Master's and Specialist's degrees. All courses offered at Augusta State University, other than those identified as developmental/remedial, are

acceptable as either requirements or electives applicable in at least one of the degree programs at Augusta State University as authorized by the Board of Regents of the University System of Georgia. The College of Business Administration is fully accredited by the AACSB-The International Association for Management Education. All teacher education degree programs for elementary, special, secondary, and P-12 teachers, administrators, counsellors, and supervisors, are approved by the Georgia Professional Standards Commission and accredited by the National Council for Accreditation of Teacher Education (NCATE). The nursing program is accredited by the National League for Nursing and approved by the Georgia Board of Nursing. The music programs are accredited by the National Association of Schools of Music.

The University System of Georgia

The University System of Georgia includes all state-operated institutions of higher education in Georgia —4 research universities, 2 regional universities, 13 state universities, 2 state colleges, and 13 two year colleges. These 34 public institutions are located throughout the state. The University System's mailing address is 270 Washington Street, S.W. Atlanta, Georgia 30334. A 15-member constitutional Board of Regents governs the University System, which has been in operation since 1932. Appointments of Board members are made by the Governor, subject to confirmation by the State Senate. The regular term of Board members is seven years. The Chairperson, the Vice Chairperson, and other officers of the Board are elected by the members of the Board. The Chancellor, who is not a member of the Board, is the chief executive officer of the Board and the chief administrative officer of the University System.

The policies of the Board of Regents provide a high degree of autonomy for each institution. The executive head of each institution is the President, whose election is recommended by the Chancellor and approved by the Board. State appropriations for the University System are requested by, made to, and allocated by the Board of Regents. The overall programs and services of the University System are offered through three major components: Instruction, Public Service/Continuing Education, and Research.

Instruction consists of programs of study leading toward degrees, ranging from the associate (two-year) level to the doctoral level, and certificates. Requirements for admission of students to instructional programs at each institution are determined, pursuant to policies of the Board of Regents, by the institution. The Board establishes minimum academic standards and leaves to each institution the prerogative to establish higher standards. Applications for admission should be addressed in all cases to the institutions.

Public Service/Continuing Education consists of non-degree activities, primarily, and special types of college-degree-credit courses. The non-degree activities are of several types, including short courses, seminars, conferences, lectures, and consultative and advisory services in a large number of areas of interest. Typical college-degree-credit public service/continuing education courses are those offered through extension center programs.

Research encompasses investigations conducted primarily for discovery and application of knowledge. These investigations cover matters related to the educational objectives of the institutions and to general societal needs. Most of the research is conducted through the universities; however, some of it is conducted through the state colleges.

Augusta State University Mission Statement

Augusta State University is committed to excellence in teaching, advancement of knowledge, and enrichment of the community in a climate that fosters humane values and a life-long love of learning. With origins in the founding of the Academy of Richmond County in 1783 and the creation of a separate Junior College of Augusta in 1925, its mission is predicated on the cultural, social, and economic value of a strong liberal arts education. This enlarges its students' individual versatility, creative powers, cultural appreciation, knowledge of the world, respect for others, and professional expertise.

Augusta State University strives to be a national model of excellence for its quality of service to the second largest metropolitan area in Georgia. With a broad array of undergraduate programs and a select offering of graduate programs below the doctoral level, it functions as a metropolitan, non-residential university for the area.

Open to the voices of all its members, the University serves a population diverse in race, background, age and preparation. It provides access not only to those who are fully ready for college but also to the under prepared who show potential and to those seeking the kind of academic challenge normally associated with elite, private institutions.

Emphasizing student-faculty contact, the University fosters intellectual growth through learning assistance, honors courses, and student research. It promotes electronic information technologies and links students with the world community of scholarship.

The University collaborates with the Medical College of Georgia, Paine College, Augusta Technical Institute, Fort Gordon, and P-12 schools. It makes constant, programmatic use of local industries, agencies, and institutions as laboratories for practical learning experiences. In an area with a large health care industry, it provides undergraduate general education courses for the Medical College students, prepares students to enter programs at that institution, and educates others who work in the medical field. It is also the principal source of training for the area's teachers and business leaders.

Augusta State University is acutely conscious of its responsibility to a community where its graduates become teachers and artists, professionals and civic leaders. It seeks to serve: enriching its area culturally, improving economic and social conditions, and promoting personal and professional development. To these ends, the University cultivates intellectually vital faculty members who are excellent in teaching, active in research, generous in service, and committed to its

mission. The University also strives to have its faculty, staff, curriculum and programs reflect the increasing diversity of the population and world from which its students come.

Devoted to constant improvement, the University assesses its performance by evaluating its stewardship of resources, responsiveness to area needs, involvement with its community, the response of the public it serves, and, most importantly, the success of the students it educates.

Educational Goals

1. To provide students with a strong foundation in the liberal arts and sciences.
2. To offer a broad array of undergraduate programs and a select offering of graduate programs below the doctoral level.
3. To provide access to higher education for both those that are fully ready for college and those who are under-prepared but show potential, and to those seeking the kind of academic challenge normally associated with elite, private institutions.
4. To foster intellectual growth through learning assistance, honors courses, and student research.
5. To promote electronic information technologies and link students with the world community of knowledge.
6. To provide undergraduate general education courses for MCG, prepare students to enter programs at MCG, and educate others to work in the medical field.
7. To provide training for the area's teachers and business leaders.
8. To enrich the community culturally, to improve economic and social conditions in the area, and to promote personal and professional development for area citizens.
9. To develop and maintain an intellectually vital faculty who are excellent in teaching, active in research, generous in service, and committed to the mission of the university.
10. To have the faculty, staff, curriculum, and programs reflect the increasing diversity of the population and world from which the university's students come.

UNDERGRADUATE ADMISSIONS POLICIES AND ENROLLMENT

The Admissions staff extends best wishes for the new academic year. We encourage you and your family to visit the campus. Our office hours are from 8.00 a.m. to 6:00 p.m, Monday - Thursday and from 8:00 a.m. to 4:30 p.m. on Friday, and on Saturdays by appointment. Augusta State University offers the unique

advantages of outstanding academic programs, a convenient location, flexible class scheduling, and very affordable cost. Our faculty members truly enjoy teaching and sincerely endeavour to assist all students in obtaining their educational goals. We invite you to learn more about the various benefits and opportunities at Augusta State University by scheduling an appointment with an Admission Representative at either (706) 737-1632 or (800) 341-4373 or by visiting our web site at www.aug.edu/admissions.

Katherine Sweeney, Registrar and Director of Admissions

PREPARATION OF APPLICATION MATERIALS

To seek admission to the university, you must file an official application for admission with the Office of Admissions. If you need an application, write or visit the Admissions Office in The Benet House, 2500 Walton Way, Augusta, Georgia 30904-2200, or phone us at (706)737-1632 or (800)341-4373. You can also download our application from our web site at www.aug.edu/admissions or apply electronically at www.usg.edu/ga-easy. Applications and materials are free.

The application and all supporting documents should be received by the Admissions Office no later than 30 days prior to the beginning of the semester in which you plan to enroll. Applications and documents received after this deadline will be processed; however, no guarantee can be made for admission for that semester. A \$20.00 non-refundable application fee must accompany the application. A high school candidate may submit an application for admission after the junior year is completed.

Because additional time is required for processing, international student applicants should apply at least 90 days prior to the beginning of the desired semester.

If you do not register in the semester for which you are admitted and wish to attend a later semester, you should inform the Office of Admissions at least 30 days prior to the desired semester of entrance. If one year has expired since the initial application and you have not yet attended, you must re-apply and re-submit all supporting documents.

Required Documents: Undergraduates

It is the responsibility of the applicant to request that official documents required for admission be sent directly from the previous institutions to the Office of Admissions. Documents that have been faxed or that have been in the hands of the applicant, such as student copy transcripts or letters, grade reports, diplomas, or graduation lists, are not official. The documents must be issued and mailed directly by the registrar of the previous institution(s) in a sealed envelope. These documents become a part of the applicant's permanent record and will not be returned. Candidates are considered when all required documents have been received. Notification of acceptance is by mail. The Office of Admissions requires the following:

Official Application Form: A candidate seeking admission must file an official application for admission prior to the specified deadline. An application may be obtained from the Office of Admissions and local high schools. Care should be

taken to answer all questions on the application. An incomplete application will cause delay and may be returned to the candidate.

Application Fee : (\$20, Non-refundable): This processing fee is required from all applicants who have not previously enrolled at ASU.

Official Transcript(s) of Courses Completed: A freshman candidate should ask his or her guidance department to send an official copy of the secondary school record. A transfer candidate should ask the registrar from each accredited college attended to send an official transcript of grades (a separate transcript from each college). A holder of a GED certificate must request that an official score report be sent to the Augusta State University Admissions Office. Documents must be received by the Office of Admissions before the acceptance is final.

Scholastic Aptitude Test (SAT) or the American College Testing Program (ACT) Scores: A freshman candidate is required to submit SAT scores of the College Board or the ACT score of the American College Testing Program. A holder of the GED certificate is also required to submit SAT or ACT scores. A transfer candidate who has earned fewer than 30 semester hours (45 quarter hours) of transferable credit, including English Composition I and College Algebra, must also submit SAT or ACT results. The College Board code number assigned to Augusta State University is 5336. For information concerning test dates and centers, consult your high school or college guidance office.

PLEASE NOTE: ASU uses the re-centered scale of the SAT to determine whether students meet the minimum admissions requirements. All original SAT scores received will be converted to the re-centered scale.

Immunization: All new students, born 1957 or later, enrolling in schools within the University System of Georgia, are required to provide proof of immunization for mumps, measles, and rubella or to provide a valid reason for exemption. Students born prior to 1957 must show proof of immunization for rubella only. This documentation, including dates of all required immunizations and the signature and address of a health care provider, must be submitted to the admissions office prior to registration for classes. Certificate of Immunization forms are available in the Office of Admissions. **[Failure to meet this requirement will prohibit registration for classes.]**

ADMISSIONS REQUIREMENTS

Admissions requirements depend on the degree program you wish to enter. For freshman admissions, further information is available from the Office of Admissions. (See page 5 for hours and phone numbers.)

Freshman Admissions Requirements

Normal Freshmen: Every applicant for freshman admission must be a high school graduate from a high school accredited by a regional accrediting association (such as the Southern Association of Colleges and Schools) or the Georgia Accrediting Commission, the Georgia Private School Accrediting Commission, the Accrediting Council for Independent Study, or from a public school regulated by a school system and the State Department of Education.

High school students who receive a "Certificate of Attendance" do not satisfy the graduation requirements. In addition, to gain regular admission to the university, the applicant must have completed the entire College Preparatory Curriculum (CPC) in high school. The required CPC is listed below (16 units):

English: 4 Units Required

Mathematics: Algebra, 2 Units Required; Geometry, 1 Unit Required; 1 additional unit of higher mathematics beyond Algebra II Required.

Science: 3 Units Required.

Social Science: 3 Units Required.

Foreign Language: The same foreign language, 2 Units Required.

In the determination of eligibility for freshmen admissions, the most important consideration is the Freshman Index. The Freshman Index is determined by a formula which uses two variables: the high school average computed on academic courses, and the SAT (or ACT) scores*. The following formula is used to compute the SAT Freshman Index:

Freshman Index = SAT Verbal + SAT Math + (High School Academic GPA x 500)

For students submitting ACT scores, the following formula is used to compute the ACT Freshman Index:

Freshman Index = (GPA x 500) + (ACT Composite x 42) + 88

Regular Admission: For regular freshman admission, specific requirements are as follows:

Freshman Index \geq 1940

*Test Scores**: SAT Verbal score of 430+ and a SAT Math score of 400+
or

ACT English and Mathematics score of \geq 17

College Preparatory Curriculum (CPC): 16 required units must have been completed in high school.

*Students with verbal and/or math SAT scores less than 450 or ACT English less than 18 and/or ACT math less than 19 will take the appropriate portions of the Collegiate Placement Examination (CPE) for placement.

Limited Admission: Freshman applicants who show potential but fail to satisfy any one of the requirements above may be eligible for limited admission if they meet the following criteria listed below:

Freshman Index \geq 1790

*Test Scores**: SAT Verbal score of 430+ and a SAT Math score of 400+
or

ACT English and Mathematics score of \geq 17

College Preparatory Curriculum (CPC): 16 required units must have been completed in high school.

Admission to University College: University College is a two-year unit of Augusta State University designed to assist Georgia resident students who

live within a fifty mile radius but do not meet the admissions requirements for the university. Applicants who do not meet regular admissions standards will be reviewed for consideration for admission to University College.

Freshman Index: ≥ 1640

Test Scores:* SAT verbal ≥ 330 and SAT math ≥ 310

or

ACT English ≥ 12 and ACT Math ≥ 14

CPC: must have earned 13 units in high school.

Collegiate Placement Exam will be required.

Home School Freshmen: University System of Georgia policy dictates that in addition to SAT I scores and freshman index, students must present sixteen (16) specific college preparatory curriculum units or CPCs to be accepted to a state university and a minimum of thirteen (13) units to be accepted to a two-year program for students graduating from high school 2001 and beyond. (See prevailing regular freshman admission standards for specific details, above.) These units must be completed in high schools that have been accredited by a regional accreditation association (such as SACS) or the Georgia Accrediting Commission, the Georgia Private School Accrediting Commission, the Accrediting Council for Independent Study or from a public high school regulated by a school system and the State Department of Education.

For students who have completed their CPCs in a home schooled program or secondary school that is not accredited by one of the agencies mentioned above, the following options are available to validate CPC units. Students can select the option per subject area that is most suitable for them. For instance, a student who has earned 450 on the SAT I math and verbal tests can validate CPCs in English and mathematics in this manner, and provide the items in option one or option two to validate CPCs in other areas. Files of students who select options two (2) or five (5) to validate CPC subjects will be reviewed by a university committee consisting of the Vice President for Academic Affairs, Director of Admissions, Associate Director of Admissions, and two faculty members appointed by the Vice President for Academic Affairs.

1) Submit a high school transcript and subject test scores from the Stanford Achievement, California Achievement Test or Iowa Achievement Test of Basic Skills for each CPC subject area. Scores greater than or equal to the 50 percentiles of national test takers will validate acceptable proficiency in CPC subject areas.

2) Submit a high school transcript and a syllabus for each college preparatory course completed. In addition, submit chapter, unit or final, cumulative subject tests taken. Provide research papers and/or projects if grades for courses are based on these items rather than examinations.

3) A score greater than or equal to 450 on SAT I math or 19 on ACT math will validate CPCs in mathematics. English CPCs can be validated with a score greater than or equal to 450 on the SAT I verbal or 18 on the ACT English. In addition, students can validate subject area CPCs by presenting other

standardized tests such as CLEP or SAT II. For SAT II score requirements as put forth by the USG Board of Regents, please see below.

4) The Department of Languages, Literature and Communications provides placement and credit by examination based on departmental tests. Students can validate CPC units for German, Spanish, or French by taking appropriate departmental examinations.

5) If a student wishes to submit other evidence to validate CPCs (tests not specifically mentioned above, certifications, etc.), committee members can use their discretion to use other information to validate CPC units.

SATII SUBJECT TEST	PROPOSED SCORE
English Writing	520
English Literature	530
American History & Social Studies	560
Math IC, or Math IIC	500, or 570
Biology	520
Chemistry	540
Physics	590
World History	540

ASU recognizes that most home-schooled students are amply prepared for college work. For more information on Augusta State University's Home School admission policies, please contact the Office of Admissions.

GED Freshmen: Applicants must have official GED Scores sent by the testing center or the State Board of Education. The prevailing regular freshman requirements must be met by submitting an official partial high school transcript and official SAT or ACT scores.

GED Test Scores:

GED freshmen applicants must have minimum GED subtest scores of 55, and a total GED score of 275.

College Preparatory Curriculum:

GED students who show potential but failed to meet the College Preparatory Curriculum (CPC) requirements under the requirements for regular freshman may be admissible under ASU's Limited Admissions policy. Further testing and validation of preparedness may be required. Contact the ASU Office of Admissions for details.

College Placement Exam:

All GED applicants will be required to take the College Placement Exam.

Other Testing/Further Requirements:

For further information about entrance requirements for GED Freshmen, please contact the Office of Admissions.

Collegiate Placement Examination

Freshman applicants who show potential but fail to satisfy any one of the freshman requirements listed below, or are classified as Life Enrichment or GED Freshman, will be required to take a diagnostic examination at the university, the Collegiate Placement Examination (CPE).

- (1) Completion of the English or mathematics portion of the CPC.
- (2) Satisfactory achievement of SAT Verbal Score of 450 or ACT English of 18
- (3) Satisfactory achievement of SAT Math Score of 450 or ACT Math of 19

The Office of Admissions will notify the applicant by mail as to the specific date and time of the College Placement Examination. Based on the results of the exam, the applicant will be admitted or placed in Learning Support. The student shall complete any Learning Support requirements indicated.

College Preparatory Curriculum Requirements

Applicants who are admitted to the university but fail to satisfy the College Preparatory Curriculum requirements for science, social science, or foreign language will be required to complete, with a grade of C or better, at least one college course in each area of deficiency within the first 30 semester hours earned. In the case of students who have completed no high school foreign language course, two college courses in the same foreign language will be required, with a grade of C or better in each. No credit earned in these courses will be applied to the requirements of the university degree.

Other Freshman Categories

Life Enrichment Student Admissions Requirements: A life enrichment applicant is one who files a completed application form, has graduated from high school or the equivalent, has not attended high school or college in the past five years, and has earned no more than 30 transferable semester hours (45 quarter hours) of college credit.

Although neither the American College Test (ACT) nor the Scholastic Aptitude Test is required of Life Enrichment applicants, the Collegiate Placement Examination (CPE) will be required for admission consideration. After testing, the student shall complete any Learning Support requirements indicated. Students who fail to meet the Life Enrichment admissions criteria may be required to submit SAT or ACT scores.

If life enrichment students can provide official SAT verbal ≥ 500 and SAT math ≥ 500 from a test administration within the last 7 years (or equivalent ACT scores), the CPE test can be waived.

Joint Enrollment Admission Requirements for High School Students: A qualified high school student may enroll for college courses while completing his

or her enrollment in high school as a junior or senior. This type of enrollment is primarily designed to provide the opportunity to take courses not available in the high school curriculum. To be eligible for admission consideration, the student must have completed the sophomore year of high school and have:

- (1) an overall 3.00 high school average in all academic courses completed
- (2) a combined SAT score of 1100 or higher (or equivalent ACT score), including a minimum Verbal score of 530 and Math score of 530, to take those respective courses.
- (3) a written recommendation from the high school principal or counsellor
- (4) a letter of consent from the parent or legal guardian
- (5) a personal interview with a university admissions officer

If the SAT verbal score is 530 and the math score is 530, a student accepted into this program will be permitted to enroll in any course for which he or she is prepared.

Transfer Student Admissions Requirements

An applicant who has previously attended a regionally accredited institution of higher education and who is not classified as a Life Enrichment student is considered a transfer student. Transfer students are divided into two categories as listed below for regular admission:

- (1) Fewer than 30 transferable semester hours: Meet prevailing freshman admissions requirements.
- (2) 30 transferable semester hours: College Composition I and either College Algebra or Mathematical Modelling. These students must have at least a 2.0 or greater for non-probationary entrance. All others will be reviewed for possible entrance into Augusta State University on probation, or University College. Students with 30 or more transferable semester hours, but lacking College Composition I and/or College Algebra or Mathematical Modelling will take the appropriate parts of the Collegiate Placement Examination.

All transfer students entering ASU with <2.0 overall transfer GPA may be reviewed for probationary entrance and are subject to possible additional admission requirements. Students admitted on probation must achieve a minimum a 2.0 GPA in their first term at Augusta State University to revoke the probationary status. Those who fail to achieve a 2.0 will be placed on suspension.

The transfer applicant whose only attendance has been at a regionally accredited technical college in a "Non-College Transfer Program" is considered a freshman applicant and must satisfy freshman admission requirements.

Evaluation of Transfer Credit:: An evaluation of accepted transferable credits is made by the Office of the Registrar. A complete transfer evaluation report will be mailed to the student once he or she is accepted by the university and all official transcripts have been received from each college previously attended. The

basic policy regarding the acceptance of courses by transfer is to allow credit for courses completed with satisfactory grades in other regionally accredited colleges, provided the courses correspond in content to courses offered at Augusta State University. Additional validation will be required for courses taken at another institution that were previously completed with a penalty grade at Augusta State University. In addition, credit earned at accredited technical colleges may not transfer unless the credit was earned in a designated college transfer program.

Advanced Placement Credit and Credit by Examination

Advanced Placement: A qualified student who has taken college-level work in secondary schools may receive academic credit. Examinations used to determine advanced placement are the Advanced Placement Test of the College Entrance Examination Board and The Achievement Tests in English Composition and intermediate Mathematics (Level 1). A final determination of credit is made after results have been evaluated by the university.

Credit by Examination: College credits are traditionally earned through attendance in scheduled classes. However, some courses are amenable to credit by examination. A student currently enrolled who presents satisfactory evidence that he or she is qualified in a particular subject may receive credit for a course by an examination approved by the appropriate instructional department, or through the College Level Examination Program (CLEP). Satisfactory evidence may be, but is not limited to, work experience, non-credit courses, course work taken at non-accredited institutions, or military courses. There is a \$5 per credit hour fee for credit by departmental examination.

A student may take challenge examinations before enrolling, but will receive credit for courses challenged only after successfully completing six semester hours at Augusta State University. Courses in which a student is or has been enrolled may not be challenged, and courses which require demonstrations and application of skills (practical, laboratory sciences, and courses requiring field work or performance, for example) may be challenged only with the permission of the chairperson of the department offering the course.

Credit by examination is listed as such on the transcript along with the course number, title, and hours of credit; however, no grade is assigned and the credit is not included in computing the Grade Point Average. Credit by examination is limited to 10 semester hours in a discipline and 30 semester hours in the university.

A current list of tests available for credit by examination for courses offered at Augusta State University may be obtained from the Counseling and Testing Center, (706) 737-1472.

Transient Student Admissions Requirements

A transient student is a degree candidate at another institution who is granted the privilege of temporary enrollment at Augusta State University. To apply for admission as a transient student you must:

- (1) File a completed application form.
- (2) Submit a letter of permission confirming good standing from

the registrar of the college in which you are enrolled or matriculated. In addition, submit an official transcript from your home institution. You can be admitted to Augusta State University as a transient student only if you are currently eligible for re-admission to your home institution.

- (3) If you wish to enroll in courses for which prerequisites are required, you must, prior to registration, give the department chair a transcript(s) showing successful completion of required prerequisite courses. This requirement may be waived only by the permission of the department chair.

As a transient student you will be required to adhere to the same academic standards that govern regularly enrolled students. You may renew your status for additional enrollment periods for a maximum of two semesters per calendar year. For an exception of a third semester, you must submit written approval from your home institution and complete a new application for the Augusta State University Admissions Office at least 30 days prior to the scheduled registration for the third enrollment period.

If financial aid is needed, transient students must approach the home institution's Financial Aid Office to request a consortium agreement for financial aid purposes.

Additional Degree Admissions Requirements

An Additional Degree applicant is classified as a student who has successfully completed a baccalaureate degree at a regionally accredited institution, and wishes to pursue a second undergraduate degree at Augusta State University. To apply as an Additional Degree student, you must:

- (1) File a completed application form.
- (2) Submit official transcripts from all colleges attended.
- (3) Complete an interview with an admissions officer.

Once the applicant has been accepted a transfer evaluation of credit will be completed by the Office of the Registrar for those courses that are pertinent to the desired program.

Non-degree Admissions Requirements

"Non-degree student" is a classification reserved for the student interested in enrolling at Augusta State University for credit without pursuing a college degree. The non-degree student may be a transient student (see previous page), post-baccalaureate, postgraduate, or audit student. A candidate for this type of limited enrollment seeks instruction in particular courses for personal or professional purposes, or for completion of degree requirements at another institution.

If you hold a baccalaureate degree or graduate degree from a regionally accredited college and wish to enroll in undergraduate courses as a non-degree student, then you must request that an official transcript be sent to the admissions office from the college or university which awarded the highest degree.

Each applicant for admission as a special student must:

- (1) File a completed application form.
- (2) Provide evidence of satisfactory past academic work at the secondary or post-secondary level.
- (1) Satisfy all other admission requirements as determined by the Office of Admissions.

Senior Citizens Admission Requirements

Georgia residents 62 years of age or older are eligible to enroll in units of the University System free of charge on a space available basis. Senior citizens from Aiken and Edgefield Counties qualify for the contiguous county tuition waiver and pay in-state tuition and fees. (See Waivers, page 25.) Senior citizens who pay tuition are not required to register on a space available basis.

Former Student Readmission Requirements

If you have attended any other college or university since your last enrollment at Augusta State University, regardless of how long you have been away from ASU, you must re-apply through the Office of Admissions. In addition, you must provide the Office of Admissions with official transcripts of all college work attempted since your last enrollment in Augusta State University. Failure to provide required transcripts may result in loss of credit or dismissal from Augusta State University.

If you have not enrolled in Augusta State University, or attended any other college or university for four consecutive semesters, you must apply for readmission through the Office of the Registrar at least 30 days before the desired semester of re-entry. In order to determine degree requirements as a returning student, see the entry for "Graduation Requirements" in the "Academic Handbook" section of this catalog.

Augusta State University-Paine College Co-enrollment

Augusta State University and Paine College offer co-enrollment for students who want courses that are not offered at the student's home institution during a given semester or for students who have schedule conflicts that may be resolved by co-enrollment.

If you are enrolled at one institution for the equivalent of at least six semester hours of course work you may enroll for three or more semester hours of course work at the other institution. Courses for co-enrolled students from Paine College

are offered on a space available basis, after the registration period for Augusta State University students.

If you wish to enroll in courses for which prerequisites are required, you must, prior to registration, give the department chair transcript(s) showing successful completion of required prerequisite courses. This requirement may be waived only by the permission of the department chair.

Submit your application for co-enrollment, official transcript, and immunization form to the other institution at least two weeks prior to the scheduled registration date. Applications are available from the Registrar's Office at Augusta State University. You will pay all fees required of a full-time student at your home institution. If you wish to register for an overload, you must satisfy the overload requirements of your home institution.

International Students: Special Requirements

If you are not a U.S. citizen or permanent resident, ask the Office of Admissions to send you its special information and an international application for international students. In addition to satisfying the regular requirements for admission, you must provide documented evidence of adequate financial support to meet educational and personal expenses.

If academically eligible, you will also be required to remit a **non-refundable tuition deposit** of \$2,000.00 U.S. by bank check, payable to Augusta State University before we will issue an acceptance letter and I-20. The following guidelines apply to the tuition deposit:

Students who are receiving institutional support (athletic scholarships, graduate assistantships, etc.), students participating in formal exchange programs, or students sponsored by recognized international, education organizations such as Rotary Club, are exempt from this policy.

If a student is denied a student visa and provides evidence to that effect, we will refund the tuition deposit.

Students who receive a student visa and enter the United States, but do not matriculate for the semester to which they were admitted, forfeit their deposit.

When we receive your tuition deposit, we will forward official notification that your deposit is on file at ASU, along with your I-20 and letter of acceptance. We believe that evidence of a tuition deposit will assist you in acquiring a student visa.

The prescribed method for demonstrating English proficiency is the Test of English as a Foreign Language (TOEFL). The TOEFL is required for freshman, non-native English speaking applicants who completed secondary school outside the U.S. Secondary School System or who completed high school within the U.S. Secondary School System. The TOEFL is also required of the transfer applicants who lack credit for College Composition I (ENGL 1101). A minimum total score of

173 on the computer based TOEFL is required for admissions consideration. In addition to the TOEFL, international students must provide official SAT I scores. The test scores should be forwarded directly from the testing agencies to the Office of Admissions.

Students who state on their application for admission that their native language is other than English are required to take the TOEFL as described above, and placement in the first semester English classes is based on this score as follows:

Computer based TOEFL score of 250 or higher: The student is admitted and placed in English 1101Z, a special section of Freshman English for non-native speakers.

Computer based TOEFL score of 213 to 247: The student is admitted to University College and placed in English 0091 and Reading 0091.

Computer based TOEFL score of 173 to 210: The student is admitted to University College and placed in English 0090 and Reading 0090.

All international academic post-secondary transcript(s) must be forwarded to the following agency for a "catalog match" evaluation before the Office of Admissions can process your application for admissions.

Educational Credential Evaluators, Inc.
P.O. Box 514070
Milwaukee, WI 53202-3470 USA
(414) 289-3400 FAX: (414) 289-3411
email: eval@ece.org

To see if you are eligible for resident tuition fees, see the paragraph on "International Students" in the "Waivers" section (see page 26).

Because additional processing time is required for international students, you should submit the application and all supporting documents at least 90 days prior to the desired semester of entrance. The Certificate of Eligibility (Form 1-20) cannot be forwarded to you until an offer of acceptance has been extended, and your tuition deposit has been received by Augusta State University.

ADMISSIONS DECISIONS AT AUGUSTA STATE UNIVERSITY

Graduate and undergraduate applications to Augusta State University are considered on an individual basis. After all required data has been received, you will be notified by letter of the action taken. Although the University System of Georgia sets certain minimum standards for admission, the individual institutions retain the right to impose additional requirements. Accordingly, the university reserves the right to refuse admission to any applicant who, in its judgment, is not qualified to pursue work at Augusta State University. Such a decision may be based on a variety of factors: social maturity, character, or intellectual potential as indicated by previous academic work and appropriate examinations.

Similarly, the university reserves the right to determine the level of admission. Clearly, some students exhibit superior academic achievement and will enter at an advanced level and receive some college credit. Other students will enter Learning Support courses that attempt to provide the academic experiences and counselling designed to aid the student in overcoming his or her academic deficiencies.

Undergraduate Admissions Decision Notification

You will be notified by letter as to the conditions of acceptance. Included in the same mailing will be orientation and registration dates and the assigned department for advising. If you are accepted on an unofficial or incomplete transcript, a final and official transcript is required before the admission is final. If this information has not been received by the day of registration, you may register on a conditional basis for one semester only. Registration for the succeeding semester will not be permitted unless the required document has been received. Under certain conditions, the university may release admissions decisions to high schools and colleges.

PREPARING FOR REGISTRATION

After admission, we will send you an information packet which includes registration, details, document requests, and special program information. You should read these materials carefully and supply any requested information prior to registration.

Graduate students should consult with their departmental advisers. For undergraduates, the best first resource is the university's START UP Center (731-7979).

The center combines a variety of student advising and transition support programs designed to assist students in achieving their educational goals and accessing the full range of campus services and learning opportunities. Located on the third floor of Washington Hall, the START UP Center is open from 8 a.m. to 6 p.m. Monday through Thursday, and until 4:30 p.m. on Friday during the semester. Between academic semesters, the office closes at 4:30 p.m. Monday through Friday.

The START-UP Center offers a series of informational opportunities referred to as OARS (Orientation, Advising, Registration, Special programs). These transition support programs make registration simple and provide a wide range of support for undergraduates new to the campus. General information on these programs is included in the acceptance packet.

An Orientation Program for new students is offered at the beginning of each semester, which includes the opportunity to register with the aid of an academic advisor.

FINANCIAL INFORMATION

FEES AND OTHER COSTS

Registration at the beginning of each semester is not complete until all general fees have been paid and no student may be admitted to classes without having met his or her financial obligations.

Expenses are charged and payable by the semester since each semester constitutes a separate unit of operations. You may enroll at the beginning of any - semester. To ensure sound financial operation and conformity with the policies of the Board of Regents, certain regulations must be observed.

Tuition and fees may be paid in the Business Office using cash, check, financial aid credits, Visa, MasterCard, or Discover. Credit card payments and financial aid credits may also be applied to your account by telephone, using ASTRO, or on the internet by clicking ELROY on the ASU home page (www.asu.edu). A \$25.00 service charge is assessed on any check that is not paid on presentation to the bank on which it is drawn. A student is given ten working days to clear a returned check given to pay tuition and fees. If the check is not cleared within the specified period, the check is given to Public Safety for collection. A check given during Priority Registration that is not honored by the bank, and not cleared by the first day of the term, will result in cancellation of the student's enrollment.

Augusta State University reserves the right to withhold all records (diplomas, transcripts, etc.) and/or revoke enrollment of students who fail to meet financial obligations to Augusta State University. Matriculation charges, board, room rent, or other charges are subject to charge at the end of any semester. Fees and charges are set forth below:

Application Fee, non-refundable	<u>In-State</u> \$ 20.00		<u>Out-of State</u> \$ 20.00	
Undergraduate Fees				
Tuition				
Fewer than 12 credit hours (per hour)	84.00		335.00	
12 or more credit hours (full-time)	1,005.00		4,020.00	
	<u>Fall/Spring</u>	<u>Summer</u>	<u>Fall/Spring</u>	<u>Summer</u>
Student Services Fee	40.00	27.00	40.00	27.00
Athletic Fee	106.00	71.00	106.00	71.00
Transportation Fee	3.00	3.00	3.00	3.00
Technology Fee	38.00	38.00	38.00	38.00
Total for Full-Time Study	\$1,192.00	\$1,144.00	\$4,207.00	\$4,159.00
Graduate Fees				
Tuition				
Fewer than 12 credit hours (per hour)	101.00		402.00	
12 or more credit hours (full-time)	1,206.00		4,824.00	

	<u>Fall/Spring</u>	<u>Summer</u>	<u>Fall/Spring</u>	<u>Summer</u>
Student Services Fee	40.00	27.00	40.00	27.00
Athletic Fee	106.00	71.00	106.00	71.00
Transportation Fee	3.00	3.00	3.00	3.00
Technology Fee	38.00	38.00	38.00	38.00
Total for Full-Time Study	\$1,393.00	\$1,345.000	\$5,011.00	\$4,963.00

	<u>In-State</u>	<u>Out-of State</u>
Late Registration (after add/drop)	50.00	50.00
Graduation	25.00	25.00
Transcripts	free	free
Course Credit by Examination, per hour	5.00	5.00
Motor Vehicle Registration Fee	15.00	15.00

Application Fee: A fee of \$20 must accompany a prospective student's application for admission. This fee is not refundable and does not apply toward registration or matriculation fees.

Tuition: The tuition fee is charged to each student. The tuition fee \$1,005.00 per semester. The fee for In-State undergraduate students who enroll in fewer than 12 semester hours is \$84 per semester hour. The tuition fee for Out-of-State undergraduate students who enroll in 12 or more semester hours is \$4,020.00 per semester. The fee for Out-of-State undergraduate students who enroll in fewer than 12 semester hours is \$335 per semester hour. The tuition fee for In-State graduate students who enroll in 12 or more semester hours is \$1,206.00 per semester. The fee for In-State graduate students who enroll in fewer than 12 semester hours is \$101 per semester hour. The tuition fee for Out-of-State graduate students who enroll in 12 or more semester hours is \$4,824.00 per semester. The fee for Out-of-State graduate students who enroll in fewer than 12 semester hours is \$402 per semester hour.

Out-of State Tuition: The Out-of-State tuition is charged to students who are not classified as Georgia residents for tuition purposes. Residents of Aiken and Edgefield counties in South Carolina are charged In-State tuition. See pages 21 and 22 for information regarding classification of a student as In-State or Out-of-State. Contact the Offices of Admissions or Student Records for more information.

Student Services Fee: A \$40 Student Services Fee per fall and spring semester is charged to each student. The fee is \$27 in the summer semester. This fee defrays expenses for essential student services not covered in the instructional and educational budget.

Athletic Fee: A \$106.00 Athletic Fee per fall and spring semester is charged to each student. The fee is \$71 in the summer semester. This fee supports the men's and women's varsity athletic programs.

Transportation Fee: Transportation is provided by Augusta Public Transit to students between the main campus and the Forest Hills campus. Students pay a nominal transportation fee of \$3 for this service. The fee also entitles all students enrolled at Augusta State University to free service on all routes served by Augusta Public Transit.

Technology Fee: A \$38 Technology Fee is charged to each student to help defray the costs of hardware, software, licenses, training, laboratories, systems, etc., that benefit ASU students in meeting the educational objectives of their academic programs.

Late Registration Fee: Any student who does not register and pay fees at the time designated for registration in the University Calendar is charged a late registration fee of \$50.

Graduation Fee: A \$25 fee is charged each graduate for a diploma, for processing the application, and to support the graduation ceremony. This is payable when the student applies for graduation—no later than the mid-term date of the semester preceding the final semester of course work. Should a student fail to meet the requirements for graduation after paying the graduation fee, there is a \$15 charge for reprinting of the diploma. The charge is \$25 for the master's or Specialist in Education diploma. This is payable at the time the student applies for graduation no later than the mid-term date of the semester preceding the final semester of the course work.

Transcript Fee: A student who has discharged all financial obligations to the university may receive on request and without charge transcripts of his or her full academic record.

Motor Vehicle Registration Fee: All student motor vehicles must be registered in order to park in designated student lots on the ASU campus. An annual permit, valid for the full academic year, costs \$15. A permit for the spring semester and summer term costs \$12. A permit for the summer term only costs \$10. A second permit costs \$8. The university assumes no responsibility for any damage to or loss of a motor vehicle or other personal property from within a motor vehicle parked on campus.

Art and Music Fees: Private instruction in piano, organ, orchestral instruments, voice, or composition, two one-half hour lessons or one 1-hour lesson each week, for two or three hours credit, costs \$68 in addition to the matriculation fee. Secondary applied music instruction, consisting of a one-half hour lesson per week for one hour credit, costs \$38 in addition to the matriculation fee. There is no special music fee for class piano or class voice. Any student may enroll in applied music instruction on a space available basis upon payment of the music fee. *Please note:* Many art courses charge a \$75 supplies fee per class. Contact the Fine Arts Department for details.

Other Expenses: In estimating costs of attending Augusta State University, a student should consider these miscellaneous expenses: (1) books and supplies, particularly for courses such as art, nursing, and biology, which require special supplies; (2) an official uniform for anyone enrolled in nursing.

REFUNDS

Official Full Withdrawal from the University: The refund amount for students withdrawing from the University shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total of calendar days in a semester is calculated from the beginning to the end of classes and includes weekends, but excludes scheduled breaks of five or more days, including weekends. The unearned portion will be refunded up to the point in time that the number of calendar days completed is equal to 60 percent of the number of calendar days in the semester.

Students who withdraw from the University when the calculated percentage of completion is greater than 60 percent, are not entitled to a refund of any portion of institutional charges.

Example: Fall semester 2002 contains 108 calendar days, calculated as described above. The student withdraws from all classes on the 50th calendar

day of the semester.

50 divided by 108 = 46.3 % (This is referred to as the “earned portion.”)

100% minus 46.3% = 53.7% (This is referred to as the “unearned portion.”)

Refundable institutional charges multiplied by 53.7% = amount refunded to student.

Official withdrawals must be made through the Registrar's Office. Refunds are computed on the number of credit hours a student is enrolled in at the end of late registration. Matriculation, student activity, transportation, technology, and athletic fees are refundable. Parking fees are non-refundable.

Student Medical Withdrawals: A student may be administratively withdrawn from the university when, in the judgment of the Dean of Students, and after consultation with the student's parents and personal physician, if any, it is determined that the student suffers from a physical, mental, emotional or psychological health condition which: (a) poses a significant danger or threat of physical harm to the student or to the person or property of others or (b) causes the student to interfere with the rights of other members of the university community or with the exercise of any proper activities or functions of the university or its personnel or (c) causes the student to be unable to meet institutional requirements for admission and continued enrollment, as defined in the student conduct code and other publications of the university. Except in emergency situations, a student shall, upon request, be accorded an appropriate hearing prior to final decision concerning his or her continued enrollment at the university.

Unofficial Withdrawal from the University: No refund will be made to a student who leaves the university without filing official withdrawal forms with the Registrar's Office. The student may also be given an F or WF for any course in which he or she is still enrolled.

Reduction in Course Load Initiated by the University: If the university drops a course from the semester's schedule, each student affected will be refunded the difference between total fees paid and charges on the course work remaining.

Reduction in Course Load Initiated by the Student: Students who reduce their course load before the end of the official add/drop period resulting in a reduction of the matriculation fees will receive a 100 percent refund of the fees for the courses reduced. No refund will be made for a reduction in credit hours after that time. Dropped classes will not appear on the permanent records.

REGENT'S REQUIREMENTS FOR GEORGIA RESIDENT STATUS

A person's legal residence is his or her dwelling place. It is the place where he or she is generally understood to reside with the intent of remaining there indefinitely and returning there when absent. There must be a concurrence of actual residence and of intent to remain to acquire a legal residence.

Students are responsible for registering under the correct residence classification, for notifying promptly the residence auditor of incorrect residence classifications or changes of residence status, and will be liable for additional fees. For example, residence status may change for students if their parents' states of legal residence change or if their visas change. Individuals who are classified by Augusta State University as Out-of-State but who later claim to qualify as legal residents must file a "Petition for Georgia Residence Classification" form with the residence auditor in the Office of the Registrar. Residence status is not changed

automatically, and the burden of proof rests with the student to demonstrate that he or she qualifies as a legal resident under the regulations of the Board of Regents of the University System of Georgia. To insure timely completion of required processing, a student/applicant requesting a change of residence classification for a specific semester should file the "Petition for Georgia Residence Classification" and all supporting documentation not later than three weeks (15 working days) prior to registration. Decisions prior to registration cannot be guaranteed when petitions and all supporting documentation are received after the specified deadline.

Petitions for Georgia Residence Classification and all supporting documentation must be filed with the residence auditor no later than sixty (60) days after the beginning of a specific academic semester for which classification as a legal resident for fee payment purposes is requested. Petitions received after that time will not be considered for that semester. If the petition is approved, classification as a legal resident for fee payment purposes will not be retroactive to prior semesters.

A student/applicant wishing to appeal a denial decision resulting from his or Petition for Georgia Residence Classification may request a review of that decision before the Vice President for Business and Student Services and shall submit such request in writing to the Dean of Students within twenty (20) days of the decision. If the petition is denied and the student/applicant wishes to petition for a later semester, a new Petition for Georgia Residence Classification must be submitted for that semester.

OBJECTIVE STANDARDS FOR ACQUIRING IN-STATE STATUS

For purposes of these regulations, a resident student is defined as a student domiciled in the state of Georgia. A nonresident is defined as one whose domicile is elsewhere. A student shall not be considered domiciled in Georgia unless he or she is in continuous physical residence in this state and intends to make Georgia his or her permanent home, not only while in attendance at an institution of the University System of Georgia, but indefinitely thereafter as well, and has no domicile or intent to be domiciled elsewhere.

Normally a person from another state who comes to an institution of the University System of Georgia does so for the primary or sole purpose of attending the institution rather than to establish a domicile (residency) in Georgia. Thus, one who enrolls in a system institution as a nonresident is presumed to remain a nonresident throughout his or her attendance at the institution unless and until he or she demonstrates by clear and convincing evidence that his or her previous domicile has been abandoned and that Georgia domicile has been established.

No person shall be eligible for classification as an in-state student unless he or she has been domiciled in Georgia and has resided in Georgia continuously for not less than 12 months immediately preceding the date of registration. However, there is a strong presumption that such person shall continue to be classified as a nonresident throughout the entire period of his or her enrollment. Ordinarily, such periods (while enrolled in school) will not count as periods of domicile for purpose of the twelve-month durational residency requirement.

The following facts and circumstances, although not necessarily conclusive, have probative value to support a claim for in-state status after twelve months continuous domicile in Georgia (durational residency requirement):

- a. Continuous presence in Georgia during periods when not enrolled as a student.
- b. Payment of ad valorem (property) taxes.
- c. Payment of Georgia income taxes.
- d. Reliance upon Georgia sources for financial support.
- e. Domicile in Georgia of family, or other relatives, or persons legally responsible for the student.
- f. Former domicile in the state and maintenance of significant connections therein while absent.
- g. Ownership of a home or real property.
- h. Admission to a licensed practicing profession in Georgia.
- i. Long term military commitments in Georgia.
- j. Commitments to further education in Georgia indicating an intent to stay here permanently.
- k. Acceptance of an offer of permanent employment in Georgia.
- l. Location of spouse's employment, if any.
- m. Address of student listed on selective service (draft or reserves) registration.

Other factors indicating an intent to make Georgia the student's domicile may be considered by the system institution in classifying a student. Normally, the following circumstances do not constitute evidence of domicile sufficient to effect classification as an in-state student under Regents' policies:

- a. Voting or registration for voting.
- b. Employment in any position normally filled by a student.
- c. The lease of living quarters.
- d. A statement of intention to acquire a domicile in Georgia.
- e. Automobile registration; address on driver's license; payment of automobile taxes.
- f. Location of bank or saving accounts.

WAIVERS

Contiguous Counties: The border tuition policy set forth by the Board of Regents states that students from counties bordering on a county in which a University System of Georgia institution is located shall pay resident tuition fees. This policy includes students from Aiken and Edgefield Counties, South Carolina, who wish to attend Augusta State University. *Students must fill out a waiver form and have it signed by a magistrate.*

Military Personnel: Active duty military personnel and their spouses and legal dependents stationed in Georgia may qualify for waiver of non-resident tuition. Military personnel should contact the Education Center at their installation for information about current financial and other assistance available to them as members of the armed forces. All military personnel planning to use military tuition assistance programs to defray expenses associated with matriculation at Augusta State University should be sure to coordinate with the Director of Admissions for guidance as to procedures.

International Students: International students may be selected by the institutional president or his authorized representative for a waiver, provided, however, that the number of such waivers in effect at any time does not exceed one percent of the equivalent full-time students enrolled at the institution in the fall semester immediately preceding the semester for which the out-of-state tuition is to be waived.

Aliens shall be classified as nonresident students; provided, however, that an alien who is living in this country under an immigration document permitting indefinite or permanent residence shall have the same privilege of qualifying for in-state tuition as a citizen of the United States. (Also see "International Students: Special Requirements", page 15.)

Teachers: Full-time teachers in the public schools of Georgia and their dependent children may enroll as students in University System institutions on the payment of resident fees.

Employees: All full-time employees in an institution of the University System, their spouses, and minor children may register for courses on the payment of resident fees, even though the employee has not been in residence in Georgia for a period of twelve months.

VETERANS' EDUCATION BENEFITS

See the entry for "Veterans' Affairs" in the General Information section of this catalog (page 59) or contact the office of Veterans' Affairs for further information (737-1606).

FINANCIAL AID

It is very important to apply for financial aid as early as possible in the calendar year you plan to enroll. Applications completed by April 15 will be given priority in awarding fall semester aid. For applications and information, contact the Office of Financial Aid, Payne Hall, 737-1431.

To apply for assistance, you will need to process the Free Application for Federal Student Aid annually, unless you only want the HOPE Scholarship. No award can be made until you have been officially admitted to the university.

To be eligible to receive aid under any of the federal or state programs, you must:

1. Be a citizen of the United States or be in the United States for other than a temporary purpose, or be otherwise classified as an eligible non-citizen.
2. Demonstrate financial need (where applicable).
3. Be making satisfactory academic progress as defined by the Financial Aid Office.

For a comprehensive listing of the aid programs available, visit, call, or email the Financial Aid Office. We also encourage you to explore other financial aid opportunities. Your family background, affiliations and activities may provide keys to other sources of assistance. Publications in your local or school library or guidance office will assist you in obtaining information on scholarship programs. Web sites are also available.

All scholarships awarded by the Augusta State University Scholarship and Financial Assistance Committee require an institutional application, available in the Financial Aid Office. The application deadline is March 1 for the upcoming academic year.

The primary responsibility for financing a college education belongs to you and your family. Students who need financial assistance are expected to work for and borrow a reasonable portion of the funds needed to meet expenses. Your family is expected to make a maximum effort to assist in satisfying the cost of education.

ACADEMIC REGULATIONS and INFORMATION

This section explains regulations that affect students after admission. Regulations regarding admission may be found in the "Admissions Policies and Enrollment" section of this catalog (page 5).

When a student registers at Augusta State University, he or she accepts the official academic regulations. The student is expected to follow the program outlined by his or her college and department and should do sufficient planning, in consultation with his or her faculty advisor, to avoid scheduling difficulties which may impede normal academic progress. The student should plan his or her program so as to meet the core curriculum, graduation, and major and minor requirements.

Academic Standing and Grade Point Averages

Undergraduates: There are two grade point average computations in use at Augusta State University. These computations produce a student's Institutional GPA and Regent's GPA. The Regent's GPA is used to measure the quality of a student's entire performance while at Augusta State University. The Regent's

GPA appears on a student's transcript, is used for calculating honors and awards, is used to measure the ability to take overloads, and is used as the basis for measuring continued eligibility for scholarships. Graduate schools and employers are interested in a student's GPA so as to compare that student's collegiate performance with the performance of others.

The Institutional GPA was first put into effect at Augusta State University in Spring Quarter 1989 and was modified in May of 1994 and again in February of 1997. The current rules apply regardless of the student's enrollment date. A student's Institutional GPA is used only to determine whether or not institutional requirements concerning probation, suspension, and graduation are being met by the student. The performance measured by the Institutional GPA is of interest only within the institution.

Computations: The Regent's GPA is computed by dividing the total number of hours attempted that count in a GPA at Augusta State University (that is, those hours for which a grade of A, B, C, D, F or WF has been earned) into the total number of quality points (sometimes called grade points) earned on those hours (See **Grading System, Undergraduate**; page 33). A GPA is determined for each student at the end of each semester. It is similar to the Regent's GPA, but is based only on the hours attempted that semester.

To determine the Institutional GPA, first compute the number of hours attempted by summing together those hours associated with *the most recent attempts* of courses taken at Augusta State University numbered from 1000 through 4999 in which a grade of A, B, C, D, F, or WF has been earned. The Institutional GPA is computed by dividing the hours attempted into the number of quality points earned on those hours. All grade point averages are truncated at two decimal places. They are not rounded up. Hours accumulated at Augusta State University by a transfer of credit or an approved examination process are not used in computing any grade point averages. They are, however, used in determining the credit level, which is discussed next.

Probation and Suspension: The credit level is the sum of all institutional hours earned, plus all transfer credit hours earned, plus all credit hours earned with grades that do not count in the GPA's, such as S and K. The credit level is a rough measure of the actual amount of time a person has attended college. It is not the same as the total of the hours earned towards a degree. It is an important concept because it has an effect upon probation and suspension. **Students who earn an Institutional GPA (or Academic Renewal GPA, see below) of less than 2.00 will be placed on academic probation.** Students on probation may continue to attend Augusta State University only if they meet the following minimum requirements which are based on credit level.

<u>Credit Level</u>	<u>Required Minimum Average</u>	
	either <u>Term GPA</u>	or <u>Institutional GPA</u>
0 -- 16	1.00	0.50
17 -- 29	2.00	1.30
30 -- 59	2.00	1.60
60 -- 89	2.00	1.90
90 and above	2.00	2.00

Students who are on probation and fail to meet the requirements specified above will be suspended. The time of suspension will be one semester for the first suspension, two semesters for the second suspension, and three semesters for all suspensions thereafter. Any suspensions prior to academic renewal do count in the number of suspensions received by the student. Credit earned at other institutions during periods of mandatory suspension from Augusta State University will not transfer back to ASU.

After the mandatory period has passed, students suspended for academic deficiencies may be considered for reinstatement by petitioning the dean of the appropriate college. The petition must be submitted in writing to the dean at least thirty days prior to the desired semester of reinstatement. Appeals for reinstatement after the third and all subsequent suspensions must also be approved by the Vice President for Academic Affairs. If a student has been out of school for more than two years, he or she must also file a Former Student Application with the Office of Student Records.

If circumstances warrant, the dean or vice president may require special testing and successful completion of all or a part of the Learning Support program as a condition of reinstatement. See Learning Support, Rules for Students on (page 38).

Having appealed and having been reinstated according to the above procedure, should the student again fail to meet the probation requirements, the student again will be suspended. Normally a student will not be reinstated after the fourth suspension

Academic Renewal: The Academic Renewal policy allows Augusta State University undergraduate, degree-seeking students who have experienced significant academic difficulty at Augusta State University to have one opportunity to make a fresh start after an absence of five calendar years from all post-secondary institutions.

Restrictions: All Learning Support requirements must have been successfully completed before the commencement of the five-year period of absence. The student must apply for academic renewal at the time of re-enrollment, or within, whichever comes first, three academic semesters of re-enrollment or one calendar year. A student can be granted academic renewal status only once.

Advantages: A revised Institutional Grade Point Average is begun when the student re-enrolls following the five-year period of absence. The new Institutional GPA begins with zero hours attempted and zero quality points as if the student was a new transfer student. The new Institutional GPA is used for the minimum grade point average graduation requirement and for probation/suspension decisions. All academic credit earned with grades of "A", "B", "C", and "S" in previously completed course work is retained and will count towards the residency requirement, if taken at Augusta State University. Any prior completion of the Regent's Test, Legislative, and College Preparatory Curriculum requirements will be retained.

Disadvantages: Any credit earned with a grade of "D" is not retained. All suspensions count towards the number of suspensions received. Financial aid policies regarding Satisfactory Academic Progress are still in effect. The minimum grade point average needed for admission to particular programs may or may not utilize the new Institutional GPA (see the requirements for the desired program). Both the new Institutional GPA and the Regent's GPA will appear on the student's transcript with a statement that Academic Renewal status was granted.

Graduate Students: The determination of academic accomplishment is based solely upon a student's grade point average, which is computed by dividing the number of hours attempted in which a grade of A, B, C, D, F or WF has been received into the number of quality points earned on those hours. (The Institutional and Regent's GPA's are identical.) A GPA of 3.00 must be maintained on all courses attempted in a graduate program. For more information, consult listings of specific programs in the Graduate Programs section of this catalog.

Additional Baccalaureate Degree

A student holding a baccalaureate degree from a regionally accredited college or university who wishes to work for another degree must complete the minimum residence requirements of the university (30 hours of course work in courses numbered 3000 or above with an average grade of C or better) with at least 30 hours of resident credit in excess of the requirement for the original degree. In addition, he or she must complete the exact requirements of major courses, allied fields, mathematics, and foreign languages.

Auditing a Course

A student who has been admitted to Augusta State University may be permitted to enroll in credit courses as an auditor on a non-credit basis. However, a student may not change his or her status from credit to audit or vice versa during the course. Credit may not be earned in courses taken as an auditor except by re-enrollment for credit in and completion of the course with a satisfactory grade. An auditor is assumed to be seriously interested in courses that he or she audits. Therefore, a student enrolled as an auditor is expected to attend class regularly and perform such other tasks as may be assigned by the instructor. An auditor who does not attend regularly may be dropped from the class with a grade of "W".

Class Attendance

The resources of Augusta State University are provided for the intellectual growth and development of the students who attend. A schedule of courses is provided for the students and faculty to facilitate an orderly arrangement of the program of instruction. The fact that classes are scheduled is evidence that attendance is important and students should, therefore, maintain regular attendance if they are to attain maximum success in the pursuit of their studies.

It is recognized that the degree of class attendance may vary with the student, the professor, or the course. It is also recognized that, on occasions, it may be necessary for the student to be absent from scheduled classes or laboratories for personal reasons. On such occasions, all matters related to a student's absences, including the making up of work missed, are to be arranged between the student and the professor. A student must not be absent from laboratory

periods, announced quizzes and tests, or final examinations unless the reasons for the absences are acceptable to the concerned professors. A student should also understand that he or she is responsible for the academic consequences of any absences.

At the beginning of each semester, all professors will provide a clear written statement to all their classes regarding their policies in handling absences. Professors will also be responsible for counseling with their students regarding the academic consequences of absences from their classes or laboratories. Students are obligated to adhere to the requirements of each course and each course professor.

Professors will be flexible enough in their attendance and grading policies to allow students a reasonable number of absences without penalty for extraordinary personal reasons or for officially representing the university. However, if the student has been absent for more than the equivalent of 10% of class time, regardless of cause, then the professor may withdraw the student from the class for excessive absences. A student withdrawn for excessive absence may appear before a board of review appointed by the Academic Policies Committee for reinstatement. In the event a student is reinstated, he or she is fully responsible for making up all work missed while the case was pending.

It is important to note that the instructor may - or may not – withdraw a student from class based upon attendance. In any case, a student should not assume that the instructor has initiated the withdrawal form. A student not withdrawn from a course who stops attending class (or who never attends class) is subject to receiving a grade of "WF" or "F" for the course.

Classification

For the purpose of class organization, an undergraduate is classified on the basis of number of hours of academic credit earned at the time of registration as follows: Freshman, 0-29; Sophomore, 30-59; Junior 60-89; Senior, 90 or more.

Course Changes

In the case of course changes, the student must initiate an "Add/Drop" form, which can be obtained from his or her academic advisor's office. Students are strongly advised to consult with their academic advisor before dropping and/or adding courses. The last day a student may enroll in a class is given in the university calendar as the last day of Add/Drop.

Course Repeat Policy

Any student may repeat a course taken at Augusta State University. No student may receive additional hours of credit for a repeated course in which the student has already earned credit, with the exception of such courses as WELL activity courses, Cullum Lecture Series courses, "Selected Topics" courses, and other courses specifically designed for repetition. Such courses are labelled in the "Course Descriptions" section of the catalog with a phrase such as "may be repeated for credit." However, if a student fails a repeated course in which he or she had already earned credit, the student will lose any credit previously earned.

If an undergraduate course (numbered 1000 through 4999) is repeated, only the

last grade received is used in the calculation of the Institutional Grade Point Average (IGPA). See "Academic Standing and Grade Point Averages (GPA)", page 28.

Course Substitution

Each student is responsible for following the requirements of his or her selected program as specified in the catalog and in accordance with the regulations of the catalog. Variations in course requirements are permitted only upon petition and the written approval of the chairman of the department responsible for the required course and the appropriate dean. The approved change to the program of study will be forwarded to the Office of the Registrar. Variations from course requirements are approved only under exceptional circumstances and only in cases where courses of the same academic value and type can be substituted.

Curriculum Changes

The academic programs of Augusta State University are offered through the College of Business Administration, the College of Education and the Katherine Reese Pamplin College of Arts and Sciences. These units, including the appropriate departments, furnish the basic organization of the faculty and provide the framework for the generation and maintenance of quality education in the variety of courses and programs listed in this bulletin. The Academic Policies Committee serves as the major source for recommendations to the faculty on policies in these areas. The faculty reserves the right to make changes in curricula and in rules, at any time when in its judgement such changes are in the best interest of the student and Augusta State University. Recommendations for such changes can originate with any one of a number of key faculty committees.

Deans' Lists

The Deans' Lists for the College of Business Administration, the College of Education, and the Katherine Reese Pamplin College of Arts and Sciences are compiled each semester for undergraduate students. To qualify for this academic honor, a student must (1) earn nine (9) or more hours of undergraduate course work numbered 1000 or above, exclusive of K grades, (2) achieve a grade point average of 3.66 for the semester, and (3) receive no grade of I, F, or WF during the semester. Also see: "Graduation with Honors" (page 38).

Developmental Studies, Rules for Students in

See Learning Support, Rules for Students in (page 38)

Grade Changes

Any grade changes must be accomplished in the semester immediately following the semester in which the grade was originally reported.

Grading System, Undergraduate

Grades used in calculating the undergraduate grade point average are as follows:

<u>Grade</u>	<u>Meaning</u>	<u>Quality points/credit hour</u>
A	Excellent	4.0
B	Good	3.0
C	Satisfactory	2.0
D	Passing	1.0
F	Failure	0.0
WF	Withdrew, failing	0.0

The following symbols are used in the cases indicated, but are not included in the determination of the grade point average:

I: Incomplete—Student doing satisfactory work, but unable to meet the full requirements of the course because of non-academic reasons. The maximum time for completing course work to remove an I is one semester; otherwise, the I will be automatically changed to F.

23: Withdrawal, without penalty—The W will be assigned if the student officially withdraws from the course by semester midterm, unless the student has been charged with academic dishonesty. A grade of WF will be assigned after midterm unless the student withdraws because of non-academic hardship and has a passing average at the time of withdrawal.

19: Satisfactory*—Indicates satisfactory completion of degree requirements other than academic course work.

21: Unsatisfactory*—Indicates unsatisfactory performance in an attempt to complete degree requirements other than academic course work.

5: Audit—Indicates that the student was enrolled in the course as an auditor. Students may not transfer from audit to credit status or vice versa.

11: Credit by examination.

NR: Not Reported—Indicates that the grade was not reported.

IP: In Progress—Indicates that credit has not been given in courses that require a continuation of work beyond the semester for which the student signed up for the course. The use of this symbol is approved for project courses.

*The S and U symbols are used for dissertation and thesis hours, student teaching, clinical practicum, internship, and proficiency requirements in graduate programs, and specifically designated courses.

Graduation Requirements: Undergraduate

All candidates for the bachelor's degree at Augusta State University must satisfy the following conditions:

Students must earn 39 or more hours in upper level courses with at least 21 hours in the major and 15 to 18 total hours in the minor, depending upon the field, with a grade of "C" or better in each course in the major and the minor. (The Bachelor of Music degree and the Bachelor of Fine Arts degree are more professionally

oriented programs and require more hours in the major field. The performance major in the Bachelor of Music or the Bachelor of Fine Arts and the Bachelor of Business Administration major do not require a minor field.) Together with the core curriculum and electives and/or foreign language, statistics, and computer science courses, depending on the major, these requirements will normally total 120 hours, not including the physical education requirement. Specific graduation requirements for undergraduate programs in the Katherine Reese Pamplin College of Arts and Sciences, the College of Education, and the College of Business Administration are found in the "Undergraduate Programs" section of this catalog (page 71).

Application for Graduation: The application must be completed and filed with the registrar no later than the mid-term date of the semester preceding the final semester of course work. Students must be approved formally for graduation by the faculty.

Graduation Exercises: Degrees are conferred formally at the close of the spring semester (in May) and at the close of the fall semester (in December). Students who complete all requirements for the degree by the end of spring semester receive degrees in May. Students who complete all requirements for the degree by the end of the summer term or fall semester receive degrees in December. Degree candidates are encouraged to attend graduation exercises. However, if they are unable to do so, they are required to notify the Registrar's Office in writing.

Payment of Financial Obligations: No student will be permitted to graduate if he or she is in default on any payment due to the university.

Additional Degrees: Normally, two identical degrees are not awarded. However, a student may receive the appropriate degree of any other program by completing the additional requirements of that program and earning at least 30 hours of resident credit (20 hours for the associate degree) in excess of the requirement for the original degree.

Core Curriculum: The core curriculum was developed by the University System of Georgia for the purpose of facilitating the education of students as they pursue baccalaureate degrees within and among the units of the University System. It includes 60 hours of lower level courses that would normally be covered in the first half of a baccalaureate degree program. A student who completes the requirements of the core, or any area of the core, will have the assurance that credit for all of this work can transfer to any other unit of the University System. All candidates for the bachelor's degree at Augusta State University must satisfactorily complete the core curriculum. The list of courses in the core curriculum is presented at the beginning of the Undergraduate Programs section of this catalog (page 72).

Course Requirements: Complete a minimum of 60 hours for the associate degree or 120 hours for the baccalaureate degree (exclusive of credit earned in lower division Physical Education courses) as specified for the candidate's program. There will be a minimum of **39 hours** of upper division courses required for students graduating with the baccalaureate degree.

Credit from Other Institutions: See "Residence Requirement and Credit from Other Institutions" (page 37).

Degree Requirements in Effect at Candidacy for Graduation: A candidate for graduation is subject to requirements in effect at the time of initial enrollment; however, changes may have been made while the student is enrolled. The changes in requirements shall be implemented so as to minimize the problems of transition for currently enrolled students; but, since some changes are considered to be improvements, the new requirements may apply. Exceptions may be made by the department chairperson in conjunction with the advisor, appropriate department faculty, and, as necessary, the dean.

A student who is not enrolled for two or more consecutive years or who transfers for two or more semesters to another institution will be required to complete a new application for graduation and will be subject to the requirements for graduation in effect at that time; or if readmitted, will be subject to the requirements in effect at the time of readmission.

English 1101 and 1102, When to Enroll: (a) Students must enroll in English 1101 no later than the first semester they register following completion of 20 hours of Augusta State University residence/transfer credit. (b) Students must continue to register for English 1101 each successive semester until they have completed the course with a grade of "C" or better. (c) Students who complete 1101 must enroll in English 1102 no later than the first semester they register following completion of 30 hours credit. (d) Students must continue to register for English 1102 each successive semester until they have completed the course with a grade of C or better.

Grade Point Average: Achieve an institutional grade point average (see page 33) of at least 2.00 on all work attempted at this university or an academic renewal grade point average of at least 2.00 on all work since the date of academic renewal (if the student is eligible for academic renewal and elects to accept academic renewal).

Graduation Fee: This \$25 fee is to be paid to the Business Office at the time the application for graduation is submitted.

Legislative Requirements: In 1975, the Georgia legislature enacted a measure that requires all graduates to have passed examinations on the history of the United States and of Georgia and on the provisions and principles of the constitutions of the United States and of Georgia. No academic credit is given for these examinations, which are administered each semester by the Counseling and Testing Center in Bellevue Hall.

Certain history and political science courses (i. e., HIST 2111, HIST 2112, HIST 3711, POLS 1101, and POLS 4101), which are described later in the catalog, will satisfy this requirement. Students who fail one or both of the examinations should contact the chair of the appropriate department (History or Political Science) soon after the examination date.

Physical Education Requirement: Complete the required courses in physical education as described below:

Baccalaureate Degree: Each student is required to pass three courses which should normally be completed during the freshman and sophomore years. Unless a waiver (as described below) is granted, the requirement will consist of the following:

Wellness 1000	(3 hrs.)
Activity Classes:	
Swimming	(1 hr.)
Elective	(1 hr.)

The swimming requirement may be satisfied by taking any course numbered from 1400 to 1410. The elective may be a repeated course offering, but it is suggested the student take advantage of this opportunity to develop other skills by taking another elective.

Associate Degree (Note the exception for nursing students described in section A below): Each student is required to pass two courses. Unless a waiver (as described below) is granted, the requirement will consist of the following:

Wellness 1000	(3 hrs.)
Swimming	(1 hr.)

Waivers and Substitutions: Waivers are the same for the Baccalaureate Degree program and the Associate Degree program, as follows:

- (A) Wellness 1000 (3 hrs.)
All students are required to successfully complete this course with the following exception.

Nursing Students: Nursing students may satisfy the Wellness 1000 (3 hr.) course requirement through the course studies within their degree program. The department chair of nursing will sign off on this requirement on the application for graduation. All nursing students are required to satisfy 2 hours of activity course requirements. Note that only degree candidate nursing students will have the Wellness and Fitness course waived.

- (B) Activity Courses:
Swimming Requirement: Any student may elect to take a swimming proficiency exam to be offered each semester on the first day of class and at midterm. This exam, when passed, will waive the swimming requirement. However, an activity class elective must be successfully completed in place of the swimming requirement. To take the swim proficiency exam, students must present a valid student I.D. card and report to the lifeguard at the pool during the hours of recreation swim on the day of the exam.

Residence Requirements and Credit from Other Institutions: If seeking an associate degree, a student must complete in residence at Augusta State

University a minimum of 20 hours of academic credit. If seeking a baccalaureate degree, a student must complete in residence at Augusta State University at least 25 percent of the credits required for the degree and a minimum of 30 hours of academic credit in courses numbered 3000 or above. At least one-half of the major concentration and at least one-half of the minor concentration must be completed in residence at Augusta State University.

The amount of credit that the university will allow for work done in another institution within a given period of time may not exceed the normal amount of credit that could have been earned at the university during that time. A maximum of 62 hours of credit earned in a junior college may be applied toward a degree.

Regents' Testing Program Examination: A student must demonstrate proficiency in reading and writing skills by passing all parts of this examination. The examination is administered each semester and students are advised when they are eligible and must take this examination. Transfer students who are eligible will be notified of the earliest testing date following their initial enrollment. (See also *Regents Testing Program*, page 41.)

Special Examinations: Special examinations may be required of the student as he or she progresses through various levels of the curriculum.

Graduation with Honors: Excellence in academic work is recognized at graduation by the award of honor rank in general scholarship. The cumulative grade point average is used in the awarding of academic honors. A student who averages 3.85 or more is graduated *summa cum laude*; one who averages 3.65, but less than 3.85, is graduated *magna cum laude*; and one who averages 3.50, but less than 3.65, is graduated *cum laude*. This distinction of high academic achievement is placed on the student's diploma and is noted on the permanent record.

A student who has transferred to Augusta State University is eligible to graduate with honors only if the grade point average for his or her university career meets one of the above requirements and the student has completed at least 60 hours of courses in residence for the bachelor's degree (30 hours in residence for the associate's degree). Also the Augusta State University regents GPA must meet the above requirements. The honors will be determined by the lower of the two GPAs.

Honors Program

The Augusta State University Honors Program offers special opportunities to superior undergraduate students who enjoy the challenges and rewards of a stimulating academic environment. Students in any major may apply for the Honors Program and complete requirements to be recognized as ASU Honors Program graduates. Honors classes are open to other excellent students on a space available basis. Honors classes are small, offer more personal contact with professors, and ask students and professors to explore course content actively and intensively; they do **not**, however, have a different grading scale and are **not** graded more strictly than other courses. A complete description of the ASU Honors Program is located at the beginning of the Undergraduate Programs section of this catalog.

Learning Support, Rules for Students in

A student in the Learning Support Program who is permitted to take regular credit courses is subject to the university regulations concerning probation and suspension. However, these regulations do not apply to hours of "institutional credit" attempted or earned.

1. During each semester of enrollment, all Learning Support students, including those attending part-time, must first register for all required Learning Support courses before being allowed to register for other courses.
Two exceptions are possible:
 - a. When two or three Learning Support courses are required and a student is enrolled in at least one Learning Support course, a freshman orientation course or physical education or other activity or performance courses may be taken that semester instead of one of the required Learning Support courses. These courses must be chosen from Augusta State University orientation (ASUO 1000), physical education (WELL), military science (MILS), or music (MUSA or MUSI).
 - b. In the event that a required Learning Support course is not offered, a student may enroll in a course for degree credit if the student has met the course prerequisites, subject to the written approval of the Chair of Learning Support. No exceptions shall be made regarding prerequisites.
2. Until individual Learning Support requirements have been satisfied, students will not be permitted to take credit courses which assume the content or the skills of a student's required Learning Support courses as prerequisites:
 - a. Mathematics 0096, 0097, and 0099 are prerequisites for Mathematics 1111 and 1101; English 0097 and 0099 are prerequisites for English 1101; Biology 2111 and Biology 2112; Reading 0097 and 0099 are prerequisites for English 1101.
 - b. In addition, students who are enrolled in Reading 0097 may enroll only in the following credit courses: Mathematics courses; all 1000-level Applied Music (MUSA) courses; all music ensembles and all 0000 - 1000-level music courses; all 1000- and 2000-level art courses; 1000- and 2000-level Military Science courses; all 1000-level Physical Education courses; Military Science courses; Communication/Drama 2500, 2510.
 - c. Students enrolled in Reading 0099 may enroll in the courses listed above and in Communication/ Speech 1010 and 1020.
3. Once assigned to the Learning Support Program, a student may not accumulate more than twenty (20) hours of academic credit before completing all Learning Support requirements. A student who accumulates twenty (20) hours of academic credit, and has not successfully completed required Learning Support courses, may enroll only in Learning Support courses until requirements in Learning Support are successfully completed.
4. Students who do not complete the requirements for passing each required area of Learning Support after a maximum of three (3) attempts per area, will be placed on Learning Support Dismissal and will not be eligible to continue in the program. The student may not be considered for readmission within three

years of the dismissal.

Prior to placing the student who has not exited the Learning Support area within three attempts on Learning Support Dismissal, the Department of Learning Support considers the student for one additional attempt in the area. (An attempt is defined as a semester in which the student receives any grade except "W".) The student must:

- * be individually evaluated and determined to have a reasonable chance for success,
- * be in the exit level course (0091/0099) of that area, and
- * have reached the limit in only one Learning Support area.

If granted the additional attempt, the student may enroll in only the Learning Support course.

Students who do not complete the requirements for passing the non-exit level of a Learning Support area (0090-0096/0097) within two (2) attempts will be declared Learning Support Ineligible and may not continue in the program. Students who are declared Learning Support Ineligible may be considered for readmission after a minimum of one (1) semester, if they can demonstrate that they have acquired the knowledge and/or skills necessary to satisfy the requirements of the area for which they are ineligible. Students are required to submit written documentation of acceptable attempts to remediate the deficiency and demonstrate an acceptable level of proficiency in the area. If readmitted, enrollment is limited to the exit level course in the area for which the student was declared ineligible. The student is given one (1) attempt to successfully complete the requirements of the exit level course. Students who do not earn the grade of "S" in the exit level course, are then placed on Learning Support Dismissal.

5. No degree credit is earned in Learning Support, though institutional credit is awarded. Time spent in Learning Support course work is cumulative within the University System, as is the number of attempts per area. Students with transfer credit or credit earned as a certificate student may be granted up to a total of three attempts at an area of Learning Support.
6. The following grade symbols are used in Augusta State University's Learning Support program:
 - S: satisfactory (passed course work, passed institutional requirement, passed Collegiate Placement Examination [CPE])
 - IP: insufficient progress (passed course-work, passed institutional requirement, failed CPE)
 - U: unsatisfactory (failed course work, ineligible to attempt institutional requirement, ineligible to attempt CPE; withdrew after midterm)
 - W: withdrawal before midterm (not counted as an attempt)
 - V: audit (volunteer enrollment only)
7. Students enrolled in both Learning Support and credit courses may not withdraw or be withdrawn from a Learning Support course unless they also withdraw or are withdrawn from all credit courses. All course changes must have advisor approval.

Load-Overload, Academic

An undergraduate student is considered *full-time* with enrollment in at least 12 hours per semester and *one-half time* with enrollment in at least 6 hours per semester. A typical course load for a full-time undergraduate student is 15-17 hours. A student should carefully consider the advisability of taking an overload; he or she should not attempt to do so solely for financial reasons. A student wishing to schedule up to, but no more than, 18 hours may use regular registration procedures, which include approval of the course schedule by the academic advisor. A student required to take remediation due to Regents' Testing Program policies may not take an overload.

A student may be approved to preregister for more than 18 hours only if:

- (1) he or she has a Regent's GPA of 3.25 at Augusta State University, or
- (2) he or she is within 30 hours of graduation (15 hours for associate degree candidates) at the beginning of, but not including, the semester of current enrollment.

A student may be approved to register for more than 18 hours only if:

- (1) he or she has a Regent's GPA of 3.00 at Augusta State University, or
- (2) he or she is within 30 hours of graduation (15 hours for associate degree candidates), or
- (3) the student is granted permission by his or her dean, even though he or she is not eligible under the above conditions.

Credit hours earned by music students in the areas of private instruction (MUSA) and/or music ensemble credits (i.e. university band, chamber choir, etc.) do not contribute to an overload status. Rather, such credits should be regarded as outside the normal academic load.

Majors

A major concentration normally requires a minimum of 21 hours. (Also see "Graduation Requirements: Undergraduate," page 34) Grades below C are not accepted for courses in a major concentration. Some departments or colleges require general education or cognate courses in addition to the core curriculum and major courses. Satisfactory completion of the major concentration is certified by the major department or appropriate college. A student pursuing a degree program may declare a multiple major, in which case a minor concentration will not be required. The student must complete all requirements for each major. Upon completion, each major will be recorded on the permanent record. For details on a specific major concentration, see the "Undergraduate Programs" section of this catalog.

Minors

Most bachelor's degree programs require a minor, with the exception of those leading to the degrees of Bachelor of Business Administration, Bachelor of Fine Arts, the performance major in the Bachelor of Music, and Bachelor of Science in Education, Biology, Chemistry, Physics, and Secondary Education. A minor

consists of 15 to 18 hours of courses with at least 9 hours of upper division courses, depending upon the area of concentration. Grades below C are not accepted for a minor concentration. Satisfactory completion of the minor concentration is also certified by the minor department or college. Once the minor field is selected, the student should seek academic advisement for this concentration within the department or college in which he or she is minoring.

For details on a specific minor field, see the "Undergraduate Programs" section of this catalog. Minor programs offered at Augusta State University are listed in the *Index* under Minor Programs.

Regents' Testing Program

The following is the policy of the Board of Regents of the University System of Georgia and Augusta State University regarding the Regents' Testing Program:

- 1) Requirements: Students enrolled in undergraduate degree programs shall pass the Regents' Test as a requirement of graduation. Passing the Regents' Test is defined as having passed all components of the test by scoring above the cutoff score specified for each component. If one component of the test is passed, that component need not be retaken; this provision is retroactive to all students who have taken the test in any form since the inception of the program.

- B) Exceptions:
 1. Students who hold a baccalaureate or higher degree from a regionally accredited institution of higher education will not be required to complete the Regents' Test.

 2. Students whose mother tongue is other than English may be exempted from taking the Regents' Test, but they will be expected to demonstrate their skills by performing acceptably on a comparable examination.

- C) When to take the Regents' Test:
 1. Students who have satisfactorily completed English 1101 and 1102 or English 1111 or have earned 30 hours of credit must take the Regents' Test the next semester in which they are enrolled. Students who fail to take the test at this time will not be allowed to register for subsequent semesters until they have taken the test.

 2. Students who have passed only one portion of the Regents' Test are required to take only the segment they have not passed.

3. Transfer students from within the University System will be held to all policies as described herein. Transfer students from outside the University System who receive 30 or more credit hours of transfer credit must take the Regents' Test no later than the second semester of enrollment. Thereafter, they are subject to all other provisions of this policy.
4. Non-native speakers should refer to the Languages, Literature, and Communications' policy, available in that department, which explains specific procedures concerning the Regents Testing Process.

D) Remediation Requirements:

1. Students who have earned 44 or fewer hours and who fail one or both parts of the Regents' Test must take English 1101 or 1102 if they have not satisfactorily completed these courses or English 0510 and/or 0520 if they have completed these courses: students who have earned 45 hours of credit or more must take English 0510 and/or 0520 (as appropriate) for remediation whether or not they have completed English 1101 or 1102.
2. Students required to enroll in English 1101, 1102, 0510 and/or 0520 as required above must meet all requirements of these courses. Students required to take English 1101, 1102, 0510, and/or 0520 may not take an overload or withdraw from this class. Students who miss the equivalent of one week of class will be withdrawn from the class, prohibited from taking the Regents' Test that semester, and made ineligible to register at Augusta State University for the following semester.
3. Part-time students taking only one course per semester may be permitted to take remediation and repeat the test in only one area at a time although they may have previously failed both components of the Regents' Test. Students who select this option may not take regular degree credit courses during that semester.

E) Regents' Test Remediation Appeal Procedure:

Students who wish to appeal the requirement that they remediate, as specified in "D" above, should make their appeals in writing to the Vice President for Academic Affairs. Students who appeal

merely because remediating is inconvenient or because they have already registered for the current semester should not expect to have their appeals approved.

F) Review of Essay:

A student may request a formal review of his or her failure on the essay component of the Regents' Test if that student's essay received at least one passing score among the three scores awarded and if the student has successfully completed English 1101 and 1102. Any student who fails the essay component of the Regents' Testing Program may secure a copy of his or her essay from the Department of Languages, Literature, and Communications. The student should enroll in English 0520 and take the copy of the essay to his or her first class. The instructor will review and mark the essay indicating if he or she thinks the essay should be appealed. If the instructor and the student agree that the essay should be appealed, they will submit an unmarked copy of the essay to a committee consisting of three faculty members appointed by the Vice President for Academic Affairs. If the student does not concur with the 052 instructor's evaluation of the essay, he or she may appeal the essay by immediately notifying the committee of his or her intent to appeal and requesting that an unmarked copy of the essay be sent to the committee. If a majority of the review panel feels that the essay should be appealed, the committee will send its recommendation, along with a copy of the essay, to the System's Director of the Regents' Testing Program. On the other hand, a vote by the committee to sustain the essay's failing score will terminate the review process.

The initial step in the review and the review itself are intended to deal with perceived errors in ratings. The review is not automatically indicated by a student's failure to pass the essay. A review is indicated only when there is substantial question concerning the accuracy of scoring and when the criteria set forth in the first sentence of this section on Review of Essay have been met.

The on-campus review committee will consist of three members, each of whom is an experienced essay rater. A decision by the on-campus review panel to terminate the review is final; this decision cannot be appealed to any other office, except in cases

where it is reasonably alleged that an adverse decision was based on discrimination with respect to the student's race, religion, sex, handicap, age, or national origin.

Transient and Co-enrolled Augusta State University Students

An Augusta State University student must be in good standing and must obtain prior approval to enroll in any and all credit courses at any other institution as a transient or co-enrolled student. This prior approval of each course must be obtained from the Augusta State University department or college that offers a course most comparable to the one that will be taken elsewhere. A transient student is defined as a degree candidate at Augusta State University who is granted the privilege of temporary registration at another institution and will not be enrolled at Augusta State during that period of temporary registration. A co-enrolled student is defined as a degree candidate at Augusta State University who is granted the privilege of enrolling at both Augusta State and another during a semester.

A student who has attempted a course at Augusta State University and received a penalty grade in that course may not take the course at another institution and transfer it back to Augusta State University. (Penalty grades include F's, and WF's in all courses, and D's, F's and WF's in English 1101, English 1102, and major and minor courses.) A statement granting permission to attend another accredited institution will be provided by the Augusta State University Registrar after department or college approval has been obtained.

Unit of Credit (The Semester System)

Wherever this catalog uses the term "hours," it is referring to "semester hours" as understood within the semester system. Augusta State University is organized on this system. Each of the two semesters in the regular academic year covers a period of approximately 16 weeks, which includes 15 weeks of instruction. The summer session is 11 weeks, with some courses being offered in one of two half sessions. Each half session has 23 class days. The "semester hour" is the unit of credit in any course. It represents a recitation period of one fifty-minute period a week for a semester. A course meeting 150 minutes a week for 15 weeks would thus give credit of 3 hours when completed satisfactorily. For credit purposes, 2 to 3 laboratory or activity hours are usually counted as the equivalent of one recitation class period. Also see "Course Repeat Policy", page 32.

Withdrawal from a Course

The responsibility for initiating a withdrawal resides with the student. A student who registers for a course and stops attending class (or never attends class) is not automatically withdrawn by the instructor and is subject to receiving a grade of "WF" or "F" for the course. Forms for initiating a withdrawal may be obtained from the Office of Student Records (Office of Veterans' Affairs). A student is strongly advised to consult with his or her advisor before withdrawing from a course. A student must obtain the signature of the instructor to officially withdraw from a course. An instructor may withdraw a student for excessive absence. (See "Class Attendance", page 31, for attendance policies and "Grading System", page 32, for grading policy upon withdrawal.) The official date of withdrawal is the date the Withdrawal Form is received in the Office of Student Records.

WHERE TO GO for Information on Facilities, Services and Activities at ASU

This section includes a wide variety of facilities, services, and activities, arranged alphabetically, which are available to members of the ASU community.

Alumni Association (737-1759)

The Augusta State University Alumni Association dates back to when "Augusta College" was only a two-year institution in 1927. The association is composed of former students and graduates of Augusta State University and is governed by a board of directors. The purpose of the association is to promote the growth, progress and welfare of Augusta State University and serve as a link between Alumni and ASU. A complimentary one-year membership is given to each graduate. Other alumni achieve active status by paying annual membership dues.

For information on alumni programs, please call the Office of Development and Alumni Relations.

Athletics (737-1626)

Augusta State University is affiliated with the National Collegiate Athletic Association (NCAA Division II) and is a member of the Peach Belt Athletic Conference. Augusta State University supports men's teams in baseball, basketball, cross country, golf (Division I), soccer, and tennis. The university supports women's teams in volleyball, basketball, softball, tennis, and cross-country. An intramural sports program is offered throughout the school year for both men and women, with a variety of sports being offered each semester.

Augusta State University Foundation (737-1442)

The Augusta State University Foundation was established in 1963. The purpose of the Foundation is to raise private support from individuals, corporations, foundations, and others to further the interests of Augusta State University. Other purposes of the Foundation are to establish and maintain endowments and provide the administration for handling all private support. The Foundation is located in the Office of University Advancement, Rains Hall.

Bookstore (737-1611) www.aug.edu/bookstore

The Augusta State University Bookstore is an institutionally owned and operated facility with the purpose of providing students with necessary textbooks and supplies. The bookstore also carries nonessential items such as trade books, gift items, computer hardware, computer software, and imprinted clothing. The bookstore accepts cash, checks, Master Card, Visa or Discover credit cards, and financial aid/stafford loans for all purchases. Students using financial aid and/or stafford loans may purchase textbooks, supplies, book bags, clothing, and/or any other miscellaneous item/items during registration and the first two days of classes. To purchase books online, students may log onto the bookstore site at www.aug.edu/bookstore/textbooks/textbook.html. On this page, you must click "Order Textbooks Online." The next page will be the bookstore's web page which is linked to efollet.com's web site. The order process begins on this page.

Choose the course title and course number. This takes you to the required and optional book list, along with new and used prices. Enter the quantity and choose a new or used copy. To purchase used copies, you must choose to accept or decline "substituted" new items. Personal information is required to process an order. Shipments must be made to a street address. No deliveries can be made to post office boxes. Customers have three transaction types to choose from:

RESERVE—customer chooses which books to purchase, processes online, and a bookstore employee pulls the books and holds them for the customer. The customer picks up their books from the bookstore and pays for them by cash, check, or charge.

PREPAY—customer chooses which books to purchase. Processes order online by providing a charge card number. A bookstore employee pulls the books, charges the books against their charge account and holds the books for the customer. When customer picks up the order identification is required.

PURCHASE—customer chooses which books to purchase. When the bookstore receives the order, the books are shipped to them via United Parcel Service (UPS). Please allow approximately a week for delivery. Orders can be shipped next day air or second day air for an additional charge. Online orders are sent via email to the bookstore within 24 hours from the time the order is created. The bookstore processes the order the same day it is received. The customer is contacted via email or phone should any problems or questions arise upon processing the order.

Class rings are ordered through the bookstore.

Graduation regalia is sold in the bookstore. All graduating candidates (that have applied for graduation) will receive a mailing with the dates, times, and location to order graduation regalia, announcements, thank you note cards, diploma frames, etc. The orders are prepaid when the order is placed. Graduates will be notified when orders arrive in the bookstore so they may pick them up.

Bookstore hours are: 7:45AM - 5:45PM on Monday through Thursday, and 7:45AM - 3:15PM on Friday. The bookstore is open until 8:00PM the first two days of classes. Hours are subject to change. Please view the bookstore web page for updated information at <http://www.aug.edu/bookstore>.

Business Office (737-1767) www.aug.edu/business_office/

The Business Office is located on the first floor of Fanning Hall. Normal business hours are 8:00 am to 6:00 pm on Monday and Tuesday, and 8:00 am to 4:30 pm on Wednesday, Thursday, and Friday. When classes are not in session, the hours on Monday and Tuesday are 8:00 am to 4:30 pm.

We are responsible for all accounting and payroll functions for the university. Our services to students include:

- Distribution of financial aid.
- Processing of refunds and payables.
- Student loan administration and collection.
- Payroll processing and distribution.
- Billing and receiving of payments.

Career Center (737-1604) www.aug.edu/career-center

The Career Center provides employment and career development assistance to all currently enrolled students of Augusta State University. The office is located in Boykin Wright Hall, 1015 Johns Road. Office hours are 8:00 am to 4:30 pm Monday through Friday and until 6:00 pm on Monday and Tuesday evenings when school is in session. Alumni services are also available for a nominal fee. Graduating seniors can access the services of the Career Center for one year after their graduation date.

Some of the primary activities of the office are:

- **JOB LISTINGS:** Current full-time professional and nonprofessional vacancies, part-time employment opportunities (including seasonal and temporary jobs), internship listings, volunteer opportunities and Cooperative Education openings are listed on our web site at www.aug.edu/career-center. Passwords and accounts to access these listings can be obtained by registering with the Career Center.
- **HUMAN RESOURCES:** Advice and critique services on resume and cover letter preparation, as well as interviewing tips and “mock” interviews for practice.
- **JOB NETWORK:** Resume referral for seniors, graduate students, post-bacs and alumni searching for full-time professional work is available. On-campus recruiter visits, seminars on resume writing, interviewing techniques and job search strategies are all available to help with job search needs.
- **CAREER FAIRS:** Employer Expo, a career fair linking students and graduates with various employment and networking opportunities, is held locally on an annual basis. The Career Opportunities event, a career fair held in Atlanta, is a valuable resource for students who are willing to relocate. A “virtual” job fair is held for seniors each April.
- **TECHNOLOGY:** On-site computers are available with Internet access that can be used for creating resumes and searching for employment. Our Career Center web-based system allows students to register for services, search for a wide variety of local and national jobs and refer resumes to employers all from one easily accessible site available 24 hours per day. GEORGIA HIRE links students to a shared network of statewide and national job postings, including a bank to post your resume. Web resume books are compiled in a secured site for employers to access resumes of students seeking part-time or full-time work.

Computer Facilities

The information technology resources available to the university community are rapidly expanding. ASUNET, the Augusta State University Network, is the campus-wide fiber optic network linking student microcomputer laboratories, academic and administrative offices, and Reese Library. ASUNET provides access to PeachNet, the University System of Georgia's state-wide network, and the Internet, which provides access to computing resources all over the world.

Our computing platform is a Hewlett-Packard 9000 Enterprise Server that runs the Oracle data base management system. Grades, registration for classes, and financial aid information are all accessible over the web using ELROY (Electronic Resources On-line for You.) Additional computing resources are provided by over 30 network file servers.

The university provides special training on campus-specific software packages, electronic mail, and other resources through a combination of periodic seminars and individual instruction. (http://www.aug.edu/computer_services/teaching/training.html). This training is provided free of charge. We offer our students, faculty and staff e-mail accounts and web space for personal websites. These services, along with ASUNET, are administered, in part, by the Office of Computer Services, located in Hardy Hall. The Office provides computing support for instruction, research, and administration. The staff, made up of professionals and supplemented by student assistants, supports the students, faculty, and university staff as they use today's technology in their daily routines. Support is offered through a variety of services, but primarily through the Student Help Desk and a Faculty/Staff Help Desk. Consult our Web site (http://www.aug.edu/computer_services) for information about location and hours of availability.

The Student Help Desk: The purpose of the student help desk is to provide assistance to students with the use of the computers, software, and other peripherals in the campus computer labs. Phone support for students is available from the Student Help Desk by calling ext. 1676 during the hours posted in the labs. Walk-in support is also available as posted. Consult our Web site (http://www.aug.edu/computer_services) for information about location and hours of availability.

Computer Labs

The university has been able to significantly expand and update student technology resources using the student technology fee. Computer labs are being systematically updated and new resources are being developed such as: the new lab on the second floor of Washington Hall, the Internet Café in Washington Hall, and the availability of laptop computers for checkout and use within the Reese Library.

Consult the Augusta State University Web site (http://www.aug.edu/computer_services) for a current listing of technology resources and the locations from which these resources can be accessed.

The Conservatory Program at ASU (737-1453)

The Conservatory Program at ASU provides quality instruction in music to persons in the Greater Augusta area. The Conservatory Program is located in the Fine Arts Center and is administered through the Department of Fine Arts in conjunction with the Division of Continuing Education. Terms of instruction run concurrently with the university semesters. Instruction is offered in individual applied music lessons in voice and on all instruments, class piano, and class guitar. The Conservatory Program also offers several ensembles for area students, including the Youth Wind Symphony and Youth Orchestra. Summer

music camps are available for all students in middle school through high school. Public concerts and recitals are scheduled each semester.

Continuing Education (737-1636)

Augusta State University offers a wide variety of short courses, conferences, lectures, workshops, and seminars designed for the general public. There are no admission requirements to these non-credit programs. The Division of Continuing Education can also design training and professional development programs for business and industry, as well as coordinate state and regional conferences.

The Continuing Education Unit is awarded for satisfactory completion of a professional development program. Permanent records are maintained by Continuing Education and transcripts are available upon request.

Cooperative Education (737-1604) www.aug.edu/career-center/

Cooperative Education is an academic program that provides an excellent means to develop marketable skills in the workplace to complement a student's educational experience in the classroom. Co-op positions are paid positions that are structured to enhance the curriculum and expand the knowledge of the student. Students receive documentation of the Co-op experience on the academic transcript as a non-credit course. There are three Co-op plans for student participation. Under the parallel plan, students work part-time and attend school concurrently. The alternating plan allows students to rotate between semesters of full-time work and school. Co-op students are considered full-time students during their work semester. The Co-op intern program is a paid, career-related work experience for one semester only.

To apply for the Co-op program, a full-time student must have a declared major and a minimum overall 2.5 G.P.A., be of sophomore standing or higher, and be willing to work at least two academic semesters in a Co-op assignment (Co-op intern excluded from two semester commitment). Call the office for an appointment for more details.

Counseling and Testing (737-1471)

www.aug.edu/counseling_and_testing_center

The Counseling and Testing Center strives to promote services for personal growth and development. Free and confidential counseling services are available for currently enrolled students and employees of ASU. Alumni career counseling services are available to eligible ASU graduates for a reasonable fee. Full time counselors are State licensed and nationally certified. The Center is located in Bellevue Hall on the Walton Way Campus. Office hours during the semester are 8:00am to 4:30pm with extended office hours until 6:00pm on Mondays and Tuesdays when classes are in session.

□ ***Counseling Services:*** The Center provides individual academic, career and personal counseling. Examples may include helping clients choose an appropriate major or career goal, improving study skills or test taking or addressing personal problems related to stress, anxiety or depression. Those

seeking career exploration have access to various career and interest inventory assessments. The Center also maintains a career library stocked with books, covering a wide range of career related subjects, and computer assisted career guidance programs such as the Georgia Career Information System (GCIS) and DISCOVER. Clients pursuing personal counseling for issues that may require long term counseling or specialized treatments not appropriate for the Center will receive assistance with an appropriate community referral.

□ **Self Help Seminars:** Each semester, the Center offers free seminars on study skills, time management, test taking and stress management. Other specialty seminars vary by semester but typically include topics such as financial planning, career decision making, disability issues*, relationships, parenting skills, and self-esteem. Faculty and staff development programs target special professional issues.

□ **Testing Services:** The Center administers the institutional Scholastic Aptitude Test (SAT), the American College Testing Program (ACT), the University System of Georgia Collegiate Placement Examinations (CPE) and Regent's Testing Program and other institutional testing programs. Other testing services include administration of national testing programs such as the PRAXIS, Graduate Record Examination (GRE) subject tests, Law School Admissions Tests (LSAT), Medical College Admission Test (MCAT), Miller Analogies Test (MAT), College Level Examination Program (CLEP) and the DANTES tests. Some of the tests have fees and require registration. Prices and test dates can be obtained by calling the Center.

□ **Internship Opportunities:** Graduate internships are available to ASU students enrolled in the psychology and counselor education masters programs. Interested students should visit or call the Center to learn more details and to obtain an internship application. Internships are granted on a space available basis following a careful screening and interview process. Interns are supervised by licensed counselors and complete an orientation and training period prior to providing individual career, academic and personal counseling. Interns also participate in coordinating and facilitating outreach programs such as classroom presentations and self-help seminars.

*For more information about disability issues, refer to the page on the Office of Disability Services.

Cultural and Entertainment Programs

A wide spectrum of cultural and entertainment programs is provided for students through the dance-concert series, film series, and Lyceum series. Outstanding members of the creative and performing arts are brought to campus to enrich the educational, personal, social, and cultural components of the student life. These programs are funded by Student Activity fees.

Cullum Lecture Series: Each spring Augusta State University undertakes an inter-disciplinary educational program called the Cullum Lecture Series. The series often deals with other cultures, focusing on a specific country through

visiting scholars, films, theatrical productions, and art exhibits. Some students sign up for special courses offered by their major department. Others choose to come only for the exhibitions and special lectures. This program has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative programs. It is made possible by a grant from the Cullum Foundation of Augusta and is open to the community.

Lyceum Series: The Augusta State University Lyceum Committee was formed with the spirit of the ancient Lyceum in mind. The committee presents to the Augusta State University community the finest in stimulating and entertaining lectures, debates, and plays. The result has been a series of uniformly high quality programs funded by Student Activity fees.

Film Series: Each semester from August through May the university presents films of outstanding international reputation. Most have been unavailable in local theaters or rental outlets. The series thus provides film students and film lovers with an invaluable opportunity to study the art of cinema.

Disabilities Services, Office of (737-1471)

The Office of Disability Services provides assistance to students who have either a physical or mental impairment which substantially limits one or more life activities. To receive services students must provide current documentation of their disability from a qualified professional. The Board of Regent's criteria for evaluations must be followed in the documentation of learning disabilities or attention deficit disorders.

It is important to note that the Office of Disability Services may require advance notice (two months or more before the student's first day of class) in order to coordinate reasonable accommodations. Please contact the Office of Disability Services in order to schedule an appointment.

Certain auxiliary aid services, like sign-language interpreters, may take several months to coordinate. Augusta State University uses the services of the National Recording for the Blind and Dyslexic to provide books on tape for students who have a documented need for this accommodation. Depending on availability, books on tape may take seven to ten days (if already available on tape) to several months for production (if the text is not available on tape). It is therefore necessary for students who need specialized services to plan their future accommodations at least a semester in advance.

Learning Disabilities (LD): If you have been diagnosed within the last three years or believe that you have a learning disability, you should contact the Coordinator of Disability services for information relating to LD documentation and testing. The Office of Disability Services does not provide testing for learning disabilities. Referrals to the appropriate University System Board of Regents Testing Center, however, can be received through this office. Testing may also be conducted by a qualified professional utilizing the BOR criteria for outside evaluations (*only* assessments using the BOR criteria for outside evaluations will be accepted as documentation of a learning disability). In assisting students with learning

disabilities, Augusta State University follows the definition and criteria for evaluation established by the Board of Regents of the University system of Georgia.

For more detailed information contact the Office of Disability Services in the Counselling and Testing Center at 706-737-1471 (TDD-706-667-4684). The Counselling and Testing Center is located in Bellevue Hall.

Endowed Professorship Positions

The Fuller E. Calloway Chair: In 1968, the Calloway Foundation created a ten million dollar trust to encourage the enrichment of the academic programs of 33 senior colleges and universities in Georgia by providing funds for the establishment of forty professorial chairs. The trust was designated to enable these institutions to retain and add superior faculty members. Faculty members appointed to these chairs must be full professors who have demonstrated superior teaching abilities and have achieved distinction as teachers. The chairs are for teaching at the graduate and undergraduate level on a full-time basis.

The Cree-Walker Chairs: The Cree-Walker Professorships in Business Administration, Communications, and Education were established in memory of the Reverend and Mrs. Howard T. Cree and Mr. J. Miller Walker, the parents and husband of the late Mrs. J. Miller Walker. The chair in business administration was established to help in bridging theory to practice and maintaining links between the College of Business Administration and the community. The chair in communications is intended to be a catalyst to enhance the interface between the School of Business Administration and the communications program in the School of Arts and Sciences and to ensure a contemporary perspective in teaching, research, and professional service associated with the field of communications. The chair in College of Education is intended to be a catalyst to enhance pre-service and in-service teacher education programs at the university.

William S. Morris Eminent Scholar in Art: The Eminent Scholars Chair in Art was approved in March of 1988 by the Board of Regents of the University System of Georgia. The chair, named in honor of the late William S. Morris, is the first Eminent Scholars Chair at any University System state university-level institution. The \$1 million endowment for the chair was established through contributions from William S. Morris III, chairman of the board and chief executive officer of Morris Communications Corp., parent company of The Augusta Chronicle; the Georgia General Assembly; and the Augusta State University Foundation, Inc. The Georgia Eminent Scholars Endowment Trust Fund was created in 1985 by the Georgia General Assembly. The purpose is to provide challenge grants to University System of Georgia colleges and universities to endow chairs designed to attract eminent scholars to join their faculties.

The Maxwell Chair: The Grover C. Maxwell Chair of Business Administration was established by the three sons of Grover Cleveland Maxwell, Sr. A \$150,000 trust fund was established to promote and encourage teaching proficiency and high scholastic attainment at Augusta State University. The Maxwell Professor of Business Administration is selected by the President of Augusta State University with the advice of a special committee.

Alumni Professor of Business Administration: The Alumni Professorship of Business Administration was created in 1979 and is jointly funded by the Augusta

State University Alumni Association and the Augusta State University Foundation. The Professorship was established to aid the School of Business Administration in recruiting and retaining an outstanding faculty scholar or business executive-in-residence.

Financial Aid (737-1431)

See page 27 of this catalog.

Food Services (737-1599)

There are two Food Service operations on campus, one located in Butler Hall and a second in Washington Hall. Both locations provide a range of sandwiches, subs, salads, pizza, snacks, and a wide assortment of beverages. Weekday hours of operation are 7:45 am to 7:00 pm (1 pm on Friday) in Butler Hall, and from 8:00 am to 1:30 pm in Washington Hall. Food Services offers the convenience of discounted meal cards and provides a wide range of catering services. For more information on Food Services, visit our web site at www.aug.edu/foodservices.

HIV Policy

NOTE: This policy is based in part on recommendations from The American College Health and Human Services' Guidelines for Prevention of Human Immunodeficiency Virus and Hepatitis B Virus Health Care and Public Safety Workers.

The spread of HIV (human immunodeficiency virus) is a serious public health problem in the United States. The medical, social, legal and ethical issues associated with HIV/AIDS affect colleges and universities as well as society as a whole.

HIV is the causative agent of Acquired Immune Deficiency Syndrome (AIDS). AIDS destroys the human body's defense system and allows life-threatening infections and unusual cancers. There is no known cure or vaccine for prevention. An individual can transmit the virus even in the absence of symptoms. Available medical knowledge indicates the transmission is primarily through sexual contact or through sharing of needles. According to the Centers for Disease Control, contracting the disease in one's normal daily activities is not known to occur.

Because of the seriousness of the HIV/AIDS issue, Augusta State University establishes this policy, which focuses on prevention (through education of students, faculty, and staff) and on the compassionate treatment of those afflicted.

Anyone in the Augusta State University community who becomes aware of an HIV/AIDS related situation involving an employee, student, or visitor shall follow the guidelines stated in this policy.

1. **ADMISSION OR EMPLOYMENT:** Augusta State University accepts otherwise qualified individuals presenting themselves for admission, or employment,

irrespective of their HIV status.

2. **DISABLING CONDITIONS:** Persons who are HIV positive may be considered by law to have disabling conditions. The legal rights of these individuals must be guaranteed, and existing support services for disabled individuals made available to students or employees disabled by HIV infection.
3. **STUDENT ATTENDANCE:** Augusta State University students who are HIV infected, whether they are symptomatic or asymptomatic, will be allowed regular class-room attendance as long as they are physically and mentally able to attend classes as determined by current Augusta State University standards.
4. **ACCESS TO FACILITIES:** There will be no unreasonable restriction of access on the basis of HIV infection to student or employee facilities, snack bars, gymnasiums, swimming pools, recreational facilities, or other common areas.
5. **SELF-DISCLOSURE:** Neither students, student applicants, employees, nor applicants for employment at Augusta State University will be routinely asked to respond to questions concerning the evidence of HIV infection.
6. **IMMUNIZATIONS:** Incoming students known to have HIV infection need not be exempted from Augusta State University requirements for non-live virus vaccinations since only live-virus vaccinations have potentially serious consequences for HIV-infected persons. Persons who are required to receive live virus immunizations should consult with their private physician or the Richmond County Health Department for current recommendations.
7. **INFORMATION, TESTING, AND COUNSELING:**
TESTING: Students or employees requesting HIV antibody testing will be referred to the local board of health.
INFORMATION AND COUNSELING: Information and counseling are available through the campus Counseling Center.
EDUCATION: All students at Augusta State University must take WELLNESS (WELL 1000) as a graduation requirement. This course includes information on HIV/AIDS. Seminars, lectures, and the campus newsletter will be used to update faculty, students, and staff on HIV-related issues as new information is made available or additional issues need to be addressed.
8. **CONFIDENTIALITY:** According to the American College Health Association, current medical information concerning HIV status neither justifies nor requires warning others of the presence of someone with HIV/AIDS . Situations in which disclosure will be made will be determined on a case-by-case basis in consultation with counseling services.
9. **TEACHING LABORATORIES:** Laboratory courses requiring exposure to blood, in which blood is obtained by a finger stick, will use disposable equipment, and no lancets or other blood-letting devices should be reused or shared. All sharps and needles will be disposed of in puncture-resistant containers designated for this purpose. All teaching laboratories should

conform to OSHA standards for management of blood-borne pathogens.

10. COLLEGIATE SPORTS: Augusta State University Sports programs conform to NCAA sports guidelines concerning the management of blood borne pathogens. Disposal of biohazardous waste shall be disposed of in accordance with the Occupational Safety and Health Act, Standard 1910.1030.
11. JOB PERFORMANCE: Faculty, staff, students, and all other persons affiliated with Augusta State University shall perform the responsibilities of their positions irrespective of the HIV status of students or co-workers.
12. BEHAVIOR RISK: Students, faculty, and staff who are HIV positive and who are aware of the potential danger of their condition to others and who engage in behavior (while performing their employee or student-related activities) which threatens the safety and welfare of others may be subject to discipline in accordance with Augusta State University disciplinary procedures and/or prevailing law.
13. PUBLIC SAFETY: When responding to an emergency situation where there is the threat of, or evidence of blood or body fluids, officers will wear disposable latex gloves, and disposable face masks if necessary. If performing CPR the portable pocket mask will be used for artificial respiration.
14. APPLICABILITY TO OTHER AUGUSTA STATE UNIVERSITY HIV POLICIES: More specific written policies may be developed as needed by Department Chairpersons. All policies must be compatible with the university-wide policy.

Insurance

By special arrangement the university approves a student health insurance policy which also provides benefits for accident and accidental death and dismemberment. The magnitude of student participation in the plan allows the insurer to offer excellent benefits for a minimal premium. Applications for student insurance are available in the Office of Student Services in Boykin Wright Hall.

Library (737-1744)

Reese Library, the information center of Augusta State University, provides a wide variety of services that promote the educational purposes of the University. A collection of more than 445,000 volumes, plus an extensive collection of government publications and almost 1,200 current periodical subscriptions, support student learning and research. There are quiet study areas, photocopiers, microform copiers, an audio lab, a curriculum lab, computer labs, and access to CD-ROM and web databases and the Internet.

GIL, the library's computerized catalog, gives access to information about most library materials and other university system libraries. GALILEO, a statewide computer system, provides a wealth of additional information resources with more than 100 databases, some with full text. These and other electronic information resources are available in the library, on the campus computer network, and, in

most cases, by remote access. Contact the Reese Library reference department (737-1748) for current availability and access procedures. Materials from other libraries may be obtained through interlibrary loan. Library tours and instructional sessions are provided for classes and individuals; orientation tours are also scheduled throughout each semester. For assistance, professional librarians are available in the reference room whenever the library is open.

The building is named for Dr. and Mrs. John T. Reese, parents of alumna Katherine Reese Pamplin. The three-story, 80,000 square foot library has a seating capacity of 1,000. The library is open 85 hours a week during the academic semester.

Media Services (737-1703)

Media Services, a part of Reese Library, is located in Hardy Hall. Dedicated to serving the university's instructional technology needs, Media Services includes the Media Center, Classroom Services, GSAMS and satellite teleconferencing, the television studio, and audio production facilities. Tours and instructional training is provided for individuals and classes.

The Audio Lab, located on the 3rd floor of Reese Library, provides equipment and space for listening and viewing over 2,400 musical selections. Formats include laser disc, compact disc, and record albums. Subjects include classical, opera, jazz, anthology, ethnomusicology, and music history.

The Media Center features a collection of over 4,000 items in different formats, including interactive laser disc, audio cassette, 16mm film, CD ROM, and 35mm slide. Items can be viewed at 29 individual carrels. Instructional support services include an equipment and material check out system, video and audio duplication and editing, and the production of presentations using videotape, audiotape, 35mm slide and multimedia.

Classroom Services provides a wide range of audiovisual presentation equipment available to students for use in all academic classrooms. Reservations for delivery and setup are requested in advance.

Performing Arts Theatre (667-4099)

The Grover C. Maxwell Performing Arts Theater is a center of cultural activities for the entire community. Concerts, recitals, and other events sponsored by the Department of Fine Arts are held regularly in the theater, which is also the home of the Augusta Symphony Orchestra, Storyland Theater, and the Augusta State University Theater. The University's Lyceum Series brings plays, musical performances, dance troupes, and prominent lecturers to the theater, which also houses an art gallery for exhibits by visiting artists.

Public Relations and Publications Office (737-1444)

The Office of Public Relations and Publications offers and coordinates services to enhance the visibility and accurately project the image of Augusta State University. The office is responsible for news/media relations, publications, advertising, institutional identity, web design, and strategic public relations planning.

Public Safety Services (737-1401)

The mission of the Augusta State University Department of Public Safety is to complement and support the University by providing services which contribute to the preservation of life, the protection of property, the safety of the campus community and the facilitation of vehicle and pedestrian traffic movement on campus. The contact public safety call 1401 from any campus phone.

Research Center (667-4426; FAX: 667-4116)

The Research Center is a nonprofit organization established to serve the Central Savannah River Area. The center is an integral part of Augusta State University and utilizes the expertise of the faculty and staff. The center provides all types of research. Specific survey services offered include political surveys, market research, focus groups, and other data collection and analysis projects.

A benefit to the university is student involvement in research activity. Many of the projects are of a type that permits students to serve effectively as support personnel. The center is self-supporting, and depends upon users' fees charged to the clientele.

START UP Center (731-7979)

The center combines a variety of student advising and transition support programs designed to assist students in achieving their educational goals and accessing the full range of campus services and learning opportunities. Located on the third floor of Washington Hall, START UP is open from 8 a.m. to 6 p.m. Monday through Thursday, and until 4:30 p.m. on Friday during the semester. Between academic semesters, the office closes at 4:30 p.m. Monday through Friday.

The START UP Center offers a series of informational opportunities referred to as OARS (Orientation, Advising, Registration, Special programs). General information on these programs is included in the student's acceptance packet. In addition to the individual ASU Prep appointments, and Orientation Programs offered to new undergraduates prior to each term, START UP provides a wide range of transition supports through START UP Download (<http://www.aug.edu/startup/>) and on MOO, the Mobile Orientation Office that rolls throughout the campus at key points during the term.

One of the primary functions of the START UP Center is to advise undergraduates who are as yet undecided about their majors. START UP is staffed by full-time academic advisors dedicated to assisting students in formulating their educational plans by guiding them through course selections and linking them to relevant programs and support services. Upon selection of a major, the staff assists with the transition to the new advising department.

Student Activities (737-1609)

The Office of Student Activities provides students with the opportunity to become involved in areas outside the classroom setting that complement academic undertakings. It also strives to provide an educational foundation by learning through doing and by enabling students to be creative, responsible, and

productive citizens. The development of the “whole person” is a cornerstone of Student Activities programming. These outside activities support the stated purpose of Augusta State University and are part of the institution’s philosophy.

The Office of Student Activities is responsible for many areas funded by the Student Activities fee. This office provides advice and assistance to the Student Senate, Jaguar Activities Board, Judicial Cabinet, fraternities, sororities, and chartered clubs and organizations. In addition, the office provides ID cards, meeting room reservations, a leadership library, and a central information center. The office also publishes the *Jaguar Student Handbook* and the semester calendar.

Student Affairs (737-1411)

The Dean of Students is charged with the responsibility for providing experiences which will ultimately contribute to a comfortable and well-adjusted student and member of society. The Office of the Dean of Students coordinates the offices of Admissions, Cooperative Education, Counselling and Testing, Enrollment Management/START UP, Financial Aid, Career Center, and Student Activities, plus the Grover C. Maxwell Performing Arts Theatre. The Dean of Students also provides housing information and student insurance programs. The Dean's office is in Boykin-Wright Hall.

Student Government Association (737-1608)

The Student Government Association (SGA) serves as a means for student input and involvement. It is comprised of four branches: Executive, Judicial, Senate, and Jaguar Activities Board. All student positions on faculty-student committees and the Judicial Cabinet are appointed by the SGA President. Traffic appeals are heard by the Judicial Cabinet. The Senate is the legislative body for the SGA. The Jaguar Activities Board is the primary programming board of the university. Numerous positions are available to students interested in collegiate planning and service.

Student Organizations

A complete listing of can be found in the Student Handbook.

Student Records (737-1408)

Permanent academic records are maintained by the Registrar in the Office of Student Records located on the main floor in Payne Hall. Under the provisions of the Family Educational Rights and Privacy Act of 1974 (often referred to as the "Buckley Amendment"), a student attending a post-secondary educational institution may examine his or her permanent record maintained by the institution to assure the accuracy of its contents. This Act also provides that no personally identifiable information will be released to any party not authorized to have access to such information without the written consent of the student.

Veterans' Affairs (737-1606)

Augusta State University maintains a full-time Office of Veterans' Affairs (OVA) to assist veterans in maximizing their educational experience. The OVA coordinates and/or monitors AC and VA programs, policies, and procedures as they pertain to

veterans. The Office of Veterans' Affairs is housed in the Registrar's office on the first floor of Payne Hall.

As students at Augusta State University, veterans and certain other persons may qualify under Chapters 30, 31, 32, 35, Title 38, and Chapter 1606 Title 10, UNITED STATES CODE, for financial assistance from Veterans Affairs. Eligibility for such benefits must be established in accordance with policies and procedures of the VA. Interested persons are advised to investigate their eligibility early in their planning for college. Pertinent information and assistance may be obtained from the Augusta State University Office of Veterans' Affairs. New or returning students

should make adequate financial provisions for one full semester from other sources, since payments from the VA are sometimes delayed.

The Office of Veterans' Affairs furnishes the Veterans Affairs certifications of enrollment. Eligible persons should establish and maintain contact with the OVA to ensure their understanding of and compliance with both VA and university policy, procedure, and requirements, thereby ensuring timely and accurate receipt of benefits and progress toward an educational objective.

Each person receiving VA education benefit payments is responsible for ensuring that all information affecting his or her receipt of benefits is kept current, and each must confer personally with the staff in the OVA at least once each semester to keep his or her status active and current to receive funds.

Web Site, ASU (<http://www.aug.edu/>)

Writing Center (737-1402)

The ASU Writing Center is dedicated to helping students from *all* disciplines improve their composition skills. From developing ideas and forming a thesis to documenting sources and editing the final draft, Writing Center tutors assist students with all aspects of the writing process.

Student Rights and Responsibilities

Academic Honesty

In an academic community, honesty and integrity must prevail if the work done and the honors awarded are to receive their respect. The erosion of honesty is the academic community's ultimate loss. The responsibility for the practice and preservation of honesty must be equally assumed by all of its members.

Definition: Academic honesty requires the presentation for evaluation and credit of one's own work, not the work of others. In general, academic honesty excludes:

1. Cheating on an examination of any type: giving or receiving, offering or soliciting information on any examination. This includes the following:
 - a. Copying from another student's paper.
 - b. Use of prepared materials, notes, or texts other than those specifically permitted by the instructor during the examination.
 - c. Collaboration with another student during an examination.
 - d. Buying, selling, stealing, soliciting, or transmitting an examination or any other material purported to be the unreleased contents of an upcoming examination, or the use of any such material.
 5. Substituting for another person during an examination or allowing such substitution for oneself.
 6. Bribery of any person to obtain examination information.
-
2. Plagiarism is the failure to acknowledge indebtedness. It is always assumed that the written work offered for evaluation and credit is the student's own unless otherwise acknowledged. Such acknowledgment should occur whenever one quotes another person's actual works, whenever one appropriates another person's ideas, opinions, or theories, even if they are paraphrased, and whenever one borrows facts, statistics, or other illustrative materials unless the information is common knowledge.
 3. Collusion is collaboration with another person in the preparation or editing of notes, themes, reports, or other written work or in laboratory work offered for evaluation and credit, unless such collaboration is specifically approved in advance by the instructor.
 4. Credential misrepresentation is the use of false or misleading statements in order to gain admission to Augusta State

University. It also involves the use of false or misleading statements in an effort to obtain employment or college admission elsewhere, while one is enrolled at Augusta State University.

Faculty Responsibility: It is the duty of the faculty to practice and preserve academic honesty and to encourage it among students. The instructor should clarify any situation peculiar to the course that may differ from the generally stated policy. He or she should furthermore endeavor to make explicit the intent and purpose of each assignment so that the student may complete the assignment without unintentionally compromising academic honesty. It is the responsibility of the faculty member to provide for appropriate supervision of examinations.

Student Responsibility: It is the duty of the student to practice and preserve academic honesty. If the student has any doubt about a situation, he or she should consult with his or her instructor.

Procedures: Upon encountering a violation of academic honesty by a student, a faculty member should:

1. Confront the student and make the charges known.
2. Discuss the matter thoroughly with the student so that each position is clearly delineated.
3. Decide what action is appropriate.
4. Remind the student to refer to the Student Academic Appeals and Student Academic Grievances procedures outlined below.

If the action is less severe than a "WF" for the course:

1. Report the violation and the action taken to the chairperson of the department in which the violation occurred, who will then report the matter to the Dean of that College.
2. Decide whether the incident shall be made part of the academic dishonesty file in the office of the Vice President for Academic Affairs.

If a "WF" for the course:

3. Notify the Dean of the College through his/her departmental chairperson and initiate a "WF" withdrawal form. At this point, the matter shall be reviewed by a departmental committee, the chairperson, or the Dean.
4. If those reviewing the matter do not agree with the interpretation of the evidence or with the action taken by the faculty member, they may ask him/her to reconsider. After reconsidering the

matter, the faculty member may stand by the original decision and forward the "WF" withdrawal form to the Dean.

5. If those reviewing agree with the faculty member, the withdrawal form shall be forwarded to the Dean.

The Dean shall:

1. Review each faculty member's recommendation for a "WF" for the course, check the academic honesty status of the student via the academic dishonesty file, and either let the "WF" stand or make some other recommendation. The final decision shall be made by the faculty member.
2. If the "WF" is to stand, the Dean shall send the withdrawal form to the Registrar and request the Vice President for Academic Affairs to enter the violation in the academic dishonesty file.
3. Notify the student in writing of the action taken, remind the student of his/her right to appeal as outlined below, and inform the student that if he/she plans to appeal, the appeal must be filed within three (3) calendar days.
4. Notify the involved faculty member in writing of the action taken.

The Vice President for Academic Affairs shall:

1. Upon a student's second offense requiring a "WF" for a course, expel the student from Augusta State University and direct the Registrar to enter the phrase "Ineligible to Register" on the student's permanent record.
2. Maintain the academic dishonesty file so that all appropriate administrators have access to the record of violations but also so that the student's rights to limited access shall be safe-guarded.

Should the student desire to appeal the decision for punitive action, he or she shall notify the appropriate Dean, who will ask the Academic Policies Committee to arrange a hearing in the manner set forth below in this catalog under "Student Academic Grievances."

Discipline

Augusta State University has defined the relationships and appropriate behavior of students as members of the university community through the document *Student Rights and Responsibilities*. The document is available to all members of the university community through the Office of the Dean of Students.

The students of Augusta State University have established a precedent of exemplary behavior as members of the university and civic communities. Individuals and groups are expected to observe the tradition of decorum and behave in no way which would precipitate physical, social, or emotional hazards to other members of the university community. Improper behavior is at once a breach of tradition and inconsistent with the aims and objectives of the university. Such behavior subjects the student to disciplinary probation, suspension, expulsion, or other appropriate disciplinary measures.

Student Academic Appeals

(also see "Student Academic Grievances", page 64)

An academic appeal is a request for review of an administrator's decision made with respect to an individual student which bears upon his/her student career. The appeals procedure does not apply to issues which have broad application to the university as a whole or to constituent groupings within the university. However, appeals can be made in matters such as admission, transfer of credit, probation, suspension, dismissal, and other similar matters. A supervisor's decision in an appeal can itself be appealed, but there is no appeal of the President's decisions except in cases where it is reasonably alleged that a decision against the student was based on discrimination with respect to race, sex, age, handicap, religion, or national origin.

You may file an appeal whenever you can reasonably claim that an administrator's decision affecting your program of study was not justified by the procedures and/or guidelines established to govern that decision. It is not necessary that you allege discrimination or other wrongdoing on the part of the administrator.

You should submit the appeal in writing to the immediate supervisor of the administrator whose decision you question. It is your responsibility to gather the evidence necessary to support your case and to include that evidence when submitting the written appeal. In preparing the appeal, you should keep in mind that the primary issue is whether the administrative decision was justified by the procedures and/or guidelines established to govern that decision.

The supervisor to whom the appeal is made may choose to appoint and be advised by a consultative board composed of students and/or faculty and/or administrators of the supervisor's own choosing, and may also choose to charge such a board with hearing oral arguments and/or with making inquiries into specified matters of fact. However, if you have alleged discrimination on the basis of race, sex, age, handicap, religion, or national origin, a consultative board must be appointed and must include at least one student and at least one faculty member who is not an administrator. In no case will the supervisor be bound by the advice of the board.

Student Academic Grievances

(also see "Student Academic Appeals", page 63)

The following grievance procedure primarily applies to alleged violations of a student's rights by his/her instructor. However, if your problem is related to admission, transfer of credit, probation, suspension, or dismissal, you may wish to

enter an academic appeal, as described in the previous section of this manual. If your problem is with an administrator's decision regarding a matter between you and your instructor, you should use the academic appeals process unless you can reasonably claim that the administrator's decision constitutes a violation of your rights. In the latter case, you may choose to use the academic grievance procedure, adapting it to your case so as to begin with the administrator and his/her supervisor rather than the instructor and his/her chair and dean (as outlined below). The Academic Policies Committee is the final arbiter of whether such a grievance against an administrator should be resolved instead through the appeals process. If your problem is related to a non-academic issue, you should refer to the Student Conduct Code.

If you wish to initiate a grievance, you must follow the student academic grievance procedure as outlined below, keeping in mind the following principles:

1. You must start with a sincere attempt to settle the dispute in an informal manner with the instructor. Administrators can initially hear your concerns and refer you to this document, but they will not discuss any specific grievance until the appropriate procedural steps have been taken.
2. Within the guidelines of the institution, faculty have authority and responsibility for course content, classroom procedure, and grading, except insofar as it can be shown that a decision was arbitrary or capricious, or based on discrimination with respect to race, religion, sex, handicap, age, or national origin.
3. In order for you to prepare your case, keep in mind that when you present the facts the burden of proof is on you, not on the instructor.
4. Students who have legitimate grievances which cannot be resolved at the departmental level are encouraged to pursue their cases and follow the procedures outlined below. However, frivolous or mendacious complaints are discouraged. Students and faculty are further advised that adherence to the full truth represents the best service to their cases, and indeed that misstated or overstated claims by the principals or their witnesses about the misdeeds of others may lead to civil penalties.

Administrators shall not discuss the details of a specific grievance with a student who has not followed the procedure outlined herein, and any representative of a student must follow the same procedure. Public statements about a case shall be withheld by the parties involved, by the board of review, and by all participants in the hearings until the final decision has been communicated to the parties to the grievance. If and when an official statement is made of the result of the procedures outlined below, it shall be made through the office of the appropriate dean. Access to the written record of the hearing, and to all other records, findings, and recommendations of the board of review and any administrators involved in appeals shall be limited to authorized personnel.

In the following document, the term "faculty" shall be construed to mean those persons defined as "faculty" by the Bylaws and Policies of the Board of Regents, the Statutes of the University and those persons appointed by the President to administrative positions at the institution. Further, the term "days" denotes normal working days on which university classes meet. Weekends, holidays, final exam

periods, and breaks between and within semesters are not to be counted in calculating these time lines. It should be understood that, at each level in the academic chain of command above the instructor, e.g. the department chair, dean of the college, vice president for academic affairs, and president of the institution, the administrator may designate an appropriate representative. Once a student has initiated a written grievance procedure, all responses along this chain of command must be in writing.

- I. **Stage One: The Informal Procedure.** The student should first make a sincere attempt to settle a dispute in an informal manner with the instructor. If the student is still not satisfied with the instructor's decision, he/she may then discuss the matter with the instructor's department chair. If the problem remains unresolved, the student may then discuss the matter with the instructor's dean.
- II. **Stage Two: The Written Grievance.** If the student has exhausted the procedures outlined in section I above, he/she may continue as follows:
 1. The student shall submit the grievance in writing to the instructor involved.

This document, hereinafter referred to as the written grievance, shall include, but not be limited to, all supporting documentation and a statement of the specific relief sought by the student. The written grievance must be submitted to the instructor no later than midterm of the semester following the actions which gave rise to the grievance.
 2. If agreement is not reached within five (5) days of the receipt of the written grievance by the instructor, the student may appeal the instructor's decision to the department chair. The student shall so advise the chair within five (5) days of receiving that decision.
 3. The department chair shall respond to the written grievance within five (5) days of receiving it. The student may choose to appeal the chair's response by submitting a copy of the grievance to the dean of the appropriate college. The appeal must be made within five days (5) of the student's having received the response. No appeal may be initiated after the fifth day following the student's receipt of the chair's response.

As an alternative to a formal hearing (see Stage 3), if the student is not satisfied with the solution, the student is encouraged to refer the matter to the Alternative Dispute Resolution (ADR) Committee. Augusta State University has chosen mediation as its ADR process. Mediation involves the use of a neutral third party who seeks to aid the disputants in their effort to reach a mutually satisfying resolution. A student choosing the ADR process should submit a written grievance

to the Dean of Students, rather than to the academic dean. Upon completion of the ADR process, if no formal resolution has been reached, the student may then move on to Stage 3 by submitting a written grievance to the appropriate academic dean within 5 days.

III. Stage Three: The Formal Hearing. If agreement is not reached within five

- (5) days of the submission of the written grievance to the dean, then the dean or either party may ask the Academic Policies Committee to arrange a hearing before a formal board of review.
2. The person submitting this request to the Academic Policies Committee shall transmit with it a copy of the written grievance and any other documents or exhibits which he/she considers pertinent.
3. Within five (5) days of receiving the request to arrange a hearing, the Academic Policies committee shall act upon that request. In the case of a grievance against an administrator, the committee shall first determine whether the problem should more appropriately be resolved through the academic appeals process or whether the academic grievance process is the appropriate context. In the latter case, the committee shall then determine how to adapt the procedures of the academic grievance process to this particular situation. It shall then appoint a board of review, hereinafter referred to as the board, in the following manner:
 5. The board shall consist of five to seven (5-7) members, including faculty members, at least one student, and the Dean of Students or his/her designate. One of the faculty members shall be designated by the Academic Policies Committee to serve as the chair of the board.
 6. The Academic Policies Committee shall consult with the parties to assure that its selection of a chair is acceptable to both parties. Each party shall also be permitted to strike from one to three other proposed members from the board. When a party strikes a proposed member, the committee will name another in his/her place; such substitutions may also be struck by either party if that party has not already exhausted his/her three strikes.
 7. No party to the dispute shall be a member of the board.

1. Immediately upon acceptance of the appointment by the chair of the board, the chair of the Academic Policies Committee shall deliver to him/her the written grievance and all other documents and/or exhibits received by the committee in the context of the grievance.
3. Within five (5) days of the appointment of the board, the chair shall convene a preliminary closed session of the board for the following purposes:
 1. To determine the day and hour of the hearing. The hearing must begin within ten (10) days of the preliminary session.
 2. To distribute to the board all prior communications and documents pertinent to the grievance, including copies of the written grievance.
4. After the preliminary meeting of the board, the chair shall:
 1. Continue attempts at arbitration at any appropriate point in these proceedings.
 2. Prepare an agenda for the hearing and arrange for a meeting place.
 3. Engage the assistance of the Dean of Students in utilizing the services of a confidential secretary or other appropriate means to obtain a verbatim written record of the proceedings.
 4. Give written notice to both parties at least five (5) days before convening the hearing. In so doing, the chair shall advise the parties of their procedural rights, which shall include the right of due process and specifically the right to:
 - (a) Have present a non-participating advisor. The faculty member may have present either a member of the legal profession or a full time Augusta State University faculty member. The student may have present any one individual and may choose to replace that individual with another at any point during the hearing.
 - (b) Call for supporting witnesses.
 - (c) Inquire into all written and oral testimony, depositions, and exhibits of evidence.
 - (d) Know the identity of all witnesses and the authors of all written testimony and have the opportunity to confront all such persons by cross-examination or by affidavit.
 - (e) Endeavor to rebut all evidence.

(f) Interpret and summarize their individual positions, particularly in relation to wider issues of academic rights and responsibilities.

(g) Be informed of the findings and recommendations of the board. The chair shall be deemed to have satisfied this requirement if he/she calls the attention of the parties to section III(D)4 of this document.

E. The hearing shall be held in closed session. The chair shall distribute copies of the agenda to the parties, the board members, and any witnesses who may have been called. The chair shall supervise the proceedings and shall rule on any unusual or special elements with respect to procedures of the board after giving due notice to disputing parties or their representatives of their procedural rights.

F. The parties involved must present their own cases even though counsel may be present during the formal hearing. Normally, the presentations shall include a lucid statement of the case, a presentation of the case by affidavits, testimony and/or exhibits, and a summary which includes a statement of the specific relief sought from the board.

G. The board shall try to complete the agenda for the hearing in one session. If this is not possible, the term "hearing" as used throughout this document shall apply collectively to all sessions taken together. The board shall in any case see to it that all sessions of the hearing have been concluded within five (5) days of the first session of the hearing.

IV. Stage Four: Deliberations of the Board and its Report

A. Within five (5) days of the conclusion of the hearing, the chair shall see to it that copies of a written verbatim record of the hearing are distributed to the members of the board, to the two parties, and to the appropriate dean.

B. Within five (5) days of the distribution of the written verbatim record the board may choose to meet more than once, but in no case may the deliberations continue past the tenth day following the distribution of the written verbatim record. The board shall confine its deliberations to the case presented.

C. Within five (5) days of reaching a decision, the board shall issue to the appropriate dean a written report giving its findings and recommendations.

V. Stage Five: The Dean's Decision

- A. If the board has found that the instructor made an arbitrary or capricious decision against the student, or one based on discrimination with regard to race, religion, sex, handicap, age, or national origin, and if the board has recommended appropriate relief, the dean may order that relief. Such relief may include, but is not limited to, a change in a disputed course grade. If the board has made a recommendation on a basis other than a finding that the instructor made an arbitrary or capricious decision against the student, or one based on discrimination with regard to race, religion, sex, handicap, age, or national origin, the dean may order that the recommendation shall be followed.
- B. Within five (5) days of receiving the board's findings and recommendations, the dean shall forward the following by registered mail to each of the parties involved:
 - 1. A copy of the board's findings and recommendations.
 - 2. The dean's decision with regard to any relief sought by the parties and/or recommended by the board.
 - 3. Notification to both parties of the right to appeal before the dean takes action. The dean shall be deemed to have satisfied this requirement if he/she calls the attention of the parties to section VI of this document.
- C. If no party makes a written appeal within five (5) days of having been considered final and the dean shall see to its implementation.

VI. Stage Six: The Appeals Process

- A. It is particularly emphasized that senior administrators are not to be contacted about the details of a grievance except in the context of an appeal. Neither of the parties is to take his/her case to senior administrators until after the procedures set forth above have come to their conclusion. This rule applies equally to any representative of the parties.
- B. Neither the faculty grievance procedure nor any other procedure may be invoked as a substitute for the appeals process set forth below.
- C. Appeal to the Vice President for Academic Affairs
 - 1. If either party wishes to appeal the decision of the dean, he/she must do so in writing to the Vice President for Academic Affairs within five (5) days of receiving notification from the dean. The appeal shall include, but is not limited to, the following:

- a. Copies of the written grievance, of the findings and recommendations of the board, of the written verbatim record of the hearing, and of the dean's letter notifying the parties of his/her decision.
 - b. An explanation of the reason for the appeal.
 - c. A specific statement of the relief which the appellant is seeking from the vice president.
2. In the case of an appeal by the student, if the vice president finds that the instructor made an arbitrary or capricious decision against the student, or one based on discrimination with regard to race, religion, sex, handicap, age, or national origin, he/she may order relief for the student, including but not limited to a change in a disputed course grade.
 3. Within five (5) days of receiving the written appeal, the vice president shall forward his/her decision to the appropriate dean, to the two parties, and to the chairs of the board and the Academic Policies Committee. In communicating this decision, the vice president shall advise the two parties of the right to appeal to the president before the vice president's decision takes effect. The vice president shall be deemed to have satisfied this requirement if he/she calls the attention of the parties to sections VI(D) and VI(E) of this document.
 4. If no party makes a written appeal within five (5) days of having been notified by the vice president of his/her decision, that decision shall be considered final and vice president shall communicate it to the appropriate dean, who shall see to its implementation.
- D. Appeal to the President
1. If either party wishes to appeal the decision of the Vice President for Academic Affairs, he/she must do so in writing to the president of the university within five (5) days of being notified of the vice president's decision.
 2. At the same time, the appellant shall give notice of the appeal to the Vice President for Academic Affairs, who shall thereupon forward to the president the materials listed above in section VI(C)1.
 3. In the case of an appeal by the student, if the president finds that the instructor made an arbitrary or capricious decision against the student, or one based on discrimination with regard to race, religion, sex, handicap, age, or national origin, he/she may order relief for the student, including but not limited to a change in a disputed course grade.

4. The president shall communicate his/her decision to the two parties, the chairs of the board and the Academic Policies Committee, the Vice President for Academic Affairs, and the appropriate dean.
5. If either party wishes to appeal the president's decision to the Board of Regents, he/she shall so advise the president in writing within five (5) days of receiving that decision. If no party so advises the president within those five days, the decision shall be considered final and the president shall communicate this to the appropriate dean, who shall see to its implementation.

E. Final Disposition

Final disposition of the case shall be made in accordance with Article IX of the By-Laws of the Board of Regents of the University System of Georgia:

Any person in the University System for whom no other appeal is provided in the Bylaws and who is aggrieved by a final decision of the president of an institution, may apply to the Board of Regents, without prejudice to his/her position, for a review of the decision. The application for review shall be submitted in writing to the Executive Secretary of the Board within a period of twenty days following the decision of the president. It shall state the decision complained of and the redress desired. A review by the Board is not a matter of right, but is within the sound discretion of the Board. If the application for review is granted, the Board or a committee of the Board or a Hearing Officer appointed by the Board, shall investigate the matter thoroughly and report its findings and recommendations to the Board. The Board shall render its decision thereon within sixty days from the filing date of the application for review or from the date of any hearing which may be held thereon. The decision of the Board shall be final and binding for all purposes.

Under current Board of Regents procedures, action by the president on grade appeals is the final and binding administrative decision; however, in making a policy decision to reject routine grade appeals, the Board of Regents did not intend to bar the receipt of grade complaints grounded upon alleged invidious discriminatory motivations, such as improper considerations of race, gender,

national origin, religion, age, or handicap.

Confidentiality of Student Records

Under the provisions of the Family Educational Rights and Privacy Act of 1974, Augusta State University has established policies concerning the confidentiality of student educational records. Students have the right to seek correction of the contents of these records, to place an explanatory note in a record when a challenge is not successful, and to control (with certain exceptions) the disclosure of the contents of their records.

Directory information concerning an individual student, including name, address, e-mail address, telephone number, date and place of birth, height and weight of members of athletic teams, major, participation in athletic and student activities, dates of attendance, degrees, awards and honors, photographs and most recent institution attended, is generally available for release unless a student specifically requests in writing that this information not be released. This request must be submitted in writing to the Registrar's Office.

AUGUSTA STATE UNIVERSITY

UNDERGRADUATE PROGRAMS

Augusta State University offers scores of carefully designed undergraduate programs. Each has been approved by the faculty, by the Regents, and by accrediting authorities.

The Core Curriculum, which is a required part of all Bachelors programs at Augusta State University, is presented first (Additional information about the Core can be found on page 35.), followed by a description of the ASU Honors Program. Finally, descriptions of individual academic programs are listed alphabetically by college.

Substitutions of courses are permitted only under certain circumstances; see the entries entitled "Course Substitution" and "Curriculum Changes" (page 32). Except as provided in these entries, you must take a program exactly as it is set forth in this catalog.

Core Curriculum

For all Bachelors Degrees

Area A Essential Skills	9
<i>English</i>	
ENGL 1101 English Composition I or ENGL 1113 Honors Freshman Composition I	3
ENGL 1102 English Composition II or ENGL 1114 Honors Freshman Composition II (A grade of C or better is required in English 1101, 1102, 1113, and 1114; see <i>ENGL 1101 and 1102 Policy</i> , page 36)	3
<i>Mathematics</i>	3
Non-Science Track: MATH 1111 College Algebra or MATH 1101 Introduction to Mathematical Modeling	
Science Track: (Biology, Chemistry, Computer Science, Mathematics, Physical Science, Physics) MATH 1113 Precalculus	
Area B Institutional Options	4
HUMN 2001/HUMN 2002 World Humanities (Part of a two semester, eight-hour sequence; remainder in Area C)	2
COMS 1010 Introduction to Communication or COMS 1020 Fundamentals of Human Communication (a 3-hour alternative to COMS 1010) or HONR 1010 Honors Introductory Seminar: The Nature of Inquiry (a 3-hour <i>Honors</i> alternative to COMS 1010/COMS 1020)	2
Area C Humanities and Fine Arts	6
HUMN 2001/HUMN 2002 World Humanities I & II (Part of a two semester, eight hour sequence, remainder in Area B)	
Area D Science, Mathematics and Technology	11
<i>Option I Non-Science Majors</i>	8
<i>Choose two of the following:</i>	
BIOL 1101 Introduction to Biology I or BIOL 1107 Principles of Biology I	
BIOL 1102 Introduction to Biology II or BIOL 1108 Principles of Biology II	
CHEM 1151 Survey of Chemistry I or CHEM 1211 Principles of Chemistry I	
CHEM 1152 Survey of Chemistry II or CHEM 1212 Principles of Chemistry II	
GEOL 1121 Geology (Physical) I GEOL 1122 Geology (Historical) II	
PHYS 1111 Introductory Physics I or PHYS 2211 Principles of Physics I	
PHYS 2212 Principles of Physics II or PHYS 1112 Introductory Physics II	
PHSC 1011 Physical Science I PHSC 1012 Physical Science II	
<i>Choose one additional course from those above or from the following:</i>	3-4
MATH 1120 Contemporary Mathematics MATH 1113 Precalculus Mathematics	

MATH 1220 Applied Calculus
 MATH 2011 Calculus and Analytical Geometry I
 MATH 2210 Elementary Statistics

Option II Science Majors

Choose a sequence of two laboratory courses from the following: 8

BIOL 1107/BIOL 1108 Principles of Biology I and II
 CHEM 1211/CHEM 1212 Principles of Chemistry I and II
 PHYS 1111/PHYS 1112 Introductory Physics I and II
 PHYS 2211/PHYS 2212 Principles of Physics I and II

Choose one of the following mathematics courses: 4

MATH 2011 Calculus and Analytical Geometry I
 (Note: 4th hour counted in Area F or non-core 60 hours)

or

MATH 2210 Elementary Statistics (option for biology majors only)

Area E Social Sciences

12

HIST 2111/HIST 2112 United States to 1877/United States since 1877 3

POLS 1101 American Government 3

Choose one of the following: 3

ANTH 2011 Cultural Anthropology
 ECON 1810 Introduction to Economics
 PSYC 1101 Introduction to General Psychology
 SOCI 1101 Introduction to Sociology

Choose one of the following: 3

ANTH 1102 Introductory Anthropology
 ANTH 2011 Cultural Anthropology
 ECON 1810 Basic Economics
 ECON 2105 Macroeconomics
 ECON 2106 Microeconomics
 GEOG 1111 World Geography
 HIST 1111 Pre-Modern World Civilization
 HIST 1112 Modern World Civilization
 HIST 2111 United States to 1877
 HIST 2112 United States since 1877
 PHIL 1000 Introduction to Philosophy
 POLS 2201 Introduction to State and Local Government
 POLS 2401 Global Issues
 PSYC 1101 Introduction to General Psychology
 PSYC 1103 Introduction to the Behavioral and Social Sciences
 PSYC 2150 Introduction to Human Diversity
 SOCI 1101 Introduction to Sociology
 SOCI 1103 Introduction to the Behavioral and Social Sciences
 SOCI 1160 Social Problems Analysis
 SOCI 2241 Multiculturalism in Modern Society

Area F Courses Related to the Major (see specific degree programs) 18

Total Hours 60

AUGUSTA STATE UNIVERSITY HONORS PROGRAM

The ASU Honors Program offers superior students the opportunity to pursue a program of study that leads to recognition as Augusta State University Honors Program Graduate. Balancing breadth and depth, the ASU Honors Program includes sections of core courses specifically designed for able and energetic learners, seminars that cross the boundaries of discipline and/or culture, a thesis, and the possibility of additional honors work in the major field. The Honors Program is not a separate degree program, but is designed to augment the course work required for a degree. In most cases, honors courses can be substituted for required credits. The Honors Program is temporarily housed in Butler Hall D7 (667-4445, 737-1500).

The ASU Honors Program is affiliated with the National Collegiate Honors Council, the Southern Regional Honors Council, and the Georgia Honors Council, making available to interested ASU students a variety of honors opportunities nationwide.

Honors Program Classes

Honors classes differ in kind from other classes. They are usually smaller; they involve more interaction with the instructor; they encourage independent work and collaboration among students and between students and professors. Often professors in honors courses see themselves more as facilitators than as instructors or lecturers, and, when possible, guide students to work with primary materials. Honors classes ask students to explore course work more actively and intensively, but students are *not* evaluated on a more demanding grading scale than in other courses.

Recognition

Honors Program Graduates are honored with a certificate at ASU's Honors Night, and their diplomas and transcripts carry the designation Honors Program Graduate.

Program Requirements

To earn recognition as an ASU Honors Program Graduate, a student accepted into the program must complete the requirements below and have an overall GPA of 3.3. Should the GPA drop below the required 3.3, the student will be allowed to continue in the program on probationary status as long as the GPA does not drop below 3.2. Students will not be allowed to begin work on a thesis proposal (HONR 3999) or thesis (HONR 4000) with a GPA below 3.3.

Freshman/Sophomore Requirement: 5 courses - 15 semester hours

HONR 1010: Honors Introductory Seminar: The Nature of Inquiry
(and)

4 Honors Sections of Core Courses. A section of HONR 1900 can count as one of these four. One of the four must be multicultural or interdisciplinary.

Junior/Senior Requirement:

HONR 3900: Honors Seminar: Breaking Boundaries - 3 semester hours

One upper division honors elective to be selected from the following:

* a second section of HONR 3900,

* a departmental honors course (departmentally approved independent study or a regular departmental offering with an additional honors component), or

*an approved honors alternative - 3 semester hours

The HONR 3999-4000 sequence (begun in the junior year and completed by the end of student's penultimate term):

HONR 3999: Thesis Prospectus--1 semester hour

HONR 4000: Honors Thesis--2-3 semester hours

HONR 4500: Honors Capstone--1 semester hour

Taken in the senior year, ideally in student's last term.

Eligibility and Admissions

Students may seek entry into the Honors Program by submitting to the Chair of the Honors Program Committee: (1) an application form, and (2) **either** a letter of intent in which the student introduces herself and tells what she will contribute to the Honors Program through her participation **or** an essay of 200 to 300 words in which the student defines his personal and professional goals. The letter or essay is a way of introducing oneself to the program, not a basis for determining whether or not a student will be admitted.

An Entering Freshman who meets **one** of the following criteria is invited to join the Honors Program:

- (1) Combined SAT scores (recentered) of 1160 or more and a cumulative high school GPA of 3.2 or better.
- (2) Combined SAT scores (recentered) of 1100 or more and a cumulative high school GPA of 3.5 or better.

Students Already Enrolled at ASU are invited to join the Honors Program if they are not simultaneously in Learning Support, have completed 9 semester hours of academic work at ASU, and have an overall GPA of 3.4.

To be able to complete program requirements without taking several additional courses, students should seek acceptance into the program and begin taking honors courses early in their careers.

Transfer students who bring in an unadjusted 3.4 GPA on at least 9 semester hours of course work from another institution and have SAT scores at least equivalent to those required of entering ASU honors freshmen will be eligible to register immediately for honors courses on a space available basis. They will be eligible to apply for admission to the Honors Program after they have completed 6 semester hours at ASU with an ASU overall GPA of 3.4. Honors courses taken before a student is formally admitted to the program may count toward Honors Program Graduation.

Students transferring from another institution's Honors Program are subject to the general transfer policy defined above, but, once admitted to the Honors Program, will be able to count Honors Program hours completed at their previous institution(s) toward completing Honors Program Requirements at ASU.

ASU students who are not simultaneously in Learning Support, and who have completed 6 or more semester hours at ASU with an unadjusted GPA of 3.4 may take Honors Program courses on a space available basis.

Katherine Reese Pamplin College of Arts and Sciences

The Katherine Reese Pamplin College of Arts and Sciences, by offering a broad array of undergraduate courses and degree programs and selected graduate degrees, provides students with strong foundations in liberal arts and sciences as well as preparation for careers, citizenship, and a life-long love of learning. Dedicated to excellence in teaching and advising, the Pamplin College of Arts and Sciences is also committed to creating opportunities for intellectual growth, community involvement, and development of an academic community which models humane values and respects human diversity.

Members of the faculty of the Pamplin College of Arts and Sciences are as follows:

Acting Dean: Pettit M. E.

Department of Biology

Professor: Urban, E.K., Chair; Wellnitz, W.R.

Associate Professor: Bickert, J.H.; Christy, C.M.; Gordon, J.E.; Saul, B.; Snyder, D.C.; Stullken, R.E.; Tugmon, C.R.; Wear, D.J.

Assistant Professor: Griner, R.D.

Department of Chemistry and Physics

Professor: Stroebel, G.G.; Ezell, R.L., Chair

Associate Professor: Colbert, T.M.; Crute, T.D.; Hauger, J.A.; Hobbs, D.S.; Myers, S.A.

Assistant Professor: Capps, R.C.; Zuckerman, E. J.

Department of Fine Arts

Professor: Banister, L.; Floyd, R.W.; Williams, J.E.

Associate Professor: Foster, R.L.; Hobbins, J.W.; Hollingsworth, P.; Jones, M.D.; Morgan, A.L. Chair; Rust, B.L.; Schwartz, M.; Shotwell, C.

Assistant Professor: Casaletto, K.; Crookall, C E.; House, R.E.; Onofrio, J.L.

Department of History and Anthropology

Professor: Fissel, M. C.; Mixon, W., Chair ; Murphy, C.P.; van Tuyll, H.P.

Associate Professor: Bishku, M. B.; Caldwell, L.A.; Cotter, J. E.

Assistant Professor: Searles, M.N.; Turner, W.

Department of Languages, Literature, and Communications

Professor: Blanchard, M.K.; Clements, S.R.; Evans, W.E.; Fanning, C.E.;

Garvey, J.W.; House, E.B.; Johnson, L.B., Chair; Kellman, L.A.; Robertson, J.D.; Sandarg, J. I.; Stracke, J.R.; Yonce, M.J.; Bloodworth, W.A., Jr.,

President.

Associate Professor: Aubrey, K.L.; Flannigan, R.A.; Hayward, P.; Heck, G.B.; Hoyos-Salcedo, P.P.; Mile, S.E.; Prinsky, N.R.; Sladky, P.D.; van Tuyll,

D.R.

Assistant Professor: Arab, R.; Bledsoe, R.; Chandrasekara, R.W.; Cope, C.S.;
Davis, R. Jr.; Dorgan, K.; Griswold, S.Y.; Hayward, P.; McCormack, M.C.,
Assistant Chair; McDaniel, A.K.; Pollard, L.O.; Pukis, R.; Pukis, R.E.;
Sutherland, N.E.; Williams, S.D.
Adjunct Faculty: Sisk, K.R., Writing Center

Department of Learning Support (formerly Developmental Studies)

Professor: Dodd, W.M., Chair
Associate Professor: Duignan, M.A.M.; Rice, L.A.
Assistant Professor: Cohen, J.T.; Craig, C.M.; Gardiner, T.C.; Kelliher, M.W.;
Luoma, K.E.; Richardson, S.; Whittle, S.T.
Instructor: Hayes, K.M.; Huffstetler, D.E.

Department of Mathematics and Computer Science

Professor: Pettit, M.E.; Thompson, G.G.; Benedict, James M.; Hamrick, A.K.
Associate Professor: Jarman, R.O.; Medley, M.D.; Robinson, S.L., Acting
Chair; Sethuraman, S.N.; Sligar, J.C.; Thiruvaiyaru, D.S.
Assistant Professor: Benedict, J.Michelle.; Crawford, L.B.; Dowell, M.L.;
Eagle-Holt, D.L.; Rychly, C.J.; Sexton, J.; Stallmann, C.; Terry, C.A.

Department of Military Science

Professor: Laterza, Anthony
Assistant Professor: Lopez, G.; White, C.

Department of Nursing

Professor: Price, C.
Associate Professor: Price, C.R.; Vincent, S.R.
Assistant Professor: Balogh, J.D.; Marshall, V.L.; Rucker, S.; Schlesselman,
S.M.;
Williams, M.T.

Department of Political Science

Professor: Bourdouvalis, C., Acting Dean; Whiting, R.A.
Associate Professor: Jegstrup, E.; Wood, G.Y.
Assistant Professor: Harris, P.; Reinke, S.

Department of Psychology

Professor: Hobbs, S.H.; Reeves, R.A.; Richardson, D., Chair; Sappington,
J.T.
Associate Professor: Tolpolski, R.L.; Widner, S.C.;
Assistant Professor: Rogers, R.L.; Williams, V.A.

Department of Sociology

Professor: Johnston, R.L.; Reese, W.A.; Scarboro, A., Chair
Associate Professor: Case, C.E.; Davies, K.A.
Assistant Professor: Watkins, R.

Arts and Sciences Undergraduate Programs

Three programs which are available to all undergraduate students and which are not allied with one specific department - Associate in Arts, Associate in Science, and Minor in General Studies - are listed first. All remaining programs are listed alphabetically by departments, which are also listed alphabetically.

ASSOCIATE OF ARTS

This is a two-year program for the student who may not complete a four-year college program. It includes the first two years of a standard non-science bachelor's degree program and would allow the student to move into the bachelor's degree program with no loss of credit.

Core Areas A-E	42
Core Area F as specified in the chosen discipline's bachelor's degree program.	18
Physical Education Must include the Wellness and Fitness course and one activity course, swimming unless passed the proficiency exam.	4
Total Hours for the Degree	64

ASSOCIATE OF SCIENCE

This is a two-year program for the student who may not complete a four-year college program. It includes the first two years of a standard bachelor's of science degree program and would allow the student to move into the bachelor's degree program with no loss of credit.

Core Areas A-E, for Science Majors	42
Core Area F as specified in the chosen science discipline's bachelor's degree program	18
Physical Education Must include the Wellness and Fitness course and one activity course, swimming unless passed the proficiency exam	4
Total Hours for the Degree	64

GENERAL STUDIES MINOR IN GENERAL STUDIES

(Grade of C or better is required in all courses used.)

The minor requires 15 hours of course work at the 3000 and 4000 level in at least two disciplines, with at most 9 hours from one discipline. At least 9 hours must be taken at Augusta State University. Courses may not be chosen from the student's major field.

The student and the student's advisor should plan the minor around a theme appropriate to the student's educational goals. The minor is not designed to serve as a spot for placing courses which have been completed, but which do not meet another requirement. The advisor for the student's major must approve the courses used for the minor and sign the application for graduation as chair of the minor.

Total hours for the Minor

15

BIOLOGY PROGRAMS

BIOLOGY	Bachelor of Science with a Major in Biology
Core Areas A - E for Science Majors	42
Core Area F	18
(Grade of C or better is required in all Area F courses)	
BIOL 1107 and 1108 Principles of Biology I and II	8
CHEM 1211 and 1212 Principles of Chemistry I and II	8
Select one of the following:	2
Foreign Language	3
CHEM 2410 Chemistry of Organic and Biomolecules	4
CSCI 2000 Introduction to Computers and Programming	3
CSCI 2301 Principles of Computer Programming I	4
MINF 2201 Microcomputer Applications	3
Required Lower Division Courses (may be used in the Core Curriculum) and spill over hours from Area F	5-16
(Grade of C or better is required in all these courses.)	
1. One year Foreign Language or Math 2210 Elementary Statistics and CSCI 2000 or 2301 or MINF 2201	
2. CHEM 2410 or 3411 Organic Chemistry I	
3. PHYS 1111 and 1112 Introductory Physics I and II or PHYS 2211 and 2212 Principles of Physics I and II	
Major Concentration	27
(Grade of C or better is required in all these courses)	
BIOL 3000 General Botany	4
BIOL 3100 Zoology	4
BIOL 3200 Genetics	4
BIOL 3400 Cell Biology	4
BIOL 4100 Principles of Ecology	4
BIOL 4980 Seminar	1
Select two upper-division biology courses	6
Upper Division Electives	12
(Grade of C or better is required in all these courses.)	
To be chosen with the assistance of the student's faculty advisor.	
Free Electives	5-16
Physical Education	5
Total Hours for the Degree	125
(A Senior Exit Examination is required of all graduating biology majors.)	

BIOLOGY**Biology with Secondary Education Certification**

Core Areas A-E for Science Majors	42
Core Area F	18
(Grade of C or better required in all Area F courses)	
BIOL 1107 and 1108 Principles of Biology I and II	8
EDUC 2101 Intro. to Historical and Philosophical Foundations of American Education	3
EDUC 2102 Human Development and Learning Theory	3
SPED 2000 Education of Exceptional Children	3
CHEM 1211 Principles of Chemistry I (4)	1
Required Lower Division Courses (may be used in Core Curriculum) and spill over hours from Area F	11-13
(Grade of C or better is required in all these courses)	
MATH 2210 Elementary Statistics	
CHEM 1212 Principles of Chemistry II	
CHEM 2410 or 3411 Organic Chemistry I	
PHYS 1111 and PHYS 1112 Introductory Physics I and II	
<u>or</u>	
PHYS 2211 and PHYS 2212 Principles of Physics I and II	
Biology Core	27
(Grade of C or better is required in all these courses)	
BIOL 3000 General Botany	4
BIOL 3100 General Zoology	4
BIOL 3200 Genetics	4
BIOL 3400 Cell Biology	4
BIOL 4100 Principles of Ecology	4
BIOL 4980 Seminar	1
Select two upper-division biology courses	6
Secondary Education Courses Required for Certification	25
(Grade of C or better is required in all these courses)	
Students must be admitted to Teacher Education to be able to enroll in these courses	
SCED 4101 Implications for Curriculum, Instruction, Assessment and Management	3
SCED 4102 Context and Curriculum Coherence and Classroom Management	3
SCED 4401 Science Pedagogy I	3
SCED 4402 Science Pedagogy II	3
SCED 4901 Secondary Apprenticeship/Seminar	13
Physical Education	5
Total hours for the degree	128-130
(A Senior Exit Examination is required of all graduating biology majors)	

BIOLOGY

Minor in Biology

Students minoring in biology should see a biology faculty member as early in their career as possible.

Prerequisites	8
Biology 1107 and 1108 Principles of Biology I and II	
Upper Division Courses	15
In consultation with your major department and the Biology Department, select 15-18 hours of 3000- and 4000-level biology courses. Grade of C or better is required in all these courses.	
Total Upper Division Hours for the Biology Minor	15

CHEMISTRY AND PHYSICS PROGRAMS

CHEMISTRY - Professional Track

Bachelor of Science with a Major in Chemistry

The professional track prepares the student for graduate study in chemistry and provides for job entry level as a chemist. (Grade of C or better is required in all chemistry courses)

Core Curriculum Areas A-E for Science Majors	42
Core Curriculum Area F	18
CHEM 1211, 1212 Principles of Chemistry I, II	8
CHEM 2810 Quantitative Analysis	4
MATH 2011, 2012 Calculus I - (one hour), II	5
CSCI appropriate course, one hour	1
Non-Core Courses	5-17
MATH 2011 (if not in D, transfer student)	0-3
CSCI (two hours from F)	2
(if Calculus III transferred, then not CSCI)	0-1
PHYS 2211, 2212 Principles of Physics I, II (if not in D)	0-8
MATH 3020 Differential Equations	3
Major Concentration	38
CHEM 3411, 3412 Organic Chemistry I, II	8
CHEM 3721, 3722 Physical Chemistry I, II	8
CHEM 3810 Advanced Preparations and Characterizations	3
CHEM 3820 Laboratory Management and Safety	2
CHEM 4210 Advanced Inorganic Chemistry	3
CHEM 4551 Biochemistry I	4
CHEM 4810 Environmental Chemistry	4
CHEM 4830 Principles of Instrument Design	2
CHEM 4840 Instrumental Analysis	4
Electives	5-17
Physical Education	5
Satisfactory Chemistry Oral Exam Departmental Requirement	
Chemistry Written Exit Exam Institutional Requirement	
Total Hours for the Degree	125

CHEMISTRY - Pre-Professional Track **Bachelor of Science
with a Major in Chemistry**

The pre-professional track is ideal for pre-med, pre-dentistry, or pre-law, or job entry at the technical level.

(Grade of C or better is required in all chemistry courses)

CHEMISTRY

Minor in Chemistry

(Grade of C or better is required in all chemistry courses)

Prerequisite Courses

CHEM 1211, 1212 Principles of Chemistry I, II

CHEM 2810 Quantitative Analysis

Minor Concentration

Includes four hours from CHEM 2810

4

CHEM 3411 Organic Chemistry I

4

Select one 4-hour and one 3- or 4-hour course from

CHEM 3412, 3721, 3722, 3810, 4210, 4551, 4840

7-8

All courses must be approved by the Chair of the
Department of Chemistry and Physics.

(Prior approval is recommended)

Total Hours for the Chemistry Minor

15-16

ENGINEERING

Pre-Engineering Program

Program includes most of courses required of freshman and sophomores at colleges of engineering.

Science and mathematics courses for engineering programs at University System of Georgia institutions include:

Core Area A

MATH 2011 Calculus I

4

Core Area D

MATH 2012 Calculus II

4

Recommended: CHEM 1211, 1212 Principles of Chemistry I, II

8

Core Area F

PHYS 2211, 2212 Principles of Physics I, II

8

MATH 2013 Calculus III

4

MATH 3020 Differential Equations

3

Also recommended: CSCI 2060 Computer Science

Programming for Science and Engineering

3

The remaining courses for Core Areas A through E should be selected from courses listed under Core Curriculum. The student should refer to the catalog of the Georgia Institute of Technology or of the institution to which one intends to transfer.

PHYSICS

Bachelor of Science with a Major in Physics

This program prepares the student for graduate study in physics and provides for job entry level as a physicist.

(Grade of C or better is required in all physics courses.)

Core Curriculum Areas A-E for Science Majors		42
Core Curriculum Area F		18
PHYS 2211, 2212 Principles of Physics I, II	8	
MATH 2011, 2012, 2013 Calculus I one hour, II, III	9	
CSCI 2301 Principles of Computer Programming I	1

FINE ARTS PROGRAM - ART

ART

Bachelor of Fine Arts with a Major in Art (General Track)

The Bachelor of Fine Arts program is designed to prepare students for professional careers in art. It should be selected by students who plan to pursue graduate degrees in art. (Students wishing to concentrate in either two-dimensional art or three-dimensional art should refer to the B.F.A. Drawing/Painting Track or the B.F.A. Sculpture/Ceramics Track.)

Portfolio Review

All art majors are required to submit their work for a review by the studio faculty after the completion of the following courses: Art 1520, 1530, 1211, and 12 additional hours of studio art courses (21 hours total.) Portfolio Reviews are scheduled during the fall semester. The Portfolio Review must take place the academic year preceding the year of graduation. Passing the Portfolio Review is a prerequisite for Art 4999 and a graduation requirement. If the Portfolio Review is not passed, it must be repeated and passed during the following fall semester. Portfolio Review occurs on the day after the last day of class of the fall semester.

Transfer students must meet this requirement with the provision that a minimum of 3 hours be done while in residency at Augusta State University and that the transfer courses for the remaining 18 hours be equivalent to the required courses listed above.

Each student should submit a minimum of 15 studio works. These are to include both two-dimensional and three-dimensional works. Media variety in works is encouraged in order to aid faculty appraisal of the student's progress.

The Senior Exhibition

The B.F.A. degree candidate is required to mount an exhibition of artwork. The work for this exhibition must be accepted by the studio art faculty and judged to be of significant quantity and quality to demonstrate the student's professional abilities. The exhibition is completed in Art 4999 and is a graduation requirement.

Core Curriculum Area A-E for Arts Majors	42
Core Curriculum Area F	18

FINE ARTS PROGRAM - MUSIC

The Music Component of the Department of Fine Arts is a professional unit which regards music as both an art and a discipline. It recognizes the artistic values of creativity, experimentation, and music discrimination as well as the disciplinary attributes of scholarship, independent and critical thinking, self-motivation, skill development, and dedication. Musical performance is a vital component of all programs of study. Individualized instruction allows for a nurturing environment reflecting high regard for the musical legacies of the past as well as preparedness for the future. Graduates in music at Augusta State University have gone on to careers as professional performers, public school music teachers, band directors, choral directors, and church musicians. ASU graduates have been accepted for graduate study at some of the most prestigious music schools in the country, including Indiana University, the University of North Texas and the Eastman School of Music.

The music unit provides intensive musical training on the collegiate level for musicians preparing for professions in music education, music performance, music management/business, music history, music theory/composition, conducting, and general studies in music, while serving non-music majors and music minors with a variety of offerings. Public school teachers are served through the offering of courses which satisfy the requirements for Staff Development Units. Persons of all ages in the community are encouraged to participate in musical activities through the Conservatory Program at Augusta State University.

All members of the faculty represent professional expertise and diversity of background and experience. Several members of the faculty hold prominent positions in area professional musical organizations, including the Augusta Choral Society, the Augusta Opera, the Augusta Symphony Orchestra, the Harry Jacobs Chamber Music Society, and the Augusta Jazz Project.

The music unit is accredited by the National Association of Schools of Music.

Bachelor of Music

Two areas of professional study are available in the Bachelor of Music degree: *Performance* prepares students for careers as instrumentalists in symphonic, jazz and popular styles; as singers in opera, theatre, and popular music; and as solo recitalists, accompanists, private and college teachers, and church musicians. *Music Education* prepares musicians for careers as music teachers at all levels in public and private schools.

Bachelor of Arts in Music

The Bachelor of Arts in Music is a degree designed for the emphasis of study in music within a liberal arts curriculum. Students pursuing the BA in Music typically conduct the majority of their course work outside the field of music and focus on the interrelationship of music with other academic disciplines.

Minor in Music

The Music Minor is available to all university students who have interest and ability in music. The program requires courses in applied music, ensembles, music history, and music theory.

GENERAL DEGREE REQUIREMENTS FOR ALL MUSIC MAJORS

1. **Minimum Hours Requirement/Grade Requirements**
All Bachelor of Arts degrees in Music require a minimum of 120 hours. All Bachelor of Music in Performance degrees require a minimum of 124 hours. The Bachelor of Music in Music Education degree requires a minimum of 128 hours. Music majors must achieve a grade of C or better in each course required of the major, including those in the minor field.
2. **The Piano Proficiency and Computer Applications Proficiency in Music**
All students declaring a music major are expected to show proficiency in functional keyboard and computer applications, as outlined in the Augusta State Music Student Handbook. [NB: students declaring a music minor will be required to take the Computer Applications in Music Proficiency Exam.] Exams which address these proficiencies are administered several times each semester. Courses are available to help prepare the students for these exams. These courses have been assigned credit hours to reflect the amount of time the students will need to put into them, but are graded S or U. For further information consult the Augusta State University Music Student Handbook.
3. **Applied Lessons**
Lessons in applied music (principal performing medium) must be taken each semester of residence according to the major field specifications. Composition lessons are not a substitute for lessons in a principal performing medium. Applied Lessons in Jazz Winds, Jazz Piano, Jazz Percussion, Jazz Strings, Drum Set, and Composition are available only at the secondary level.
4. **Major Ensembles**
All music students are required to participate for credit in a minimum of one major ensemble each semester of residence whether of full-time or part-time status. Exceptions may be granted through petition to and approval of the full-time music faculty. All students will be assigned to a major ensemble upon entrance, but are encouraged to participate in other major ensembles. Major ensembles are defined as follows: 1) ASU Wind Ensemble (all woodwinds, brass and percussion); 2) ASU Orchestra (all string instruments); and 3) ASU Choir (all voice types). Students who choose piano or guitar as their principal performing medium will be assigned to one of the three depending upon their experiences in secondary performing areas.
5. **Recital Laboratory and Studio Class**
Music majors and minors are required to be enrolled in and achieve a passing grade in Recital Laboratory (MUSI 1500) and Studio Class (MUSA 2X05) according to the major or minor field specifications. For further information consult the Augusta State University Music Student Handbook.
6. **Advising**
All music majors are required to have an advisor on the full-time music faculty. Self-advising for a degree in music is not allowed. The student must obtain their advisor's signature on all registration forms and Add/Drop forms.

7.Exit Exams

All music majors are required to take the Music Major Exit Exam, which is given during the final semester of study.

GENERAL EDUCATION REQUIREMENTS

Students declaring a music major must complete the requirements of the University-wide program which includes Core Areas A-E.

CORE CURRICULUM IN MUSIC (AREA F)

All music majors take a basic core of music courses, studies and activities. This core curriculum educates the musician in the art form. It strives to improve music literacy, develop artistic sensitivity and provide a broad artistic experience for all music students. Further, it is designed to raise the quality of music-making in each student regardless of individual professional goals. The Core Area F in Music is required of all music majors in the University.

PLACEMENT EXAMINATIONS UPON ENTRANCE

All entering freshmen music majors must perform a placement audition on their major performance medium, and take evaluative exams in music fundamentals, piano and computer applications in music.

All transfer students declaring a music major must perform a placement audition on their major performance medium which will determine the applied level of study. In addition, transfer students will be given a theory placement exam, the Piano Proficiency exam and the Computer Applications in Music Proficiency Exam.

MUSIC**Bachelor of Arts
with a Major in Music**

Core Curriculum Areas A-E for Music Majors	42
Music Major Core Area F (Grade of C or better is required in all these courses)	17

EDUC 2102 Human Development and Learning Theory	
SPED 2000 Education of Exceptional Children	
Lower Division Applied Lessons	6
Take each of the following courses:	
MUSA 1XX1 Applied Lessons: Concentration	
MUSA 1XX2 Applied Lessons: Concentration	
MUSA 2XX1 Applied Lessons: Concentration	
Major Ensembles as assigned	3
Music Education Curriculum (Grade of C or better is required in all these courses)	44
Applied Concentration Lessons (at least 4 at upper divisional level)	6
Recital Experience	
Fulfill each of the following requirements:	
MUSI 1500 Recital Laboratory (7 semesters minimum)	
MUSA 2X05 Studio Class (7 semesters minimum)	
MUSA 3XX5 Junior Recital	
Music Theory Curriculum	20
Take each of the following courses:	
MUSI 1101 Elementary Ear Training and Sight-Singing I	
MUSI 1102 Elementary Ear Training and Sight-Singing II	
MUSI 1211 Elementary Part Writing and Analysis I	
MUSI 1212 Elementary Part Writing and Analysis II	
MUSI 2101 Advanced Ear Training and Sight Singing I	
MUSI 2211 Advanced Part Writing and Analysis I	
MUSI 2102 Advanced Ear Training and Sight Singing II	
MUSI 2212 Advanced Part Writing and Analysis II	
MUSI 3210 Form and Analysis	
MUSI 4210 Instrumentation and Orchestration	
Music History Curriculum	8
Take each of the following courses:	
MUSI 2340 Introduction to Music Literature	
MUSI 3340 Music History I: Middle Ages Through the Baroque	
MUSI 3350 Music History II: Classical Period to the Present	
Major Ensembles (2 hrs. minimum at upper division level)	3
Miscellaneous Requirements	2

Take each of the following:		
MUSI 3560 Fundamentals of Conducting		
Piano Proficiency		
Computer Applications in Music Proficiency		
Instrument/Voice Methods, Instrumental Track	5	
MUSI 3420 Brass Methods		MUSI
MUSI 3430 Woodwind Methods		
3440 String Methods		
MUSI 3450 Percussion Methods		
MUSI 3460 Marching Band Methods		
Professional Music Education Requirements	24	
(Grade of C or better is required in all these courses)		
Take each of the following courses:	6	
MUSI 3410 Elementary and Middle School Music Methods		
MUSI 4410 conducting and Methods of Secondary School Instrumental Music		
MUSI 4420 conducting and Methods of Secondary School Choral Music		
Admission to Teacher Education, followed by:	6	
MUSI 3011 Music Educational Technology		
Choose one of the following:		
ECED 3151 Early Childhood Curriculum		
MGED 3112 The Middle School Classroom		
SCED 4102 Secondary School Context & Curriculum Coherence		
AND		
MUSI 4492 Music Apprenticeship and Seminar

Total Hours for the Degree	129

MUSIC

Minor in Music

The Minor in Music is designed for students who have an interest and ability in music. Students wishing to declare a music minor must consult with the Chair of the Department of Fine Arts.

Lower Division Theory Courses	4
MUSI 1101 Elementary Ear Training & Sight Singing I	
MUSI 1211 Elementary Part Writing and Analysis I	
Miscellaneous Requirement	
Computer Applications in Music Proficiency	0
Major Ensembles (as assigned at upper division level)	4
Music History Requirement	2
MUSI 2340 Introduction to Music Literature	
Upper Division Miscellaneous Hours	2

Select from the following courses:	
MUSI 3330 Music of the World's Peoples	
MUSI 3340 Music History I	
MUSI 3350 Music History II	
MUSI 4310 Choral Literature	
MUSI 4350 Orchestral Literature	
MUSI 4370 Wind Ensemble Literature	
MUSI 4320 Vocal Literature	
MUSI 4330 Opera Literature	
MUSI 4341 Piano Literature I	
MUSI 4342 Piano Literature II	
MUSI 4360 Chamber Music Literature	
MUSI 4730 Jazz History and Literature	
Recital Experience	0
MUSI 1500 Recital Laboratory (4 semesters minimum)	
MUSI 2X05 Studio Class (4 semesters minimum)	
Applied Secondary Lessons (at least 3 hours at upper division level)	6
Choose from the following:	
MUSA 1XX0 Applied Secondary Lessons (1)	
MUSA 1XX1 or MUSA 1XX2 Applied Concentration Lessons (2)	
MUSA Applied Secondary Lessons (1)	
MUSA 3XX1 or MUSA 3XX2 Applied Concentration Lessons(2)	
Total Hours for the Music Minor	18

HISTORY AND ANTHROPOLOGY PROGRAMS

ANTHROPOLOGY

Minor in Anthropology

Anthropology integrates scientific and humanistic approaches for understanding people and cultures by way of the study of archaeology, culture, language, human evolution, and non-human primates. Students interested in human biology, behavior, culture, history, or origins will find the anthropological perspective useful. Anthropology complements studies in history, humanities, international studies, sociology, psychology, political science, biology, economics, and education and is also suitable preparation for those intending to pursue advanced anthropology degrees.

Prerequisites 3

(Grade of C or better is required in each of these courses.)

Anthropology 1102 Introductory Anthropology

Anthropology 2011 Cultural Anthropology

Upper Division Courses 15

(Grade of C or better is required in all of these courses)

Take five courses from the following, at least three must be taken in residence at Augusta State University:

Anthropology 3271 History and Culture of India

Anthropology 3411 Indians of North America

Anthropology 3831 Archaeology

Anthropology 3841 Biophysical Anthropology

Anthropology 3851 Religion, Culture, and Society

Anthropology 3871 Sex, Gender, and Culture

Anthropology 4861 World Ethnology

Anthropology 4901 Cullum Lecture Series

Anthropology 4951 Selected Topics

Anthropology 4991 Undergraduate Research

Total Hours for the Minor 18

HISTORY

Bachelor of Arts with a Major in History

The student contemplating work beyond the baccalaureate level is encouraged to take one and, if possible, two languages through the intermediate level.

Core Curriculum Areas A-E 42

Core Curriculum Area F 18

Foreign Language Sequence 6

Select 6 hours from the following courses:

(Grade of C or better is required)

HIST 1111 Pre-Modern World Civilization

HIST 1112 Modern World Civilization

HIST 2111 United States to 1877		
HIST 2112 United States since 1877		
Select 6 hours from the following courses:		
ANTH 1102 Introductory Anthropology		
ANTH 2011 Cultural Anthropology		
CSCI 2000 Introduction to Computers and Programming		
ECON 1810 Introduction to Economics		
GEOG 1111 World Geography		
HIST 1111 Pre-Modern World Civilization		
HIST 1112 Modern World Civilization		
HIST 2111 United States to 1877		
HIST 2112 United States since 1877		
HONR 1900 Contemporary Issues (with department approval)		
MATH 2210 Elementary Statistics		
PHIL 1000 Introduction to Philosophy		
POLS 2301 Comparative Politics		
POLS 2401 Global Issues		
Degree Requirements if not taken in the Core (Grade of C or better is required)		3
HIST 1111, 1112, 2111, or 2112	3	
Major Concentration (Grade of C or better is required in all major courses)		28
HIST 3001 Historical Research Methods	4	
Select twenty-four hours from the offerings on the 3000 and 4000 levels		24
Concentration of more than three courses in any field of history in the upper division is discouraged. Graduating majors must submit at least four term papers for an exit interview and take the Major Field Achievement Test in history.		
Minor Concentration		15-18
Electives		10-13
Physical Education		5
Total Hours for the Degree		125

HISTORY

Minor in History

Select one of the following courses (Grade of C or better is required)		3
HIST 1111 (Pre-Modern World Civilization)		
HIST 1112 (Modern World Civilization)		
Select five courses from the upper-division history offerings Concentration of more than two upper-division courses in any field of history is discouraged. (Grade of C or better is required in all of these courses)		15
Total Hours for the Minor		18

HISTORY**Bachelor of Arts with a Major in History
with a Certificate in Secondary School Teaching**

Core Curriculum Areas A-E for History Majors It is strongly recommended that ECON 1810 Introduction to Economics be taken in Area E	42
Core Curriculum Area F (Grade of C or better is required)	18
HIST 1111 and HIST 1112	6
HIST 2111 or HIST 2112 (whichever not taken in Area E)	3

COMS 3200 Political Communication	
Choose two of the following courses:	6
COMS 4110 Argumentation and Debate	
COMS 4120 Gender and Communication	
COMS 4130 Rhetoric of Social Movements	
COMS 4950 Special Topics	
Choose two additional courses from any remaining upper-level COMS courses or from any upper-level COMD, COMJ, COMP, or COMT courses	6
Minor Concentration	15-18
Electives	12-15
Physical Education	5
Total Hours for the Degree	125

COMMUNICATIONS **Bachelor of Arts**
with a Major in Communications: Telecommunication Track

(Fall Semester start is strongly recommended)	
Core Curriculum Areas A - E	42
Core Curriculum Area	18
COMC 2010 Mass Media & Society (with a grade of C or better)	
FREN, GRMN or SPAN 1002, 2001, 2002	
Select two from the following:	
ART 1520, 1530, 1211, 1002, 2541	
COMD 2500, COMD 2510, COMD 2950	
ENGL 2110, 2250, 2950	
FREN 2950	
HONR 1900	
PHIL 1000	
PSYC 1101	
SOCJ 1101	
SPAN 2950	
Major Concentration	
(Grade of C or better is required in all major courses)	30
COMC 3000 Media Law and Ethics	3
COMT 3000 Introduction to Electronic Media	3
COMT 3010 Radio and Audio Production	3
COMT 3020 Introduction to Television Production	3
COMT 3030 Introduction to Electronic Field	

Production	3
COMJ 3020 Newswriting or COMJ 3030 Feature Writing	3
COMT/COMJ 3040 Broadcast Journalism	3
COMT 4970 Telecommunication Senior Project	3
Select one of the following courses:	3
COMT 4010 Advanced Radio and Audio Production	
COMT 4020 Advanced Television Production	
COMT 4030 Techniques of Videotape Editing	
COMT 3060 Business Applications of Telecommunication	
COMT 4950 Selected Topics	
COMT 4960 Internship	
Select one from the following courses:	3
COMT 3050 Introduction to Film History	
COMT 3070 Film Appreciation	
Minor Concentration	15-18
Electives	12-15
Physical Education	5
Total Hours for the Degree	125

COMMUNICATIONS

Minor in Communications

Prerequisite to the Minor	
COMC 2010 Mass Media & Society (with a grade of C or better)	3
Select four 3000-or 4000-level courses from the following tracks:	12
COMD Communications/Drama	
COMJ Communications/Journalism	
COMP Communications/Advertising-Public Relations	
COMS Communications/Speech	
COMT Communications/Telecommunication	
(Grade of C or better is required for all work in the minor)	
Total Hours for the Minor	15

DRAMA

Minor in Drama

Prerequisites to the Minor	
ENGL 1101 - 1102 or 1113 - 1114 and HUMN 2001 (with a grade of C or better)	
Upper-division Courses	
(Grade of C or better is required for all work in the minor)	
Required Courses	9
COMD 3221, 3222 Literature in Performance	6
COMD 3410 Stage Lighting or COMD 3811 Scene Design	3

Electives	
Select two of the following courses:	6
COMD 3211 Acting I	
COMD 3212 Acting II	
COMD 3550 Fundamentals of Technical Theatre	
COMD 3710 Directing	
COMD 3820 Scene Design II	
COMD 4010 Performance for the Camera	
COMD 4210 Acting III	
COMD 4220 Modern Drama	
Total Upper-Division Hours for the Drama Minor	15

ENGLISH **Bachelor of Arts**
with a Major in English, Concentrating in Literature

Core Curriculum Areas A-E for Arts Majors	42
Core Curriculum Area F	18
FREN, GRMN, LATN, or SPAN 1002, 2001 and 2002	9
ENGL 2250 Introduction to Literary Studies (Grade of C or better)	3
Six hours of electives to be chosen from:	6
ANTH 2011 Cultural Anthropology,	
ART 1520 Two-Dimensional Design,	
ART 1002 Photography,

HUMANITIES

Minor in Humanities

The Humanities minor is designed for students who wish to study art, literature, music, and related fields beyond the two required World Humanities courses. It allows students to explore arts and culture from an interdisciplinary perspective. A student who plans to minor in Humanities should complete an application for the minor during the semester in which the student is enrolled in World Humanities II. The form is available in the Department of Languages, Literature, and Communications. The student will then select courses in consultation with a Humanities advisor.

Prerequisites

(Grade of C or better)

HUMN 2001 World Humanities I	4
HUMN 2002 World Humanities II	4

Upper-Division Courses

15

(Grade of C or better is required in all these courses)

You may count up to 9 hours of appropriate study abroad (i.e., courses numbered 3000 and above).

Select 3 to 9 hours:

Humanities

- HUMN 4010 Postmodernism
- HUMN 4101 Aesthetics and Philosophy of Art
- HUMN 4210 Literature into Opera
- HUMN 4220 The Harlem Renaissance
- HUMN 4801 Study Abroad in Art and Culture I
- HUMN 4802 Study Abroad in Art and Culture II
- HUMN 4950 Selected Topics

Select at least 3 hours each from any two of the following disciplines:

Art

- ART 3000 Humanities Studio Experience
- ART 4620 Art Since 1955: Neo-Avant-Gardes in Europe and America
- ART 4630 "Primitivism" in 20th Century Art
- ART 4640 Raphael
- ART 4650 Early Renaissance Italian Painting,
- ART 4660 American Art
- ART 4670 Far Eastern Art
- ART 4722 Aesthetics and Philosophy of Art II (If not taken as HUMN)
- ART 4801 Study Abroad in Art and Culture I (if not taken as HUMN)
- ART 4802 Study Abroad in Art and Culture II (if not taken as HUMN)
- ART 4900 Cullum Lecture

Music

- MUSI 3310 From the Monastery to the Concert Stage
- MUSI 3320 Music and Popular Culture
- MUSI 3330 Music of the World's Peoples

MUSI 3610 ASU Wind Ensemble
MUSI 3620 ASU Choir
MUSI 3630 ASU Orchestra
MUSI 3660 ASU Jazz Ensemble
MUSA 1100 - 1900 Applied Lessons: Secondary
MUSA 2100 - 2900 Applied Lessons: Secondary
MUSA 3100 - 3900 Applied Lessons: Secondary
MUSA 4100 - 4900 Applied Lessons: Secondary
MUSI 4900 Cullum Lecture Series

Literature

Communications/Drama: COMD 3221, 3222 Literature
in Performance I & II, COMD 4220 Modern Drama,
COMD 4420 Shakespeare
Communications/ Telecommunications: COMT 3050
Introduction to Film History, COMT3070 Film Appreciation
Upper-division literature courses in a foreign language or in English,
excluding ENGL 3330.

Select 0-6 hours in the following courses:

Anthropology

ANTH 3851 Religion, Culture, and Society
ANTH 3271 History and Culture of India

Philosophy

PHIL 3020 Existentialism
PHIL 3095 Major Philosophers in History
PHIL 4030 Ancient Greek Philosophy
PHIL 4032 Contemporary Continental Philosophy
PHIL 4900 Cullum
PHIL 4950 Ancient Political Philosophy
PHIL 4990 Undergraduate Research

Political Science

POLS 3501 Ancient Political Thought
POLS 3601 Modern and Contemporary Political Thought

History

Any History course numbered 3111 to 4951 which is approved by
the student's advisor.

Honors

HONR 3900 Breaking Boundaries

Psychology

PSYC 4150 History and Systems of Psychology

Total Upper-Division Hours for the Humanities Minor

15

Variable content courses listed above (e.g. 3900, 4900, 4950, 4990) will be appropriate for the Humanities minor when focused on the arts, culture, history, or philosophy. All variable content courses must have prior approval of the student's humanities advisor.

WOMEN'S STUDIES	Minor in Women's Studies
------------------------	---------------------------------

The Women's Studies Minor is designed for students who wish to study women's cultures, contributions, and perspectives from an interdisciplinary standpoint. 15 hours of course work is required, with at least 9 hours of upper-division credit. A grade of C or better is required in all courses.

Before graduation, a student minoring in Women's Studies will submit a portfolio for review to the Women's Studies Program Committee (WSPC). The portfolio must contain work from three different disciplines; it may also contain a project undertaken outside of a Women's Studies class. The student will also participate in an exit interview.

Select 9-15 hours from the following courses, with courses from at least three different departments: 9-15

History and Anthropology

- ANTH 3871/WMST 3871 Sex, Gender and Culture
- HIST 3461/WMST 3461 History of American Women

Languages, Literature, and Communications

- ENGL 3310/WMST 3310 Women's Literature
- ENGL 4310/WMST 4310 Studies in Feminism
- COMS 4120/WMST 4120 Gender and Communication

Psychology

- PSYC 3155/WMST 3155 Psychology of Gender

Sociology

- SOCI 4435/WMST 4435 Women, Crime, and the Criminal Justice System
- SOCI 4442/WMST 4442 Sociology of Women

You may select up to 6 hours of other appropriate WMST courses to fulfill requirements for the minor. These may include: 0-6

- WMST 4950 Selected Topics
- WMST 4960 Undergraduate Internship
- WMST 4990 Undergraduate Research

You may also select up to 6 hours of other appropriate courses, provided they are approved by the Women's Studies Program Committee (WSPC). 0-6

MATHEMATICS

Minor in Mathematics

Grade of C or better is required in all courses.

Prerequisite

MATH 2011 Calculus and Analytical Geometry I 4

Course Requirements in the Minor

MATH 2012 Calculus and Analytical Geometry II 4

Select 0, 3, or 4 hours from the following:

MATH 2013 Calculus and Analytical Geometry III

or

MATH 2210 Elementary Statistics 0-4

Select 9 hours from upper division mathematics

courses that are approved for the Mathematics Major

(except MATH 4430 and MATH 3110). 9-12

All courses should be arranged in consultation with the major department and with the approval of the chair of the Department of Mathematics and Computer Science.

Total for the Mathematics Minor 16-17

MILITARY SCIENCE PROGRAM

MILITARY SCIENCE

Military Science Curriculum

This curriculum ultimately qualifies the college graduate for a commission as an officer in the U.S. Army, Army Reserve, or Army National Guard.

Basic Courses, Freshman Year (MS I)

MILS 1010 Introduction to the Military 2

MILS 1020 First Aid for Soldiers 2

Basic Courses, Sophomore Year (MS II)

MILS 2020 Orienteering 2

MILS 2010 Small Unit Leadership & Management 2

Officer Basic Camp Summer Internship: A student who did not participate in the basic program who has at least two years remaining before graduation may qualify for the advanced program through a five-week summer internship given at Fort Knox, Kentucky each year. ASU graduate students are eligible for this program as well. They also receive half the base pay of a Sergeant (E-5) for 5 weeks (approximately \$800) while attending the Officer Basic Camp Summer Internship. This program enables the student to determine if he or she desires a career in the military and qualifies the student for the advanced course if he or she chooses. No obligation is incurred by attending Officer Basic Camp. (MILS 3050, Officer Basic Camp Summer Internship)

Compression: While the normal sequence of course work requires two full

academic years, it is possible to compress the course work into less than two years by taking two Military Science courses during the same semester. Compression is not recommended or desired, but will be considered on an individual basis by the Department Chairman.

Exemption: Credit for all or part of the basic course may be granted upon presentation of evidence that the student has had equivalent training. Examples of such training are active military service, Senior Division Navy or Air Force ROTC credit, or 3 years Junior ROTC credit. In every case, exemption credit must be approved by the Department Chairman. No academic credit is given for courses exempted under this program.

Eligibility Requirements for Advanced Course: GPA of 2.00 or higher; completion, or credit for completion, of the basic course; meeting Army physical requirements; permission of the Department Chairman.

Advanced Courses, Junior Year (MS III)

MILS 3010 Advanced Orienteering and Leadership	3
MILS 3020 Tactical Military Leadership	3
MILS 3050 Officer Basic Camp Summer Internship	3
MILS 3105 Officer Advanced Camp Summer Internship	3

Advanced Courses, Senior Year (MS IV)

MILS 4010 Advanced Military Leadership	3
MILS 4020 Transition to Officership	3
MILS 4905 Selected Topics	3

Officer Advanced Camp Summer Internship: A five-week camp conducted at Fort Lewis, WA. Only open to (and required) of students who have completed MS 3010 and MS 3020. They also receive half the base pay of a Sergeant for 5 weeks (approximately \$800). Travel, lodging and most meal costs are defrayed by the U.S. Army. Officer Advanced Camp environment is highly structured and demanding, stressing leadership at small unit levels under varying, challenging conditions.

MILITARY SCIENCE Professional Military Education Requirements

The principal element of the Professional Military Education (PME) requirement is the bachelor's degree. As an integral part of that undergraduate education, prospective officers are required to take at least one course in each of the fields of study listed below and should consult their academic advisor for approved courses in each field.

- Written Communication Skills
- Military History
- Computer Literacy

MILITARY SCIENCE**Minor in Military Science**

The Military Science minor is primarily designed for the student planning a career in the U.S. Army as a commissioned officer. Military Science teaches skills that are vital for professional success on and off the battlefield, such as group leadership, management positions and public speaking. Leadership is the process of influencing an individual or a team of people by providing them a purpose, direction, and motivation to accomplish assigned missions and to improve the team for the future. Courses should be arranged in consultation with your major department and the Professor of Military Science.

Required Courses	15
(Grade of C or better is required in each of these courses)	
MILS 3010 Advanced Map Reading and Leadership	3
MILS 3020 Tactical Military Leadership and Management	3
MILS 3105 Officer Advanced Camp Summer Internship	3
MILS 4010 Advanced Military Leadership	3
MILS 4020 Transition to Officership	3
Total Upper-Division Hours for the Military Science Minor	15

MILITARY SCIENCE**ROTC Program Features**

Admission and Incentives: A student enrolled in basic course classes incurs no obligation to the U.S. Army. Advanced course students are obligated to serve on active duty in the U.S. Army for a minimum of three months and are paid a subsistence allowance of \$200 per month for up to 20 academic months while in college. They also receive half the base pay of a Sergeant for 5 weeks (approximately \$) while attending the advanced camp. Other training opportunities such as Air Assault, Airborne School, Jungle Warfare School, Arctic Warfare School, Air Assault School, and Cadet Troop Leadership Training in active units are available on a competitive basis with military subsistence and some paid benefits. A student in any major/minor field of study is eligible. During the senior year (MS IV) of study the student is offered the options to select the type of job that he or she desires to perform, the first permanent duty post, and the type of commission, either Regular Army or Army Reserve, that he or she prefers. The Army at no charge provides all necessary uniforms to the individual. Academic credit, applicable toward graduation is granted for all military science course work. Any advanced course credits earned apply within the general studies minor.

The Scholarship Program: The Army ROTC Scholarship Program awards full-time four-, three-, and two-year scholarships to eligible students on a competitive basis. The Department of Military Science accepts applications for two- and three-year ROTC scholarships throughout the year. A student does not have to

be currently enrolled in ROTC to apply for two- and three-year scholarships. In addition to the National Scholarships, the ASU Professor of Military Science Chair awards one four year, one three year and seven two year scholarships annually to ASU students. Each scholarship pays full tuition, books, lab fees, and other educational expenses. In addition, all ROTC scholarship students receive \$200 per month for up to 10 months of each school year the scholarship is in effect. Upon Commissioning as a Second Lieutenant, most agreements call for ROTC graduates to serve three or four years of active duty, plus additional time in the military reserves.

The Simultaneous Membership Program: The Simultaneous Membership Program allows cadets to be enrolled in the Military Science Advanced Course and a local Army National Guard or Army Reserve unit at the same time. The benefits of this program are that cadets not only receive \$200 per academic month from the Military Science Department but also receive drill pay from their Army National Guard or Army Reserve equivalent to a Sergeant E-5 pay(\$180 per month). Cadets in this program perform the duties of an officer trainee in their Army National Guard or Army Reserve unit. Some National Guard programs offer tuition assistance as well. This program provides valuable management experiences, which will interest future employers and prepare cadets for leadership and management positions after graduation.

NURSING PROGRAM

NURSING

Associate of Science in Nursing

This program provides initial preparation for professional nursing practice and for beginning positions in hospitals, clinics, and nursing homes. It is approved by the Georgia Board of Nursing (Secretary of State, Professional Licensing Boards Division, 237 Coliseum Dr., Macon, GA 31217-3858, 478/207-1300, www.sos.ga.us) and accredited by the National League for Nursing Accrediting Commission (NLNAC Inc., 61 Broadway, New York, NY 10006, 212/363-5555 x153, www.nlnac.org). Upon successful completion of the program, graduates are awarded the Associate of Science in Nursing Degree and are eligible to take the National Council Licensure Exam for Registered Nurses (NCLEX-RN). Approval for admission to the licensing examination and subsequent Registered Nurse licensure of qualified applicants for the state of Georgia is granted by the Georgia Board of Nursing.

Students must apply for admission into the nursing program due to limited enrollment. Enrollment is limited to a specific number based on clinical spaces and resources available. Applicants for admission to the nursing program will be expected to meet the following requirements:

- Must be accepted for admission to Augusta State University.
- Must meet with nursing advisor.
- Must have an adjusted Nursing Grade Point Average (NGPA) of at least 2.5 at the end of Spring Semester of the academic year of application. The Nursing GPA is computed from grades of core courses required for the nursing program using the most recent attempt of a repeated course. An applicant may have no more than one repeat of each core course required for the nursing program.
- Students with ASU records must have an institutional GPA of 2.0 and a nursing GPA of 2.5 at the end of Spring Semester of the academic year of application.
- If transfer student, courses transferred for nursing core must meet nursing GPA requirements of 2.5 and transfer GPA must be at least 2.0.
- Must submit application for admission to the Department of Nursing by February 1.

Selection of applicants will be based on a ranked score of the adjusted NGPA and a weighted score based on the semester core courses completed by the end of Fall Semester of the academic year of application and the grades from those courses. Points will be given for core courses enrolled in Spring Semester and grades from those courses will be reviewed to determine if grade requirements have been maintained. Priority will be given to applicants who have completed the Anatomy and Physiology sequence (BIOL 2111, BIOL 2112) satisfactorily.

Augusta State University pre-nursing students are those who have declared Nursing as their major and are working on required core courses before seeking admission to the nursing program. They will be advised by faculty in the Department of Nursing. It is highly recommended that students complete Human Anatomy and Physiology I (BIOL 2111) and English 1101 and be enrolled in

Anatomy and Physiology II (BIOL 2112) and English 1102 at the time of application into the nursing program. A minimum grade of "C" is required in English Composition (ENGL 1101 and 1102), Human Anatomy and Physiology I and II (BIOL 2111 and BIOL 2112), College Algebra (MATH 1111), Human Development (PYSC 2103), and Microbiology (BIOL 3110). These minimum grades must be attained before entry into the second year of the nursing program. A grade of "D" in Human Anatomy and Physiology I or II (BIOL 2111 or BIOL 2112), or Microbiology (BIOL 3110), will automatically preclude the student from registering for the subsequent nursing course in the program. (This does not apply to pre-nursing students.) Withdrawal from Human Anatomy and Physiology I, Human Anatomy and Physiology II, or Microbiology while taking it with a nursing course will result in an automatic withdrawal from the program. A minimum grade of "C" must be attained for progression within the nursing sequence. In order to continue into the second year of nursing courses, majors are required to pass the Regents Testing Program and maintain a minimum adjusted GPA of 2.00 (Institutional GPA).

After acceptance into the nursing program, students will have additional requirements related to health insurance, liability insurance, CPR certification, physical examination, immunizations and TB skin test. Information regarding these additional requirements will be provided to students after acceptance. Students will be assessed additional fees for liability insurance and required tests.

Transfers from Other Nursing Programs:

Students transferring from other nursing programs must apply to ASU and meet the requirements written above. In addition, they will be required to submit two letters of reference from the previous program; one from the Chair/Director of the program and the other from the faculty member of the last clinical nursing course. Placement into the nursing curriculum will be determined by review of course descriptions and content outlines of nursing courses from the previous institution.

Applicants who have failed a nursing course from another program will be required to meet all the above requirements. They also, they will be required to submit two letters of reference from the previous program; one from the Chair/Director of the program and the other from the faculty member in the course that was failed. Decision to admit these students will be on a case-by-case basis by the entire ASU nursing faculty. Students who have failed more than one nursing course from another program will **not** be considered for admission.

Options for LPNs

LPNs who hold a current and valid Practical Nurse License in the State of Georgia have three options for entry into the nursing program. First, they may enter into the first nursing course, Foundations of Nursing Practice and progress through the entire curriculum. This option may be the choice of a new LPN with no experience or someone who has had a very narrow scope of practice. The same requirements for admission noted previously must be fulfilled and a minimum of the pre-requisite core courses for NURS 1101 must be completed.

Second, LPNs may choose advanced placement into the second semester of the program, Nursing Care Across the Life Span I (NURS 1102). The same

requirements for admission noted previously must be fulfilled and a minimum of the pre-requisite core courses for NURS 1102 must be completed; *English Composition I and II; *College Algebra; *Introduction to Human Development; Introduction to Human Communication; and *Anatomy/Physiology I; (*Grade of “C” or better required). LPNs who are between 3-5 years since graduation must have a minimum of 1, 000 hours of nursing experience approved by the Augusta State Department of Nursing faculty within the year prior to application to be eligible for advanced placement. LPNs who have graduated from their practical nursing program 5+ years prior to application will be required to take an examination that will be used for diagnostic purposes to identify areas that may need to be reviewed prior to entering NURS 1102. The examination must be taken prior to the end of fall semester. Arrangements for the examination may be made through Counseling and Testing (706/737-1472). To be eligible for testing, a minimum of 1000 hours of nursing experience approved by the Augusta State Department of Nursing faculty is required within the year prior to application. Credits for Nursing 1101, Foundations of Nursing Practice, will be held in escrow until the LPN has satisfactorily passed Nursing 1102.

Third, LPNs with all core courses completed except Microbiology and who meet the same requirements for admission noted previously may choose to apply for the LPN Transition course. Upon successful completion of the transition course and the Regents Examination in reading and writing the student will articulate into the second year of the nursing program and finish in one calendar year (May to May). This articulation into the nursing program is a cooperative effort between St. Joseph Hospital and Augusta State University in response to the increased community needs for registered nurses. Unsatisfactory completion of NURS 1103 will not allow progression to the second year of nursing courses. The student will not be eligible to reenter NURS 1103. The student may apply for admission to the nursing sequence.

Applicants to the nursing program should be aware that the state examining board has the right to refuse to grant registered nurse licenses to any individuals regardless of their educational credentials under circumstances of:

1. Falsification of application for licensure;
2. Conviction of a felony or crime of moral turpitude;
3. Other moral and legal violations specified in the Georgia law.

Applicants who think they might have an applicable situation should talk with the department chair early in their program of study.

Core Curriculum Areas A-E for Nursing Majors		17
Core Area A	9	
(Grade of C or better is required in College Algebra and English courses)		
ENGL 1101 English Composition I or		
ENGL 1113 Honors Freshman Composition I	3

Swimming and PE Activity Elective may be taken at any time in the curriculum.

*Grade of "C" or better required

POLITICAL SCIENCE PROGRAMS

POLITICAL SCIENCE

Bachelor of Arts with a Major in Political Science

The objective of the political science program is focused on the study of politics, governments, governmental systems, and the making of public policy. The B.A. degree is offered to better prepare the citizen to exercise political responsibilities and to ground the student for subsequent functioning in the public political system.

The major is also structured to prepare the student for post-graduate study in political science; in professional schools of law, journalism, international relations, and public administration; and in post-graduate work leading to specialized careers in research and teaching. **(All Political Science Majors are required to take an Oral and Written Exam before graduation.)**

Total Hours for the Degree	125

POLITICAL SCIENCE

Bachelor of Arts with a Major in Political Science International Studies Concentration

International Studies is designed to enable and encourage students to become more proficient in understanding global affairs. The curriculum combines a student's choice of area studies: 21 hours in Political Science and 9 hours of a number of courses offered in the Departments of History, Sociology, Languages, Literature and Communications, Psychology and the College of Business Administration. The concentration in International Studies requires language proficiency and/or the study of statistics and/or computer science and mastery of the methodological and theoretical perspectives of the discipline. The education and training provided by this concentration will provide a background for a career in government, business, education, and communications or to pursue advanced degree(s) in Political Science, International Relations, International Law or International Business. All courses require a grade of a "C" or better.

Core Curriculum Areas A-E (See p. 72) 42

Total Hours for the Degree and Concentration	125

**POLITICAL SCIENCE/LEGAL STUDIES B.A. in Political Science,
Legal Studies Track**

The Legal Studies track is open to Political Science majors only and is designed to aid students in their effort to orient their course of study to a particular purpose or goal. It will prepare students for careers in law-related fields, federal and state governments, public and private interest groups, or business and management. In addition, the track can provide a foundation for the ongoing study of law or for graduate study in Political Science. Grade of C or better is required in POLS 1101, prerequisites for all upper division classes and in all program specific courses.

Core Curriculum Areas A-E (see p. 72)	42
Core Curriculum Area F - prerequisite POLS 1101 (Grade of C or better is required in all Area F courses)	18
Required Courses:	
POLS 2201 Intro to State and Local Government	3
POLS 2701 Intro to Political Methodology & Research	3
Option I	
Select a language sequence (1002, or higher)	6
or	
Option II	
Select either CSCI 2000 Introduction to Computers and Programming	6
or	
MINF 2201 Management Information Systems in addition to choosing an elective from the approved Area F courses listed below or selecting ACCT 2101 Principles of Accounting or MATH 2210 Elementary Statistics	
Elective Courses in Political Science	6
Select 6 hours from Option I or 6 hours from Option II	
Option I	
POLS 2101 Intro to Political Science	
POLS 2301 Intro to Comparative Politics	
POLS 2401 Intro to Global Issues	
POLS 2501 Election 2002	

PHIL 1000; HIST 1111, 1112, 2111, 2112; GEOG 1111;
 PSYC 1101; SOCI 1101, 2241; ANTH 1102; ECON 1810;
 MGMT 2106

or
 Option II
 ACCT Principles of Accounting I
 ACCT Principles of Accounting II

Major Concentration	30
(Grade of C or better)	
Select 12-15 hours from the following Political Science Courses:	
POLS 3301 Judicial Process	3
POLS 3401 The American Presidency	3
POLS 3501 Ancient Political Thought or	
POLS 3601 Modern & Contemporary Political Thought or	
POLS 3701 American Political Thought	3
POLS 4401 Govt. Organization & Administrative Theory	3
POLS 4501 Constitutional Law: Distribution of Power	3
POLS 4601 Constitutional Law: Civil Liberties	3
Select 3 hours from the following:	
POLS 3101 Comparative European Governments	3
POLS 4903 International Law	3
POLS 4905 United States Foreign Policy	3
Select 6-12 hours of Political Science Courses at the 3000-4000 level.	
Select 3-6 hours from the following law-related courses:	
COMC 3000 Media Law and Ethics	3
BUSA 4210 (prereq. 50 semester hours)	3
SOCI 4431 Criminology	3
SOCI 4432 Juvenile Delinquency	3
Minor Concentration	15-18
Electives	12-15
Recommended to include:	
CRJU 1103 Introduction to Criminal Justice	3
POLS 2000 Society, Law and the Criminal	3
Physical Education	5
Total Hours for the Degree	125

POLITICAL SCIENCE/PUBLIC ADMINISTRATION

B.A. in Political Science Public Administration Track

Prepares students for careers in government administration, private research and consulting firms, and public planning agencies. A grade of C or better is required in Political Science 1101, prerequisites for all upper division courses.

Core Curriculum Areas A-E (see p. 72)	42
---------------------------------------	----

Core Curriculum Area F - prerequisite POLS 1101 (Grade of C or better is required in all Area F courses)	18
Required Courses:	
POLS 2201 Intro to State and Local Government	3
POLS 2701 Intro to Political Methodology & Research	3
Option I	6
Select a language sequence (1002, or higher)	
or	
Option II	6
Select either CSCI 2000 Introduction to Computers and Programming or MINF 2201 Management Information Systems, in addition to choosing an elective from the approved Area F courses listed below or selecting MATH 2210 Elementary Statistics	

Elective Courses in Area F

Select 6 hours from Option I approved Area F courses, or Option II courses listed below:

Option I

POLS 2101 Intro to Political Science
POLS 2301 Intro to Comparative Politics
POLS 2401 Intro to Global Issues
POLS 2501 Election 2002*
GEOG 1111 Introduction to Geography
HIST 2111, 2112 American History I, II
PHIL 1000 Introduction to Philosophy
PSYC 1101 Principles of Psychology
SOC1 1101 Introduction to Sociology
ECON 2105 Macroeconomics
MGMT 2106 Legal & Ethical Environment of Business
SOWK 2234 Introduction to Social Welfare

or

Option II

ACCT 2101, 2102 Principles of Accounting I, II

Major Concentration (Grade of C or better is required in all these courses)	30
Select 21 hours from the following:	
POLS 3301 Judicial Process	3
POLS 3401 American Presidency	3
POLS 4101 State Government	3
POLS 4201 Urban Policy Analysis	3
POLS 4301 Principles of Public Administration	3
POLS 4401 Govt. Organization & Administrative Theory	3
POLS 4909 Political Science Methods	3
*POLS 4950 Selected Topics	3
*POLS 4960 Undergraduate Internship (*by permission only)	3
Select 9 hours from the following courses:	
MGMT 3500 Management Theory & Practice	3
MGMT 4500 Public Human Resources Management	3
ECON 4820 International Economics & Finance	3
SOC1 3340 Social Stratification	3
SOC1 3360 World Population and Development	3

Physical Education	5
Total Hours for the Degree	125

POLITICAL SCIENCE **Minor in Political Science**

Courses submitted for the minor, including prerequisites, must be completed with a grade of C or better. POLS 2701 must be completed with a grade of C or better before enrolling in upper division POLS courses. Exceptions to this policy must be approved by the department chair.

Prerequisites: POLS 1101 Intro to American Government Political Science 2701 Intro to Political methodology & Research	3
Upper Division Courses Select 5 courses in Political Science which are numbered 3000 and above	15
Total Hours for the Political Science Minor	18

INTERNATIONAL STUDIES

Minor in International Studies

All courses submitted for the minor, including prerequisites must be completed with a grade of C or better.

Prerequisites: POLS 1101 Intro to American Government
POLS 2701 Intro to Political Methodology & Research 3

Upper Division Courses:

POLS 3801 International Relations Theory 3
POLS 4902 World Politics 3

Select three of the following courses: 9

POLS 3101, 3201, 4701, 4801, 4900, 4901, 4903, 4909,
4950, 4960; HIST 3211, 3311, 3521, 3531, 4391, 4950;
ANTH 4861; BUSA 4200; COMS 3100; ECON 4820;
ENGL 4360; FREN 3210, 3221, 3222; SOCI 3360; SPAN
3211, 3212, 3220, 3520, 3610, 4530, 4550, 4560, 4710, 4720;
SABR 4000. Other foreign language courses 3000 & above.
All Study Abroad, Honors 3900, 4900, 4950, and 4960 offerings
(Must have Dept. Chair approval)

Total Hours for the International Studies Minor 18

PHILOSOPHY

Minor in Philosophy

The objective of the philosophy program is to critically focus on the deepest questions of human experience and on the philosopher's commitment to rationality in a continuous effort to understand the relationships of world, values, and oneself. The philosophy minor is also structured to prepare the student for further study in Philosophy toward a B.A. degree. A minor in philosophy complements any major program at Augusta State University and is applicable in any human endeavor where rational thought is required. (All courses submitted for the minor must carry a grade of C or better)

Prerequisite for all PHIL courses: ENGL 1101
Prerequisite for upper division philosophy courses
PHIL 1000 Introduction to Philosophy 3

Upper Division Courses 15

Select 15 hours from the following:
PHIL 3005 Philosophy of the Human Person 3
PHIL 3010 Ancient Political Philosophy 3
PHIL 3011 Modern and Contemporary
Political Philosophy 3
PHIL 3012 Pragmatic Thought 3
PHIL 3020 Existentialism 3
PHIL 3095 Major Philosophers in History 3
PHIL 4030 Ancient Greek Philosophy 3
PHIL 4032 Contemporary Continental Philosophy 3

May be repeated when subject varies:

PHIL 4900 Cullum Lecture Series (requires Chair's approval)	3
PHIL 4990 Undergraduate Research	3

Total Upper Division Hours for the Philosophy Minor 18

PARALEGAL CERTIFICATE

Non-Credit

This non-credit certificate program consists of six courses offered under the auspices of the Department of Political Science. An applicant must submit official transcripts showing the equivalent of 54 semester hours of transferable credit from a regionally accredited college or university. Applicants must be approved for regular admission to the university, and must be approved by the Chair of the Political Science Dept. before registering for courses in the Paralegal curriculum.

Required Courses

- PLCP 0081 Introduction to Law
- PLCP 0082 Civil Litigation
- PLCP 0083 Business Organizations/Corporations
- PLCP 0084 Property and Estates
- PLCP 0085 Criminal Law
- PLCP 0086 Advanced Legal Research

Successful completion of the program requires that participants receive a "C" or better grade in all classes and earn a minimum grade point average of 2.0 on a 4.0 scale. Any student not meeting these standards may continue his/her enrollment in the program, however he/she must retake those courses for which an unsatisfactory grade was received.

SOCI 1101 Introduction to Sociology	3	
SOCI 1160 Social Problems Analysis	3	
SOCI 2241 Multiculturalism in Modern Society	3	
Foreign Languages, <u>2000 level only</u>	3	
Major Concentration		30
<p>Students should be aware that the best set of courses to take as a psychology major will vary depending upon one's career expectations. Always consult with an academic advisor, and consider taking Psychological Careers, PSYC 3190, in which course selection is thoroughly examined. The minimum requirements are presented below. Most students will be able to take additional elective psychology courses, if they wish.</p>		
<p>Take the following in sequence: (Earning grade C or better in each)</p>		
PSYC 3121 Quantitative Methods	4	
PSYC 3122 Research Methods	4	
<p>Take at least two of the following: (Earning grade C or better in each)</p>		
PSYC 4115 History & Systems	3	
PSYC 4180 Biological Psychology	3	
PSYC 4165 Learning and Cognition	3	
PSYC 4125 Psychological Tests and Measurement	3	
PSYC 4173 Social Psychology	3	
Select remaining hours from any advisor-approved PSYC 3000-4000 courses. (Earning grade C or better)	16	
<p>Restrictions: No more than 3 hours of credit to be counted in the major may come from the Cullum Lecture Series (PSYC research (PSYC 4990). This policy does not apply to nonrepetitive special topics courses which carry a PSYC 4950 designation.</p>		
Minor Concentration		15-18
<p>Persons majoring in psychology are required to have a minor and should consult with their advisor on this selection, especially in cases where the student wishes the minor to support career goals.</p>		
Elective Courses		12-15
<p>Electives may be taken at any level, and could include additional psychology courses. Students may substitute a second major for the minor and elective courses. Details on taking a second major are provided elsewhere in the catalog.</p>		
Physical Education		5
Total Hours for the Degree		125

PSYCHOLOGY

Minor in Psychology

Prerequisite Course (Earning grade C or better) PSYC 1101 Introduction to General Psychology,	3
Psychology Courses (Earning grade C or better) in advisor-approved PSYC 3000-4000 courses.	15
Total Hours for the Minor	18

The best combination of courses to take in a psychology minor will vary depending upon one's career expectations. Always consult with an academic advisor, and consider taking Psychological Careers, PSYC 3190, in which course selection issues are thoroughly examined. Restrictions: Please note that 4000-level courses may not be taken unless both PSYC 3121 and PSYC 3122 have been completed with earned grades of C or better. No more than 3 hours of credit to be counted in the minor may come from the Cullum Lecture Series PSYC 4900, independent study PSYC 4950, internship PSYC 4960, and/or research PSYC 4990. This policy does not apply to nonrepetitive special topics courses which might carry a PSYC 4950 designation. Depending upon major requirements, students may be able to take additional psychology courses as electives.

College of Education

Since its founding in 1783 with the stated purpose of extending educational opportunity throughout the state to its designation as a state university in 1996, the preparation of quality professional educators has been a part of the mission of Augusta State University. As the role of the professional educator has changed, so have the educational programs offered by the College of Education. The courses and related practicum and field experiences utilized in the current teacher preparation programs focus on standards from state, regional, and national accrediting agencies, best practice, and relevant research. Utilizing these as a base, preparation programs have been developed which emphasize what beginning teachers should know and be able to do at the end of their undergraduate studies. All teacher preparation programs in the College of Education require extensive clinical and field experiences in which teacher apprentices demonstrate the ability to assess, plan, implement, and evaluate appropriate curriculum strategies with a diverse population of students. These experiences are conducted under the close supervision of a professional educator in the public schools and a college supervisor. In order to graduate and be recommended for certification, all students must demonstrate with “real children” the competencies for success as a beginning teacher in their chosen field of study.

Mission of the College of Education

The College of Education is committed to excellence in the preparation of teachers, counselors, and administrators for service with diverse populations in a wide variety of educational settings. The professional educators involved in the various preparation programs prepare students for today’s classrooms through a collaboratively developed series of courses and appropriate field experiences while demonstrating outstanding teaching techniques and procedures from relevant research and best practice.

The College of Education is committed to relevant research and other scholarly activities leading to the advancement of knowledge and good practice in the total learning and schooling process of children. Research is conducted in collaboration with students, public school practitioners, and colleagues from other colleges to determine those things that work, do not work, and/or need to be revised in order to maximize the learning opportunities for children.

The College of Education is committed to a service mission which provides leadership in the development and dissemination of relevant knowledge to address the wide range of challenges faced by students, parents, teachers, counselors, and administrators in the learning and schooling process.

Conceptual Framework Principles

All teacher preparation programs are shaped and guided by a set of principles which describe what students should know and be able to demonstrate at the end of their course work and field experiences. Adopted from the work of the Interstate New Teacher Assessment and Support Consortium (INTASC) which

was established to translate the National Board for Professional Teaching Standards' advanced certification requirements for highly accomplished teachers, into performance-based standards for beginning teachers, the following principles were adopted by the faculty in the College of Education in the spring of 1996. Students who complete a teacher preparation program at Augusta State University will:

1. Understand the central concepts, tools of inquiry, and structures of the discipline(s) and be able to create learning experiences that make these aspects of subject matter meaningful for learners.
2. Understand how students learn and develop and be able to provide developmentally appropriate learning opportunities that support their intellectual, social, and personal development.
3. Understand how students differ in their approaches to learning and be able to create instructional opportunities that are adapted to diverse learners.
4. Understand and use a variety of instructional strategies to encourage the learner's development of critical and creative thinking, problem solving, and performance skills.
5. Use an understanding of individual and group motivation and behavior to create a learning environment that encourages positive social interaction, active engagement in learning, and self-motivation.
6. Use knowledge of effective verbal, nonverbal, and information technology techniques to foster active inquiry, collaboration, and supportive interaction in the classroom.
7. Plan instruction based upon knowledge of subject matter, the learners, the community, and curriculum goals.
8. Understand and use authentic assessment to evaluate and ensure the continuous intellectual, social, and physical development of the learner.
9. Be a reflective practitioner who continually evaluates the effects of his/her choices and actions on others (students, parents, and other professionals in the learning community) and actively seeks the opportunity to grow professionally.
10. Foster relationships with school colleagues, parents, and agencies in the larger community to support the learning and well-being of all students.

Attention Education Majors

In the fall 1998, the Board of Regents approved a set of Principles and Actions for the Preparation of Educators for the Schools. These principles will result in substantial changes in the admissions, curriculum, field experiences, and exit requirements for all students in the teacher preparation process. All students entering ASU in the fall semester, 1998 will fall under part or all of these new requirements. Students should check with their advisors for specific changes in the teacher preparation process.

Degree Programs

Undergraduate and graduate degree programs are offered through the departments of Teacher Development, Clinical and Professional Studies, and Kinesiology and Health Science. Undergraduate degree programs in secondary

education for teachers of English, history, mathematics, political science, science, social studies, and preschool through twelfth grade in foreign language, and music are offered in collaboration with the Pamplin College of Arts and Sciences.

The College of Education offers the Bachelor of Science in Education degree in:

- Early Childhood Education
- Middle Grades Education
- Health and Physical Education
- Special Education
- Secondary Education (with Pamplin College of Arts and Sciences)

Faculty

Dean: (Acting) R. Weber

Department of Clinical and Professional Studies

Professor: Barnabei, F.; Harris, P. (Cree-Walker Chair of Education); Smith, L.; Weber, R.

Associate Professor: Blackwell, B.; Blanton, B.; Jackson, C.; Pollingue, A.

Assistant Professor: Cadle, L.; Geren, P.

Department of Kinesiology and Health Science

Professor: Harrison, R. (Department Chair)

Associate Professor: Gustafson, P.; O'Connor, M.; Thomas, B.

Assistant Professor: Darracott, C.; Darracott, S.; Fite, S.; Hardy, L.,

Temporary Instructor: Connolly, G.

Department of Teacher Development

Professor: Cooper, M.G. (Department Chair)

Associate Professor: Eisenman, G.; Feaster, S.; Hoosian, M.; Jenks, C.; Thornton, H.

Assistant Professor: Carpenter, B.; Pendergraft, E.; Thompson, B.; Warner, M.

Accreditations

The preparation programs offered by the College of Education at Augusta State University are accredited by the Professional Standards Commission (PSC) of the state of Georgia and the National Council for Accreditation of Teacher Education (NCATE). This accreditation includes the basic and advanced levels of the professional education programs offered at ASU through the College of Education and the collaborative programs with the Pamplin College of Arts and Sciences.

Admission to Teacher Education

Students may become "an education major" at the time of application to the university or at any point thereafter by selecting one of the teacher preparation programs offered in the college. **Admission to teacher education, however, is a separate function and requires that the student meet all college, department, and program criteria.** The following minimum admission criteria

apply to all students seeking admission to Teacher Education. In some fields of study, additional requirements may apply. Students should check with the appropriate department to determine these special requirements.

1. Students must earn a minimum Regents' GPA of 2.5 (4.0 scale) on all attempted hours in the system core curriculum in areas A-F, as required for teacher preparation. Transfer students must have an overall GPA of 2.5, which includes any undergraduate transfer work and the Regents' GPA for ASU undergraduate work.
2. A grade of "C" or better in ENGL 1101 and ENGL 1102.
3. A grade of "C" or better in MATH 1111 or MATH 1101.
4. A grade of "C" or better in all courses used in Area F of the Core.
5. For students in the early childhood, middle grades, secondary, and P-12 programs, a grade of "C" or better is required on all Core courses utilized in the certification program. For secondary and P-12 students, a cumulative grade point of at least 2.5 (4.0 scale) is required on all upper division courses taken as part of the major in which the student is seeking certification.
6. Successful performance on all portions of the Regents Examination.
7. Successful performance on the Praxis I at the following scores: **CBT**: Mathematics 321; Reading 322; and Writing 321. **PPST**: Mathematics 176; Reading 176; and Writing 174.
8. A record free of criminal, disciplinary, and psychological problems.
9. Verification of physical health appropriate to the requirements of a classroom teacher.

Admission to Teacher Education is a prerequisite for all upper division level professional education courses. Students must be admitted to Teacher Education in order to enroll in these courses. The Grade Point Average for admission to Teacher Education is calculated using all course work in the education preparation program attempted by the student.

Advisement

Due to the many, and sometimes changing, requirements for certification, advisement of students is a very important process in the College of Education. Because of this, students enrolled in a teacher preparation program may not utilize the self-advisement process. All students in teacher preparation programs are required to meet with and obtain approval from their advisor in order to register for courses.

Advisement Prior to Admission to Teacher Education

Students who have not been admitted to Teacher Education are advised by a faculty member in their specialized area. The Coordinator of Undergraduate Advisement is located in Butler Hall, Suite E. This individual is available to assist students with a wide range of scheduling and planning issues.

Clinical and Professional Field Experiences

The teacher preparation programs at Augusta State University place a strong emphasis on "hands-on" experiences with professional educators in actual classroom settings. Students should expect a field experience as a part of most courses in the preparation process. In some cases, entire courses will be taught in a public school setting. Clinical and field experiences are monitored for each

student to insure that they have had the opportunity to work with diverse populations in a wide variety of educational level and settings.

Due to the sensitive nature of working with children in the public schools, the Department of Public Safety at Augusta State University will conduct a background review of all students at two specific points in the preparation program. The first check will be made as part of enrollment in EDUC 2101 - Historical and Philosophical Foundations of Education (for secondary and P-12 education majors as part of the admission to Teacher Education process). Only students who present a record free of criminal and/or disciplinary activity will be allowed to enter a public school classroom. The second check will be made as a prerequisite to entering the apprenticeship experience. Students who are admitted to the apprenticeship experience must have a record free of criminal and/or disciplinary activity.

Apprenticeship Experience

The apprenticeship experience is the culminating activity in all of the teacher preparation programs. Successful completion of this experience is required of all undergraduate students seeking a degree and certification in a teacher preparation field of study. In this experience, a student spends an entire semester working with a master teacher in a school classroom. At the end of this semester's experience, students are expected to demonstrate all of the prerequisite skills required of an entry level teacher. Criteria for admission to the Apprenticeship Semester are:

1. Completion of all course work in the major area of study.
2. A cumulative grade point average of at least 2.5 on all course work.
3. A cumulative grade point average of at least 3.0 on all upper division course work in the major (ECED, MGED, SPED). For secondary and P-12 education majors, a cumulative grade point average of at least 2.5 is required on all content courses utilized as part of the major and a cumulative grade point of at least 3.0 is required on all professional education courses.
4. Successful completion of the Comprehensive Portfolio.
5. A record free of criminal, disciplinary, and psychological problems.
6. Verification of physical health appropriate to the requirements of a classroom teacher.
7. The written recommendation of the student's academic advisor.

Due to the intensive nature of the experience, students may not enroll in any additional course work during the Apprenticeship Semester.

Recommendation for Certification

Professional teacher certification is granted by the Professional Standards Commission upon the recommendation of the College of Education. In order to be eligible for a recommendation for certification in the field of study, a student must:

1. Complete all of the required course work in field of study.
2. Successful completion the Apprenticeship Experience.
3. Earn a passing score on the PRAXIS II examination in the appropriate certification field.

4. Complete the application process for certification.

Alternative Certification Programs

Individuals who hold an undergraduate or graduate degree from a regionally accredited institution and wish to become certified in one of the teacher preparation fields offered in the College of Education should contact the Director of Clinical and Field Experiences for an evaluation of their academic work. Following this evaluation, the individual will be notified of the courses and experiences required in order to become eligible for a recommendation of certification. These courses and experience will vary widely based on the individual's previous academic work. Graduate professional education courses in the early childhood, middle grades, and secondary programs may not be utilized for initial certification. To be recommended for certification, the student must:

1. Earn a grade of "C" or better on all courses required to meet certification requirements.
2. Earn a passing score on the PRAXIS I examination at the following scores: **CBE:** Mathematics 321; Reading 322; and Writing 321. **Pre-professional:** Mathematics 176; Reading 176; and Writing 174.
3. Earn cumulative grade point average of at least 2.75 on all previous course work required to meet certification requirements.
4. Have a record free of criminal, disciplinary, and psychological problems.
5. Have verification of physical health appropriate to the requirements of a classroom teacher.
6. Earn a passing score on the PRAXIS II examination in the appropriate certification field.
7. Complete the application process for certification.

As part of the content evaluation process, students in English from a regionally accredited college or university must take the Praxis II exam in English. If they do not pass Praxis II, they will submit their sub-test score report forms, in addition to transcripts from all accredited colleges and universities attended, to the English evaluator, who will determine the English courses needed to complete content requirements. Students who pass Praxis II are subject to the same transcript evaluation and may be required to take further English courses. The Director of Clinical and Field Experiences in the School of Education will be notified of these additional required courses. Passing of Praxis II is not required for the student's admission to teacher education.

Integrating Honors Students into Teacher Development

Early Childhood Education

The Honors student will determine, in conjunction with his or her education advisor, where the 3900 courses will fit into the student's program of study. The ECED Honors students will take one Honors 3900 course to substitute for ECED 4332 (Science II) or ECED 4342 (Social Studies II). The other upper division Honors course will be a departmental course with an honors component and will be the remaining course from above (ECED 4332 or ECED 4342).

Honors 3999, and 4000 (2 hours) will be substituted for the Apprenticeship seminar in ECED 4491. The Honors capstone course will be substituted for 1

hour of the student's apprenticeship. The Honors thesis will be done in conjunction with field experiences.

Middle Grades Education

The Honors student will determine, in conjunction with his or her education advisor, where the two Honors 3900 courses will be substituted. The 3900 courses will be substituted in the student's content concentration.

Honors 3999, and 4000 (2 hours) will be substituted for the Apprenticeship seminar

in MGED 4210. The Honors capstone course will be substituted for one hour of the student's apprenticeship. The Honors thesis will be done in conjunction with field experiences.

Pre-Physical Therapy

The Department of Kinesiology and Health Science offers an individually designed program for those students wishing to gain admission to physical therapy programs at the masters level. Course work will be individually designed within the existing Exercise and Sport Science track. For more information, contact Dr. Paul Gustafson, 731-7923.

College of Business Administration

The College of Business Administration offers both Bachelor of Business Administration degrees and the Master of Business Administration degree. Fully accredited by AACSB, the College of Business Administration schedules courses to allow students to earn their degrees by attending classes during either day or evening hours. Most students earning business degrees are working in the local community, and many of them are working full-time. The College of Business Administration maintains high quality programs while meeting the educational needs of its current and potential student body.

Our mission is to prepare students for career success by providing quality baccalaureate and master's level education in business disciplines.

Our teaching helps students develop professional competence, enhance the quality of their lives, and appreciate the need for continuous learning and renewal.

Our programs are managed to accommodate students who live and work in the greater Augusta metropolitan area.

We engage in scholarship that strengthens classroom instruction and assists the community and the business professions. We provide service to the University in faculty governance, to the community through professional, civic, and charitable activities, and to the business professions through involvement in professional organizations and programs.

The College of Business Administration is advised and supported by an advisory board chaired by Mr. H. M. Osteen, Jr., Retired Chairman of the Board, Banker's First. This group of local business leaders meets quarterly and serves as a bridge between the College and the community. Members in 2000-2001 were:

Mr. Thomas M. Blanchard, Blanchard & Calhoun
Mr. Dan Blanton, President and CEO, Georgia Bank & Trust
Mr. Marshall Brown, Paine Webber
Mr. David Burton, Business Advisor
Mr. Roy F. Chalker, Jr., Chalker Publishing Company
Mr. John T. Cosnahan, Administrative Partner, Baird and Company
Mrs. Dee Crawford, President & CEO, D & G Management
Mr. Larry DeMeyers, Business Advisor
Mr. Edwin L. Douglass, Jr., President, E.L.D., Inc.
Ms. Linda Hardin, Manager, Augusta Mall
Mr. Gary Jones, Massachusetts Mutual Life Insurance Co.
Mr. Brian Marks, President, Augusta Sportswear
Ms. Rosie Messer, President, Brandon Wilde
Mr. Sam Nicholson, Attorney
Mr. H. M. Osteen, Jr., Retired Chairman of the Board, Banker's First
Judge Carlisle Overstreet
Mr. Joe Pollock, President, Pollock Office Machine Company
Mr. Abram J. Serotta, Managing Partner, Serotta, Maddocks, and Evans, CPA's
Mr. Paul Simon, Riverfront Building
Mr. Preston Sizemore, Sizemore Security International
Mr. Tommy Stone, Georgia Power Company

Mr. Pat Tante, Community Relations Director, Pharmacia
Mr. William Thompson, President, SunTrust Bank
Mr. Ray Walters, Koger-Walters Oil Co.
Mr. James West, Metro Chamber of Commerce

Members of the faculty of the College of Business Administration are as follows:

Dean: Widener, J.K.
Associate Dean: Bramblett, R.M.
Graduate Studies: Bramblett, R.M., Director
Assistant Dean: Lisko, M.K.
Professor: Brannen, D.E.; Brauer, J.; Coleman, B.C.; Ibrahim, N.A.; Jackson, P.Z.;
Leightner, J.E.; Mobley, M.F.; Ziobrowski, B.J.
Associate Professor: Bramblett, R.M.; Grayson, J.M.; Greene, .D.; Howard, D.P.; Miller,
J.R.; Schultz, T.A.; Styron, W.J.; Miller, M.D.
Assistant Professor: Basciano, P.M.; Lisko, M.K.; Fitch, J.L.; Instructor: Kirk, R.

Prerequisites and Course Sequencing

In order to provide a meaningful educational experience for our students, we require that students successfully complete the majority of their general education requirements prior to enrolling in any upper division business courses. The core curriculum provides general knowledge and skills in language, communication, quantitative techniques and analysis, and scientific techniques, as well as historical, social, political, and economic foundations upon which modern business is based. This background allows the student to study the specific business disciplines and to place them in appropriate context.

In some cases specific courses are listed as prerequisites. If a course is listed specifically as a prerequisite, it must be successfully completed prior to enrolling in the course for which it is a prerequisite. The two courses may not be taken concurrently. A course rotational plan is available in the Undergraduate Advising Office so that business majors may best plan their courses in order to make the most efficient use of their time in the classroom.

It is important that the students' major courses be taken during both the junior and senior years. Although all major courses are offered regularly, they may not be offered each semester during both day and evening hours. For this reason, it is important to learn which courses are required and to note their scheduling patterns. Failure to take a course when it is offered, withdrawing from, or failing a course will most likely lead to delays in the graduation process.

BACHELOR OF BUSINESS ADMINISTRATION

A student pursuing a business administration curriculum may choose an area of major concentration from one of the following: Accounting, Finance, Management, or Marketing. All courses listed below carry 3 semester hours of credit, except as noted.

No more than three of the Junior/Senior Common Courses and no more than two of the Major Emphasis courses may be transferred from another institution into the BBA Program.

Core Requirements

Since the core curriculum (Areas A,B,C,D,E, and F) is preparatory, the student must take these courses during the freshman and sophomore years.

Area A	9
ENGL 1101 and ENG 1102	
MATH 1101 or MATH 1111 (MATH 1111 recommended)	
Area B	4
Humanities (2 hours extra from Area C)	
COMS 1010	
Area C	6
HUMN 2001 and 2002	
Area D	10 or
	11
Two lab sciences (does not have to be sequence)	
(extra hour to electives)	
One additional math or science (MATH 1220 Applied	
Calculus must be taken as an elective if not taken in Area D.)	
Area E	12
POLS 1101	
HIST 2111 or HIST 2112	
PSYC 1101 or SOCI 1101 or ECON 1810 or ANTH 2011	
One additional social science

AUGUSTA STATE UNIVERSITY
GRADUATE PROGRAMS

Katherine Reese Pamplin College of Arts and Sciences

POLITICAL SCIENCE

Master of Public Administration Degree

The Master of Public Administration degree is designed to help prepare an individual for career service in national, state or local government; in regional planning agencies, and in non-profit or voluntary organizations. It is a two-year program of study which encourages post-baccalaureate students to utilize their liberal arts education as a foundation upon which to build organizational and managerial skills which are highly valued in the public sector.

Admissions Procedures and Requirements: The Department of Political Science will provide written materials and answer inquiries about the Master of Public Administration program, but application must be made through the Augusta State University Office of Admissions. Information can also be obtained from the program's web site: www.aug.edu/mpa. The application process begins when a candidate submits the application for admission. Thereafter, the applicant assembles materials for a portfolio which is opened for him or her in the Admissions Office. The applicant is responsible for having the following materials placed in the portfolio:

1. Official transcripts from all colleges and universities attended by the applicant. The applicant must have completed requirements for the bachelor's degree in a regionally accredited college or university. Admission to the program targets a minimum grade average equivalent to 2.5 on a 4.0 scale.
2. Official scores on the Graduate Record Examination. A minimum score of 400 on each subtest (verbal, quantitative, and analytical) is targeted, with at least two of the three subtests having scores of at least 450. The GRE scores must be recent (applicant having taken the Graduate Record Examination within the last five years).
3. Two letters of recommendation. The letters of recommendation should come from persons familiar with the applicant's academic and/or employment experience.
4. A current resume.
5. Medical History Form (available from Admissions Office)

When the portfolio is completed, the applicant's record will be sent to the Director of the MPA Program in the Department of Political Science for review.

Conditions for Provisional Admission: Those applications who have at least a

3.0 undergraduate grade average and are awaiting their scores on the Graduate Record Examination may enter into a contract with the MPA program which states that they are provisionally accepted for **one semester** while the portfolio is completed. Provisionally accepted students may take **one** course. If the student's completed application is subsequently accepted after the GRE scores are known and course is successfully completed, the course will count toward his or her degree requirements.

Admissions Appeals: Students who are not accepted for admission to the Master of Public Administration program and who believe that there are extenuating circumstances which affect their eligibility may request in writing an appeal of the decision of the MPA program director. The director will forward the appeal to the members of the MPA Admissions Appeals Committee, which is a subcommittee of the MPA Core Faculty. The Appeals Subcommittee reviews a summary of the applicant's credentials and any other applicant portfolio material it may request. The subcommittee makes its decision and conveys it in writing to the MPA Program Director, who then contacts the applicant by letter to inform him or her of the decision.

The Appeals Subcommittee has the options of denying the request for reconsideration or admitting the student on a probationary basis with a set of specified conditions to be met before the student is considered to be regularly accepted. These conditions are determined on a case-by-case basis. Conditions may include, but are not limited to, provisions that the student achieve, at a minimum, a "B" on each of the first three core courses taken in the MPA Program, or that the student take an undergraduate course in quantitative methods as a pre-requisite in order to remedy a deficiency in his or her performance on the quantitative subtest of the Graduate Record Examination. In any case, the conditions must be met within the first two semesters of course work within the MPA program in order for the student's academic status to change from probationary or regular.

Academic and Professional Standards: An average of B is required for all courses attempted in the program. There is a time limit for completion of the degree. Only the course work earned within the six calendar years before the final completion of degree requirements will apply toward graduation.

The program of study is 36 semester credit hours. Of the 36 hours, 24 hours (eight courses) constitute the core requirements. The remaining hours are selected from among the elective offerings, culminating in a capstone course of 3 semester hours.

Prerequisites : An applicant's academic transcript must list a course in American Government. If it does not, the student must either complete the POLS 1101 course (American Government) offered by Augusta State University, complete a comparable course at another institution, or take the CLEP test in American Government and achieve a score of at least 46.

An incoming MPA student must demonstrate computer literacy to the extent that he or she is capable of word-processing and using spreadsheet software and as

called for in the budgeting and research methods courses. A statement attesting to one's competency in basic computing skills is signed by the student at the beginning of the research methods course. A skills assessment test may be administered by the course instructor to those who are without formal training in word processing and spreadsheet management.

Transfer Credit: No more than nine semester credit hours shall be transferred from another institution for the purpose of earning credits for the Master of Public Administration degree. The institution from which the credits are transferred must be an accredited one, and each transfer course is subject to review in order to determine its equivalency in the Augusta State University MPA Program.

Internship: An internship experience is required by the MPA program for those students who lack a significant professional work background. For those who are working in a public or non-profit agency at the time of their enrollment in the MPA program, a separate internship program is not required. The student will utilize his or her professional work experience as the basis for completing the thesis/capstone paper. Students who have never worked in a public agency or non-profit organization will be matched with an appropriate organization for a six-month internship. This internship is the basis for the student's thesis/capstone paper.

Thesis/Capstone Paper: The purpose of the thesis/capstone paper is to have the student demonstrate his or her ability to apply the knowledge acquired in the two years of study to an actual work setting and to utilize skills of observation and analysis as demonstrated in a formal paper.

Comprehensive Examination:

The comprehensive examination is designed to measure the candidate's knowledge of and competency in the field of public administration. This oral examination is scheduled after the student has taken all core curriculum courses and has completed at least nine of the twelve courses required for graduation.

PSYCHOLOGY

Master of Science Degree in Psychology

The graduate program in psychology at Augusta State University provides intensive master's degree level education and training, with most students selecting an applied track which emphasizes clinical and counseling psychology. The program can also provide preparation for further graduate education or, for a limited number of students, the opportunity to pursue specific interests in experimental psychology.

Unlike some other graduate programs at the university, the M.S. program in psychology is designed as a full-time, day-time and year-round program. Most students complete their degree requirements in two years or less, earning credits in advanced foundation courses (e.g., learning, social, personality, statistics), applied course work (e.g., psychometry, counseling/therapy, psychopathology) and supervised internship experience in treatment facilities or research laboratories. The department operates a psychometric and clinical training facility, and an animal and human research laboratory. Internship opportunities are available at many local agencies including a Veterans Administration Medical Center, a regional state psychiatric hospital, the Medical College of Georgia, a regional state school and hospital for the developmentally disabled, a regional state training center for juvenile offenders, and the Dwight David Eisenhower Army Medical Center at Fort Gordon.

Augusta State University is accredited by the Southern Association of Colleges and Schools. Presently, there is no official accreditation authority for master's programs in psychology. However, the Department and its faculty members maintain active relationships with the discipline's various governing and professional bodies, such as the American Psychological Association (APA), American Psychological Society (APS), Council of Graduate Departments of Psychology (COGDOP), Council of Applied Master's Programs in Psychology (CAMPP), and North American Association of Master's in Psychology (NAMPP).

Admission Procedures and Requirements

Persons interested in taking graduate courses in psychology should be processed by the Department of Psychology, not the Augusta State University Office of Admissions. The formal deadline for submitting applications to the M.S. program is set by the institution. However, the limited number of positions for each Fall entering class often results in the program filling sooner than that deadline. It is therefore recommended that applications for admission be made at least five months prior to the anticipated admission date. Admission to the program in semesters other than Fall is possible if openings exist, but is rarely permitted given the sequencing of some courses. A final decision regarding acceptance into the graduate program can be made only upon receipt of official GRE scores, official transcripts, letters of reference, and a personal statement of educational and professional goals. Under exceptional circumstances students may be granted permission to enroll in certain courses in a post-baccalaureate status while the application is being processed.

Inquiries are encouraged especially from members of minority groups and older

persons, from human service personnel employed by local community agencies, and from persons possessing otherwise adequate credentials but who may have a deficit in a single credential such as quantitative GRE scores or freshman grade point average, or who may lack specific undergraduate preparation in psychology. In such cases, the department may use appropriate other information in the admission decision, and may require satisfactory remediation of any academic deficits prior to full acceptance.

The minimum admission requirements are:

1. Completed requirements for the bachelor's degree in a regionally accredited college/university.
2. A grade point average equivalent to 2.5 on a 4.0 scale.
3. A score of 400 on each of the verbal, quantitative and analytical portions of the Graduate Record Examination taken within the past 5 years, with at least two scores being 450, or higher.
4. Satisfactory letters of recommendation and transcripts.
5. A 150-200 word statement regarding personal and professional goals with respect to graduate study at Augusta State University.
6. For students whose native language is other than English, the examination scores of the Test of English as a Foreign Language (TOEFL). An oral expression and comprehension evaluation may also be required.
7. For foreign students, a financial aid form provided by the Office of Admissions.

Successful applicants for regular graduate status will, at a minimum, have satisfactorily completed undergraduate courses in general psychology, abnormal psychology, quantitative methods for the social or behavioral sciences, and experimental psychology. Courses in learning, physiological psychology, and tests and measurement are strongly recommended and may serve as prerequisites for certain graduate courses.

After all required application information has been received, the Psychology Graduate Admissions Committee will make an admission decision, subject to approval by the Department Chair; and the Director of Graduate Studies in Psychology will inform the applicant of this decision.

Applicants who have acceptable credentials but who are deficient in one area such as Verbal GRE Scores or grade point average may be offered provisional admission. Provisional graduate students

must petition for regular graduate status after satisfactory completion of at least 6 and not more than 9 hours of admissible graduate work.

Financial Aid and Graduate Assistantships

Students are expected to arrange their own means of paying tuition and other fees. Persons requiring financial assistance should first contact the Office of Financial Aid to inquire about funding alternatives, including the Work Study Program and low-interest loans. The department offers a limited number of graduate assistantships which reduce tuition and provide a monthly income in return for services to the university. These are assigned on a competitive basis each semester from among those students applying or recommended by the faculty. The award of an assistantship one semester is not a guarantee of future awards, and the university and department reserve the right to modify the number and conditions of awards as necessary. Graduate assistants are required to carry an academic load of at least 9 semester hours with no more than 3 hours of internship.

Degree Requirements

The Master of Science in Psychology requires the satisfactory completion of a minimum of 45 semester hours of graduate work, including Professional and Ethical Foundations (PSYC 6190), Research Methods I and II (PSYC 6121 and 6122), and six semester hours of either Internship (PSYC 6960, 6970 and/or 6980) or Thesis and Research (PSYC 6990). Beyond this, an individualized plan of study, as approved by the student's Academic Advisor, is used to establish specific course requirements and to determine whether the student will be in the thesis or internship track. For either track, at least 36 of the 45 total hours required must be earned in the major field; and no more than 6 of the 45 total hours may be earned in PSYC 6960, 6970, 6980, and/or 6990. The M.S. program is scheduled on a year-round basis and all students are expected to attend the summer term as full-time students.

Transfer of credit from another institution is contingent upon a positive recommendation by the student's Academic Advisor and approval by the Department Chair, and may not exceed nine semester hours. The plan of study may also not include more than nine semester hours taken in academic units other than the

Department of Psychology. Only that course work completed within the six calendar years prior to completion of degree requirements will apply toward graduation.

Admission to candidacy for the Master of Science degree may occur no earlier than the completion 15 semester hours of graduate work. To be admitted to candidacy, the student must additionally be classified as a regular graduate student, earn (and maintain) the endorsement of three graduate faculty sponsors, successfully complete Professional and Ethical Foundations (PSYC 6190) (including the general psychology component), successfully complete the Research Methods sequence (PSYC 6121 and 6122), and achieve a GPA of at least 3.00 in all graduate course work.

Comprehensive written and oral examinations are an integral part of the program of study, and are designed to measure the student's knowledge of and competency in the field of psychology, to include conceptual, language, interpersonal and professional competencies commensurate with an advanced degree. The admissibility of candidates to the comprehensive examination will be based on the following criteria: possession of a currently viable admission to candidacy; a GPA of 3.0; successful completion of 33 semester hours of the plan of study; and official enrollment at Augusta State University in the semester during which the candidate will be examined.

Students are expected to maintain a GPA of at least 3.00 across all courses attempted in the M.S. degree program. Dismissal is probable for the student whose GPA shows a deficit of greater than six quality points at any time in the program. Work with a grade of "U" may be repeated once if the student's Academic Advisory Committee so recommends. Dismissal may also occur when students in post baccalaureate or provisional status have deficient academic records or when students fail to be admitted to candidacy in a timely manner.

Please Note: The Policy Manual for the M.S. Program in Psychology may be obtained from the department, and should be consulted for a more thorough and sometimes more current description of the program and its regulations.

Typical Plan of Study

Course sequences vary somewhat among students depending on a number of factors. The following plan of study may be considered representative, but by no means universal, of a clinically focused student completing the program with 45 semester hours in five consecutive semesters. Many students develop plans of study with more than the minimum number of hours.

Year I

Fall		9
PSYC 6190 Professional and Ethical Foundations	3	
PSYC 6143 Behavior Pathology	3	
PSYC 6126 Psychological Assessment I	3	
Spring		10

PSYC 6960, 6970, 6980 Internship	3	
Total Hours		45

College of Education

ADMISSION REQUIREMENTS

GRADUATE PROGRAMS

The College of Education, in collaboration with the Pamplin College of Arts and Sciences, offers graduate programs leading to the Master of Education and Education Specialist degrees.

Graduate degrees in the College of Education are designed to build on previous course work and clinical and field experiences developed and delivered within the context of the conceptual framework principles. Utilizing experience gained through the undergraduate preparation process and the required two years of full-time teaching experience, these degrees have very specialized objectives and expectations. For example, the Master's degree, utilizing previous educational preparation, prepares individuals to become "master teachers," counselors or administrators in the chosen field of preparation. They are designed to extend and enrich the knowledge base, understandings, and pedagogical repertoire of the student by providing the opportunity for the utilization of critical thinking and analytical abilities to produce individuals with the ability to question and create new curricular programs, relate classroom practice(s) to research in order to contribute to the professional knowledge base, extend best practice, offer collaborative assistance to colleagues, and generally become the "Best of the Best" in the school settings.

The specialist degree provides the experiences necessary for these master teachers to develop the knowledge, skills, and dispositions necessary to transcend instructional expertise and become "school leaders" and change agents from the platform of the public school classroom. Because of these specialized objectives, each degree program has very special admission requirements, which must be met by the student.

Degrees and Programs of Study

The College of Education offers the Master of Education (M.Ed.) and Education Specialist (Ed.S.) degrees in the following areas:

- Early Childhood Education
- Middle Grades Education
- Special Education (M.Ed. only)
- Health and Physical Education
- Secondary Education
 - English Education
 - Mathematics Education
 - Social Studies Education
 - History Education
- Counselor Education (M.Ed. only)
- Educational Leadership

Cooperative Programs with Georgia Southern University

Through a cooperative program with Georgia Southern University (GSU), the Education Specialist Degree in Counselor Education and the Doctor of Education Degree in Education Leadership are available on the ASU campus. While these are cooperative programs, the degrees are from GSU. Students must, therefore, meet the admission requirements of GSU. Interested students should contact either: Office of the Dean, College of Education, Augusta State University (706-737-1499) or the College of Graduate Studies at Georgia Southern University (912-681-5384; e-mail: gradschool@gsvms2.cc.gasou.edu).

Application Process

Application and supporting materials must be filed with the Coordinator of Graduate Studies in the Office of the Dean of the College of Education well in advance of the intended semester of entry. Items to be submitted are:

- An application for admission to graduate study
- A non-refundable fee of \$20 check or money order (not required for students previously enrolled at ASU)
- official transcripts of all previous college work
- Official test scores (from ETS) for either the GRE or the MAT (test must have been taken within the past five years)
- A copy of the teaching certificate and/or license
- Verification of at least two years of full-time teaching experience

Students who are admitted to one of the graduate degree programs, but do not attend for a period of two consecutive semesters, must reapply for admission. Upon readmission, the student will be subject to all admission requirements in effect at that time.

Admission to Graduate Degrees

It is the responsibility of each applicant to follow the application procedures completely and correctly and to be certain that all materials have been submitted to the Coordinator of Graduate Studies in the Office of the Dean of the College of Education. Incomplete applications cannot be processed. Admission is for entry into a specific program of study. A student who is admitted for one major may enter a different major only if, and after, formal approval of an application for a different major in which the applicant meets all College of Education, departmental, and program requirements and prerequisites. Students wishing to change the major should file an application with the Coordinator of Graduate Studies in the Office of the Dean for the College of Education.

Admission Requirements to Master Degree Programs

The following minimum admission criteria apply to all masters of education programs in the College of Education. In some fields of study, additional requirements may apply. Students should check with the appropriate department to determine these special requirements.

1. An undergraduate degree from an accredited college or university in the

- proposed field of study or a closely related field.
2. A valid teaching certificate or license.
 3. A minimum of two years of full-time teaching experience. In secondary English, Mathematics, Social Sciences, and History the student must hold a valid teaching certificate in the proposed field of study.
 4. A grade point average of at least 2.75 (4.0 scale) on all previous course work. In the early childhood, middle school, and secondary education programs, a grade point average of at least 3.0 (4.0 scale) on all previous course work is required.
 5. A minimum score of 425 on the Verbal and 465 on the Quantitative or 495 on the Analytical sub-tests of the Graduate Record Examination or a score of at least 44 on the Millers Analogies Test.

Provisional Admission

Students who do not meet one or more of the requirements for regular admission to the masters of education degree may be admitted on a provisional basis while these deficiencies are being addressed. Provisional admission allows the student to enroll in only nine semester hours of graduate work. The student must earn a grade of "B" or better in each of these courses and meet the other requirements for full admission. Students who fail to earn a "B" or better in the initial nine hours of course work or are unable to meet the other deficiencies will not be allowed to continue in the graduate program. Students who are admitted provisionally and fail to meet the appropriate requirements will be dropped from the graduate program and must meet all requirements for regular admission in order to be readmitted. In order to be admitted provisionally, the student must:

1. Hold a valid teaching certificate (for secondary English, Mathematics, Social Sciences, and History the teaching certificate must be in the proposed field of study).
2. Have been given a first and/or second year teaching contract and begin teaching within three months of this award.
3. Possess a grade point average of at least 2.5 (4.0 scale) on all previous course work.
4. Have earned a minimum score of 400 on the Verbal and 435 on the Quantitative or 465 on the Analytical sub-tests of the Graduate Record Examination or a score of at least 35 on the Millers/Analogies Test.

Admission to Masters Degree Programs Not Requiring Teacher Certification

The M.Ed. Degree is offered in three areas which do not require current teacher certification for admission.

These areas are:

Counselor Education (Community Counseling Only. Persons seeking an M.Ed. in school counseling must have T-4 certification.)

Education Leadership (Teacher Certification required for L-5 Certification.)

Health and Physical Education

Concentration in: Exercise and Sport Science

Health Science

In order to be admitted to one of these areas, the student must meet **all** of the

criteria for regular or provisional admission with the exception of: a valid teaching certificate or license and a minimum of two years of full-time teaching experience. As additional requirements may apply, the student should check with the appropriate department.

Retention and Exit from M. Ed. Programs

Admission to Candidacy

The student should seek admission to candidacy following the completion of the initial twenty-one semester hours of successful graduate work. Developed with the advisor, the admission form includes a complete plan of study and the anticipated semester for the comprehensive examination. The student must be admitted to candidacy prior to attempting the comprehensive examination. The Admission to Candidacy forms, with accompanying data, must be filed with the Coordinator of Graduate Studies in the Office of the Dean of the College of Education.

Probation and Suspension

In order to remain in “good standing,” the student must maintain a grade point average of at least 3.0 throughout the graduate program. Students who fail to maintain this required average will be placed on “academic probation.” In order to remain in the graduate program, the student must remediate the grade point average problem during the next semester of enrollment. Students who are unable to remediate the grade point average after one semester will be placed on “academic suspension” for a period of one semester. At the end of this semester of suspension, the student must meet with the advisor, prepare a formal plan to address the academic problems, and petition the Exceptions Committee for reinstatement. On the second suspension the student will be dropped from the graduate program.

Comprehensive Examination

In order to exit from the M. Ed. program, the student must successfully complete a written comprehensive examination. The comprehensive examination is a two-part written exercise designed to provide the graduate candidate an opportunity to demonstrate a requisite level of knowledge, skill, and disposition on information from the CORE courses and from the specific major. The examination is offered once each semester. The date for the examination is posted in the College of Education. In order to attempt the comprehensive examination, the student must: be admitted to candidacy, have completed at least 30 semester hours of appropriate course work toward the degree, and have the approval of their advisor.

Students who are unsuccessful on one or both sections of the comprehensive examination must retake the failed section during the following semester. Students who are unsuccessful in their second attempt on a section(s) may be required to take additional course work and/or other activities prior to a third attempt of the examination. Students who are unsuccessful on the third attempt will not be allowed to continue in the graduate program.

Transfer Hours

A student may, with the consent of the advisor and department chair, transfer a

maximum of nine semester hours of related graduate work. The student should discuss the hours with the advisor and file a formal request with the department chair for the inclusion of the transfer hours.

Admission Requirements to Education Specialist Programs

The following minimum admission criteria apply to all education specialist programs in the College of Education.

1. A Master's degree from an accredited college or university in the proposed field of study or a closely related field
2. A valid teaching certificate or license
3. A minimum of three years of full-time successful teaching experience
4. A grade point average of at least 3.25 (4.0 scale) on all previous graduate course work
5. A minimum score of 450 on the Verbal and 490 on the Quantitative or 520 on the Analytical sub-tests of the Graduate Record Examination or a score of at least 50 on the Millers Analogies Test

There is no provisional admission to education specialist programs. Students may not transfer hours earned at another institution into education specialist programs.

Retention and Exit from ED.S. Programs

Probation and Suspension

In order to remaining in "good standing," a student must maintain a grade point average of at least 3.5 throughout the graduate program. Students who fail to maintain this required average will be placed on "academic probation." In order to remain in the graduate program, the student must remediate the grade point problem during the next semester of enrollment. Students who are unable to remediate the grade point average after one semester will be placed on "academic suspension" for a period of one semester. At the end of this semester of suspension, the student must meet with the advisor, prepare a forma plan to address the academic problems, and petition the Exceptions Committee for reinstatement. On the second suspension the student will be dropped from the graduate program.

The Thesis

In order to be recommended for graduation from an Ed.S. program, the student must complete a thesis. The thesis is a scholarly activity designed to afford the student the opportunity to engage in research focusing on analysis, synthesis, and evaluation of issues in their chosen field of study. It is the culminating activity in the student's Ed.S. program and should demonstrate high levels of scholarly and intellectual research. The thesis is an original contribution to knowledge in the chosen field of study demonstrating disciplined inquiry. Conducting, writing, and defending the thesis are done in accordance with the highest professional standards. Approval and acceptance of the thesis requires a favorable vote of a majority of the student's Thesis Committee. All theses must comply with the format, style, and procedural instructions established by the College of Education.

Time Limits for Degree Completion

All requirements for the M.Ed. and Ed.S. degree must be completed within seven years of the first semester of enrollment.

Graduate Appeals

A student who is denied admission to, retention in, and/or exit from a graduate program has the right to appeal. Appeals are reviewed by the Exceptions Committee of the Teacher Education Council prior to being presented to the full council for review and recommendation to the Dean of the College of Education. Appeal information is available from the Coordinator of Graduate Studies in the Office of the Dean of the College of Education.

Financial Aid

Information concerning scholarships, grants, loans, etc. is available in the Office of Financial Aid. In the College of Education, a limited number of graduate assistantships are available. The assistantship requires full-time enrollment (a maximum of nine semester hours), regular admission status, and approximately ten hours per week of assigned work. The graduate assistant receives a small stipend for the ten hours of assigned work and is required to pay only \$25 in tuition cost (students are required to pay all applicable Activity Fees). Students interested in an assistantship in the College of Education should contact the Coordinator of Graduate Studies in the Office of the Dean of the College of Education.

MASTERS OF EDUCATION PROGRAMS

COUNSELOR EDUCATION

Master of Education with a Major in Counselor Education

For school counselor, a T-4 certificate is required.
For community counselor, full-time work experience is required.

GIFTED EDUCATION

Certification as teacher of gifted children requires 12 semester hours of graduate work. Students take:

- EDUC 6040 Tests and Measurements
- EDTD 6271 Identifying Outstanding Talents and Potentials in Students
- EDTD 6272 Developing Outstanding Talents and Potentials in Students
- EDTD 6273 Curriculum and Program Design for Developing Talents

TEACHER SUPPORT SPECIALIST

Graduate course sequence for adding Teacher Support Specialist endorsement:

- EDLR 7100 Supervision for Teacher Support Specialist
- EDLR 7210 Internship for Teacher Support Specialist

PRE-SCHOOL HANDICAPPED EDUCATION

Enrollment in this 3 course sequence is contingent upon a bachelor's degree in early childhood education, special education, or speech. Courses may be offered on campus or through G-SAMS (distance learning).

Requirements	9
SPED 6501 Characteristics of Preschool Children with Disabilities	
SPED 6502 Methods for Teaching Preschool Children with Disabilities	
SPED 6503 Language Development for Preschool Children with Disabilities	

READING ENDORSEMENT

In order to add the Reading Endorsement, the student must hold initial certification in a teaching field. The required graduate courses for the Reading Endorsement are:

- EDTD 6221 Instructional Strategies in Literacy
- EDTD 6222 Current Best Practices in Literacy
- EDTD 6261 Best Practices in Literacy

College of Business Administration

MASTER OF BUSINESS ADMINISTRATION PROGRAM

The objective of the Master of Business Administration (MBA) degree program is to provide advanced business education, beyond the baccalaureate level, to prepare students to assume responsible management and professional positions in private and public organizations. The curriculum has been designed to provide breadth of exposure to business administration disciplines rather than specialization in any single discipline. In addition to the regular MBA curriculum, foundation courses have been developed to accommodate students whose previous academic degrees are not in the field of business administration. To accommodate students who also have part-time or full-time careers, all MBA courses currently are taught in the evening.

A student who enters the MBA program with a bachelor of business administration degree and has undergraduate grades of “C” or better in foundation courses usually will be able to complete the MBA program with 33 semester hours (11 courses) of required course work plus 3 semester hours (1 course) of elective. Students who must take some or all of the foundation courses may require up to 54 semester hours of course work, including the foundation courses. Specific course requirements for each student are determined by the student’s previous academic experiences and are approved by the Director of Graduate Studies.

Up to 9 semester hours (3 courses) of required or elective MBA course work, with grades of “B” or higher, may be transferred from other accredited graduate programs with approval of the Director. Basic computer literacy (word processing, spreadsheet software) is required of all entering MBA graduate students and may be acquired through formal academic courses, on-the-job experience, or self study.

Only students enrolled in the MBA program may register for or attend MBA graduate courses.

Academic Performance

An accumulative grade point average (GPA) of at least 3.00 (on a 4.00 scale) is required for graduation and to remain in good standing in the program. An MBA student may earn a maximum of 6 semester credit hours with a grade of “C”. MBA course credit may not be earned with course grades below “C”. If a student’s cumulative GPA falls below 3.00, the student will be placed on academic probation and must raise the cumulative GPA to at least 3.00 during the next 9 hours of course work in order to remain in the MBA program.

Time Limitation

All requirements for the MBA degree must be completed within six consecutive years, beginning with the student’s enrollment in the first 6000-level course.

Application Requirements

Items to be submitted by Master of Business Administration (MBA) applicants are:

1. Application for Graduate Study.
2. Fee of \$20.00, check or money order. (Not required if previously enrolled at Augusta State University.)
3. One official transcript from each baccalaureate program previously attended at an accredited college or university.
4. Official scores on the Graduate Management Admission Test (GMAT).

Admission Criteria for the MBA Program

Regular Graduate Status: Admission to regular graduate status is based primarily upon (1) a satisfactory undergraduate grade point average (GPA) and (2) an acceptable score on the GMAT. Ordinarily, the minimum requirements for admission as a regular graduate student are:

Eligibility index ($200 \times \text{GPA} + \text{GMAT}$) of 950 (using the overall undergraduate GPA)

or

1,000 (using the junior-senior GPA), with an absolute minimum GMAT of 400 in either case.

The eligibility index, used widely in business schools as a predictor of performance in graduate studies, allows relatively strong performance on the GMAT to offset a relatively weaker undergraduate GPA, but requires that the GMAT be 400 or above in any case.

Graduate Admissions Appeals

Students who are not accepted for regular admission to the graduate program in business administration and who believe that there are extenuating circumstances that affect their eligibility may write a letter of appeal to the Director of Graduate Studies, College of Business Administration. The appeal will be heard by the Graduate Admissions Appeals Committee which consists of representative faculty of the College of Business Administration.

GMAT

The Graduate Management Admission Test is a standardized examination administered by the Educational Testing Service. The test is a computer-adaptive test and is offered three weeks per month, six days per week throughout the year at computer-based testing centers throughout the country, including Sylvan Learning Center in Augusta, GA. The test does not attempt to measure specific knowledge obtained in college course work or achievement in any particular subject area. It does cover basic mathematical skills and the ability to reason quantitatively as well as reading comprehension and writing ability. Persons who take the test should request that their scores be reported to the College of Business Administration at Augusta State University. The test must be taken and scores must be reported before the deadline for applications for a particular semester. The application deadline for each semester may be obtained from the graduate office in the College of Business Administration.

Applications to take the GMAT and more detailed information may be obtained from the graduate studies office in the College or by writing to: Graduate Management Admission Test, Educational Testing Service, P.O. Box 6103, Princeton, New Jersey 08541-6103.

BUSINESS ADMINISTRATION Master of Business Administration

MBA Foundation Courses	18
ACCT 4999 Financial Accounting for Managerial Control	
ECON 4999 Economic Concepts

Elective MBA Course	3
Total Hours for the Degree	36

Graduate and Undergraduate Course Descriptions

This section is arranged alphabetically by subject designator and sequentially by course number. The three numbers in parentheses after each course title give the number of hours of lecture, the number of hours of laboratory, and the number of credit hours the course carries. The letter "V" means that hours are variable.

Some course descriptions include information about the semester when they will be offered, but Augusta State University reserves the right to make changes in the course schedule and to cancel any section where enrollment is considered insufficient.

Subject designators for courses offered by the university's three colleges are as follows:

College of Arts and Sciences

ANTH	Anthropology	HONR	Honors

ACCT - Accounting Courses

ACCT 2101 *Principles of Accounting I (3-0-3)*
An introductory course in financial accounting. The focus is on accounting as a system for reporting business activity. It includes study of the accounting cycle, the preparation and interpretation of basic financial statements, and the study of fundamental accounting principles. *Prerequisite: MATH 1101 OR MATH 1111.*

ACCT 2102 *Principles of Accounting II (3-0-3)*
An introductory course in managerial accounting. The focus is on accounting as a system for providing information for organizational management. It includes the study of budgeting, break-even analysis, and information for decision making. *Prerequisite: ACCT 2101 and MINF 2201 with grades of C or better.*

ACCT 3311 *Financial Accounting Theory I (3-0-3)*
This course introduces financial accounting theory as it relates to the preparation of financial statements. It includes the conceptual framework, the accounting cycle, financial statements, present value, and analysis of current and fixed asset accounts. *Prerequisite: ACCT 2101/2102, minimum grades of B in each, and 50 semester hours.*

ACCT 3312 *Financial Accounting Theory II (3-0-3)*
A continuation of ACCT 3311. The primary emphasis of the course is on financial accounting theory as it relates to long-term liabilities, capital structure, investments, leases, and accounting for income taxes. *Prerequisite: ACCT 3311 with a grade of C or better.*

ACCT 3321 *Cost Accounting (3-0-3)*
The emphasis is on the development of cost systems for organizational planning and control. The course includes study of such areas as analysis of variances, determination of overhead rates, job order and process cost product costing and direct cost systems. *Prerequisite: ACCT 2102 with a minimum grade of B.*

ACCT 3331 *Federal Income Taxation (3-0-3)*
A survey of theories and practices governing federal income taxation of individuals and business entities, including partnerships and corporations. *Prerequisite: ACCT 2101 and 2102 with a minimum grade of B in each course.*

ACCT 4322 *Cost Management (3-0-3)*
Provides the student with an in-depth analysis of managerial-cost concepts and techniques required for developing, analyzing, and interpreting information for organizational planning and control. *Prerequisite: ACCT 3321 with a grade of C or better.*

ACCT 4332 *Advanced Federal Income Taxation (3-0-3)*
The emphasis is on tax planning and research. *Prerequisite: ACCT 3331 with a grade of C or better.*

ACCT 4350 *Accounting Information Systems (3-0-3)*
Information systems which support the accounting function are studied from the perspectives of using packaged systems, developing system enhancements, and applying internal control. A departmental user or developer (rather than personal user) viewpoint is emphasized. *Prerequisite: MINF 2201 and ACCT 3311 with grades of C or better.*

ACCT 4360 *Auditing (3-0-3)*
The application of auditing principles to the problems of public accountancy with emphasis upon the adherence to standards and professional ethics. *Prerequisite: ACCT 3312 with a grade of C or better.*

ACCT 4370 *Advanced Accounting (3-0-3)*
The application of accounting theory to business combinations and international operations. *Prerequisite: ACCT 3312 with a grade of C or better.*

ACCT 4380 *Governmental and Institutional Accounting (3-0-3)*
The focus is on the accounting process in not-for-profit organizations including governments, hospitals and schools. Topics include fund accounting systems, the principles underlying such systems and budgeting requirements. *Prerequisite: ACCT 2102 with a grade of C or better.*

ACCT 4620 *Spreadsheet Modeling and Decision Analysis (3-0-3)*
Will use visual techniques to understand, document, and communicate business models and then apply information technology to the modeling process for business decisions in accounting, management, operations, finance, and marketing. *Prerequisite: 50 semester hours, including C's or better in MATH 3110 and also 12 hours of BBA Core Area F including MINF 2201.*

ACCT 4950 *Selected Topics in Accounting (3-0-3)*
A course and/or directed study of a major issue, practice, or problem in the area of accounting. Content to be decided based on needs and professional objectives of students and the expertise and availability of faculty. *Prerequisite: Permission of advisor to use in the major area and senior standing.*

ACCT 4999 *Financial Accounting for Managerial Control (3-0-3)*
Provides students with: (1) an understanding of basic financial accounting terminology, (2) an overview of the financial accounting process, (3) sufficient grounding in financial accounting to be able to understand and analyze the basic financial statements. *Prerequisite: Graduate (MBA) student status.*

ACCT 6300 *Accounting Systems for Managerial Control (3-0-3)*
This is a case-oriented course designed to teach the effective use of accounting systems and accounting data in organizational planning and control. *Prerequisite: Graduate (MBA) student status, ACCT 4999 and FINC 3400 or equivalent.*

ACCT 6390 *Current Issues in Accounting (3-0-3)*
A variable content course individually designed to meet the needs, interests, and professional objectives in business administration. *Prerequisites: Graduate (MBA) student status and ACCT 4999 or equivalent.*

ANTH - Anthropology Courses

ANTH 1102 *Introductory Anthropology (3-0-3)*
A general survey of the biological and cultural origins and development of human beings and their societies. Based on archaeology, biological anthropology, cultural anthropology, and linguistics, this course emphasizes human adaptation through biological and cultural evolution.

ANTH 2011 *Cultural Anthropology (3-0-3)*
Emphasizes and illustrates the role of culture as a major systematic determinant of human behavior and social life. Examines examples from both modern and traditional societies.

ANTH 3271/5271 *History and Culture of India (3-0-3)*
Indian history and culture from Indus Valley civilization to modern times including topics such as religions, philosophy, art, architecture, society, and family. *Prerequisite: ANTH 1102 or ANTH 2011 or HIST 1111 or HIST 1112 or permission of instructor.*

ANTH 3411/5411 *Indians of North America (3-0-3)*
Origins and cultures of native peoples of America north of Mexico. Discusses impact of arrival of Europeans in North America. *Prerequisite: ANTH 1102 or ANTH 2011 or HIST 2111 or permission of instructor.*

ANTH 3831/5831 *Archaeology (3-0-3)*
Examines theories, methods, and techniques used by modern archaeologists in an integrated scientific approach to investigate and understand historic and prehistoric cultures. *Prerequisite: ANTH 1102 or ANTH 2011 or permission of instructor.*

ANTH 3841/5841 *Biophysical Anthropology (3-0-3)*
Study of integrated biological and cultural adaptation of human beings. Topics include modern synthetic theory of evolution, fossil record, geochronology, nonhuman primates, and human variation. *Prerequisite: ANTH 1102 or permission of instructor.*

ANTH 3851/5851 *Religion, Culture, and Society (3-0-3)*
The nature, role, and functions of religious belief and behavior in human society. Examines the range of religious practices including ritual, myth, symbolism,

shamanism, cults, witchcraft, magic, religious drug use, healing, and others.
Prerequisite: ANTH 1102 or ANTH 2011 or permission of instructor.

ANTH 3871/5871/WMST 3871 *Sex, Gender, and Culture (3-0-3)*
Information from biophysical anthropology, archaeology, linguistics, and cultural studies is combined in a cross-cultural, evolutionary approach to examine sex and gender roles. *Prerequisite: ANTH 1102 or ANTH 2011 or permission of instructor.*

ANTH 4861/6861 *World Ethnology (3-0-3)*
Examines historical, economic, political, and social forces that have converged to produce a worldwide political and economic system. This approach stresses the linkages between Western development and Third World underdevelopment. *Prerequisite: ANTH 1102 or ANTH 2011 or permission of instructor.*

ANTH 4900/6900 *Cullum Lecture Series (V, 1-3)*
In this variable content course, students hear lectures by well known scholars with expertise in the topic of study selected for that semester. Course material usually also includes films, panel discussions, and a student project related to the topic. *Prerequisite: ANTH 1102 or ANTH 2011 or permission of instructor.*

ANTH 4950/6950 *Selected Topics (V, 1-3)*
A variable content, variable credit course intended to meet the needs of students minoring in anthropology. Offered by special arrangement. *Prerequisite: ANTH 1102 or ANTH 2011 or permission of instructor.*

ANTH 4990 *Undergraduate Research (V, 1-3)*
A variable content, variable credit course offered by special arrangement and intended to meet the needs of anthropology minors. Students will carry out supervised independent research in a selected area of anthropology. *Prerequisites: ANTH 1102 or ANTH 2011 or permission of instructor.*

ART - Art Courses

ART 1000 *Ceramics I for non-art majors (3-V-3)*
Fundamentals of working with clay as an art form, including vessels, sculpture, and pottery. Introduction to glazing techniques.

ART 1001 *Oil Painting for non-art majors (3-V-3)*
Experiences involving basic use of color and oil painting techniques. Life model may be used.

ART 1002 *Photography I for non-art majors (3-V-3)*
An introduction to the processes and materials of black and white photography, as well as understanding photography as an art medium, gaining a working knowledge of the camera and darkroom equipment.

ART 1003 *Watercolor for non-art majors (3-V-3)*
Applied basic and experimental techniques with opaque and transparent watercolor media. Life model may be used.

ART 1211 *Drawing I (3-V-3)*
Fundamentals of drawing concepts utilizing basic drawing media techniques. Life model may be used.

ART 1520 *Two-Dimensional Design (3-V-3)*
Basic introduction of elements and principles of art, including the study of color theory of art using a variety of media.

ART 1530 *Three-Dimensional Design (3-V-3)*
Fundamentals of form and organization with actual materials in three-dimensional space.

ART 2100 *Art Education, K-8; Teaching (2-0-2)*
Teaching methodology and projects for teaching art in the elementary school classroom. *Prerequisites: None*

ART 2212 *Drawing II (3-V-3)*
Continuation of Drawing I. Life model may be used. *Prerequisite: ART 1520, 1530, and 1211; or permission of instructor.*

ART 2221 *Painting I (3-V-3)*
Experiences involving basic use of color and oil painting techniques. Life model may be used. *Prerequisites: ART 1520, ART 1530, and ART 1211; or permission of the instructor.*

ART 2401 *Ceramics I (3-V-3)*
Fundamentals of working with clay as an art form, including vessels, sculpture, and pottery. Introduction to glazing techniques. *Prerequisites: ART 1520, ART 1530, and ART 1211; or permission of the instructor.*

ART 2541 *Graphic Design I (3-V-3)*
Introduction to hand lettering with emphasis on forming, spacing, and visual organization. *Prerequisite: ART 1520 or permission of the instructor.*

ART 2611 *Art History I (3-V-3)*
The study of artworks from major world cultures, especially Western, with stress on the premodern. *Prerequisite: None*

ART 2612 *Art History II (3-V-3)*
The study of artworks from major world cultures, especially Western, with stress on modern and contemporary developments. *Prerequisite: ART 2611.*

ART 2700 *Color Experience (3-V-3)*
Experience, study, and analysis of color and color systems. *Prerequisites: ART 1520 or permission of the instructor.*

ART 3000 *Humanities Studio Experience (3-V-3)*
The course is designed for the non-art major student desiring a studio experience.

Media choice and class time must be *arranged with the individual instructor*.
Prerequisites: Permission of the instructor.

ART 3100 *Art Education, Secondary School (3-V-3)*
An exploration of art education theories and projects using methods and materials adaptable for classroom instruction. *Prerequisite: ART 1520, ART 1530, and ART 1211; or permission of instructor.*

ART 3213 *Drawing III: Figure Drawing (3-V-3)*
Applied studies in the articulation of the figure, using life models, with particular attention to the anatomy of the figure and figuration (drawing). *Prerequisite: ART 2212 or permission of instructor.*

ART 3222 *Painting II (3-V-3)*
Further problems in color, composition, and techniques. Life model may be used. *Prerequisite: ART 2221.*

ART 3231 *Photography I (3-V-3)*
An introduction to black and white photographic processes and materials, study of photography as an art medium, and study of the camera and darkroom equipment. *Prerequisite: ART 1520, ART 1530, and ART 1211; or permission of the instructor.*

ART 3232, 3233, 3234 *Photography II, III, IV (3-V-3)*
Continuation of the previous level of Photography. The student will be responsible for developing a personal artistic direction with photography. *Prerequisites: ART 3231 or permission of instructor.*

ART 3251 *Printmaking I (3-V-3)*
An introduction to the technical and aesthetic possibilities of major printmaking processes, including intaglio, relief, and lithography. *Prerequisite: ART 1520, ART 1530, and ART 1211; or permission of instructor.*

ART 3261 *Watercolor I (3-V-3)*
Basic experience with opaque or transparent watercolor media. Life model may be used. *Prerequisite: ART 1520, ART 1530, ART 1211, and ART 2212; or permission of instructor.*

ART 3262 *Watercolor II (3-V-3)*
Continuation of Watercolor I. Life model may be used. *Prerequisites: ART 3261, or permission of instructor.*

ART 3263 *Watercolor III (3-V-3)*
Advanced level instruction of Watercolor II. Life model may be used. *Prerequisites: ART 3262, or permission of instructor.*

ART 3311 *Sculpture: Carving I (3-V-3)*
Basic experiences with subtractive methods working with wood and/or stone using simple carving tools and techniques. *Prerequisite: ART 1520, ART 1530, and*

ART 1211; or permission of instructor.

ART 3312 *Sculpture: Carving II (3-V-3)*
Continuation of the study of the Fine Arts applications of subtractive methods of sculpture using wood and stone. *Prerequisites: ART 3311.*

ART 3313 *Sculpture: Carving III (3-V-3)*
Advanced level continuation of the study of the Fine Arts applications of subtractive methods of sculpture using wood and stone. *Prerequisites: ART 3312.*

ART 3331 *Sculpture: Figure Modeling I (3-V-3)*
Applied studies in proportion and articulation of the figure, using life models. Materials include oil-based and water-based clay. *Prerequisite: ART 1530 and ART 2401, or permission of instructor.*

ART 3332 *Sculpture: Figure Modeling II (3-V-3)*
Continuation of applied studies in proportion and articulation of the human figure using life models. Materials include oil-based and water-based clay. *Prerequisites: ART 3331.*

ART 3333 *Sculpture: Figure Modeling III (3-V-3)*
Continuation of applied studies in proportion and articulation of the human figure using life models. Materials include oil-based and water-based clay. *Prerequisites: ART 3332.*

ART 3402 *Ceramics II (3-V-3)*
Continuation of Ceramics I with further emphasis on developing the student's own ideas about form and content. More intensive work with glazing, introduction to mixing glazes and to firing. *Prerequisite: ART 2401 or permission of instructor.*

ART 3403 *Ceramics III (3-V-3)*
Continuation of Ceramics II, with emphasis on developing the student's artistic direction with clay. Continued development of glazing techniques, including glaze testing and responsibility for firing. *Prerequisite: ART 3402 or permission of instructor.*

ART 3542 *Graphic Design II (3-V-3)*
A continuation of Graphic Design I, and a general survey of computer graphic programs. *Prerequisite: ART 2541 or permission of instructor.*

ART 3721 *Aesthetics and Philosophy of Art I (3-V-3)*
A seminar devoted to the critical study and analysis of contemporary art theory and practice, aesthetics, and philosophy of art. *Prerequisites: ART 2612.*

ART 3811 *Scene Design I (3-0-3)*
This course will focus on various aspects of scene design for the theater, including sketching, drafting, rendering and model building techniques, and research. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001 with a grade of C or better.*

ART 3812 *Scene Design II (3-0-3)*
Students will perfect techniques learned in Scene Design I. Additional

concentration will be placed on historical aspects of design, applied research, and design concepts. *Prerequisites: ART 3811 or permission of the instructor.*

ART4214 *Drawing IV (3-V-3)*
Continuation of Drawing II with emphasis on advanced problems. Life model may be used. Normally offered: Fall, Spring. *Prerequisite: ART 2212 and 3213, or permission of instructor.*

ART 4223, 4224, 4225 *Painting III, IV, V (3-V-3)*
More advanced study of painting with emphasis on personal conceptual growth and technique development. Life models may be used. *Prerequisite: The previous level of Painting or permission of instructor.*

ART 4261, 4262,4263 *Printmaking II, III , IV*
More advanced exploration of printmaking processes with an emphasis on using the media to create personal visual statement. *Prerequisites: ART 3251*

ART 4321 *Sculpture: Casting (3-V-3)*
Introduction to basic substitution methods of sculpture using aluminum and bronze. *Prerequisite: ART 1520, 1530, and 1211; or permission of instructor.*

ART 4322 *Sculpture: Casting II (3-V-3)*
Continuation of the study of the Fine Arts applications of substitution methods of sculpture using bronze and aluminum. *Prerequisites: ART 4321*

ART 4323 *Sculpture: Casting III (3-V-3)*
Continuation of the study of Fine Arts applications of substitution methods of sculpture using bronze and aluminum. *Prerequisites: ART 4322.*

ART 4331 *Sculpture: Installation I (3-V-3)*
The study and application of context-based and time-based artworks using a variety of sculpture methods and techniques sited on the ASU campus. *Prerequisites: ART 1520, ART 1530, and ART 1211; or permission of instructor.*

ART 4332 *Sculpture: Installation II (3-V-3)*
The continuation of the study and application of context-based and time-based artworks using a variety of sculpture methods and techniques sited on the ASU campus. *Prerequisites: ART 4331.*

ART 4333 *Sculpture: Installation III (3-V-3)*
Continuation of the advanced study and application of context-based and time-based artworks using a variety of sculpture methods and techniques sited on the ASU campus. *Prerequisites: ART 4332.*

ART 4341 *Sculpture: Multimedia I (3-V-3)*
Continuation of applied studies in sculpture using a variety of media and methods. Emphasis of course work will be on using more than one sculptural medium and/or method within a single body of artwork. *Prerequisites: ART 1520, ART 1530, ART 1211, and one upper level sculpture class (ART 3331,4321, or 4331).*

ART 4342 *Sculpture: Multimedia II (3-V-3)*
Continuation of applied studies in sculpture using a variety of media and methods. Emphasis of course work will be on using more than one sculptural media and/or method within a single body of artwork. *Prerequisites: ART 4341.*

ART 4343 *Sculpture: Multimedia III (3-V-3)*
Continuation of applied studies in sculpture using a variety of media and methods. Emphasis of course work will be on using more than one sculptural media and/or method within a single body of artwork. *Prerequisites: ART 4342.*

ART 4404, 4405, 4406 *Ceramics IV, V, VI (3-V-3)*
Continuation of the previous level of Ceramics. The student will be responsible for developing a personal artistic direction with clay. Advanced firing techniques. Glaze development, including extensive testing. *Prerequisite: The previous level of Ceramics or permission of instructor.*

ART 4620 *Art Since 1955: Neo-Avant-Garde in Europe and America (3-V-3)*
An art- historical seminar dedicated to the critical study of the movements of post-Duchampian art since 1955. *Prerequisites: ART 2612 and ART 3721 or permission of instructor*

ART 4630 *"Primitivism" in 20th Century Art (3-V-3)*
An art-historical seminar dedicated to the critical study of "primitivism" in 20th century Western art. *Prerequisite: ART 2612 and ART 3721 or permission of instructor.*

ART 4640 *Raphael (3-V-3)*
An art-historical seminar dedicated to the critical study of the paintings, murals, and drawings of the Italian Renaissance artist Raphael (1483-1520). *Prerequisites: ART 2612 and ART 3721 or permission of instructor.*

ART 4650 *Early Renaissance Italian Painting (3-V-3)*
An art-historical seminar dedicated to the critical study of painting in Renaissance Italy during the fifteenth century. *Prerequisites: ART 2612 and ART 3721 or permission of instructor.*

ART 4660 *American Art (3-V-3)*
Survey of eighteenth through twentieth century American painting, sculpture, and architecture. *Prerequisite: ART 2612 or HUMN 2002 or permission of the instructor.*

ART 4670 *Far Eastern Art (3-V-3)*
A survey of paintings, sculpture, and architecture of Japan, China, India, and Southeast Asia. *Prerequisite: ART 2612 and ART 3721 or permission of instructor.*

ART 4722 *Aesthetics and Philosophy of Art II (3-V-3)*
A seminar devoted to the critical study and analysis of art theory and practice, aesthetics, and philosophy of art. More advanced than ART 3721. *Prerequisites: ART 3721 or PHIL 1000.*

ART 4801 *Study Abroad in Art and Culture (3-V-3)*

A systematic on-site study of art works in museums, collections, churches, and other sites throughout Italy. May include other foreign countries. The course reviews the history of art from the Greeks and the Etruscans through the present. *Prerequisites: None.*

ART 4802 *Study Abroad in Art and Culture (6-V-6)*

A systematic on-site study of art works in museums, collections, churches, and other sites throughout Italy. May include other foreign countries. The course reviews the history of art from the Greeks and the Etruscans through the present. *Prerequisites: None.*

ART 4900 *Cullum Lecture Series (3-V-3)*

A variable content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative programs. Students will hear lectures by nationally and internationally known scholars with expertise in the topic chosen for each panel discussion, participate in class discussion, and prepare a student project relevant to the semester's topic. *Prerequisite: ART 1520, ART 1530, and ART 1211; or permission of the instructor.*

ART 4911, 4912, 4913 *Major Project (3-V-3)*

Individual advanced work with direction and approval of instructor. *Prerequisite: ART 1520, ART 1530, and ART 1211; or permission of instructor.*

ART 4950 *Selected Topics (Variable)*

Reserved for special study of techniques and media not normally covered in regular course work. Course may be repeated when topic varies. *Prerequisite: Permission of instructor.*

ART 4960 *Undergraduate Internship (1-15)*

An internship is a service-learning experience based in an institution or agency emphasizing the completion of a specific task and the acquisition of specific skills under the supervision of Augusta State University and the cooperating institution or agency.

ART 4998 *Senior Exhibition (B.A.) (3-V-3)*

Degree requirement for B.A. candidates in art. Students prepare and mount an exhibition of their own artwork. All work for this exhibition must be accepted by the studio art faculty and judged to be of sufficient quantity and quality to demonstrate the student's artistic achievement on a level acceptable for the B.A. degree. Students also study other aspects of their chosen fine arts field. *Prerequisite: Portfolio Review passed and permission of instructor.*

ART 4999 *Senior Exhibition (B.F.A.) (3-V-3)*

Degree requirement for B.F.A. candidates in art. Students prepare and mount an exhibition of their own artwork. All work for this exhibition must be accepted by the studio art faculty and judged to be of sufficient quantity and quality to demonstrate the student's artistic achievement on a level acceptable for the B.F.A. degree. Students also study other aspects of their chosen fine arts field. *Prerequisite: Portfolio Review passed and permission of instructor.*

ART 5950*Selected Topics in Art (Variable)*

By permission of Chair of the Department of Fine Arts. To be arranged.

ASUO - Orientation Course

ASUO 1000*Augusta State University Orientation (3-0-3)*

This course is designed to familiarize students with the policies and services of ASU and to provide instruction in the fundamental skills necessary to succeed in college level courses. Topics include study skills, setting goals, self-management, test-taking skills, memory techniques, stress management, library utilization, and other topics relevant to academic and personal success.

BIOL - Biology Courses

BIOL 1101*Introduction to Biology I (3-2-4)*

Designed for the non-major; topics covered include chemical foundations, cell structure and function, cell division, energy pathways, plant and animal systems. Credit may not be earned for both BIOL 1101 and BIOL 1107. Normally offered each semester.

BIOL 1102*Introduction to Biology II (3-2-4)*

A continuation of Biology 1101 covering organismal diversity and development, genetics, ecology, evolution, and animal behavior. Credit may not be earned for both BIOL 1102 and BIOL 1108. Normally offered each semester. *Prerequisite: BIOL 1101.*

BIOL 1107*Principles of Biology I (3-2-4)*

A study of the unifying concepts of the biotic world including biochemistry, cell biology, energy and metabolism, physiological systems of both plants and animals, animal and plant diversity, animal and plant development, genetics, ecology and evolution, and animal behavior. Credit may not be earned for both BIOL 1101 and BIOL 1107. Normally offered each semester.

BIOL 1108*Principles of Biology II (3-2-4)*

A continuation of Biology 1107. Credit may not be earned for both BIOL 1102 and BIOL 1108. Normally offered each semester. *Prerequisite: BIOL 1107 with a grade of C or better.*

BIOL 2111*Human Anatomy and Physiology I(3-2-4)*

An introduction to physical and chemical principles necessary for understanding human anatomy and physiology. A study of cellular and tissue levels of organization, followed by a study of the skeletal, muscular, and nervous systems. Normally offered Fall and Summer.

BIOL 2112*Human Anatomy and Physiology II (3-2-4)*

A continuation of Biology 2111, dealing with the circulatory, respiratory, digestive, excretory, endocrine and reproductive systems and their interrelationships. Normally offered Spring and Summer. *Prerequisite: BIOL 2111.*

BIOL 2100 *Careers in Health Sciences (1-0-1)*
An introduction to different occupations associated with the health professions. Consists of guest lecturers from medicine, dentistry, nursing and allied health. *Prerequisite: BIOL 1102 or 1108.*

BIOL 2120 *Careers in Field Biology (1-0-1)*
An examination of the opportunities available in the areas of forestry, wildlife biology, fisheries, ecology and environmental science. Local biologists discuss areas of their expertise and work. *Prerequisite: BIOL 1102 or 1108.*

BIOL 2950 *Special Topics in Biology (Variable)*
An examination of various biological topics with emphasis on relating biological principles to the understanding and solving of every day situations. *Prerequisite: BIOL 1102 or 1108; or 1101 or 1107 and permission of instructor.*

BIOL 3000 *General Botany (3-3-4)*
Introduction to plant function and development, evolution, diversity, ecology, and economic importance. Normally offered Fall and Spring. *Prerequisite: BIOL 1108 with a C or better.*

BIOL 3020 *Plant Systematics (2-4-4)*
A study of the history and principles of vascular plant taxonomy, including plant evolution, ecology, and economic importance. Lab emphasizes identification and appreciation of local flora. *Prerequisite: BIOL 3000 with a C or better.*

BIOL 3040 *Horticulture (3-2-4)*
A study of the practical aspects of plant cultivation using fundamental biological knowledge of plant structure and function. *Prerequisite: BIOL 1102 and permission of instructor or BIOL 1108 with a C or better.*

BIOL 3100 *Zoology (3-2-4)*
An introduction to the morphology, physiology and life histories of representative animals with emphasis on taxonomy and systematics. Normally offered Fall and Spring. *Prerequisite: BIOL 1108 with a C or better.*

BIOL 3110 *Introductory Microbiology (3-2-4)*
A study of the principles of microbiology, including morphology, classification, reproduction, molecular biology, immunology, and relation of microorganisms to human welfare. Normally offered Fall and Summer. *Prerequisites: Grade of C or better in BIOL 1108 or 2112 and MATH 1111.*

BIOL 3120 *Man and the Environment (3-0-3)*
A treatment of such contemporary problems as air and water pollution, biocides, urbane planning, population control and the energy crisis. *Prerequisite: BIOL 1102 or 1108 with a C or better.*

BIOL 3130 *Biology and Society (3-0-3)*
An examination and discussion, through use of various books, novels, and videos, of recent advances in biology and their implications for society. Ethical issues will be stressed. *Prerequisites: BIOL 1108 with a C or better, or BIOL 1102 with a C or better and permission of instructor.*

BIOL 3200 *Genetics (3-2-4)*
A study of the principles of genetics and how they apply to various aspects of biology. Course content divided evenly between classical and molecular genetics. Normally offered Spring. *Prerequisites: BIOL 1108 with a C or better and CHEM 1212.*

BIOL 3210 *Human Genetics (3-0-3)*
An examination of human genetic principles with emphasis on unifying modern, molecular findings with the classical patterns of inheritance. *Prerequisites: BIOL 1108 with a C or better, or BIOL 1102 with a C or better and permission of instructor; CHEM 1151 or 1211.*

BIOL 3310 *Comparative Vertebrate Anatomy (3-3-4)*
A systematic survey of the morphology of vertebrates with emphasis on phylogenetic relationships among the major classes. *Prerequisite: BIOL 3100 with a C or better.*

BIOL 3320 *Comparative Vertebrate Physiology (3-2-4)*
A comprehensive study of vertebrate physiology, including adaptive mechanisms for specific environments. *Prerequisites: BIOL 1108 with a C or better and CHEM 1212.*

BIOL 3350 *Histology (3-3-4)*
A detailed study of tissue types and their organization in the vertebrate body. Laboratory emphasis is given to morphological detail using prepared slide material. *Prerequisite: BIOL 1108 with a C or better; BIOL 3100 with a C or better or permission of instructor.*

BIOL 3360 *Embryology (3-2-4)*
A descriptive and experimental study of differentiation, morphogenesis, and growth. Emphasis is placed on chick and human development. *Prerequisite: BIOL 1108 with a C or better; and BIOL 3100 with a C or better or permission of instructor.*

BIOL 3400 *Cell Biology (3-3-4)*
A detailed study of structural and functional organization of eukaryotic cells including cell surfaces, organelles, cell cycle, regulation of information flow, and cellular differentiation. Normally offered Fall and Spring. *Prerequisites: BIOL 1108 with a C or better, CHEM 1212 and 2410.*

BIOL 4010 *Plant Morphology (3-2-4)*
A detailed study of the diverse forms of the plants and their close relatives. Topics covered include structure and function, life history, fossil record, evolution, ecology and economic importance. *Prerequisite: BIOL 3000 with a C or better.*

BIOL 4100 *Principles of Ecology (3-3-4)*
A study of the interactions among organisms and their environment. Topics covered include physiology, nutrient cycling, energy flow, trophic dynamics, populations, and community structure. Normally offered Spring. *Prerequisites: BIOL 3000 and 3100, with a C or better; CHEM 1212; or permission of instructor.*

BIOL 4150 *Evolutionary Biology(3-0-3)*
A study of the factors effecting change in the genetic composition of organisms.
Prerequisite: BIOL 1108 with a C or better or permission of instructor.

BIOL 4420 *Herpetology(3-2-4)*
An examination of amphibians and reptiles with emphasis on their structural and functional characteristics, geographical distribution, relation to the environment, behavior, speciation, and man's interaction with them. *Prerequisite: BIOL 3100 with a C or better.*

BIOL 4430 *Ornithology (3-2-4)*
A study of taxonomy, ecology, morphology, physiology, behavior and field identification of birds. *Prerequisite: BIOL 3100 with a C or better.*

BIOL 4450 *Introductory Entomology (3-2-4)*
A study of the structure, life history, taxonomy and economic importance of insects. A collection is required. *Prerequisite: BIOL 1108 with a C or better.*

BIOL 4490 *General Parasitology (3-2-4)*
A survey of the major protozoan, platyhelminth, and nematode parasites of animals. Emphasis on the biology of host-parasite interactions, evolutionary relationships, and representative life cycles. *Prerequisites: BIOL 3100 with a C or better or permission of instructor.*

BIOL 4500 *Ichthyology (2-4-4)*
A treatment of the organ systems, life histories and taxonomic aspects of fishes of southeastern U.S. *Prerequisite: BIOL 3100 with a C or better.*

BIOL 4520 *Marine Biology (2-4-4)*
A study of marine organisms and their habitats in the Atlantic Ocean and the Gulf of Mexico. Ecosystem components are emphasized. *Prerequisite: BIOL 3100 with a C or better.*

BIOL 4530 *Aquatic Biology (2-4-4)*
A study of pond, lake, stream and marine organisms. Ecosystem components are emphasized. *Prerequisite: BIOL 3100 with a C or better.*

BIOL 4600 *Biology of Cancer (3-0-3)*
A study of the prevention, causes, treatment, characteristics and research of various types cancer. *Prerequisite: BIOL 1108 with a C or better.*

BIOL 4630 *Reproductive Physiology (3-0-3)*
An investigation of the physiological processes involved with the mammalian and non-mammalian reproductive systems. Topics addressed include embryological development and function of the reproductive system, conception and parturition. *Prerequisites: BIOL 1108 with a C or better and CHEM 1212.*

BIOL 4650 *Endocrinology (3-0-3)*
A systematic survey of the mammalian and non-mammalian endocrine systems including properties of hormones, methods of study, and regulation of physiological functions. For Biology majors, this course must be passed with a C or better. *Prerequisites: BIOL 1108 with a C or better and CHEM 1212.*

BIOL 4700 *Cell and Molecular Biology (3-3-4)*
A study of the biochemical composition, structure, metabolism, and regulatory mechanisms of the cell. *Prerequisite: BIOL 3400 with a C or better.*

BIOL 4730 *Immunology (3-0-3)*
An experimental examination of the immune system with emphasis on current findings and case studies. *Prerequisites: BIOL 1108 with a C or better, CHEM 1212, and at least one of the following: BIOL 3110, 3200 or 3400, or permission of instructor. CHEM 3411 and 3412 strongly recommended.*

BIOL 4900 *Cullum Lecture Series (Variable)*
A variable-content course with lectures by nationally and internationally known scholars, films and/or panel discussions. Students participate in class discussions and prepare a biological project/term paper that is relevant to the semester's topic. Normally offered Spring. *Prerequisite: BIOL 1102 or 1108 with a C or better.*

BIOL 4950 *Selected Topics (Variable)*
Designed to treat areas of biology not in the normal curriculum. These courses may include Animal Behavior, Economic Botany, Introduction to Toxicology, Introductory Araneology, Neurobiology, Phycology, Plant Physiology, Principles of Human Physiology, Techniques in Biology and Wildlife and Fisheries Techniques. *Prerequisite: BIOL 1108 with a C or better or permission of instructor.*

BIOL 4980 *Seminar (1-0-1)*
The investigation of current topics in biology with students giving presentations and leading discussions. Normally offered Fall and Spring. *Prerequisites: BIOL 1108; 18 additional hours of biological science with a C or better.*

BIOL 4990 *Undergraduate Research (Variable)*
An introduction to research problems. No more than 3 hours may be counted toward the major. Normally offered each semester. *Prerequisites: BIOL 1108 with a C or better and permission of instructor; 18 additional hours of biological science with a C or better.*

BUSA - Business Administration Courses

BUSA 4200 *International Business (3-0-3)*
This course covers all aspects of international business including, but not limited to international politics, culture, economics, finance, technology, marketing, ethical decision-making, strategic planning and management, and human resource development in a global environment. *Prerequisite: C's or better in MGMT 3500 and MKTG 3700.*

BUSA 4210 *Business Law (3-0-3)*
Contracts, sales contracts, agency negotiable instruments, common and public carriers. Designed to acquaint students with legal rights and liabilities in the ordinary course of business. *Prerequisite: 50 semester hours.*

BUSA 4950 *Selected Topics in Business Administration (3-0-3)*
A seminar and/or directed study on a major issue, practice, or problem in business administration. TBA. *Prerequisite: Permission of advisor to use in the major area and senior standing.*

BUSA 6950 *Selected Topics in Business Administration (3-0-3)*
A variable content course individually designed to meet the needs, interests, and professional objectives of students in the MBA Program. *Prerequisites: Graduate (MBA) student status.*

CHEM - Chemistry Courses

CHEM 1151 *Survey of Chemistry I (3-2-4)*
First course designed for pre-allied health students and non-majors; includes elements, compounds, stoichiometry, solutions, equilibrium, acid-base and nomenclature. Credit may not be earned for both CHEM 1151 and CHEM 1211 or 1212. *Prerequisites: MATH 1111 or 1101.*

CHEM 1152 *Survey of Chemistry II (3-2-4)*
Organic and biochemistry designed for pre-allied health students and non-majors; covers common classes of organic compounds including uses and chemical and physical properties and introduction to structure and function of biological molecules. *Prerequisites: CHEM 1151 (C or better) or CHEM 1211 (C or better).*

CHEM 1211 *Principles of Chemistry I (3-3-4)*
First course in a sequence designed for science majors; topics include composition of matter, stoichiometry, periodic relations, gas laws, molecular geometry and nomenclature. Credit may not be earned for both CHEM 1151 and CHEM 1211. *Prerequisites: MATH 1111 or 1101 (C or better).*

CHEM 1212 *Principles of Chemistry II (3-3-4)*
Second course in a sequence for science majors; topics include solutions, acid-base, colligative properties, equilibrium, electrochemistry, kinetics, and descriptive chemistry. Credit may not be earned for both CHEM 1151 and CHEM 1212. *Prerequisites: MATH 1113 and CHEM 1211 (C or better in each).*

CHEM 1950 *Selected Topics: (V)*
Concepts/topics in special areas of chemistry. May be repeated for credit. *Prerequisites: Permission of the instructor.*

CHEM 2410 *Chemistry of Organic and Biomolecules (3-3-4)*
A systematic examination of the properties and reactions of the major classes of organic compounds and their relevance to the metabolic roles of carbohydrates, lipids and proteins. Modern spectroscopic methods of structure determination will be included. *Prerequisites: CHEM 1211, 1212 (C or better in each).*

CHEM 2810 *Quantitative Analysis (2-6-4)*
Theories, principles and practice of volumetric, gravimetric and elementary instrumental analysis. *Prerequisites: CHEM 1212 (C or better).*

CHEM 2950 *Selected Topics (V)*
Concepts/topics in special areas of chemistry. May be repeated for credit.
Prerequisites: Permission of the instructor.

CHEM 3411 *Organic Chemistry I (3-3-4)*
A study of the structure, nomenclature, properties, and reactivity of organic compounds with an emphasis on modern electronic and mechanistic theories. Spectroscopy will be introduced. The laboratory portion will explore common reactions and laboratory techniques. *Prerequisites: CHEM 1212 (C or better).*

CHEM 3412 *Organic Chemistry II (3-3-4)*
A continuation of Organic Chemistry I. Mechanisms, synthesis, and spectroscopy will be emphasized. *Prerequisites: CHEM 3411 (C or better).*

CHEM 3721 *Physical Chemistry I (3-3-4)*
A study of gases, first, second, and third laws of thermodynamics, thermochemistry, and chemical equilibria, followed by an introduction to the basic principles of quantum mechanics. *Prerequisite: PHYS 2212. Corequisites: CHEM 2810 (C or better), MATH 3020 or permission of the instructor.*

CHEM 3722 *Physical Chemistry II (3-3-4)*
The quantum mechanical theory of chemical bonding and optical spectroscopy. The use of statistical mechanics to relate quantum mechanics to thermodynamics. Experimental and theoretical chemical kinetics. *Prerequisites: CHEM 3721 (C or better) and MATH 3020 or permission of the instructor.*

CHEM 3810 *Advanced Preparations and Characterizations (2-3-3)*
An examination of recent research in materials synthesis and analysis, including polymers. Laboratory experiments include synthesis, isolation, and characterization by infrared, nuclear magnetic resonance, and mass spectrometric instrumental techniques. *Prerequisites: CHEM 3412 (C or better).*

CHEM 3820 *Laboratory Management and Safety (1-3-2)*
Formal instruction and practical experience in all phases of assisting with instructional laboratories. Safety instruction includes proper use of protective equipment and fire extinguishers, and CPR training. *Prerequisites: CHEM 2410 or CHEM 3411 (C or better), or permission of instructor.*

CHEM 3950 *Selected Topics (V)*
Concepts/topics in special areas of chemistry. May be repeated for credit.
Prerequisites: Permission of the instructor.

CHEM 4210 *Advanced Inorganic Chemistry (3-0-3)*
A study of advanced topics in inorganic chemistry including molecular orbital theory, coordination chemistry, descriptive chemistry of the elements, atomic structure and nuclear chemistry. *Prerequisites: CHEM 1212 (C or better; CHEM 3412 recommended).*

CHEM 4551 *Biochemistry I: Physical Biochemistry (3-3-4)*
The physical chemistry of macromolecules. An examination of the chemical behavior of amino acids, proteins, lipids, carbohydrates, and nucleic acids, emphasizing the relationship between structure and physiological function. *Prerequisites: CHEM 1212 and 3412; MATH 2011 or 1220 (C or better in each).*

CHEM 4552 *Biochemistry II: Bioenergetics and Metabolism (3-0-3)*
A study of the metabolism of carbohydrates, lipids, amino acids, nucleotides, and related compounds; the regulation and energetic of the metabolic pathways; and oxidative and photophosphorylation. *Prerequisites: CHEM 4551 (C or better) or permission of the instructor.*

CHEM 4810 *Environmental Chemistry (3-3-4)*
An examination of chemical processes in air, water and soil; and how chemical principles are applied to analysis and remediation of environmental pollution. Current information on developments in environmental technology will be examined. *Prerequisites: CHEM 2810, 3412; 4551 or 3722 (C or better).*

CHEM 4830 *Principles of Instrument Design (1-3-2)*
A study of instruments for optical spectroscopy including light sources, monochromators, sample holders, detection devices, signal transducers, signal amplifiers and computer interface electronics. *Prerequisites: CHEM 2810 (C or better).*

CHEM 4840 *Instrumental Analysis (3-3-4)*
Theories and applications of instrumental methods of analysis. Spectroscopic techniques (including atomic absorption, ultraviolet/visible, infrared, and fluorescence spectroscopy), separations and electrochemistry will be discussed. *Prerequisites: CHEM 2810, CHEM 3412 (C or better in each).*

CHEM 4900 *Cullum Lecture Series (V, 1 to 5)*
Students will hear lectures by nationally and internationally known scholars with expertise in the topic chosen for each spring term, will attend films and/or panel discussions and will submit written assignments. *Prerequisites: Permission of the instructor.*

CHEM 4950 *Selected Topics (V)*
Concepts/topics in special areas of chemistry. May be repeated for credit. *Prerequisites: Permission of the instructor.*

CHEM 4960 *Undergraduate Internship (V, 1 to 15)*
An internship is a service-learning experience based in an institution or agency, emphasizing the completion of a specific task and the acquisition of specific knowledge and skills under the supervision of Augusta State University and the cooperating institution or agency. *Prerequisites: Permission of the instructor.*

CHEM 4990 *Undergraduate Research (V)*
Individual modern chemical research. A minimum of three hours of laboratory work per week for each semester hour of credit. Report/thesis required. May be

repeated for credit. *Prerequisites: Permission of the instructor.*

CRJU - Criminal Justice Courses

CRJU 1103 *Introduction to Criminal Justice (3-0-3)*
The history and philosophy of law enforcement, criminal justice administration, and criminal rehabilitation. Criminal justice is examined as a product of social forces and as a modern institution which impacts upon other social institutions. Emphasis on criminal justice as a process involving many organizations and agencies with diverse clientele and purposes. *Prerequisites: None*

CRJU 3329 *Introduction to Police Science (3-0-3)*
A survey of the philosophical and historical background of law enforcement and the role it plays in our society today. Emphasis will be placed on the development, organization, operation, and results of the different systems of law enforcement in America. *Prerequisites: CRJU 1103, SOCI 1160 or permission of the instructor.*

CRJU 3330 *Social Deviance (3-0-3)*
Covers theoretical and empirical issues in the understanding and designations of deviant behavior; addresses the analysis of the social causes and consequences of deviance, conformity, and societal reactions. *Prerequisites: SOCI 1101.*

CRJU 3333 *Introduction to Corrections (3-0-3)*
A survey of the correctional field, including probation, imprisonment, parole, and community corrections. Specific concern will be with the evolution of these programs, their present structure, and current problems. *Prerequisites: CRJU 1103 or permission of instructor.*

CRJU 3334 *Institutional Corrections (3-0-3)*
A Survey of institutional confinement or the punishment and rehabilitation of criminal offenders. Specific concerns will focus on the history of confinement, the philosophical, legal, and social justifications of incarceration, and the current problems and criticisms of correctional institutions. *Prerequisites: CRJU 103 or SOCI 1101, or permission of the instructor.*

CRJU 3335 *Community Corrections (3-0-3)*
A survey of non-institutional corrections in the American administration of justice including relevant legal and philosophical issues surrounding those practices. Specific concerns include the use of probation and parole in relation to institutional confinement, the variety of contemporary programs, and their presence in society. *Prerequisites: CRJU 1103 or SOCI 1101, SOCI 1160, and permission of the instructor.*

CRJU 3341 *White Collar Crime (3-0-3)*
The study of criminal abuse of trust and power in corporations and government, including corporate abuse of power against owners, employees, publics-in-contact, and the public-at-large, as well as official response to such crimes. Organized crime, computer crime, electronic crime, securities fraud, and relevant law

enforcement strategies are analyzed and contrasted with street crime.
Prerequisites: CRJU 1103 or SOCI 1101.

CRJU 4431 *Criminology(3-0-3)*

The study of criminal behavior and its treatment. The development of criminal behavior and societal reaction in contemporary society are addressed in terms of major social theories of crime and its causation. The treatment and rehabilitation of the offender by probation, imprisonment, and parole are addressed in terms of philosophy and policy. *Prerequisites: CRJU 1103 or SOCI 1101.*

CRJU 4432 *Juvenile Delinquency (3-0-3)*

The philosophy, theory, and history of juvenile delinquency, including its causes, preventions, and measurement from sociological perspectives. *Prerequisites: CRJU 1103 or SOC 1101.*

CRJU 4433 *Juvenile Justice (3-0-3)*

The historical development of juvenile justice including the establishment of the juvenile court and juvenile corrections in America, including the philosophical, social, and legal justifications of juvenile justice, contrasts the processing of juveniles with that of adult offenders, and focuses on contemporary issues and problems in juvenile justice. *Prerequisites: CRJU 4431 or CRJU 4432 or SOCI 4431; or permission of the instructor.*

CRJU 4435 *Women, Crime, and the Criminal Justice System (3-0-3)*

A sociological analysis of women as criminal offenders, victims, and as workers in criminal justice fields. Examines how gender influences criminal law and the practices of criminal justice agencies. Covers historical perspectives on women and crime, the adequacy of contemporary criminological perspectives for explaining female criminality. *Prerequisites: SOCI 1101 or CRJU 1103.*

CRJU 4441 *Violence and the South (3-0-3)*

Explores whether there is a relationship between the South and violence and examines different explanations for southern violence. Examines contemporary and historical studies about violence, including racial violence, homicide, violence against women, and violence in the criminal justice system. *Prerequisites: Sociology 1101 or CRJU 1103.*

CRJU 4900 *Cullum Lecture Series (3-0-3)*

A variable content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative program. *Prerequisites: CRJU 1103.*

CRJU 4950 *Selected Topics (3-0-3)*

A variable content course. Either as 1) a faculty initiated course which allows students the opportunity to enroll in specifically titled courses, or 2) a student initiated directed study. *Prerequisites: Junior or senior standing; 20 hours of advanced sociology; permission of instructor; and contractual agreement with department chair.*

CRJU 4960 *Undergraduate Internship (Variable)*

A service-learning experience based in an institution/agency, emphasizing the

completion of specific tasks and the acquisition of specific knowledge, skills, and values under the supervision of Augusta State University, the academic supervisor, and the cooperating institution/agency. *Prerequisites: Permission of instructor.*

CRJU 4990 *Undergraduate Research (3-0-3)*
Independent research on a topic of student choice selected in consultation with an instructor, who will supervise the research. The student must submit a contract proposal for the research project prior to enrolling in the course. *Prerequisites: Junior or Senior Standing; 12 hours of advanced criminal justice courses; and contractual agreement with department chair.*

COMC - Communication Courses

COMC 2010 *Mass Media and Society (3-0-3)*
A study of the history, organization, politics, economics, control, regulation, and effects of the mass media and affiliated industries, particularly in the United States. Issues of influence on the media by, as well as media influence on, government, politics, industry, society, culture, international relations, and the audience are addressed through discussion, reading, and writing-intensive assignments. *Prerequisites: ENGL 1101- 1102 or ENGL 1113-1114 and HUM 2001, with a grade of C or better in each.*

COMC 3000 *Media Law and Ethics (3-0-3)*
A broad application of the principles of law and ethics to the mass communications media, media practice, advertising, freedom of information, libel, contempt of court, copyright, private and self/professional censorship. Required for all communications majors except for those following the drama track. *Prerequisites: COMC 2010 or permission of the instructor.*

COMC 3100 *Communications for Professionals (3-0-3)*
A skill-building course in various forms of professional oral and written communication. Included are business memo and letter writing, short report writing, informal and formal oral presentations, and the use of modern technology to improve written and oral presentations. Students will learn and demonstrate skills in organizing, writing, and presenting factual, promotional, attitudinal, and technical materials for various audiences. Technology will include current library research methods for business, presentation software, and communication media. *Prerequisites: ENGL 1102 with a grade of "C" or better, COMS 1010, and MINF 2201 or CSCI 2000 or equivalent.*

COMC 6100 *Communication for Managers (3-0-3)*
The course emphasizes informative oral, written, and electronic media communication theory and skills for effective private and public sector managers. Students will have the opportunity to learn the basics of good letter and memo writing, as well as news releases, media interviews, graphics and crisis management. To be taken within the first two semesters of enrollment. *Prerequisite: Graduate (MBA) student status and MGMT 3500.*

COMD - Drama Courses

COMD 2500 *Theater Performance (Variable 1-2)*
Participation as an actor in an A.S.U. Theater production. May be repeated up to three times. *Prerequisites: Permission of instructor.*

COMD 2510 *Theater Production (Variable 1-2)*
Participation as a crew member in an A.S.U. Theater production. May be repeated up to three times. *Prerequisites: Permission of instructor.*

COMD 2950 *Selected Topics (3-0-3)*
A study of various aspects of theatre (acting, directing, scene design, stage technology, costuming, theatre management, and related areas of performance and production) of interest to lower-division undergraduate students.

COMD 3211 *Acting I: Acting Workshop (3-0-3)*
An introduction to the craft of the actor, including training in voice, movement, emotional sensitivity, improvisation, and scene study. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUM 2001 with a grade of C or better.*

COMD 3212 *Acting II: Scene Study (3-0-3)*
A continuation of COMD 3211. A study of text and subtext, the course will concentrate on scene study and character analysis. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001 with a grade of C or better.*

COMD 3221 *Literature in Performance I (3-0-3)*
An introduction to the art of theatre, as well as an historical survey, of the development of Western drama from Ancient Greece to the Elizabethan Era. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 and HUMN 2001, each with a grade of C or better; HUMN 2002*

COMD 3222 *Literature in Performance II (3-0-3)*
A continuation of COMD 3221, beginning with English Restoration; a study of the history of stage design and technology and the development of dramatic literature to the Modern period. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 and HUMN 2001, each with a grade of C or better; HUMN 2002.*

COMD 3410 *Stage Lighting (3-0-3)*
This course will focus on lighting design for the theater, including equipment and tools of the lighting designer; drafting techniques in creating a lighting plot; and design analysis and theory. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001 with a grade of C or better.*

COMD 3550 *Fundamentals of Technical Theatre (3-0-3)*
A survey of the techniques for designing, building, painting, costuming, and

managing a production. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001 with a grade of C or better.*

COMD 3710 *Directing (3-0-3)*
A study of the fundamental techniques of stage directing. We will study stage space, blocking and movement, script analysis and interpretation, and style. Reading, discussions, laboratory work, the directing of scenes and one-act plays, and the creation of a prompt book are required. *Prerequisites: COD 322 or Permission of the Instructor.*

COMD 3811 *Scene Design I (3-0-3)*
This course will focus on various aspects of scene design for the theatre, including sketching, drafting, rendering and model building techniques, and research. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001 with a grade of C or better.*

COMD 3812 *Scene Design II (3-0-3)*
Students will perfect techniques learned in COMD 3811. Additional concentration will be placed on historical aspects of design, applied research, and design concepts. *Prerequisites: COMD 3811 or permission of the instructor.*

COMD 4010 *Performance for the Camera (3-0-3)*
An introduction to the craft of performing in video, film, and for the radio. The class will perform from film and video plays, read "copy," and present news programs for television. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001 with a grade of C or better.*

COMD 4210 *Acting III: Period Styles (3-0-3)*
The problems of enacting period literature from Greek to early twentieth century. Students address problems of deportment and stage movement, diction, and meter. Scenes performed from Greek, Roman, Renaissance, Restoration, and early Modern repertoires. *Prerequisites: COMD 3212 or permission of the instructor.*

COMD 4220 *Modern Drama (3-0-3)*
A survey of major world dramatists and their works, from the end of the nineteenth century to the present. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 and HUMN 2001, each with a grade of C or better; HUMN 2002.*

COMD 4420/ENGL 4420 *Shakespeare (3-0-3)*
The major histories, comedies, and tragedies: the Elizabethan theater. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 and HUMN 2001, each with a grade of C or better; HUMN 2002.*

COMD 4950 *Selected Topics (3-0-3)*
A directed theater project, such as lighting a production for the stage, designing a set, directing a production, or participating in a seminar on a particular subject. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001 with a grade of C or better.*

COMD 4960 *Internship (Variable 1 - 3)*

In-service learning experience in theater. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better; HUMN 2001-2002 with a grade of C or better. Senior standing, and permission of the instructor.*

COMD 4970 *Senior Thesis/Project (3-0-3)*
Capstone course including a historical/analytical thesis and/or project in literature, history, theory, design, or performance. Written component for all projects is mandatory. To be guided by one theater instructor and juried by faculty of the theater curriculum and by members of the department of Languages, Literature and Communications. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 and HUMN 2001, each with a grade of C or better; HUMN 2002. Senior standing, and permission of the instructor.*

COMJ - Journalism Courses

COMJ 3010 *History of Journalism (3-0-3)*
Study of the development of American journalism and the mass media from colonial times to the present. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 and HUMN 2001, each with a C or better; COMC 2010, or permission of instructor.*

COMJ 3020 *Introduction to Newswriting (3-0-3)*
Study of various news gathering and writing techniques; practical assignments written to a deadline. *Prerequisites: For Communications majors: ENGL 1101-1102 or ENGL 1113-1114, HUMN 2001, with a C or better, COMC 2010, with a C or better, or permission of instructor; for English majors: ENGL 1101-1102 or ENGL 1113-1114, HUMN 2001-2002, and ENGL 2250.*

COMJ 3030 *Feature Writing (3-0-3)*
A practical course in writing and marketing various types of feature articles for newspapers, magazines, and other periodicals. *Prerequisites: COMJ 3020 with a C or better, or permission of instructor.*

COMJ 3040 *Broadcast Journalism (3-V-3)*
Historical overview of broadcast journalism in America: processing local and wire service news for radio and television newscasts; researching, writing and producing broadcast news stories for production in a radio or television project. Significant reading and writing assignments. *Prerequisites: COMC 2010, COMT 3000, COMT 3010, COMT 3020.*

COMJ 3041 *Student Newspaper Practicum 1 (V-2-1)*
Students will gather, compile, and set copy for campus briefs; assist with paste-up; and write stories assigned by an editor. *Prerequisites: COMJ 3020 with a C or better, or permission of instructor.*

COMJ 3042 *Student Newspaper Practicum 2 (V-3-2)*
Students will proofread copy, write stories assigned by an editor, and cover a beat for the semester, participate in staff meetings, and learn procedures for laying out

the newspaper. *Prerequisites: COMJ 3041 or permission of Instructor.*

COMJ 4010 *Copy Editing and Layout (3-0-3)*
Methods of preparing all types of news copy for publication; analysis of page makeup and headline writing. *Prerequisites: Communications majors: ENGL 1101-1102 or ENGL 1113-1114, HUMN 2001 (with C or better), COMC 2010 (with C or better) or permission of instructor; for English majors: ENGL 1101-1102 or ENGL 1113-1114, HUMN 2001-2002, and ENGL 2250.*

COMJ 4020 *Advanced Reporting (3-0-3)*
Study of and practice in more specialized and complex forms of news gathering and writing, including such topics as civic reporting, in-depth and investigative reporting, multi-part series, doing research using paper and electronic sources, interpreting and using numbers. *Prerequisites: COMJ 3020.*

COMJ 4900 *Cullum Lecture Series (3-0-3)*
A variable-content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative programs. Students will hear lectures by nationally and internationally known scholars with experience in the topic chosen for each Spring Semester, attend films and/or panel discussions, participate in class discussions, and prepare a student project relevant to the semester's topic. *Prerequisites: COMJ 3020 with a C or better, or permission of instructor.*

COMJ 4950 *Selected Topics (3-0-3)*
A directed project or class in an advanced journalism topic such as freelancing, community reporting, documentary journalism, reviewing, etc. *Prerequisites: COMJ 3020 with a C or better or permission of instructor.*

COMJ 4960 *Internship/Practicum (Variable)*
In-service learning experience in electronic or print media. *Prerequisites: COMJ 3020 with a C or better or permission of instructor.*

COMP - Public Relations Courses

COMP 3041 *Student Magazine Practicum I (1-0-1)*
COMP 3041 is the first half of a two-semester sequence to provide hands-on experience in writing and producing public relations publications. Students will write articles or create page designs for departments in the student magazine, the Phoenix. Work may also be done in business, advertising services, photography or some other aspect of publications production. *Prerequisites: COMC 2010 or permission of the instructor.*

COMP 3042 *Student Magazine Practicum II (2-0-2)*
COMP 3042 is the second half of a two-semester sequence to provide further hands-on experience in writing and producing public relations publications. Students will write articles or create page designs for the student magazine's feature section. Work in other aspects of publications production and management is also possible. *Prerequisites: COMC 2010 and COMP 3041, or permission of the*

instructor.

COMP 3200 *Public Relations Writing (3-0-3)*
Study of various forms of public relations writing used in both corporate and non-profit settings. *Prerequisites: COMC 2010 and COMJ 3020, or permission of the instructor.*

COMP 3501 *Publication Production I (3-0-3)*
Introduction to desktop publishing software and techniques used in production of fliers, brochures, newsletters and print advertising. *Prerequisites: COMC 2010 or permission of the instructor.*

COMP 3502 *Publication Production II (3-0-3)*
Further instruction in desktop publishing software and techniques used in production of magazines, books, product packaging and other advanced projects. *Prerequisites: COMC 2010 and COMP 3501, or permission of the instructor.*

COMP 3600 *Public Relations Practices (3-0-3)*
An introduction to the field of public relations. The course includes a study of the publics served and an evaluation of the effectiveness of public relations campaigns with concentration on image building. *Prerequisites: COMC 2010 or permission of the instructor.*

COMP 3700 *Advertising Strategy and Campaigns (3-0-3)*
An introduction to the history and theory of advertising, including the setting of ad objectives, handling campaigns and measuring results. *Prerequisites: COMC 2010 or permission of the instructor.*

COMP 4500 *Communications Campaigns (3-0-3)*
Designed to offer upper-level students the chance to pursue advanced studies in public relations and advertising. The emphasis will be placed on case studies of actual and simulated public relations and advertising problems. Additionally, students will explore the professional and academic public relations literature and conduct research into this field. *Prerequisites: COMC 2010 and COMP 3600 or COMP 3700 with a grade of C or better, or permission of instructor.*

COMP 4700 *Creative Strategy in Advertising (3-0-3)*
A study of the principles and practices involved in preparing copy and designs for all media. Students will design projects appropriate for broadcast, print, outdoor, transit and speciality advertising. *Prerequisites: COMC 2010 and COMP 3700, or permission of the instructor.*

COMP 4950 *Selected Topics (3-0-3)*
Study of various topics relating to public relations and advertising. *Prerequisites: COMC 2010 or permission of the instructor.*

COMP 4960 *Internship/Practicum (3-0-3)*
In-service learning experience in electronic or print media. *Prerequisites: COMC 2010 or permission of the instructor.*

COMS - Speech Courses

COMS 1010 *Introduction to Human Communication (2-0-2)*
An introduction to the communication process focusing on effectiveness in day to day communication opportunities as well as basic public speaking skills. *Students cannot receive credit for both COMS 1010 and COMS 1020.*

COMS 1020 *Fundamentals of Human Communication (3-0-3)*
An overview of the various disciplines of communication: intrapersonal communication, interpersonal communication, small group communication, and public communication. *Students cannot receive credit for both COMS 1010 and COMS 1020.*

COMS 3000 *Diction and Interpretation (3-0-3)*
This course studies vocal production (projection, articulation, etc.) and the principles of oral interpretation, including understanding and presentation of literature to an audience. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 3040 *Interpersonal Communication (3-0-3)*
This course addresses the theories and practice of interpersonal communication. Topics to be explored include family communication, friendship communication, communication in romantic relationships, and conflict in interpersonal relationships. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 3070 *Organizational Communication (3-0-3)*
This course examines various approaches to the study of communication as it occurs in various small group and organizational contexts. Particular emphasis is placed on relationships, motivation, structure, and power within organizations. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 3100 *Intercultural Communication (3-0-3)*
this course explores intercultural theories and research and examines the interactions of members of various cultures. Barriers to effective intercultural communication will be examined, as will methods of improving intercultural communication. *Prerequisites: COMC 2010 or permission of the instructor.*

COMS 3110 *Advanced Public Speaking (3-0-3)*
This course examines the principles used when speaking in informative, persuasive and small group situations. Researching skills and use of audiovisual technology will be learned and applied. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 3200 *Political Communication (3-0-3)*
This course studies the theory and practice of political communication as applied to all levels of government, but with special emphasis on state and national government. Guest lectures from media, political, and court figures. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 3250 *Persuasion (3-0-3)*
This course This course explores how communication influences perceptions, thoughts, and actions. Students learn the skills necessary to critically analyze persuasive communication in various contexts, including speeches, advertising,

and popular culture. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 4110 *Argumentation and Debate (3-0-3)*

This course provides extensive training in critical thinking, listening, reading, and advocacy. Students learn to prepare logical, sound, and reasoned arguments. Emphasis is placed on the ability to anticipate and address various alternative perspectives on controversial issues in crafting arguments. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 4120/WMST 4120 *Gender and Communication (3-0-3)*

This course explores gendered communication patterns in a variety of contexts and examines how communication creates and reinforces gender. Theories that explain how culture shapes gendered communication and how gendered communication shapes culture will be examined. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 4130 *Rhetoric of Social Movements (3-0-3)*

This course examines the role of communication in the development and life of a social movement. Students will examine social movements as public communication and will learn to analyze the rhetorical strategies employed by several specific social movements. *Prerequisites: COMC 2010 or permission of instructor.*

COMS 4950 *Selected Topics (3-0-3)*

This course entails advanced study of a specialized topic in speech communication. *Prerequisites: COMS 2010 or permission of instructor.*

COMS 4970 *Senior Project (3-0-3)*

Capstone course entailing analytical research and synthesis of concepts in an area of speech communication. Written thesis for all projects is mandatory. To be guided by one communication faculty member and juried by two other members. *Prerequisites: COMC 2010, permission of the instructor, and senior status.*

COMT - Telecommunications Courses

COMT 3000 *Introduction to Electronic Media (3-V-3)*

Discussion of radio, television and developing technologies from early Marconi experiments to high-definition television. Significant developments in the motion picture industry are discussed with emphasis on an understanding of the development of the photochemical vs. electronic process, sound recording, theater projection, presentation venues and formats. Discussion of media hardware with exercises in the use of basic and expanded telecommunication systems. Significant reading and writing assignments. *Prerequisites: COMC 2010.*

COMT 3010 *Radio and Audio Production (4-V-3)*

Understanding the business, technical and creative issues in field and studio production of news, talks shows, concerts, documentaries, dramas and commercials/PSAs. Students write and produce audio productions for radio, industry, entertainment and business multimedia applications. Significant reading and writing assignments. *Prerequisites: COMC 2010, COMT 3000.*

COMT 3020 *Introduction to Television Production (4-V-3)*

This entry-level course in television production emphasizes the basics of cameras, microphones, support audio, lighting, recording, graphics, producing, directing and program development and management in a studio environment. Students will research, write and produce a studio television program. *Prerequisites: COMC 2010, COMT 3000, COMT 3010.*

COMT 3030 *Introduction to Electronic Field Production (EFP) (4-V-3)*

Entry-level course in location production of television news and feature packages. The study and practice of contemporary news and news feature production using electronic news gathering (ENG) and electronic field production (EFP) techniques. Students will research, write, produce and edit a complete story which can be added to their portfolio. *Prerequisites: COMC 2010, COMT 3000, COMT 3010, COMT 3020, and COMJ 3020 or COMJ 3030.*

COMT 3040 *Broadcast Journalism (3-V-3)*

Historical overview of broadcast journalism in America. Processing local and wire service news for radio and television newscasts. Researching, writing and producing broadcast news stories for production in a radio or television project. Significant reading and writing assignments. *Prerequisites: COMC 2010, COMT 3000, COMT 3010, COMT 3020.*

COMT 3050 *Introduction to Film History (3-0-3)*

A study of the history and technique of the motion picture concentrating on film from 1890 to 1940. *Prerequisites: COMC 2010.*

COMT 3060 *Business Applications of Telecommunication (3-V-3)*

Discussion and production of contemporary business applications of radio, television and evolving technologies. Significant emphasis on oral presentation skills. Students create and produce audio and video teleconferences, multimedia meetings and distance training. *Prerequisites: COMC 2010, COMT 3000.*

COMT 3070 *Film Appreciation (3-0-3)*

An introduction to the art of the motion picture, including a consideration of camera movement, camera angles, lighting, editing, mise en scene, acting, plot and story. *Prerequisites: For ENGL 3210, ENGL 1101-1102 or 1113-1114; HUM 2001-2002. For COMT 3070, COMT 2010.*

COMT 4010 *Advanced Radio and Audio Production (4-V-3)*

Understanding sound design. Topics include conceptualizing, writing and producing for sound enhancement and imaging in radio, television, motion pictures and special venue presentations. *Prerequisites: COMC 2010, COMT 3000 and COMT 3010.*

COMT 4020 *Advanced Television Production (4-V-3)*

In-depth course in television production emphasizing complex, multi-camera productions such as news and magazine programs and audience participation programs from concerts to town meetings. Students create, write, produce and direct productions. *Prerequisites: COMC 2010, COMT 3000, COMT 3010 and COMT 3020.*

COMT 4030 *Techniques of Videotape Editing (4-V-3)*
In-depth course in the theory and application of picture and sound editing from motion pictures to electronic media. Intensive projects in video editing with multitrack audio for television feature stories and dramatic presentations
Prerequisites: COMC 2010, COMT 3000, COMT 3010, COMT 3020, COMT 3030, COMT 3040 - all with a grade of "C" or better.

COMT 4950 *Special Topics(3-0-3)*
Advanced-level production projects in radio and television or specialized courses in topics such as current trends in broadcast production, programming and technology, etc. *Prerequisites: COMC 2010 and permission of the instructor.*

COMT 4960 *Internship in Telecommunication (3-V-1 to 3)*
Senior level, in-service radio, television or related field program available as an elective to Telecommunication track students who have completed all required Telecommunication track courses with a grade of "C" or better. Permission of the instructor, a portfolio, a GPA 3.0 or higher. An employer interview may be required. *Prerequisites: Senior level status and permission of instructor.*

COMT 4970 *Senior Thesis/Project in Telecommunication (3-0-3)*
Capstone course including historical/analytical thesis and/or project in production, programming, journalism, media and society or market/audience analysis. Written component for all projects mandatory. *Prerequisites: Senior level status and permission of instructor.*

COOP - Cooperative Education

Note: The following zero hour, non-graded courses are for transcript documentation only.

COOP 2000 *Alternating Cooperative Education (0-0-0)*
The student participates in a Co-op work experience related to his or her field of study and alternates between semesters of full-time work and enrollment in school full-time. Registration for this course during work semesters is equivalent to full-time student status. Alternating positions require a minimum of two work terms. *Prerequisites: Minimum overall GPA (cumulative or adjusted) of 2.5, a declared major, with at least 24 semester hours complete toward a baccalaureate degree or one full semester (9 hours) toward a Master's degree or Post-baccalaureate work. Approval from the Career Center's Cooperative Education Office.*

COOP 2001 *Parallel Cooperative Education (0-0-0)*
A part-time, on-going work plan directly related to the student's field of study. Students must work a minimum of fifteen hours per week while continuing enrollment in school. The student can only maintain full-time academic status by being enrolled as a full-time student concurrent with their work plan. *Prerequisites: Minimum overall GPA (cumulative or adjusted) of 2.5, a declared major, with at least 24 semester hours complete toward a baccalaureate degree or one full semester (9 hours) toward a Master's degree or Post-baccalaureate work.*

Minimum of two terms of work experience and approval from the Career Center's Cooperative Education Office.

COOP 2002

Internship (0-0-0)

A one semester, non-credit, paid work experience related to the student's field of study. The number of work hours is determined by the student's individual academic needs and the agency's needs. This course number is not used if the student is enrolled in an internship for credit with an academic department. Registration for this course is equivalent to full-time student status only if the internship is full-time and the student is not enrolled for course work concurrently during this period. *Prerequisites: Minimum overall GPA (cumulative or adjusted) of 2.5, a declared major, with at least 24 semester hours complete toward a baccalaureate degree or one full semester (9 hours) toward a Master's degree or Post-baccalaureate work. Minimum of one term of work experience and approval from the Career Center's Cooperative Education Office.*

COUN - Counseling Courses

COUN 6640

Introduction to Counseling (3-0-3)

This course is an introduction and survey of the role, functions, and theoretical approaches of the professional counselor. Various work settings are examined, including the school counseling program, mental health worker, and community agency counselor. Multimedia presentations are utilized.

COUN 6660

Communication Skills in Counseling (3-0-3)

A didactic and experiential study of the core dimensions of counseling practice that include verbal and non-verbal skills aimed at establishing an empathic relationship that facilitates the client's exploration of developmental problems and assists the client's transition to awareness and initiating steps toward cognitive/behavioral change.

COUN 6680

Theories and Techniques of Counseling (3-0-3)

An introduction to the theoretical approaches to counseling and their practical applications in a variety of clinical settings. Students will examine the effects of different counselor roles and values, ethical and legal considerations, and professional organizations.

COUN 6700

Marriage and Family Counseling (3-0-3)

An introduction to the principles of family systems theory and their applications in family therapy practice. Included are family life cycle development, stages of relationships, premarital assessment, marriage enrichment, intervention strategies, divorce adjustment, and issues such as co-dependence, single-parent families, and child, spouse, and elderly abuse. Specific techniques for conducting marriage and family therapy will be presented along with considerations of current issues and ethical practices.

COUN 6720

Career Development Theories and Practice (3-0-3)

This course will provide student counselors with the knowledge and skills necessary to conduct career counseling aimed at providing clients insight and direction related to their vocational goals. Students will examine theories of career development, sources of occupational and educational information, life-style and

career decision-making processes, assessment instruments and program development.

COUN 6740 *Legal and Ethical Issues in Counseling (3-0-3)*

This course is designed to provide the student with a foundation of the legal and ethical issues involved in being a school and community counselor. This course will help students confront a variety of professional and ethical issues that do not have clear-cut solutions. They will work at exchanging ideas to help clarify their own specific position on many current issues.

COUN 6760 *Diversity Sensitivity in Counseling (3-0-3)*

This course is designed to introduce the counselor trainee to the many aspects of counseling which are important to specific considerations for persons of a race, ethnicity, nationality, gender, sexual orientation, age, or physical disability different from her or his own race, ethnicity, nationality, gender, sexual orientation, age, or physical disability.

COUN 6800 *Crisis Intervention Counseling (3-0-3)*

This course is designed to provide students with an opportunity to develop a knowledge base regarding the nomenclature and criteria imperative in the analysis and diagnosis of mental disorders. The student will also have an opportunity to become acquainted with treatment suggestions and crises intervention techniques.

COUN 6820 *Administration and Consultation in Counseling (3-0-3)*

This is a didactic/experiential course providing beginning counselors with the knowledge necessary to: 1) develop and administer a comprehensive counseling program in school or community settings, and 2) develop the skills necessary to function as a consultant in psycho-educational and organizational settings.

COUN 6840 *Introduction to Addictions Counseling (3-0-3)*

This course is specifically designed to function as a specialty course in the graduate counselor training program. The course experience provides an overview of the strategies, methods, and knowledge necessary for the effective identification and treatment of a broad range of addictive behaviors. The course will examine the biological, psychological, sociological, and behavioral components of addiction. As such, the course will focus on such issues as drug effects, assessment and diagnosis, counseling interventions, effects on family functioning and family interventions, relapse prevention, change maintenance strategies, primary prevention programming, and the related research.

COUN 6860 *Counseling Children and Adolescents (3-0-3)*

This course has been specifically designed for graduate students specializing in the school counseling track and for those students in the community counseling specialty who hold a professional interest in working extensively with children and adolescents in a variety of community practice settings. The course is designed to address both theoretical and practice aspects of counseling children. The course will synthesize concepts from research and practice and will involve students in current methods for helping children and adolescents with specific developmental, social, or behavioral problems. Special issues relative to counseling exceptional children, as well as children attempting to contend with divorce, death, abuse, satanic cults, homelessness, alcoholism, and AIDS will also be addressed.

COUN 6870*Gender Issues in Counseling (3-0-3)*

This course is designed to provide students with an opportunity to develop a knowledge base regarding the theories and research about gender and sex-role socialization. Biological, cognitive, psychological, and emotional differences between males and females are explored. Gender-related problems, situations, and other counseling concerns are addressed (i.e., domestic violence, single-parent families, mid-life crises). Students apply concepts and constructs to develop gender-appropriate treatment plans and implement gender-sensitive therapeutic techniques and skills.

COUN 6880*Counseling Practicum (3-0-3)*

This course is designed to function as the student's first clinical skills-building experience with particular emphasis on helping each student develop his/her therapeutic skills with a range of client presenting concerns. Students are required to complete a supervised clinical experience that totals a minimum of 100 clock hours.

COUN 6900*Counseling Internship (3-0-3)*

This is the Capstone course for the M.Ed. program in counseling. Counseling Internship is designed to meet certification and accreditation standards. This is a tutorial form of instruction designed to be completed in a counseling facility outside of the university. The internship provides an opportunity for the student to perform a variety of professional counseling activities that a regularly employed staff member in the setting would be expected to perform. The program requires students to complete a clinically supervised internship of 300 clock hours each semester.

COUN 6920*Counseling Internship II (3-0-3)*

This is the second part of an Internship experience specifically within a school system. This is a tutorial form of instruction designed to be completed in a school counseling facility. The internship provides an opportunity for the student to perform a variety of professional counseling activities that a regularly employed counselor in the schools would be expected to perform. The program requires students to complete a clinically supervised internship of 300 clock hours to bring the total number of internship hours to 600 clock hours. This would mean the student would begin or end the experience concurrently with the school internship site.

COUN 7940*Advanced Counseling Theory (3-0-3)*

The course is designed to expose students to an indepth, interdisciplinary study of major psychological theoretical systems as related to philosophical, theological, anthropological, sociopolitical, and aesthetic historical contexts.

COUN 7960*Counseling Supervision (3-0-3)*

A comparative study of major approaches to counseling supervision and related research with emphasis on historical foundations of supervision, supervisor traits, and application of concepts and techniques to specific practice settings.

COUN 7980*Advanced Counseling Practicum (3-0-3)*

This course is designed to function as a clinical skills and case conceptualization diagnostic laboratory in which students work on specific skill building in the context of client presenting problems, under a developmental supervision model. Students are required to complete a supervised clinical experience that totals a minimum of 100 clock hours.

CSCI - Computer Science Courses

CSCI 2000 *Introduction to Computers and Programming (2-2-3)*
The nature of computers and computing, hardware, software and systems. The use of computers in the solution of problems. Coverage of algorithm development and programming, information storage and accessibility, and computer networking and internetworking. *Prerequisite: MATH 1101 or MATH 1111.*

CSCI 2060 *Programming for Science and Engineering (2-2-3)*
An introduction to computer programming using a high-level language supporting mathematical programming. Emphasis will be on methods for solving numerical problems. Programming assignments will be based on typical mathematical problems. *Corequisite: MATH 2011.*

CSCI 2301 *Principles of Computer Programming I (3-2-4)*
A rigorous study of the principles of computer programming with emphasis on problem solving methods which result in correct, well-structured programs. Other topics: an introduction to data representation, data types and control structures, functions, and structured data types. *Prerequisite: MATH 1113 or MATH 1220.*

CSCI 2302 *Principles of Computer Programming II (3-0-3)*
A continuation of problem solving methods and algorithm development. Topics include data structures and their implementation, algorithm development and programming. The emphasis is on program development and style. *Prerequisite: CSCI 2301 (grade of C or better).*

CSCI 2370 *Assembly Language Programming (3-0-3)*
A study of computer systems and programming at the assembly language level. Topics include computer structure, instruction execution, addressing techniques, digital representation of data, assemblers and associated system programs, and control of input/output devices. *Prerequisite: CSCI 2302.*

CSCI 2410 *Data Presentation, Files and Database Systems (3-0-3)*
A study of models and methodologies for representing, storing and retrieving quantities of information on external storage devices. Alternative views of data as seen from the perspective of the system, the application and the human interface. *Prerequisite: CSCI 2302.*

CSCI 2950 *Selected Topics (Variable)*
Modern concepts in special areas of computer science. *Prerequisite: Permission of Instructor.*

CSCI 2980 *Applications Seminar (1-0-1)*

Study and analysis of current computer applications, current computer hardware and computer-related careers. *Corequisite: CSCI 2301.*

CSCI 3000 *Ethics in Computer Science (2-0-2)*
A study of the ethical, social and legal impacts of computers and their applications. Specific attention will be paid to professional responsibility, issues of privacy, property rights, legal issues and real risks. *Prerequisite: CSCI 2302.*

CSCI 3170 *Computer Organization (2-2-3)*
A study of computer architecture and organization. Topics range from Boolean algebra and logic design, through microprocessor construction to performance enhancements. Laboratory projects construct simple digital circuits and devices. *Prerequisite: CSCI 2302. Corequisites: CSCI 2370, MATH 3030.*

CSCI 3300 *Programming Languages (3-0-3)*
A comparative study of programming languages to prepare the student to learn and evaluate such languages. Programming assignments in several languages to illustrate features of the languages. *Prerequisite: CSCI 2302.*

CSCI 3400 *Data Structures (3-0-3)*
A study of the techniques for representation and manipulation of structured data within a digital computer. Programming assignments illustrating a variety of data structures. *Prerequisite: CSCI 2302.*

CSCI 3500 *Applied Theory of Computing (3-0-3)*
A study of the major theoretical topics needed for a well-rounded knowledge of computer science. These will include automata, formal languages, asymptotics, NP-completeness, formal verification and the design of algorithms. *Prerequisite: MATH 3030 and CSCI 2302.*

CSCI 4271 *Computer Systems I (3-0-3)*
A study of computer operating systems and related computer architecture topics. Topics include process management, scheduling, synchronization, deadlock, memory management, and virtual memory. Labs illustrate operating systems principles. *Prerequisites: CSCI 2370, CSCI 2410, CSCI 3170.*

CSCI 4272 *Computer Systems II (3-0-3)*
A continuing study of computer operating systems and architecture. Topics include distributed operating systems, distributed process coordination, distributed file systems, protection and security, distributed resource management, multiprocessor systems, distributed database systems. *Prerequisite: CSCI 4271.*

CSCI 4280 *Data Communications and Networking (2-2-3)*
A study of data communications, local area networks, and internetworking. Topics include encoding, signaling, data protocols, topologies, control strategies, bridging and routing, and the internet. Laboratory projects on local area networking. *Corequisite: CSCI 4271.*

CSCI 4711 *Software Design (3-0-3)*
A study of program and computer system morphology and software metrics used

to select among alternative structures and organizations. Topics include software engineering, structured design, object oriented design and life cycle management. *Prerequisite: Senior standing and permission of instructor.*

CSCI 4712 *Systems Analysis with Senior Project (3-2-4)*
A study of system analysis techniques using a highly integrated project, beginning with requirements analysis and culminating with system implementation. The project may utilize high level tools including CASE and RAD tools, and database applications. *Prerequisite: CSCI 4711.*

CSCI 4800 *Compiler Writing (3-0-3)*
An examination of compiler techniques used in generating machine code. Topics covered include scanning and parsing, code generating, optimization and error recovery. Programming projects in compiler construction. *Prerequisite: CSCI 2370 and CSCI 3500.*

CSCI 4820 *Computer Graphics (3-0-3)*
An examination of the hardware and software components of graphics systems and their applications. Programming assignments to illustrate the creation and manipulation of graphic displays using a simple graphics package. *Prerequisite: CSCI 2302.*

CSCI 4900 *Cullum Lecture Series (Variable: 1-3)*
A variable-content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative programs. Students will hear lectures by nationally and internationally known scholars with expertise in the topic chosen for each spring semester, attend films and/or panel discussions, participate in class discussions and prepare a student project relevant to the semester's topic. *Prerequisite: Permission of Instructor.*

CSCI 4950 *Selected Topics (Variable)*
Modern concepts in special areas of computer science. *Prerequisite: Permission of Instructor and approval by Computer Science Curriculum Committee.*

CSCI 4960 *Undergraduate Internship (Variable: 1-5)*
An internship in a service-learning experience based in an institution or agency, emphasizing the completion of a specific task and the acquisition of specific knowledge and skills under the supervision of Augusta State University and the cooperating institution or agency. *Prerequisite: Permission of Department Chair.*

CSCI 4980 *Computer Science Seminar (Variable: 1-2)*
To expose the students to current areas of computer research and advanced topics in computer science, such as artificial intelligence, nonprocedural languages, CASE tools and software engineering, parallel computing, computer modeling and expert systems. *Prerequisite: Permission of Instructor.*

CSCI 4990 *Undergraduate Research (Variable)*
Individual research in computer science. A minimum of three hours per week for each semester hour credit. *Prerequisite: Permission of Department Chair.*

CSCI 6050 *Computers and Teaching (2-2-3)*

A study of basic computer concepts, algorithm development and an introduction to programming. Included are computer applications with particular emphasis on those related to teaching. *Prerequisite: Admission to graduate program or permission of instructor.*

CSCI 6351 *Problem Solving and Programming I (2-2-3)*
A study of problem solving using computer topics including a problem solving approach to BASIC programming, and the development and selection of software for teaching programming. The emphasis is on structured programming. *Prerequisite: Acceptance into graduate program or permission of instructor.*

CSCI 6352 *Problem Solving and Programming II (2-2-3)*
A study of the principles of computer programming with emphasis on the development of correct, well-structured programs and strategies for teaching program development. Other topics include information representation, simple data types, and data structures. *Prerequisite: CSCI 6351 or permission of instructor.*

CSCI 6750 *Automated Data Processing Systems (3-0-3)*
A presentation of the fundamentals in the effective use of automated data processing. Topics include computer system fundamentals, computer languages, programming and program preparations, and an introduction to the analysis and design of computer-based systems.

CSCI 6950 *Selected Topics (Variable)*
A variable content course intended to meet the needs and interests of graduate students in selected areas of computer science. *Prerequisite: Permission of Department Chair and Instructor.*

ECED - Early Childhood Courses

ECED 3151 *Early Childhood Curriculum (3-0-3)*
Students will be expected to demonstrate a knowledge of theory and practices necessary to plan and implement curriculum for individual children and groups; to systematically develop and conduct assessments of individual children; and to engage in reflection about their practices. *Prerequisites: Admission to Teacher Education*

ECED 3161 *Management and Family Involvement (3-0-3)*
Management and Family Involvement fosters the attitudes, skills, and knowledge necessary for the effective management of productive learning environments. Issues such as management of students' behavior, classroom procedures, and classroom organization, situated within and related to the larger framework of successful planning and conduct of instruction, are addressed. *Prerequisites: Admission to Teacher Education*

ECED 3212 *Literacy I: Basic Literacy Instruction for Early Childhood Education (3-0-3)*
This course is designed to help beginning early childhood teachers learn how to teach reading, writing, oral language development, and listening in their

classrooms. It will focus on the best practice supported by research in these fields and will emphasize how the teacher can set up a classroom that fosters literacy learning for students aged 5-12. *Prerequisites: Courses in Block I.*

ECED 3231 *Early Childhood Science Education I (3-0-3)*

This course will engage prospective teachers in active learning that will address issues, events, problems, and process skills in Physical Science in grades Pre-K through 5. The students will be expected to integrate knowledge of science, learning, and pedagogy and apply that knowledge to science teaching. *Prerequisites: Courses in Block I.*

ECED 3241 *Early Childhood Social Studies Education I-Geography and History in K-5 Curriculum (3-0-3)*

This course will develop an understanding of the themes and learning standards identified in both the national geography standards and the national history standards. Students will explore the implications of these understandings for instruction and assessment activities in these content areas that are appropriate to K-5 learners. *Prerequisites: Courses in Block I.*

ECED 3252 *Language Arts Curriculum (3-0-3)*

The development of listening, speaking, and writing skills of children along with effective uses of language in oral/written communication are stressed. *Prerequisites: Courses in Block I.*

ECED 4222 *Early Childhood Mathematics Education (3-0-3)*

The course will focus on mathematics as a conceptual approach enabling children to acquire clear and stable concepts by constructing meanings in the context of physical situations and allows mathematical abstractions to emerge from empirical experiences. The students will be expected to integrate knowledge of mathematics, learning, pedagogy, and students and apply that knowledge to teaching mathematics. *Prerequisites: Courses in Block I and Block II.*

ECED 4313 *Literacy II: Advanced Literacy Instruction for Early Childhood Education (3-0-3)*

This course will examine reading and writing difficulties encountered in the classroom. It will emphasize diagnostic/prescriptive teaching through experience with informal diagnostic assessment tools. Students will then use results of these assessments to design and implement tutoring for children experiencing difficulties. *Prerequisites: Courses in Block I and II.*

ECED 4322 *Early Childhood Mathematics Education (3-0-3)*

This course will focus on mathematics as a conceptual approach enabling children to acquire clear and stable concepts by constructing meanings in the context of physical situations and allows mathematical abstractions to emerge from empirical experiences. The students will be expected to integrate knowledge of mathematics, learning, pedagogy, students and assessment, and apply that knowledge to teaching mathematics in grades Pre-K through 5. *Prerequisites: Admission to ECED Program; successful completion of Block I and II courses.*

ECED 4332 *Early Childhood Science Education II (3-0-3)*

The course will address issues, events, problems, and process skills in life

sciences, environment, technology, and society in grades pre-K through 5. The students will be expected to integrate knowledge of science, learning and pedagogy, and apply that knowledge to science teaching. *Prerequisites: Courses in Blocks I & II.*

ECED 4342 *Early Childhood Social Studies Education II-Civics Sociology, Economics in K-5 Curriculum (3-0-3)*

This course will develop an understanding of the national social studies standards. Special emphasis will be placed on instructional approaches that actively engage young learners in concept formulation, skill introduction and development, performance assessment. *Prerequisites: Courses in Blocks I & II.*

ECED 4381 *The Creative Arts (3-0-3)*

Designed to meet the unique needs of the early childhood regular classroom teacher; this course, based on the arts infusion model, will emphasize aesthetic perception, creative expression, cultural heritage, and aesthetic valuing as reflected in the content areas of music, creative dramatics, movement and the visual arts. *Prerequisites: Courses in Blocks 1 & 2.*

ECED 4491 *Early Childhood Apprenticeship/Seminar (3-12-15)*

Students are placed with selected master teachers for an entire semester during which they teach in the curriculum areas for which they are seeking certification. During the semester the apprentice teacher, under the supervision of the master teacher, assumes the responsibilities of professional teaching practice. Students reflect on and synthesize the conceptual and theoretical constructs of pedagogy with the complexity of practice. *Prerequisites: Successful completion of all components of early childhood sequence.*

ECON - Economics Courses

ECON 1810 *Introduction to Economics (3-0-3)*

A survey course for non-business majors. It covers both macro and micro-economics and is aimed at developing an understanding of economic policies and problems. This course may not be taken for credit if a student has earned credit in ECON 2106 or ECON 2105 or their equivalents. *Prerequisite: None.*

ECON 2105 *Macroeconomics (3-0-3)*

This introductory course explains the nature of the economic problems which any society must solve and how a mixed economy solves these problems. Topics covered include supply and demand, income and employment, money and banking, and fiscal policy. *Prerequisite: MATH 1101 or MATH 1111 and ECON 2106 with a grade of C or better.*

ECON 2106 *Microeconomics (3-0-3)*

The determination of prices and output levels and the explanation of economic equilibrium of individual economic units--the consumer, the firm, and the industry. *Prerequisite: MATH 1101 or MATH 1111.*

ECON 4810 *Economic Development of the United States (3-0-3)*
Traces development of economic institutions and policies, especially since 1860; deals with agriculture, manufacturing, commerce, transportation, money and banking, and the repercussions of periods of prosperity and depression. *Prerequisite: C's or better in ECON 2106 and ECON 2105 or in ECON 1810.*

ECON 4820 *International Economics and Finance (3-0-3)*
The theory of international trade, balance of payments, exchange rates, monetary movements, capital markets, and commercial policy. Implications of international financial reforms and international economic integration. *Prerequisite: ECON 2106, ECON 2105, with grades of C or better, and 50 semester hours.*

ECON 4950 *Selected Topics in Contemporary Economic Theory and Practice (3-0-3)*
A course and/or directed study of a major issue, practice, or problem in the area of economics. Content to be decided. *Prerequisite: The advisor's permission to use in the major and senior standing.*

ECON 4999 *Economic Concepts (3-0-3)*
This course is designed to cover the subject of introductory micro and macro economics. It includes selected topics of intermediate micro and macro theory. *Prerequisite: Graduate (MBA) student status.*

ECON 6800 *National and International Economics for Management (3-0-3)*
This course demonstrates how economic theory is applied to national and international managerial decision-making. *Prerequisite: Graduate (MBA) student status, ACCT 4999, ECON 4999, FINC 3400, MATH 3110 or equivalent.*

ECON 6890 *Current Issues In Economics (3-0-3)*
A variable content course individually designed to meet the needs, interests, and professional objectives in business administration. *Prerequisites: Graduate (MBA) student status and ECON 4999 or equivalent.*

EDLR - Educational Leadership Courses

EDLR 2900 *Leadership in Mentoring and Tutoring (1-2-3)*
This course introduces university students to literacy training in mentoring and tutoring.

EDLR 6050 *Educational Media (3-0-3)*
Examination of major theories of learning and their relationship to the use of instructional material. Opportunity to examine newer media as well as traditional media utilized in the schools. Emphasis on innovative equipment and creative development of instructional materials.

EDLR 6090 *Role of Multicultural Education in Educational Leadership (3-0-3)*
An investigation of the culture-education relationship. Students will study cultural sub-groups within the American educational system and the influence of various

leadership styles, multicultural curriculum, and prejudice-reduction programs on them and general school populations. Students also will conduct an original ethnographic study.

EDLR 6205 *Capstone in Educational Leadership (3-0-3)*
A culminating experience intended to assist the student in synthesizing the concepts and content learned in the educational leadership program. The culminating experience will involve a community service project.

EDLR 6400 *Fundamentals of School Administration (3-0-3)*
This course is an introduction to the theory and practice of educational administration. Major concepts in administration will be covered leading to a conceptual understanding and competence for effective school leadership.

EDLR 6410 *Educational Personnel Administration (3-0-3)*
Organizational dimensions and human resource planning will be discussed as they pertain to recruitment, selection, placement and induction, staff development, appraisal, rewards, collective negotiations, and legal, ethical and policy issues in the administration of human resources.

EDLR 6420 *Educational Business Administration (3-0-3)*
This course surveys the non-instructional areas of educational administration. Topics studied include the management of finance, information, time records, physical facilities, and resource management. The management aspects of related topics such as student affairs, personnel services, sensitive educational programs, special education services and other public and private educational arrangements are also discussed as part of the course.

EDLR 6430 *School Law (3-0-3)*
This is a survey of the field of school law emphasizing the legal requirements of managing the public school, the legal status of teachers and students, group discrimination law, tort liability, legal controls of school finance, and the issues of religion and public education.

EDLR 6500 *Advanced Curriculum Development for Educational Leaders (A/S) (3-0-3)*
Problems of the school, teaching, and curriculum development; emphasis on the preparation and implementation of curriculum.

EDLR 6550 *Instructional Supervision of Educational Leaders (3-0-3)*
This course is designed to introduce students to an understanding of their supervisory role to all personnel in the school/district setting. Students will develop the awareness, understanding, and capability related to the concepts of supervisory leadership, employ adult learning theory, encourage human relations, provide staff development, apply administrative functions, and organize for change in a collaborative mode with the administrator, teaching staff, adjunct faculty, non-contractual school personnel and community.

EDLR 6610 *The Principalship (3-0-3)*

Competencies required for effective and productive educational leadership will be discussed: theory of change, leadership, organization, instruction, human resource development, school climate, evaluation and assessment. A field experience component (shadow-a-principal) is included.

EDLR 6620 *School and Community Relations (3-0-3)*

This course is designed to provide the opportunity for current and potential educational leaders to apply principles of human relations and group dynamics with students, parents, staff, administrators, school board members, and community. General issues of the various forms of human diversity found in schools and communities will be addressed (i.e., cultural, gender, class, and language).

EDLR 6630 *Administration of Literacy Programs (3-0-3)*

This course is designed to introduce educators to theories and practices involved in creating and supervising literacy programs.

EDLR 6640 *The Institute in Education and Leadership (3-0-3)*

This course is designed as a comprehensive institute for aspiring and current educational leaders. Theories, practices, and research findings that guide sound educational leadership practices will be covered.

EDLR 6650 *Grants Writing for Administrators (3-0-3)*

This course is designed to allow students the opportunity to learn methods/processes of grants writing, i.e., project development, funding source development, and proposal writing.

EDLR 6700 *Technologies for Educational Leaders (3-0-3)*

An introductory course in applying the latest developments in educational technology in an educational setting. Special emphasis will be place on evaluating and using integrated software, telecommunications, optical disks, miltimedia, and desktop publishing.

EDLR 6900 *Practicum in Educational Administration (L-5) (0-6-3)*

This course is designed to provide students with leadership opportunities in the solution of an administrative or leadership problem at the school site. In collaboration with the building principal, a school improvement project will be identified, planned, designed, implemented, and evaluated.

EDLR 7000 *Selected Topics in Educational Leadership (3-0-3)*

This course examines problems in the light of recent knowledge and research in educational leadership. Focus is on specifically designated areas of educational leadership.

EDLR 7110 *Supervision for Teacher Support Specialists (3-0-3)*

This course is designed to introduce teachers to the theories and practices involved in supporting and supervising student teachers, interns, and other field experience students. It will provide opportunities for the participants to develop cognitive and affective skills necessary for guiding student teachers and other

laboratory students in planning, implementing, and evaluating classroom instruction and classroom management.

EDLR 7120 *Internship for Teacher Support (0-6-3)*

This is the second course in a two course series for the teacher support specialist endorsement. This internship is designed to allow the supervisor to demonstrate and apply knowledge, skills, and attitudes of supportive supervision in a clinical setting. Emphasis will be placed on the demonstration of specific supervisory skills as required to supervise field experience students, student teachers, beginning teachers, and veteran teachers.

EDLR 7351 *Internship I*

Internship in Educational Leadership for students enrolled in the Educational Specialist program.

EDLR 7352 *Internship II*

Continuation of EDLR 7351.

EDLR 7450 *Public School Finance (3-0-3)*

The course will examine the equity and efficiency of tax supported public education, current trends in funding of public education and administrative task of the budget process such as determining needs, establishing cost, compensating personnel, purchasing, accounting, auditing, inventorying, warehousing, and paying the bills will be studied.

EDLR 7460 *Leadership Styles (3-0-3)*

This course provides the opportunity for students to study leadership theory and ineffective management practices in American and International organizations.

EDLR 7470 *School Facilities (3-0-3)*

This course surveys the school facilities needed to provide a suitable teaching/learning environment necessary to meet current and emerging education needs. The management aspects related to topics such as planning, modernizing, risk management, and technology are also discussed as part of the course.

EDLR 7540 *Ethical Basis for Leadership (3-0-3)*

This course is designed to explore the concern that educational leadership is a crucial component in improving schools. Students will examine and reflect up on their advocacies and ideological platforms for a moral and ethical dimension of leadership. As future change agents, students will explore the concept that a moral and ethical dimension of leadership will be centered around purpose, values, and beliefs all intended to transform schools from organizations to communities.

EDLR 7561 *Thesis I (3-0-3)*

Directed study in conducting research and writing a thesis.

EDLR 7562 *Thesis II (3-0-3)*

Continuation of EDLR 7561.

EDTD - Teacher Development Courses

EDTD 3011 *Educational Technology (3-0-3)*
Examine creative use and assessment of various computer platforms, specialty hardware, integrated software, presentation software, communication software, and information systems which are directly related to effective teaching. Students will participate in and complete training for InTech, an intensively structured Georgia Department of Education Professional Development Program. Upon satisfactory completion of this course (minimum grade of B), students will earn certification in InTech. *Prerequisite: Admission to Teacher Education Program.*

EDTD 6011 *Instructional Technology Applications (3-0-3)*
This course will examine and evaluate seven basic technology strands as they relate to the instructional process: (1) curriculum integration, (2) productivity, (3) operating systems and networking, (4) telecommunications and on-line services, (5) distance learning- exploration, (6) multimedia/presentations, (7) desktop publishing. *Prerequisite: Admission to Graduate Program*

EDTD 6012 *Advanced Instructional Technology (3-0-3)*
This course focuses on technology resources and integration strategies for several different content areas with special emphasis on incorporating the current trends toward thematic, interdisciplinary instruction. Students will dive deeply into the Internet as a tool for inquiry and develop web based activity units that will provide children with opportunities for seeking the information needed for authentic problem-solving projects. *Prerequisites: EDTD 6011, EDTD 6021*

EDTD 6111 *Qualitative Research in Education (3-0-3)*
The course will include an overview of the qualitative research process, its methods, goals and foundations. Students will then employ several of the strategies in a mini-action research project aimed at improved practice within their classrooms/schools.

EDTD 6112 *Qualitative Research in Education II (3-0-3)*
This course is a continuation of EDTD 6111. This course will include an in depth analysis of the qualitative research process. Students will review and critique a variety of qualitative studies. Students will extend their knowledge of postpositivism with a focus on critical research. Students will then apply their knowledge by designing and implementing a critical study aimed at school improvement. *Prerequisite: EDTD 6111.*

EDTD 6113 *Teacher Behaviors and Student Growth (3-0-3)*
Students will examine teacher behaviors and their relationships to student achievement and student perceptions. Low-inference teacher behaviors and student behaviors will be analyzed in the light of their observation, measurement, and quantification. Various procedures for assessing student growth will be studied. Students will focus on research literature relevant to their specific content teaching areas.

EDTD 6131 *Strategic Teaching and Learning in Social Science (3-0-3)*
This course will examine research in strategic learning and schema theory and the implications for social science curriculum and instruction. *Prerequisites: Successful completion of EDUC 6021 and EDUC 6140.*

EDTD 6132 *Multicultural Education (3-0-3)*
The course will engage students in developing a sound understanding of what multicultural education is and how its tenets may be employed in instruction. Students will examine the theoretical and scholarly literature related to multicultural education.

EDTD 6141 *Research in Mathematics Education (3-0-3)*
This course will examine research models related to the teaching and learning of mathematics. Emphasis will be on development of the student's ability to search, read, interpret, and critique research literature. Implications for curriculum and instruction in mathematics will be derived. *Prerequisites: Completion of EDUC 6021 and EDUC 6140.*

EDTD 6221 *Instructional Strategies in Literacy (3-0-3)*
This course focuses on helping teachers learn to implement basic instructional strategies in the areas of reading with limited attention to writing. It is intended for students who have never had a course in literacy instruction or have one that is more than five years old. Practice in informal and authentic assessment is also included.

EDTD 6222 *Current Best Practice in Literacy (3-0-3)*
This course focuses on helping teachers learn to implement current best instructional practice in literacy in their classrooms.

EDTD 6224 *Writing Across the Curriculum (3-0-3)*
Designed for content area teachers (grades 4-12) who wish to use writing as a tool to enhance student understanding. Emphasis is placed upon teaching for understanding by taking advantage of the contributions of writing strategies and processes to subject area thinking and achievement. Topics include types of writing; use of journals; strategies for improving writing skills; strategies in math, science, social studies, English/language arts, art and music; and assessment. *Prerequisites: Admission to master's program.*

EDTD 6225 *Reading in the Content Area (3-0-3)*
Designed for content area teachers (grades 4-12) who wish to improve their students' ability to read and comprehend subject area materials. Emphasis is placed upon teaching for understanding by taking advantage of the contributions of literacy processes (listening, speaking, thinking, and reading) to content area achievement. Topics include readability of texts; vocabulary development; trade books; strategies to improve reading in math, science, social studies, literature, physical and health education; study techniques; and assessment. *Prerequisite: Admission to master's program.*

EDTD 6231 *Inquiry Centered Social Science Instruction (3-0-3)*
In this course students will examine three models of inquiry centered social science instruction: historical investigations, simulation problem solving with decision tree strategies, and hypothesis testing. All three models emphasize the development of conceptual understanding and the integral use of complex thinking skills in learning subject matter. Students will examine adaptations of these models to learners of varied ages and developmental characteristics. *Prerequisites: Successful completion of Advanced Studies in Educational Psychology and Technology Innovations and Utilizations in Education.*

EDTD 6232 *Nurturing Proactive Relationships with Nature: ECO/Social Studies (3-0-3)*
An investigation of MAN/NATURE relationships throughout history; an awareness of contemporary issues and problems related to natural and social environments strategies for incorporating environmental education national standards/ Georgia's QCCs into the K-12 social studies curriculum; and the nurturing of an environmental ethic among school-age children and adolescents. *Prerequisites: Admission to master's program.*

EDTD 6261 *Best Practices in (Various Topics) (3-0-3)*
The course will examine best practices in the schools and the research upon which they are founded. The course will be offered in several variations. Educational theory and practice will come together to enable students to develop strategies to employ best practices within their fields and classrooms.

EDTD 6262 *Models of Teaching (3-0-3)*
Models of teaching will be examined from a content-oriented perspective. Students will use these approaches to plan and implement lessons in their specific content areas.

EDTD 6263 *Instructional Strategies: Integrated Curriculum in the Classroom (3-0-3)*
This course is designed to help teachers develop teaching/learning strategies and to integrate curriculum in their classrooms. Emphasis is placed upon helping teachers to adapt strategies, choose materials, and design units that integrate subject areas across a non-textbook based, student-centered curriculum.

EDTD 6264 *Infusing Productive Thinking and Creative Problem Solving Across the Curriculum (3-0-3)*
The focus of the course is on specific contemporary thinking skills model programs and creative problem solving.

EDTD 6271 *Identifying Outstanding Talents and Potentials in Students (3-0-3)*
An examination of the nature of children and youth having high potential in multiple areas. Includes consideration of definitions, characteristics, and identification of the gifted and talented as reflected in historical and contemporary theory and research. *Prerequisites: EDLR 6040 Tests and Measurement.*

EDTD 6272 *Developing Outstanding Talents and Potentials in Students (3-0-3)*

An opportunity to develop and implement appropriately challenging instructional strategies and materials, and to examine and critique teaching models for meeting the unique educational needs of the bright learner in the classroom. *Prerequisites: EDLR 6040 Tests and Measurement, EDTD 6271.*

EDTD 6273 *Curriculum and Program Design for Developing Talents (3-0-3)*
An investigation of administrative designs, conceptual programs, and approaches to provide qualitatively differentiated curriculum for the bright learner. *Prerequisites: 6040 Tests and Measurement, EDTD 6271, EDTD 6272.*

EDTD 6281 *Profiles, Process folios, Portfolios: Contemporary Approaches to Student Assessment and Evaluation (3-0-3)*
Designed to examine current trends and proven practices in educational assessment. Participants will evaluate a variety of approaches recommended for both traditional and alternative approaches to assessment of student achievement.

EDTD 6320 *Current Trends in Early Childhood Education (3-0-3)*
The course will examine current trends and national standards in the elementary schools and the research upon which they are founded. Educational theory and practice will come together to enable students to develop strategies to employ best practices within their fields and classrooms. *Prerequisites: Admission to master's program.*

EDTD 6291 *Classroom Management Techniques and Strategies (3-0-3)*
Designed to examine a variety of approaches for effective classroom management, the course will lead participants to create a classroom atmosphere designed for optimal learning for understanding.

EDTD 6410 *Middle Grades Theory and Program Evaluation (3-0-3)*
Students will examine the Middle School as an organization and elements of an effective Middle School. Students will jointly construct a design for program evaluation and conduct evaluations at local Middle Schools. *Prerequisites: EDTD 6011, EDTD 6021.*

EDTD 6412 *Theory into Practice in Middle Grades (3-0-3)*
This course is designed to familiarize students with the research base, which undergirds students-centered pedagogy, and student driven curriculum in the middle grades. Current trends and issues related to middle grades education will further be examined in light of middle school theory. An examination of the research and theory related to instruction designed specially for young adolescent will lead to the development of strategic plans for teachers to use this research within their own classrooms, schools districts and state. *Prerequisites: Admission to master's program.*

EDTD 6420 *Best Practices in Interdisciplinary Teaming (3-0-3)*
The course will examine best practices in interdisciplinary teaming and the research upon which they are founded. Educational theory and practice will come together to enable students to develop strategies to employ best practices related to interdisciplinary teaming their fields and classrooms. *Prerequisites: Admission to master's program.*

EDTD 6421*Best Practices in Using Literature
with Young Adolescents (3-0-3)*

This course is designed to familiarize students with a variety of current literature writing for young adolescents. Students will design strategies for utilizing literature in the classroom as a basis for sound language arts instruction and as a means to integrate reading and literature throughout the curriculum and across various content areas. Issues of student motivation, meeting adolescent needs, reading instruction, response to literature, connections to writing and assessment will be addressed. *Prerequisites: Admission to master's program.*

EDTD 6801*Current Issues and Problems in Teaching (3-0-3)*

Seminar or directed study on major issues, problems or instruction related developments in teaching. Issues will be examined from both historical and contemporary perspectives. The ability to analyze both the issue and the perspectives of authorities addressing it will be emphasized, as will capability for synthesizing implication, limitations, and opportunities for instructional practice. *Prerequisites: Permission of instructor.*

EDTD 6909*Teacher Development Capstone Seminar (3-0-3)*

Students will synthesize and apply both theoretical and practical understandings developed throughout the program. *Prerequisites: successful completion of 30 semester hours of approved M.Ed. Program, permission of graduate faculty advisor.*

EDTD 7160*Curriculum Design & Program Assessment (3-0-3)*

This course will examine and analyze the following core elements of curriculum design: conceptual purpose, content, coherence, articulation within a subject area across grade levels, and across subjects, alignment with both achievement standards and achievement assessments. Program assessment will be examined with particular attention to how it differs from but is relevant to student performance assessment.

EDTD 7162*Advanced Topics in English Education (3-0-3)*

This course will examine current research, practices, and issues in language arts\English education as delineated in journal readings, conference proceedings, and other relevant sources. Students will synthesize these findings and will determine implications for curriculum and instruction in language arts. *Prerequisites: Admission to the Ed.S. Program or permission of the instructor.*

EDTD 7163*Advanced Topics in Social Science Education (3-0-3)*

This course will examine current research, practices, and issues in social science education as delineated in journal readings, conference proceedings, and other relevant sources. Students will synthesize these findings and will determine implications for curriculum and instruction in social science. *Prerequisites: Admission to the Ed.S. Program or permission of the instructor.*

EDTD 7164*Advanced Topics in Science Education (3-0-3)*

This course will examine current research, practices, and issues in science education as delineated in journal readings, conference proceedings, and other relevant sources. Students will synthesize these findings and will determine

implications for curriculum and instruction in the natural sciences. *Prerequisites: Admission to the Ed.S. Program or permission of the instructor.*

EDTD 7165 *Advanced Topics in Mathematics Education (3-0-3)*
This course will examine current research, practices, and issues in mathematics education as delineated in journal readings, conference proceedings, and other relevant sources. Students will synthesize these findings and will determine implications for curriculum and instruction in mathematics. *Prerequisites: Admission to the Ed.S. Program or permission of the instructor*

EDTD 7210 *Issues and Trends in Middle Level Education (3-0-3)*
This course examines current issues and trends related to Middle Grades Education, including issues of school reform, implementing best practices, assessment, accountability, and teaming and collaborating with parents and other members of the school community.

EDTD 7221 *Authentic Literacy Assessment (3-0-3)*
This course is designed to teach educators how to assess what goes on in classrooms where reading and writing for real purposes is the norm. It will involve study of the evolution of literacy assessment from standardized tests to informal tests to criterion-referenced tests and authentic assessment.

EDTD 7222 *Engaging Students in Literacy: Motivating Learners to be Literate (3-0-3)*
This course will concentrate on interpreting available research on motivation to read. In addition, finding and using motivational materials that are also instructionally sound will be studied.

EDTD 7909 *Thesis I (3-0-3)*
Students will carry out empirical research that represents the application of theory, the extension of research, or the development of creative approaches to aspects of teaching and learning. Students will describe in a thesis the results of their research. *Prerequisites: successful completion of EDUC 7021 or of comparable graduate coursework.*

EDTD 7910 *Thesis II (3-0-3)*
This course is a continuation of EDTD 7909. Students will carry out empirical research that represents the application of theory, the extension of research, or the development of creative approaches to aspects of teaching and learning. Students will describe in a thesis the results of their research, and will orally defend the thesis. *Prerequisites: successful completion of EDTD 7909.*

EDUC - Education Courses

EDUC 2101 *Introduction to the Historical and Philosophical Foundations of American Education (3-0-3)*
The course is designed to help the student analyze and examine the role of the professional educator, including ethical and effective practices; to study the social, historical, and philosophical perspectives in American Education along with the methods of inquiry used in the analysis of educational issues (Based on Outcomes stated in Area F of the Core). A 30 hour experience in the public schools is required.

EDUC 2102 *Human Development and Learning Theory (3-0-3)*
The course provides the student with an understanding of human growth and development, learning and instruction. The course examines the range of abilities and exceptionalities representative of students in schools. Effective teaching practices are examined (based on outcomes stated in Area F of the core). A 30-hour field experience in the public schools).

EDUC 2103 *Educational Technology (3-0-3)*
An examination and creative use and assessment of various computer platforms, specialty hardware, integrated software, presentation software, communication hardware and software and information systems which are directly related to effective teaching.

EDUC 6020 *Foundations of Education (3-0-3)*
This course is designed to help advanced students develop a connected array of perspectives on the development of educational thought including philosophical and historical perspectives; society's great expectations of the school; contemporary schooling patterns and the foundations of curriculum; pressing issues of finance, cultural diversity, accountability, and control of the schools; and a look at the future of American Education.

EDUC 6021 *Introduction to Educational Research (3-0-3)*
Through this core research course students will gain an understanding of basic concepts of educational research, including research design options. Students should understand data analysis protocols and should be able to perform various data analyses. *Prerequisite: Admission to Graduate Program in Education.*

EDUC 6021 *Introduction to Educational Research (3-0-3)*
Through this core research course students should understand basic concepts of educational research, including research design options. Students should understand data analysis protocols and should be able to perform various data analyses. Students will be able to interpret and evaluate published research. *Prerequisite: Admission to Graduate Program in Education.*

EDUC 6040 *Tests and Measurement for Educational Leaders (3-0-3)*
This course is concerned with practical methods and procedures involved in the construction and evaluation of teacher-made tests and the interpretation of test scores, as well as with the considerations involved in the selection and use of standardized tests.

EDUC 6140 *Advanced Educational Psychology (3-0-3)*
This course involves the application of psychological theories of learning and scientific findings to learning activities of the classroom as well as to the more complex problems of the educational process. The main focuses are on the learner, the learning process, and the learning condition. In addition to examining the science of learning, the art of teaching will also be discussed.

EDUC 7001 *Education Specialist Seminar I (3-0-3)*
The course involves developing skills of self-analysis, goal setting and building

fundamental communication and leadership qualities. A personal/ interpersonal approach will be used to examine themes related to developing leadership/change agent skills. Themes addressed include the change process, leadership, collaboration, and context issues.

EDUC 7002 *Education Specialist Seminar II (3-0-3)*
School will be examined as a political institution within various contexts and constraints which affect leaders in the school community. Themes will include the change process, leadership, collaboration, context and policy issues.

EDUC 7003 *Education Specialist Seminar III (3-0-3)*
Students will work with their “mentor leader” to apply knowledge and skills gained within their own role and workplace. These experiences will allow students to further develop, directly apply, and demonstrate their knowledge and skills related to leadership.

EDUC 7021 *Conducting Educational Research (3-0-3)*
The purpose of this course is to prepare students to plan and conduct empirical research in which sound research designs and comprehensive literature reviews are used. Meta-analytic procedures will be investigated as means of synthesizing research literature. **MUST BE TAKEN CONCURRENTLY WITH PROGRAM THESIS I COURSE.** *Prerequisites: Admission to the Ed.S. program and satisfactory completion of EDUC 6021 or equivalent.*

ENGL - English Courses

ENGL 0090 *Developmental English ESL I (3-0-3)*
Designed for the non-native speaker of English, this course provides instruction in reading and writing at the sentence and paragraph levels. Supervised multi-media activities geared towards individual linguistic needs are included. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: TOEFL Score of 500-549 (Computer-based TOEFL Score of 173-212).*

ENGL 0091 *Developmental English ESL II (3-0-3)*
Designed for the non-native speaker of English, this course provides instruction in the reading and writing processes at the essay level. Supervised multi-media activities geared towards individual linguistic needs are included. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: ENGL 0090 or TOEFL Score of 550-599 (Computer-based TOEFL Score of 213-249).*

ENGL 0097 *Developmental English I (3-0-3)*
This course provides instruction in writing sentences, composing paragraphs, and editing compositions. Course work includes intensive writing practice, analyses of sample compositions, and group and individual assignments. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: English CPE Score of 62-71.*

ENGL 0099*Developmental English II (3-0-3)*

This course provides instruction in writing and editing essays. Course work includes intensive writing practice, analysis of sample compositions, and group and individual assignments. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: ENGL 0097 or English CPE Score of 72-77.*

ENGL 0510*Critical Reading (3-0-3)*

Designed as remediation for the reading portion of the Regents' Testing Program, this course provides instruction in analyzing expository, argumentative, and narrative writing. The course endeavors to enrich students' vocabulary, to increase their reading speed, and to improve their comprehension skills, including strengthening their ability to understand figurative language and to make sound inferences. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.)

ENGL 0520*Expository Writing (3-0-3)*

Designed as remediation for the writing portion of the Regents' Testing Program, this course provides instruction in extemporaneous composing of expository and argumentative essays. The course emphasizes organization, development, and coherence. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.)

ENGL 1101*College Composition I (3-0-3)*

Composition I focuses on skills required for effective writing in a variety of contexts, with emphasis on exposition, analysis, and argumentation. This course also includes introductory use of a variety of research skills. The course provides instruction in word processing and in computer-based research. A grade of C or better is required. Once students have earned and/or transferred in 18 hours, they must continue to register for ENGL 1101 until successfully completing the course. *Prerequisites: None.*

ENGL 1102*College Composition II (3-0-3)*

Literature-based, Composition II develops writing skills beyond the levels of proficiency required in English 1101. Interpretation and evaluation are emphasized, and more advanced research methods are incorporated. The course includes instruction in composition of a research paper. A grade of C or better is required. Once students have successfully completed ENGL 1101 and have earned 27 hours, they must continue to register for ENGL 1102 until successfully completing this course. *Prerequisites: ENGL 1101, with a grade of C or better.*

ENGL 1113*Honors Freshman Composition I (3-0-3)*

This course develops more advanced skills in critical reading, thinking, and writing than is possible in 1101. The course incorporates study of texts by some of the world's most influential thinkers into a framework which develops skills in critical reading, critical thinking, and writing at a level more advanced than is possible in English 1101. The course also includes basic instruction in word-processing and in computer-based research. A grade of C or better is required. A student who fails to make a C or better in 1113 must take English 1101. *Prerequisites: Eligibility for honors English/Invitation of the Department.*

ENGL 1114 *Honors Freshman Composition II (3-0-3)*

A literature-based composition course, ENGL 1114 emphasizes research, analysis, interpretation, and evaluation. Based in literature which reflects cultural diversity, English 1114 explores a greater variety of literature and of theoretical approaches to literature than is possible in English 1102. This course includes instruction in library and computer-based research and correct reporting and documenting of research in a lengthy paper. A grade of C or better is required. A student who fails to make a C or better in 1114 must take English 1102. *Prerequisites: Satisfactory completion of English 1113/Eligibility for honors English/Invitation of the Department.*

ENGL 1210 *Preparation for the Regents' Test (1-0-1)*

Intensive instructions in critical reading and expository writing in preparation for the Regents' Test. Suggested for (1) students whose teachers recommended additional preparation; (2) students who have made a C in English 1101 and/or 1102 on their first try; (3) students who have been out of school for a number of years. Strongly recommended for (1) students who have transferred English 1101 credits to ASU; (2) all non-native English speakers; (3) students who have repeated 1101 or 1102 and have made C's. Students who have taken the Regents' Test and failed it may not take this course.

ENGL 2110 *Creative Writing (3-0-3)*

Study and application of the techniques of writing fiction, poetry, and drama. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better.*

ENGL 2250 *Introduction to Literary Studies (3-0-3)*

Close reading of selected literary texts integrated with a survey of major critical approaches to literature, standard bibliographical tools, important literary terms, and conventions of scholarly writing in the discipline. *Prerequisites: ENGL 1101-1102 or 1113-1114 and HUMN 2001 with a grade of C or better.*

ENGL 2950 *Selected Topics (3-0-3)*

A study of various literary developments, including movements, authors, and genres of interest to the lower-division undergraduate student. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 with a grade of C or better.*

ENGL 3001 *Anglo-Saxon and Middle English Literature (3-0-3)*

A survey of English Medieval literature, including the major genres and works of the period from Beowulf through Malory. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3002 *English Literature from the Renaissance to the Restoration (3-0-3)*

A survey of English literature from 1485 to the Restoration. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3003 *English Literature from the Restoration through the Romantics (3-0-3)*

A survey of English literature from the Restoration to 1830. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3004 *English Literature of the Victorian and Modern Periods (3-0-3)*

A survey of English literature from 1830 to 1945. *Prerequisites: ENGL 1101-1102*

or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 3101 *American Literature to the Rise of Realism (3-0-3)*
A survey of major writers, movements, and historical periods to 1875.
Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 3102 *American Literature Since the Rise of Realism (3-0-3)*
A survey of major writers, movements, and historical periods since 1875.
Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 3110 *African-American Literature (3-0-3)*
A survey of African-American literature from the early slave narratives to the present. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3120 *Southern Literature (3-0-3)*
A survey of works by Southern writers, with emphasis on twentieth-century prose writers. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3210 *Film Appreciation (3-0-3)*
An introduction to the art of the motion picture, including a consideration of camera movement, camera angles, lighting, editing, mise en scene, acting, plot and story.
Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 3212 *Introduction to Film History (3-0-3)*
A study of the history and technique of the motion picture, concentrating on film from 1890 to 1940. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3221 *Literature in Performance I (3-0-3)*
An introduction to the art of theater, as well as an historical survey of the development of Western drama from Ancient Greece to the Middle Ages.
Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 3222 *Literature in Performance II (3-0-3)*
A continuation of ENGL 3221, beginning with the English Restoration; a study of stage design and technology and the development of dramatic literature to the modern period. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3310/WMST 3310 *Women's Literature (3-0-3)*
An examination of a wide range of women writers, both classic and contemporary, with an emphasis on multicultural and/or multidisciplinary approaches.
Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 3320 *Children's Literature (3-0-3)*
A survey of literature for children, including poetry, picture books, fiction, and non-fiction for use across the curriculum. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002.*

ENGL 3330 *Literature for Pre-Adolescents and Adolescents (3-0-3)*
Designed for teachers in the middle grades. A survey of types of literature primarily read by pre-adolescents and adolescents. This course does not count toward the English major or minor. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002.*

ENGL 3600 *Sandhills (2-0-2)*
Study and application of the techniques of fiction, poetry, and drama. Enrollment in this course entails free participation in the Sandhills Writers Conference, attendance at its sessions, and individual conferences with and critiques by its staff. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3620 *Dramatic Writing (2-0-2)*
A workshop in the writing of one-act and full-length plays or screenplays. Topics include Aristotle and dramatic theory, plot structure, character, dialogue, naturalism, symbolism, theme, production problems, and manuscript format. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3630 *Writing Song Lyrics and Poems (2-0-2)*
An introductory course in the writing of verse and poetry. Students will study successful songs and poems and write numerous songs and poems of their own. Some studio recording and public reading of selected student writing will be required. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3640 *Writing Short Fiction (2-0-2)*
An introduction to the basic concepts and procedures important to the processes of creating short works of fiction. Students will write stories, review stories, critique the work of other students, and analyze selected texts focusing on the writing process. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3680 *Technical Writing (3-0-3)*
Intensive study of the theory and practice of writing procedures, proposals, grants, manuals, reports, summaries of technical processes, basic forms of business correspondence, and of creating effective supporting graphics. Attention is given to editing skills, effective use of format, headings, table of contents, and appendices, and mastery of tone manipulation through vocabulary, syntax, content, and layout. Students communicate complex subject matter to specific audiences, lay and technical, in primary technical forms. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3681 *Advanced Writing (3-0-3)*
Practice in various types of writing appropriate to the academic and career interests of the student. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3683 *Feature Writing (3-0-3)*

A practical course in writing and marketing various types of feature articles for newspapers, magazines, and other periodicals. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3810 *Teaching Writing in Middle Grades (3-0-3)*
Intensive practice in various types of writing within a study of composition theory and pedagogical issues relevant to teaching writing in the middle grades. This course does not count toward the English major or minor. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 3820 *Teaching Writing in the Secondary School (3-0-3)*
A consideration of theory and practice in the teaching of writing and of grammar at the high school level. A field experience of 45 clock hours is a required component of this course (This course does not count in the English minor or in the Literature, Creative Writing, or Professional Writing Tracks of the English major). *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002.*

ENGL 4000 *Studies in British Literature (3-0-3)*
An intensive study of selected topics in the literature of the British Isles. The course may focus on periods, literary movements, or genres. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4100 *Studies in American Literature (3-0-3)*
An intensive study of selected topics in American literature. The course may focus on literary movements, periods or genres, e.g. the Harlem Renaissance, Southern drama, or the literature of New England. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4200 *Studies in Genre (3-0-3)*
An intensive examination of a particular genre (e.g. epic, tragedy, or satire). *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4220 *Modern Drama (3-0-3)*
A survey of major European and American dramatists, including Ibsen, Shaw, Chekhov, Yeats, O'Neill, Sartre, Brecht, Miller, and Williams. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002.; ENGL 2250.*

ENGL 4230 *Modern Poetry (3-0-3)*
A study of the major movements in English and American poetry from World War I to the present. Emphasis is placed on Eliot, Yeats, Pound, Frost, and Auden. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4250 *The Modern American Novel (3-0-3)*
A study of several major American novels written since World War I, including works by such novelists as Hemingway, Fitzgerald, Faulkner, Morrison, and Bellow. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4261 *The English Novel to 1900 (3-0-3)*
A survey of the English novel, emphasizing the novels of Defoe, Richardson,

Fielding, Austen, Bronte, Dickens, and Hardy. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4262 *The Modern British Novel (3-0-3)*
A study of several modern British novels, with emphasis on works by Conrad, Woolf, Lawrence, Forster, Greene, and Joyce. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4310/WMST 4310 *Studies in Feminism (3-0-3)*
A course which uses feminist scholarship to analyze selected texts and topics. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4330 *Studies in Popular Culture (3-0-3)*
An examination of selected topics in popular culture. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4350 *Studies in Medieval Literature and Medievalism (3-0-3)*
An intensive study of selected topics in medieval literature and literary traditions that grow out of the Middle Ages. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4360 *Studies in World Literature (3-0-3)*
An intensive study of selected topics in world literature. The course may focus on major figures, periods, literary movements, or genres. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4410 *Chaucer (3-0-3)*
A study of *Troilus and Criseyde*, *The Canterbury Tales*, and some minor poems. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4420 *Shakespeare (3-0-3)*
The major Shakespearean histories, comedies, and tragedies within the context of the Elizabethan theater. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4430 *Milton (3-0-3)*
The major and minor poems and selected prose of Milton. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4440 *Studies in Major British Authors (3-0-3)*
An intensive examination of the works of a major British writer (e.g. Blake, Joyce, or Woolf). *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4450 *Studies in Major American Authors (3-0-3)*
An intensive examination of the works of a major American writer (e.g. Faulkner, Melville, or Morrison). *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4510 *Literary Theory (3-0-3)*

A study of the major critics from Aristotle to the present, with emphasis on the development of various twentieth-century critical positions. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4520 *Theories of Writing (3-0-3)*
An introduction to theories of writing, both classical and modern, including the perspectives offered by linguistics, psychology, rhetoric, and literary theory. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4530 *Studies in Theory (3-0-3)*
An intensive examination of selected topics in critical theory and practice; the course may focus on major theorists, periods, or movements. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4601 *Major Project I (2-0-2)*
An independent study course which allows the student to devote full attention to a writing project. The student should focus on some aspect of narrative, dramatic, or poetic writing and should produce a work of publishable or near-publishable quality. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4602 *Major Project II (2-0-2)*
An advanced independent study course which allows the student to devote full attention to a writing project. The student should focus on some aspect of narrative, dramatic, or poetic writing and should produce a work of publishable quality. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250; ENGL 4601.*

ENGL 4630 *Poetry Workshop (2-0-2)*
An intensive practicum in the writing of poetry. Students will write and revise their own poetry, participate in a weekly workshop of evaluation and criticism, and read extensively in the work of contemporary poets. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4640 *Fiction Workshop (2-0-2)*
Advanced concepts and procedures important to the writing process, among them questions of genre, mode, and technique. Students will write material in the (fiction) genre of their choice, critique the work of other students, analyze selected published works, and read selected texts focusing on the writing process. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4680 *Studies in Writing (2-0-2)*
An intensive study of selected topics in professional or creative writing. The course may focus on issues of craftsmanship, technique or genre. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4711 *Introduction to Linguistics (3-0-3)*
The fundamentals of descriptive and structural linguistics; phonemes and phonemic transcription; morphology and syntax; and transformational grammar. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

ENGL 4712 *Modern Grammatical Systems (3-0-3)*
An examination of modern grammatical systems, with emphasis on a description of the grammatical structure of English. *Prerequisites:* ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250; ENGL 4711.

ENGL 4720 *History and Structure of the English Language (3-0-3)*
A study of the history and structure of the English language from Old English to the present. *Prerequisites:* ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 4900 *Cullum Lecture Series (V-0-V)*
A variable-content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative programs. Students will hear lectures by nationally and internationally known scholars with expertise in the topic, will attend films and/or panel discussions, will participate in class discussions, and will prepare a student project. *Prerequisites:* ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.

ENGL 4950 *Selected Topics (3-0-3)*
Seminar in a particular author, period, style, subject or movement, often conducted on an interdisciplinary basis. *Prerequisites:* ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; and ENGL 2250.

ENGL 4960 *Undergraduate Internship (V-0-V)*
An internship is a service-learning experience based in an off-campus agency or organization. The experience entails the completion of a specific task and the acquisition of specific knowledge and skills under the supervision of Augusta State University faculty and the cooperating organization or agency. *Prerequisites:* ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250, and permission of the instructor.

ENGL 4990 *Undergraduate Research (3-0-3)*
A major research project exploring a specific topic under the close direction of the supervising instructor. Emphasis is placed on the student's learning research techniques. The student should produce a work of near-publishable quality. *Prerequisites:* Permission of the instructor.

ENGL 6010 *Special Topics in World Literature (3-0-3)*
An intensive study of selected topics in world literature. The course may focus on major figures, periods, literary movements, or genres, and will usually include non-Western as well as Western texts. *Prerequisites:* Admission to the graduate program and permission of the instructor.

ENGL 6110 *Special Topics in Genre (3-0-3)*
A comparative study of a particular genre, such as comedy, tragedy, or satire. *Prerequisites:* Admissions to the graduate program and permission of the instructor.

ENGL 6125 *Literature for Children (3-0-3)*

A critical study of literature for children. Topics include the history of children's literature, a survey of types of children's literature, and problems in teaching. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6130 *Topics in Pre-adolescent and Adolescent Literature (3-0-3)*
A critical study of literature appropriate for middle grades students. Topics include major genres and major authors in the context of critical perspectives. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6230 *Studies in African-American Literature (3-0-3)*
Study of major texts in African-American literature, beginning with early slave narratives. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6250 *Studies in Women's Literature (3-0-3)*
An examination of a wide range of women writers, with an emphasis on multicultural and/or multidisciplinary approaches. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6310 *Literature of the English Middle Ages (3-0-3)*
Intensive study of the literature of the English Middle Ages, from Beowulf through Malory. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6315 *Literature of the English Renaissance (3-0-3)*
Intensive study of English literature from 1485 to the Restoration, excluding Shakespeare. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6320 *English Neoclassical and Romantic Literature (3-0-3)*
Intensive study of English literature from the Restoration to 1830. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6325 *English Literature: Victorian through the Early Twentieth Century (3-0-3)*
Intensive study of English Literature from 1830 to 1945. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6350 *Topics in British Literature (3-0-3)*
Selected topics in the literature of the British Isles, including periods, literary movements, or genres. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6410 *American Literature to 1875 (3-0-3)*
Intensive study of major writers, movements, and historical periods in American literature to 1875. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6420 *American Literature Since 1875 (3-0-3)*
Intensive study of major writers, movements, and historical periods in American literature since 1875. *Prerequisites: Admission to the graduate program and permission of the instructor.*

permission of the instructor.

ENGL 6440 *Studies in Southern Literature (3-0-3)*
An intensive study of works by Southern writers, with emphasis on the twentieth century. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6450 *Topics in American Literature (3-0-3)*
An intensive study of selected topics in American literature, including literary movements, periods or genres. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6550 *Studies in Major British Authors (3-0-3)*
An intensive examination of the works of one or two major British writers (e.g. Blake, Joyce, or Woolf). *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6560 *Studies in Major American Authors (3-0-3)*
An intensive examination of the works of a major American writer (e.g. Faulkner, Melville, or Morrison). *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6610 *English Language: History and Structure (3-0-3)*
Studies in the nature of linguistic change and the development of the English language from Old English to the present. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6620 *English Linguistics (3-0-3)*
Introduction to English linguistics: Studies in the nature of language, phonology, morphology, syntax, semantics, and language variation. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6625 *Contemporary English Grammar and Usage (3-0-3)*
Modern grammar and usage. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6700 *Special Topics in Writing (3-0-3)*
Selected topics in professional or creative writing, appropriate for graduate study. The course may focus on issues of craftsmanship, technique, or genre. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6800 *Issues in Literary Criticism (3-0-3)*
A study of important issues in literary criticism with emphasis on twentieth-century critical thought. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 6950 *Special Topics (3-0-3)*
Seminar in a particular author, period, style, subject, or movement, often conducted on an interdisciplinary basis. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 7000 *Research in World Literature (3-0-3)*

A seminar in world literature with emphasis on research and critical evaluation of a specific theme or aspect of world literature. Intensive research project required. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 7300 *Research in British Literature (3-0-3)*
Studies in selected authors, movements, or subjects in English literature. Intensive research project required. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 7400 *Research in American Literature (3-0-3)*
Studies in selected, authors, movements, or subjects in American literature. Intensive research project required. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ENGL 7500 *Research: Major Author (3-0-3)*
Study of the works of a major author. Intensive research project required. *Prerequisites: Admission to the graduate program and permission of the instructor.*

ESCI - Exercise and Sports Science Courses

ESCI 3210 *Motor Behavior (3-0-3)*
The theory and application of motor skill development and the behavioral characteristics of participants in motor activities will be discussed.

ESCI 3220 *Structural Kinesiology (3-0-3)*
A study of the structural basis underlying human motion, with emphasis on the skeletal, muscular, and nervous systems. An analysis of the mechanical principles which apply to the techniques used in physical activity, sport, and dance, including principles of kinetics and kinematics.. *Prerequisites: BIO 2111 and BIOL 2112 with a grade of at least "C".*

ESCI 3300 *Practicum in Exercise & Sport Science (3-0-3)*
The purpose of the Practicum is to provide the student hands-on experience in exercise testing and prescription of physical fitness. Appropriate protocols will be practiced based on the age, health status, and physical activity level of the person to be tested.

ESCI 3310 *Sport and Exercise Psychology (3-0-3)*
This course examines physical activity as a health behavior and health-related dimension of physical fitness. The association between physical activity and fitness are analyzed. Other topics include health habits, chronic diseases, the behavior physiology of stress and mental health. Applications of psychology and exercise are examined.

ESCI 3320 *Fitness Assessment and Exercise Prescription (3-0-3)*
This course is an introduction to basic principles of fitness and wellness. The measurement prescription, and evaluation of health-related factors of physical

fitness are critical elements. Practical experience in fitness and wellness programming will be an integral part of this course.

ESCI 4220 *Exercise Physiology (3-0-3)*
This course is an in-depth study of the physiology of exercise. Emphasis will be placed on energy metabolism during exercise and its relationship to the circulatory, pulmonary, and neuroendocrine systems. *Prerequisites: BIOL 2111 and BIOL 2112 with a grade of at least "C".*

ESCI 4320 *Adult Fitness and Rehabilitation (3-0-3)*
This course will deal specifically with fitness and the factors involved in the measurements, prescription, and evaluation of adult populations. The rehabilitation of athletic injuries and work-related injuries will be discussed. Concepts will be reinforced through laboratory experiences.

ESCI 4340 *Measurement and Evaluation in Kinesiology and Health Science (3-0-3)*
This course teaches how to collect, organize and analyze numerical data to find solutions to problems. Of interest is an understanding of how to measure knowledge, physical performance, and affective behavior.

ESCI 4960 *Internship in Exercise and Sport Science (15-0-15)*
The purpose of the internship is to provide the student an opportunity to observe and practice essential skills of health/fitness professionals. The internship will further development of professional competence which enhances classroom knowledge. *Prerequisites: Permission of instructor.*

ESCI 5300 *Internship in Kinesiotherapy I (0-var-var)*
The course provides clinical training in kinesiotherapy at the Augusta VA Medical Center. *Prerequisites: Permission of the instructor.*

ESCI 5301 *Internship in Kinesiotherapy II (0-var-var)*
The course provides clinical training in kinesiotherapy at the Columbia VA Medical Center. *Prerequisites: Permission of the instructor.*

ESCI 6311 *Advanced Behavioral Fitness (3-0-3)*
This course examines physical activity as a health behavior and health-related dimension of physical fitness. Associations between physical activity and fitness with health habits, chronic diseases, the behavior physiology of stress, and mental health are examined.

ESCI 6312 *Cardiovascular Response to Exercise (3-0-3)*
This course will deal specifically with the cardiovascular function of the human body during physical exertion. Concepts will be reinforced through laboratory experiences.

ESCI 6313 *Principles of Strength and Conditioning (3-0-3)*

This course examines the principles of strength training. Included topics are the physiological responses to training as well as the practical considerations for developing a strength training program.

ESCI 6400 *Internship in Exercise and Sport Science (3-0-3)*

The internship program is designed to provide the student an opportunity to observe and practice basic skills of health/fitness professionals. The internship will provide opportunities to develop competence in skills that were introduced in the classroom.

ESCI 6411 *Motor Learning (3-0-3)*

This course focuses on theory and application of motor skill development and the behavioral characteristics of participants in motor activities will be discussed. Topics include performance and skill, attentional factors, motivational factors, stress, and perceptual motor learning and classical research in motor learning.

ESCI 6412 *Motor Development (3-0-3)*

This course is designed to provide the student with a knowledge base in the study of change in motor behavior across the lifespan. Topics include: reviews of cognitive, social, and perceptual development as they apply to motor development and factors that affect development.

ESCI 6413 *Advanced Measurement and Evaluation (3-0-3)*

This course will enhance the understanding of the appreciation of the need for; and, the application of measurement and evaluation techniques in research.

ESCI 6441 *Applied Research Planning (3-0-3)*

This is the first of a two-course sequence that introduces students to planning an applied research project.

ESCI 6442 *Applied Research Project (3-0-3)*

This course is designed to allow the student to conduct an applied research project under the supervision of a faculty member. After conducting the study, the student will prepare a written research report in the form of a manuscript. *Prerequisites: ESCI 6441.*

ESCI 6950 *Selected Topics (var)*

The content of this course is intended to meet the needs and interests of graduate students in selected areas of Exercise Science. Prerequisite: Permission of the Instructor.

FINC - Finance Courses

FINC 1410 *Personal Finance (3-0-3)*

Assists individuals in answering questions that arise in the process of managing their financial affairs. It provides a look at budgeting, allocation of income, the use of credit, the role of insurance, and the purchase of real estate. Not to be used to fulfill major requirements for business. *Prerequisite: None.*

FINC 3400 *Corporate Finance (3-0-3)*

This course deals with the fundamental tools of financial management: working capital management, time value of money, risk and return measurement, valuation of financial assets, capital budgeting decisions and capital structure. *Prerequisites: ECON 2105 & 2106 and ACCT 2102 (all with grades of C or better), and 50 semester hours.*

FINC 3410 *Risk Management (3-0-3)*

This course gives the student an understanding of pure risk, the nature of risk management, the role of risk managers, and the various tools of risk management with major emphasis on insurance. *Prerequisite: 60 semester hours or permission of the instructor.*

FINC 3420 *Real Estate (3-0-3)*

Fundamental coverage of real property ownership, mortgage financing, valuation, and real estate legislation. Course provides information on real estate career preparation, and for the consumer and/or investor on how to select, finance, and maintain real property. *Prerequisite: 60 semester hours or permission of the instructor.*

FINC 4410 *Advanced Corporate Finance (3-0-3)*

This course is designed to further both theoretical foundations and practical applications of corporate finance. Substantial emphasis will be placed on analysis of capital projects, determination of corporate capital structure, dividend policy, mergers, acquisitions, corporate restructurings, and valuation. *Prerequisite: FINC 3400 with a grade of B or better.*

FINC 4420 *Financial Markets & Institutions (3-0-3)*

Evaluation of current monetary theory and policy; state and federal regulation; flow of funds analysis in the financial system and operating characteristics and structure of the financial services institutions and the markets in which they operate. *Prerequisite: FINC 3400 with a grade of B or better.*

FINC 4421 *Investments and Market Analysis (3-0-3)*

Analysis of the markets for securities, the methods of investment analysis, and their application in fundamental and technical analysis, of individual companies, industries, and the stock market, and specific markets in stocks, options, commodities, and futures. *Prerequisite: FINC 3400 with a grade of B or better.*

FINC 4422 *Portfolio Theory and Management (3-0-3)*

A study of modern portfolio theory and its application with emphasis on the selection and management of bond and common stock portfolios. *Prerequisites: FINC 3400 with a grade of B or better and FINC 4421 with a grade of C or better.*

FINC 4950 *Selected Topics in Finance (3-0-3)*

A seminar and/or directed study of a major issue, practice, or problem in finance. *Prerequisite: Permission of advisor to use in the major area and senior standing.*

FINC 6400 *Managerial Finance (3-0-3)*

This course is designed to give the student the basic knowledge concerning the financial function of modern organizations. Cases will be used to enable the student to apply the basic knowledge. *Prerequisites: Graduate (MBA) student status, FIND 3400 or equivalent.*

FIND 6490 *Current Issues in Finance (3-0-3)*
A variable content course individually designed to meet the needs, interests, and professional objectives in business administration. *Prerequisites: Graduate (MBA) student status and FIND 3400 or equivalent.*

FERN - French Courses

Note: For additional courses in French, consult the Studies Abroad (**SAT.**) courses described on page 367.

FERN 1001 *Elementary French (3-V-3)*
Fundamentals of listening, speaking, reading, and writing French in a proficiency-based classroom. Introduction to French-speaking cultures. Designed for students who have never studied French. Students who entered AS for the first time in the Fall of 1998 or later, or those returning students who have not been enrolled for two consecutive years prior to 1998, will not be able to count Foreign Language 1001 towards graduation if it is the same language they took in high school. (First time freshmen who graduated from high school five or more years ago may count Foreign Language 1001.) However, it does count for computing eligibility for financial aid and calculating full-time student status. Students taking the language for the first time will receive credit. For CAC students, consult page 7 of the catalog.

FERN 1002 *Elementary French (3-V-3)*
A continuation of French 1001. Students admitted provisionally with CAC deficiency in foreign languages may take this course to satisfy the foreign language CAC requirement. *Prerequisites: FERN 1001 or placement.*

FERN 2001 *Intermediate French (3-V-3)*
This proficiency-centered course is designed to build on high school French or on FERN 1002. More emphasis will be placed on listening, speaking, and reading skills in practical situations. Students will learn how to "get around" in places where French is spoken natively. *Prerequisites: FERN 1002 or placement.*

FERN 2002 *Intermediate French (3-V-3)*
This proficiency-centered course includes a grammar review and more intensive work in listening comprehension, speaking, and reading, with more emphasis on writing than in FERN 2001. French-speaking cultures will be studied through music, art, film, literary and cultural readings, including current events. At the end of this course, students should have a basic competence in French. Students who wish to take upper-division courses in French will need to demonstrate sufficient proficiency as determined by the foreign language faculty before enrolling in major/minor courses.

FERN 2950 *Studies in Francophone Culture (3-V-3)*
A variable content course taught in English that will center on one Francophone country or area, or a specific issue dealing with Francophone culture. May not be counted towards the French major and may not satisfy foreign language requirement.

FERN 3100 *Oral Expression in French (3-0-3)*
An intensive course in which students will learn strategies for communication on levels from conversing in everyday practical situations to discussing opinions on politics, culture, and the arts. May not be taken by native speakers of French. *Prerequisites: FERN 2002 or equivalent.*

FERN 3210 *French Culture I: The Francophone World (3-0-3)*
French in North America, with emphasis on the history and contemporary situation of Quebec; French in West and North Africa, the Caribbean, Vietnam. *Prerequisites: FERN 2002 or equivalent.*

FERN 3221 *French Culture II: The Hexagon (3-0-3)*
Historical overview of France emphasizing great moments in French history and the arts; a course designed in part to prepare students to visit French cathedrals, chateaux, monasteries, museums, and other historical and cultural sites of France. Paris will be highlighted. *Prerequisites: FERN 2002 or equivalent.*

FERN 3222 *French Culture III: French in Contemporary Europe (3-0-3)*
This course will examine the role of contemporary France, Belgium, Switzerland, and Luxembourg in the European Union. Students will use television broadcasts, journal articles, and the World Wide Web. *Prerequisites: FERN 2002 or equivalent.*

FERN 3300 *Written Expression in French (3-0-3)*
An intensive course in which students will learn strategies for written communication on numerous levels and in varied styles: compositions based on personal topics, current events, literary readings; styles range from e-mail messages, letters, creative writing, imitation of stylistic models. Course includes advanced grammar and stylistics. *Prerequisites: FERN 2002 or equivalent.*

FERN 3400 *French Phonetics (3-0-3)*
A course in descriptive, comparative/contrastive and corrective phonetics. Students will learn the sound system of French and how it relates to spelling. Emphasis will be put on comparing the French sound system to that of American English. The course will address common American phonetic errors in French from both a pedagogical and a corrective point of view. Morphology and syntax will be studied as they relate to phonology. *Prerequisites: FERN 2002 or equivalent.*

FERN 3510 *Introduction to French Literature (3-0-3)*
An introduction to literary reading and analysis, based on texts in prose, poetry and dramatic forms. Analysis of narrative (short story and novel) in terms of characterization, plot, setting, role of the narrator, etc.; introduction to poetics, including versification, and the use of figurative language in classical and romantic forms; selected readings from the classical and romantic theater. *Prerequisites: FERN 2002 or equivalent.*

FERN 3710 *Masterpieces of French Film (3-0-3)*
Study of films by Jean Renoir, Francois Thrift, Jean-Luc Godard, Louis Malle and other great French directors; films starring Gerard Depardieu, Catherine Deneuve, Isabelle Adjani, and others. Development of the film medium in historical-cultural perspective. *Prerequisites: FERN 2002 or equivalent.*

FERN 4100 *Advanced Oral Expression in French (3-0-3)*
An intensive, advanced course in which students will use strategies for communication on levels from conversing in everyday practical situations to discussing opinions on politics, culture, and the arts. May not be taken by native speakers of French.

FERN 4300 *Advanced Written Expression in French (3-0-3)*
Prerequisites: FERN 2002 or equivalent An intensive course at an advanced level in which students will learn strategies for written communication on numerous levels and in varied styles: compositions based on personal topics, current events, literary readings; styles range from e-mail messages, letters, creative writing, imitation of stylistic models. Course includes advanced grammar and stylistics. Advanced stylistics will be stressed.

FERN 4520 *Classical and Romantic Theater (3-0-3)*
Study of masterworks of drama from the 17th and 19th centuries. In addition to literary-critical discussion, students memorize and produce scenes from the plays, recorded on videotape. *Prerequisites: FERN 3510 or equivalent.*

FERN 4530 *Modern Theater (3-0-3)*
Study of masterworks of drama from the 20th century. In addition to literary-critical discussion, students memorize and produce scenes from the plays, recorded on videotape. *Prerequisites: FERN 3510 or equivalent.*

FERN 4550 *Masterpieces of Poetry (3-0-3)*
Study of poetry from the medieval period through the modern era. A survey of major movements and representative writers; techniques of poetic artistry (versification, figurative language, strophic forms) and sources of inspiration. *Prerequisites: FERN 3510 or equivalent.*

FERN 4560 *Masterpieces of the Novel (3-0-3)*
Studies of the novel, from the medieval romance to modern realistic and philosophical narrative. The art of extended narration as developed in France; literary movements, themes and techniques. *Prerequisites: FERN 3510 or equivalent.*

FERN 4590 *Literature in Translation (3-0-3)*
Special course, with varying content, cross-listed with Humanities, English and/or other languages. Readings of major French literary works in English translation; classroom discussions and writing assignments also in English. French majors may take no more than one course in translation for major credit. *Prerequisites: ENGL 1001-1002 or 1113-1114; and HUMN 2001-2002.*

FERN 4801 *Methods and Materials for Teaching Foreign*

Languages I (3-0-3)

Methods and materials for listening, speaking, reading, writing, and cultural activities appropriate for elementary and middle school learners. First and second language acquisition theories, a review of foreign language teaching methods, testing procedures and teacher preparation and evaluation. A field experience of 45 clock hours is a required component of the course. *Prerequisite: Senior status or permission of the instructor.*

FERN 4802

Methods and Materials for Teaching Foreign Languages II (3-0-3)

Methods and materials for listening, speaking, reading, writing, and cultural activities appropriate for secondary learners. First and second language acquisition theories, a review of foreign language teaching methods, testing procedures and teacher preparation and evaluation. A field experience of 45 clock hours is a required component of the course. *Prerequisite: Senior status or permission of the instructor.*

FERN 4900

Cullum Series (3-0-3)

A variable-content course which has been identified by the American Association of State colleges and universities as one of the country's ten most innovative programs. Students will hear lectures by nationally and internationally known scholars with expertise in the topic chosen for each spring semester, attend films and/or panel discussions, participate in class discussions, and prepare a student project relevant to the semester's topic. *Prerequisites: FERN 2002 or equivalent.*

FERN 4950

Special Topics in French (3-0-3)

Special course, with varying content, cross-listed with Humanities, English and/or other languages. Topics such as the following: Great Thinkers of France; Modern Critical Theory; Modern French Mass-Media; Literature and Spirituality. *Prerequisite: FERN 2002.*

GEOG - Geography Course

GEOG 1111

World Geography (3-0-3)

A study of the world and its topography, political divisions, cultural development, cultural spheres, geographic spheres, and climatic regions; as well as cartography, geology, physics, and astronomy, as they pertain to the earth.

GEOL - Geology Courses

GEOL 1121

Introductory Geosciences I: Physical Geology (3-2-4)

The study of minerals and rocks; fundamentals of earth structure and processes including vulcanism, mountain-building, erosion, sedimentation and metamorphism. Laboratory includes study of common minerals and rocks, and interpretation of geologic maps and cross-sections. *Prerequisites: None*

GEOL 1122 *Introductory Geosciences II: Historical Geology (3-2-4)*
A study of geologic principles applicable to earth history. Includes basic stratigraphy and paleontology. Survey of geologic time periods, including geological and biological events during earth development. *Prerequisites: None.*

GEOL 2950 *Selected Topics (V-0-V)*
Concepts/topics in special areas of geology/geoscience. May be repeated for credit. *Prerequisite: Permission of the instructor.*

GEOL 4950 *Selected Topics (V-0-V)*
concepts/topics in special areas of geology/geoscience. May be repeated for credit. *Prerequisite: Permission of the instructor.*

GEOL4990 *Undergraduate Research (0-V-V)*
Individual modern geology/geoscience research. A minimum of three hours of laboratory work per week for each semester hour of credit. Report/thesis required. May be repeated for credit. *Prerequisite: Permission of the instructor.*

GRMN - German Courses

Note: For additional courses in German, consult the Studies Abroad (**SAB.**) courses described on page 367.

GRMN 1001 *Elementary German (3-V-3)*
Fundamentals of listening, speaking, reading, and writing German in a proficiency-based classroom. Introduction to German-speaking cultures. Designed for students who have never studied German. Students who entered AS for the first time in the Fall of 1998 or later, or those returning students who have not been enrolled for two consecutive years prior to 1998, will not be able to count Foreign Language 1001 towards graduation if it is the same language they took in high school. (First time freshmen who graduated from high school five or more years ago may count Foreign Language 1001.) However, it does count for computing eligibility for financial aid and calculating full-time student status. Students taking the language for the first time will receive credit. For CAC students, consult page 7 of the catalog.

GRMN 1002 *Elementary German (3-V-3)*
A continuation of German 1001. Students admitted provisionally with CAC deficiency in foreign languages may take this course to satisfy the foreign language CAC requirement. *Prerequisites: GRMN 1001 or placement.*

GRMN 2001 *Intermediate German (3-V-3)*
This proficiency-centered course is designed to build on high school German or on GRMN 1002. More emphasis will be placed on listening, speaking, and reading skills in practical situations. Students will learn how to "get around" in places where German is spoken natively. *Prerequisite: GRMN 1002 or placement.*

GRMN 2002 *Intermediate German (3-V-3)*
This proficiency-centered course includes a grammar review and more intensive work in listening comprehension, speaking, and reading, with more emphasis on

writing than in GRMN 2001. German-speaking cultures will be studied through music, art, film, literary and cultural readings, including current events. At the end of this course, students should have a basic competence in German. Students who wish to take upper-division courses in German will need to demonstrate sufficient proficiency as determined by the foreign language faculty before enrolling in courses for the minor. *Prerequisites: GRMN 2001 or placement.*

GRMN 3100 *German Conversation (3-0-3)*
An intensive course designed to teach students how to communicate orally in German in everyday, practical, and travel-related situations. May not be taken by native speakers of German. *Prerequisites: GRMN 2001-2002.*

GRMN 3220 *German Culture (3-0-3)*
A course designed to introduce the student to the works of major writers in German philosophy, history, psychology, religion, and science. *Prerequisites: GRMN 2001-2002.*

GRMN 3300 *Advanced German Grammar (3-0-3)*
A course whose purpose is to teach the student the finer points of German grammar. *Prerequisites: GRMN 2001-2002.*

GRMN 3510 *Survey of German Literature (3-0-3)*
A course designed to acquaint the student with a general survey of German literature, from the Old High German period up to the present. *Prerequisites: GRMN 2001-2002.*

GRMN 3520 *German Poetry (3-0-3)*
A course whose purpose is to introduce the student to a wide range of readings from German poetry. *Prerequisites: GRMN 2001-2002.*

GRMN 4950 *Selected Topics (3-0-3)*
A variable-content course, intended to meet the interests of students minoring or majoring in German and desiring to make an intensive study of some special area of German language or literature. May be repeated for credit. *Prerequisites: GRMN 2001-2002.*

HIST - History Courses

HIST 1111 *Pre-Modern World Civilization (3-0-3)*
A survey of world history to early modern times. The course will examine the political, economic, social, and cultural aspects of various civilizations from ancient times to the Renaissance.

HIST 1112 *Modern World Civilization (3-0-3)*
A survey of world history from early modern times to the present. An examination of the development of world civilization from the beginnings of European colonization to the present, including events, trends, institutions, and ideas that have had global impact.

HIST 1113 *Issues in World Civilization (V, 1-2)*

Study of a major theme in pre- or post-1500 world history such as conflict, socioeconomic development, cultural interaction, or cultural/intellectual trends. Especially for transfers completing the Humanities requirement (Core Areas B and C).

HIST 2111 *United States to 1877 (3-0-3)*
A survey of American history to the post-Civil War period. A satisfactory grade will exempt a student from the requirement of passing before graduation an examination on the history of the United States and the history of Georgia.

HIST 2112 *United States since 1877 (3-0-3)*
A survey of the United States from the post-Civil War period to the present. A satisfactory grade will exempt a student from the requirement of passing before graduation an examination on the history of the United States and the history of Georgia.

HIST 3001 *Historical Research Methods (3-2-4)*
A study of the methods of historical research and analysis as well as the generally accepted usages in historical composition and citation. *Prerequisites: Completion of two of the following courses--HIST 1111, HIST 1112, HIST 2111, and HIST 2112--or permission of instructor.*

HIST 3111/5111 *History and Culture of Africa (3-0-3)*
A survey of the political, economic, social, and intellectual history of the African continent from ancient times to the present. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3211/5211 *History and Culture of East Asia (3-0-3)*
A survey of Asian civilizations emphasizing cultural institutions and reactions to Western encroachment. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3271/5271 *History and Culture of India (3-0-3)*
Indian history and culture from Indus Valley civilization to modern times including topics such as religions, philosophy, art, architecture, society, and family. *Prerequisite: HIST 1111 or HIST 1112.*

HIST 3311/5311 *Modern Russia (3-0-3)*
Russia from the late nineteenth century to the present. Origins, development, and collapse of the Soviet state. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3371/5371 *England to 1689 (3-0-3)*
A study of the origins and development of England politically, economically, socially, and culturally from the earliest settlements through the Revolution of 1688 establishing constitutional monarchy. *Prerequisite: HIST 1111 or permission of instructor.*

HIST 3381/5381 *England since 1689 (3-0-3)*
A study of the constitutional developments, rise of parliamentary supremacy, impact of the Industrial Revolution, and institutional and social reforms in the

nineteenth and twentieth centuries. *Prerequisite: HIST 1112 or permission of instructor.*

HIST 3391/5391 *British Empire and Commonwealth (3-0-3)*
A survey of the political, economic, social, and intellectual history of the British Empire and Commonwealth. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3411/5411 *Indians of North America (3-0-3)*
Origins and cultures of native peoples of America north of Mexico. Discusses impact of arrival of Europeans in North America. *Prerequisite: HIST 2111 or permission of instructor.*

HIST 3431/5431 *African-American History to 1877 (3-0-3)*
An examination of the origins of man; the kingdoms of West Africa; African political, economic, and social systems; the slave trade; slavery in the Americas; and the experiences of African Americans through the presidential election of 1876.

HIST 3441/5441 *African-American History since 1877 (3-0-3)*
An examination of the lives of black Americans in their search for freedom in the South, North, and West following the presidential election of 1876 and into the twentieth century.

HIST 3461/5461/WMST 3461 *History of American Women (3-0-3)*
A general study of the history and experiences of women in America from the colonial period to the present. *Prerequisite: HIST 2111 or HIST 2112 or permission of instructor.*

HIST 3481/5481 *American Social and Intellectual History (3-0-3)*
A study of some of the major social developments and political and cultural ideas that have shaped American history since the Revolutionary era. *Prerequisite: HIST 2111 or HIST 2112 or permission of instructor.*

HIST 3491/5491 *Military History of the United States (3-0-3)*
Overview of American military history from colonization to the present, including major wars, campaigns, battles, institutional and organizational development, and strategy.

HIST 3511/5511 *Colonial Latin America (3-0-3)*
A survey of the pre-Columbian era and of the Iberian backgrounds, explorations, conquests, and institutions in Latin America through the wars of independence. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3521/5521 *Modern Latin America (3-0-3)*
A survey of the national histories of the Latin American states since the wars of independence. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3531/5531 *History of Mexico (3-0-3)*
An examination of pre-Cortesian civilizations, Spanish conquest, colonial institutions, and the period since independence with special emphasis on Mexico

since 1917. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3591/5591 *Inter-American Relations (3-0-3)*
A study of the cultural, commercial, and diplomatic relations among the American republics. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3711/5711 *Georgia History (3-0-3)*
A study of the history of Georgia that focuses on state and local history and shows the connections with national and world events. This course fulfills the legislative requirement for Georgia history. *Prerequisite: HIST 2111 or HIST 2112 or permission of instructor.*

HIST 3811/5811 *History and Culture of the Islamic World (3-0-3)*
A survey of the political, economic, social, and intellectual history of the predominantly Muslim-populated regions in the Eastern Hemisphere from the seventh century to the present. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3851/5851 *Military History of the Western World (3-0-3)*
Warfare in the western world from ancient times through the eighteenth century. Attention will be given to military doctrine, technology, and style, and the effect of war on the development of the west. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 3891/5891 *History of Architecture (3-0-3)*
An examination of the great traditions of classic architecture from Greece and Rome through their revivals in England and the United States, contrasting them with the Gothic tradition, and concluding with a survey of contemporary styles. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4211/6211 *The Middle East, 622-1914 (3-0-3)*
A survey of the political, economic, social, and intellectual history of the Middle East from the time of the Prophet Muhammad to the Ottoman Empire's entry into the First World War. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4221/6221 *The Modern Middle East (3-0-3)*
A survey of the political, economic, social, and intellectual history of the Middle East from the First World War to the present including such subjects as Western imperialism, Arab nationalism, and the Arab-Israeli conflict and peace process. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4311/6311 *Ancient Greece (3-0-3)*
Political, economic, social, and cultural study of Greece through the time of Alexander the Great including the effects of Greek culture on the past and present. *Prerequisite: HIST 1111 or permission of instructor.*

HIST 4351/6351 *Renaissance and Reformation (3-0-3)*
A study of social and religious attitudes and conflicts, the significant changes in political theory, and the evolution of capitalism in the fourteenth, fifteenth, and sixteenth centuries. *Prerequisite: HIST 1111 or permission of instructor.*

HIST 4361/6361 *Age of Reason and Enlightenment (3-0-3)*
A study of European institutions and ideas in the seventeenth and eighteenth centuries with special attention to the growth of absolute monarchies, to discoveries in the sciences, and to the application of reason to the progress of human development. *Prerequisite: HIST 1112 or permission of instructor.*

HIST 4371/6371 *Age of Revolutions (3-0-3)*
A study of causation, methodology, and effectiveness of revolutions as they occurred in Europe and America from the 1600s through 1917. *Prerequisite: HIST 1112 or permission of instructor.*

HIST 4381/6381 *Nineteenth Century Europe (3-0-3)*
An examination of the transition of the European states from agricultural, semi-feudal monarchies to industrialized great powers. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4391/6391 *Twentieth Century Europe (3-0-3)*
Major trends in European history from the Russian Revolution of 1905 to the present. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4401/6401 *Colonial and Revolutionary America (3-0-3)*
A study of the colonization of North America by Europeans; the interaction of native peoples with the colonizers; the political, economic, social, and cultural growth of the colonies; the relationship between England and her colonies; and the American Revolution. *Prerequisite: HIST 2111 or permission of instructor.*

HIST 4411/6411 *The United States from Confederation to 1850 (3-0-3)*
An in-depth study of the political, economic, social, and cultural development of America during the Confederation, Federalist, Jeffersonian, and Jacksonian periods. *Prerequisite: HIST 2111 or permission of instructor.*

HIST 4421/6421 *Civil War and Reconstruction (3-0-3)*
A study of the causes of the American Civil War, the major military campaigns and engagements, and the problems of the nation after the war. *Prerequisite: HIST 2111 or permission of instructor.*

HIST 4431/6431 *The United States from the Gilded Age to the Great Depression (3-0-3)*
An in-depth study of the political, economic, social, and cultural development of America and of American foreign relations during the Gilded Age, Progressive Era, World War I, and the 1920s. *Prerequisite: HIST 2112 or permission of instructor.*

HIST 4441/6441 *The United States since the Great Crash (3-0-3)*
A study of the United States from the beginning of the Great Depression to the present with emphasis on political, social, economic, and diplomatic developments. *Prerequisite: HIST 2112 or permission of instructor.*

HIST 4451/6451 *American Diplomatic History, 1898-present (3-0-3)*

The emergence of the United States as a world power, the origins and impact of the Cold War, and the forces that have shaped America's relationship with the world. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4471/6471 *The Old South (3-0-3)*
A study of the American South from the beginnings of European settlement to the Civil War with emphasis on slavery, the development of southern culture, and other topics. *Prerequisite: HIST 2111 or permission of instructor.*

HIST 4481/6481 *The New South (3-0-3)*
A study of the American South since Reconstruction with emphasis on race relations, the evolution of southern culture, and other topics. *Prerequisite: HIST 2112 or permission of instructor.*

HIST 4491/6491 *The American West (3-0-3)*
An examination of the westward movement and those factors that defined the West as a land of opportunity; the significance of race, ethnicity, and gender in the West's creation; and the role of the West in shaping the identity and image of the United States. *Prerequisite: HIST 2111 or HIST 2112 or permission of instructor.*

HIST 4900/6900 *Cullum Lecture Series (V, 1-3)*
A variable-content course in which students hear lectures by scholars with expertise in the topic, view films, attend panel discussions, participate in class discussions, and prepare a project relevant to the semester's topic. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4950/6950 *Selected Topics (V)*
Content of the course varies. *Prerequisite: Junior or Senior standing or permission of instructor.*

HIST 4960 *Undergraduate Internship (V)*
A service-learning experience based in an institution or agency, the internship requires the completion of a specific task and the acquisition of specific knowledge and skills under the supervision of Augusta State University and the cooperating institution or agency. *Prerequisite: Permission of department chair.*

HIST 4970 *Senior Thesis (3-0-3)*
The composition of an extended paper that employs the methods of historical research and analysis and that incorporates the generally accepted usages in historical composition and citation. *Prerequisite: Senior standing.*

HONR - Honors Courses

HONR 1010 *Honors Introductory Seminar: The Nature of Inquiry (3-0-3)*
A content based introduction to problem solving and critical thinking from the perspective of the various disciplines, HONR 1010 explores modes of critical inquiry and prepares entering honors students to succeed at AS and in the Honors Program. Specific topic focus varies from year to year. Readings, lectures, and orientation activities form the basis for writing, speaking and discussion so that the

course satisfies the COMS requirement in Core Area B for honors students.
Prerequisite: Admission to AS Honors Program.

HONR 1900 *Contemporary Issues (3-0-3)*
An interdisciplinary exploration of an important issue or theme at a level consistent with freshman or sophomore honors standing. Variable topics. Topic chosen by student/faculty committee. *Prerequisites: Admission to AS Honors Program or permission of the Honors Program Committee. Freshman or sophomore status.*

HONR 2950 *Selected Topics (3-0-3)*
A variable topics honors course that allows faculty to experiment with innovative lower division course offerings. These courses will be approved by the faculty member's department and by the Honors Committee. These courses can, with the approval of the department or departments responsible for core offerings, count in the core by course substitution. *Prerequisite: Admission to AS Honors Program or permission of the Honors Program Committee.*

HONR 3900 *Breaking Boundaries (3-0-3)*
An interdisciplinary and/or multicultural seminar which aims to cross boundaries between the disciplines and/or between cultures within the United States or within the world. The course provides an in-depth examination of variable selected topics at a level consistent with junior or senior honors standing. Topic chosen by student/faculty committee. *Prerequisites: Junior or senior status and (1) admission to AS Honors program or (2) permission of the Honors Program Committee.*

HONR 3999 *Thesis Prospectus (1-0-1)*
A directed project wherein the student works closely with an honors advisor, usually in her or his major department, to develop an acceptable honors thesis proposal. The proposal will include (1) a description of the proposed honors project: its purpose, its extent, and its expected outcome; (2) an assessment of materials needed and available for the proposed project; (3) a calendar for work on the proposed thesis; and, (4) a description of the assessment procedures for determining the evaluation and awarding of credit for the finished thesis. The finished proposal will be submitted to the Honors Committee for comment and approval. *Prerequisites: Junior status, admission to the AS Honors Program.*

HONR 4000 *Honors Thesis (2-0-2 or 3-0-3; hours credit determined case by case by honors advisor, department chair, and Honors Committee chair)*
A directed project wherein the student works closely with an honors advisor, usually in her or his major department, to develop an acceptable honors thesis based on an approved thesis proposal designed in HONR 3999. Depending on the field in which the work is being done, an honors thesis may take a variety of forms: e.g. traditional library research, an original piece of quantitative or qualitative research, a critical or appreciative essay, an exhibit or performance accompanied by a reflective, analytic essay, a substantial work of fiction or poetry, or an analysis growing out of an internship. The thesis is the work of an individual student, working closely with an advisor, usually in the student's major discipline.

The thesis will be presented before members of the honors student community and reviewed by and discussed with a panel established by the Honors Committee who will share their comments and recommendations with the writer and advisor. The evaluation of the thesis and the awarding of credit are the responsibility of the advisor. *Prerequisite: Junior status, admission to the AS Honors Program, and HONR 3999.*

HONR 4500 *Honors Capstone (1-0-1)*
An integrative course providing a vehicle for self-assessment and for program-assessment. Variable content defined by the graduating honors students. Provides opportunity for possible presentation of honors theses and mentoring of beginning honors students in HONR 1010. *Prerequisite: Senior status, admission to the AS Honors program, and completion of majority of course work.*

HSCI - Health Science Courses

HSCI 3311 *Introduction to Human Sexual Behavior (3-0-3)*
This course is designed to introduce the student to the multifaceted study of human sexual behavior, each component a functional property of individual, social, and psychological development.

HSCI 3312 *Introduction to Human Diseases (3-0-3)*
This course is designed to introduce the student to the multifaceted study of human diseases in terms of classification, etiology, and prevention.

HSCI 3410 *Community Development and Health Science (3-0-3)*
The course is designed to expose the student to community development in terms of communal organization, public health and academia, the impact of health status on the community, health care delivery and service, and the planning/evaluation process. *Prerequisites: HSCI 3440.*

HSCI 3440 *Introduction to Health Science Education (3-0-3)*
This course is designed to offer the student a theoretical and practical introduction to the discipline of health science education as a tool in both the academic and community setting.

HSCI 4311 *Epidemiology (3-0-3)*
The purpose of this course is to introduce the participant to the study of human disease and injury in terms of distribution, determinants, and etiology.

HSCI 4312 *Biostatistics (3-0-3)*
The purpose of this course is to introduce the student to the theoretical and practical use of statistics as a tool utilized in the collection, analysis, and interpretation of mortality and morbidity data.

HSCI 4313 *Introduction to Health Care Delivery (3-0-3)*
This course is designed to foster a thorough understanding of contemporary health care delivery in the United States through an exploration of policy and a

comparative analysis between medical-industrial complexes present and other industrial nations.

HSCI 4341 *Instructional Strategies in Health Science (3-0-3)*

This course is designed to offer the student a theoretical and practical introduction to the discipline of health science education as a tool in both the academic and community setting.

HSCI 4960 *Internship in Health Science (15-0-15)*

This experience is designed to offer the student a practical and experiential exposure to the multifaceted field of health science. *Prerequisites: Permission of the instructor.*

HSCI 6335 *Health Policy and Administration (3-0-3)*

The purpose of this course is to offer the student the opportunity to gain a deeper understanding of public health and legislation and incorporate this understanding in the development of health care programming, delivery, policy construction, and critical interpretation.

HSCI 6337 *National and International Health (3-0-3)*

This course is designed to offer the graduate student a critical and in-depth exploration of national and international levels of morbidity and mortality with emphasis on statistics, etiology, and prevention.

HSCI 6339 *Trends and Issues in the Health Sciences (3-0-3)*

The purpose of the course is to offer the graduate student an in-depth exploration of a health science topic which, during the offering of the course, is under great discussion and contemplation within the professional community. Topics may differ between semesters.

HSCI 6400 *Internship (3-0-3)*

This experience is designed to offer the graduate student a pragmatic and experiential exposure to the field of health science. The professor must be consulted one semester prior to student enrollment.

HSCI 6430 *Advanced Health and Wellness (3-0-3)*

This purpose of this course is to offer the graduate student an in-depth survey of health science. Six content areas will be reviewed: physical, mental, social, spiritual, emotional, and environmental health. Current trends and issues specific to the discipline will also be explored.

HSCI 6441 *Epidemiology/Biostatistics (3-0-3)*

This course is designed to assist the student in understanding scientific models designed to elucidate the distribution, determinants, and etiology of human diseases and the statistical tools used to appropriately assess morbidity and mortality in both an international and national setting.

HSCI 6442 *Applied Research Project (3-0-3)*

This course is designed to allow the student to conduct an applied research project under the direct supervision of a faculty member. After conducting the student, the student will prepare a written research report in the form of a manuscript which will

be submitted for publication and presentation. *Prerequisites: HSCI 6441.*

HSCI 6950

Selected Topics (Var)

The content of this course is intended to meet the needs and interests of graduate students in selected areas of Health Science. *Prerequisite: Permission of the instructor.*

HSCI 7431

Qualitative and Quantitative Methods of Evaluation (3-0-3)

The purpose of this class is to expose the graduate student to qualitative and quantitative methods of program and classroom evaluation as tools in the professional, efficient, and systematic assessment of health and physical education initiatives, goals, and programming.

HSCI 7432

Qualitative Research Methods (3-0-3)

The purpose of this course is to offer the student theoretical and practical exploration of qualitative research methods in an effort to foster his/her ability to utilize these emplacements in the conceptualization, design, analysis, and communication of qualitatively appropriate public health data.

HUMN - Humanities Courses

HUMN 2001

World Humanities I (3-2-4)

An interdisciplinary study of literature, art, music, and philosophy designed to develop the student's understanding of the evolution of culture in the Western world and create an appreciation of significant cultural elements from Asia and the Middle East; the course will highlight cross-cultural ideas, ethics, arts, values, and means of human expression. This course covers the historical period from antiquity to the seventeenth century. *Prerequisites: English 1101-1102 or English 1113-1114.*

HUMN 2002

World Humanities II (3-2-4)

An interdisciplinary study of literature, art, music, and philosophy designed to develop the student's understanding of the evolution of culture in the Western world and create an appreciation of significant cultural elements from Asia and Africa; the course will highlight cross-cultural ideas, ethics, arts, values, and means of human expression. This course covers the historical period from the seventeenth century to the present. *Prerequisites: ENGL 1101-1102 or 1113 - 1114, and HUMN 2001.*

HUMN 2011

Humanities: Special Topics (V-0-V)

Guided independent study of various limited topics in the humanities which have interdisciplinary components analogous to topics covered in the World Humanities sequence (e.g. Arabic Humanities; The Modern World; Religious Expressions in Art and Literature). *Prerequisites: ENGL 1101-1102 or 1113-1114; five hours of credit in Humanities transferred in from another institution or permission of the department.*

HUMN 2021

Aztec, Maya, and Inca Humanities (0-0-1)

An independent study course on elements of history, culture, literature, art, and music created by the indigenous peoples of Mesoamerica and South America.

Students take multiple choice tests based on readings and videotapes. All students should have an e-mail address and should contact the instructor during the first week of the semester. Students may take the course only if they have already earned three hours of Humanities credit toward areas B and C of the core.

HUMN 2023 *North American Indian Humanities (0-0-1)*
An independent study course on elements of history, culture, literature, art, and music created by the indigenous peoples of North America. Students take multiple choice tests based on readings and videotapes. All students should have an e-mail address and should contact the instructor during the first week of the semester. Students may take the course only if they have already earned three hours of Humanities credit toward areas B and C of the core.

HUMN 2031 *Ancient Greek Humanities (0-0-1)*
An independent study course on elements of ancient Greek history, literature, art, music, and culture. Students take multiple choice tests based on readings and videotapes. All students should have an e-mail address and should contact the instructor during the first week of the semester. Students may not receive credit for the course if they receive credit for HUMN 2001 or for a transfer course which covered literature and/or art of ancient Greece. Students may take the course only if they have already earned three hours of Humanities credit toward areas B and C of the core.

HUMN 2041 *African Humanities (0-0-1)*
An independent study course on elements of African history, literature, art, and culture. Students take multiple choice tests based on readings and videotapes. All students should have an e-mail address and should contact the instructor during the first week of the semester. Students may take the course only if they have already earned three hours of Humanities credit toward areas B and C of the core.

HUMN 2043 *Japanese Humanities (0-0-1)*
An independent study course on elements of Japanese history, literature, art music, and culture. Students take multiple choice tests based on readings and videotapes. All students should have an e-mail address and should contact the instructor during the first week of the semester. Students may take the course only if they have already earned three hours of Humanities credit toward areas B and C of the core.

HUMN 2045 *Chinese Humanities (0-0-1)*
An independent study course on elements of Chinese history, literature, art, music, and culture. Students take multiple choice tests based on readings and videotapes. All students should have an e-mail address and should contact the instructor during the first week of the semester. Students may take the course only if they have already earned three hours of Humanities credit toward areas B and C of the core.

HUMN 2950 *Humanities: Selected Topics (V-0-V)*
A variable-content interdisciplinary course which exploits the approach of two or more academic disciplines to explore topics of interest to lower-division undergraduate students. *Prerequisites: ENGL 1101-1102 or 1113-1114.*

HUMN 4010 *Postmodernism and Beyond (3-0-3)*

An interdisciplinary study of Postmodernism-its theory and its manifestations in literature, art and music. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002.*

HUMN 4101 *Aesthetics and Philosophy of Art (3-0-3)*
A seminar dedicated to the critical study and analysis of aesthetic theories and philosophy of art since the late eighteenth century. Course will stress close readings and group discussion of texts by Kant, Hegel, Nietzsche, Heidegger, Benjamin, Adorno, Merleau-Ponty, and Lyotard. Recommended especially for studio art students, for students minoring in Humanities, and for anyone interested in philosophy. *Prerequisites: ENGL 1101-1102 or ENGL 1113-1114 or HUMN 2002 or PHIL 1000.*

HUMN 4210 *Literature into Opera (3-0-3)*
A combined literary and musical study of the transformations of classic literary works, such as a Shakespearean drama, into opera. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002*

HUMN 4220 *Harlem Renaissance (3-0-3)*
A study of the major writers, artists, and musicians of the Harlem Renaissance (1919-1935). *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002.*

HUMN 4801 *Study Abroad in Art and Culture I (3-V-3)*
This course reviews the history of art from the Greeks and the Etruscans through the present. A systematic on-site study of art works in museums, collections, churches, and sites in various foreign cities. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002 or permission of the instructor.*

HUMN 4802 *Study Abroad in Art and Culture II (6-V-6)*
This course reviews the history of art from the Greeks and the Etruscans through the present. A systematic on-site study of art works in museums, collections, churches, and sites in various foreign cities. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002, or permission of the instructor.*

HUMN 4950 *Selected Topics (3-V-3)*
Variable topics focusing on (1) the intellectual and aesthetic movements of a particular period or culture; (2) critical-theoretical approaches to the study of literature, music, and art; and (3) interdisciplinary topics in the Humanities. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002, or permission of the instructor.*

KINS - Kinesiology Courses

KINS 2100 *Seminar on Electronic Portfolio Development (1-0-1)*
Students will be introduced to various technologies that will allow them to develop an electronic portfolio. The value of this process will be analyzed from the contexts of teaching, decision-making, assessment, and reflection. *Co-requisite: KINS 3342*

KINS 2350 *Health and Physical Education at the Early Childhood Level (2-0-2)*

This course presents the prospective teacher with a guide for teacher training in health and physical education at the early childhood level. In addition, this course may be used as the basis for a directive for implementing a sound program.

KINS 3310 *Team Sports (2-0-2)*
Included are sport skill competencies, content knowledge, and pedagogic techniques for specific team sports. This course emphasizes concepts related to the development of motor skills. Team sports included are: volleyball, basketball, flag football, softball, and soccer.

KINS 3315 *Individual/Dual Act. And Outdoor Education (2-0-2)*
Introduced are the skills rules, tactics, and instructional strategies for golf, tennis, badminton, track and field, hiking, backpacking, orienteering, canoeing, and other outdoor skills.

KINS 3320 *Movement & Dance Methods (2-0-2)*
The student is introduced to the concepts and qualities of human movement, instructional strategies for teaching dance, rhythms, stunts and tumbling, educational games and gymnastics.

KINS 3321 *Conducting Quality HPE Programs (3-0-3)*
Conducting Quality HPE Programs is the initial pedagogy experience for health and physical education majors. The purpose of this course is to assist the prospective teacher in developing teaching skills to promote an effective learning environment.

KINS 3342 *Instructional Technology in Kinesiology (3-0-3)*
This course focuses on the art and science of using technology in the learning process. Topics include the use of graphics, audio, video conferencing, Web-based learning, distance-learning, and designing instruction. Students will demonstrate the utilization of technology in a practicum setting. *Co-requisites: KINS 2100.*

KINS 3343 *Physical Education and Health for Early Childhood Education (3-0-3)*
The purpose of this course is to enable the pre-service teacher to create a variety of learning opportunities for students that will be developmentally appropriate for children.

KINS 4300 *Student Teaching (15-0-15)*
The purpose of the student teaching experience is to develop the essential professional knowledge and skills of students who wish to enter the profession of teaching health and physical education. *Prerequisites: Completion of all required Health and Physical Education Teacher Education Certification Courses.*

KINS 4330 *History and Philosophy of Kinesiology (3-0-3)*
This course should be taken during the semester before student teaching. The history of kinesiology will be presented with emphasis on the implications for modern kinesiology and sport. Critical thinking skills, problem solving skills, and

ethical decision making will be stressed.

KINS 4342 *Physical Education for Middle and Secondary School Students (3-0-3)*

Students will learn about developmentally appropriate physical education for youth in middle and high school (grades 7-12).

KINS 4950 *Selected Topics (3-0-3)*

The content of this course is designed to meet the needs and interests of students who are assigned studies in selected areas of health and Physical Education Related Topics. *Prerequisites: Permission from department.*

KINS 6220 *Advanced Technology Applications in Kinesiology & Health Science (3-0-3)*

This course is designed to briefly review basic competencies in computer applications. Students will be introduced to technology, the art of utilizing technology in the learning process.

KINS 6230 *Introduction to Graduate Study in Kinesiology & Health Science (3-0-3)*

This course is designed to introduce the student to the expectations of graduate study. Students will be presented with overviews of the various sub disciplines within kinesiology and health science.

KINS 6241 *Fundamentals of Research in Kinesiology and Health Science I (3-0-3)*

This is the first of a two-course sequence that introduces students to research in the disciplines of kinesiology and health science.

KINS 6331 *Organization and Administration of Physical Education and Athletic Programs (3-0-3)*

This course will provide the student with an understanding of personnel administration, physical education and athletic objectives, and program administration.

KINS 6332 *Legal Issues in Physical Education and Athletics (3-0-3)*

This course is designed to explore the legal parameters of the law in the performance of daily duties in instruction. Special emphasis is on liability and negligence.

KINS 6333 *Curriculum Design and Development (3-0-3)*

This course is intended to provide the knowledge necessary for guiding the development, maintenance, and improvement of the framework for instruction and learning in the school—the curriculum. This course will seek to identify and apply principles underlying curriculum improvement for grades K-12.

KINS 6334 *Instructional Strategies (3-0-3)*

The purpose of this course is to examine and understand systematic methods to

improve teaching skills. Two critical subject areas of this course will be the creation of conditions for effective teaching and a review of the literature on effective teaching in physical education.

KINS 6441 *Applied Research Planning (3-0-3)*

This is the first of a two-course sequence that introduces students to planning a research project. Topics include: the purpose of research; the research problem; developing a research proposal; hypotheses; variables; data collection methods; selection of research subject; conducting the research; writing research results; and preparing a manuscript.

KINS 6442 *Applied Research Project (3-0-3)*

This course is designed to allow the student to conduct an applied research project under the direct supervision of a faculty member. After conducting the study, the student will prepare a written research report in the form of a manuscript. *Prerequisites: KINS 6441.*

KINS 6445 *Capstone Seminar in Kinesiology and Health Science (3-0-3)*

The seminar focuses on current trends and issues in Kinesiology and Health science, discussed in terms of theory and practical application from course work and professional experience.

KINS 6950 *Selected Topics (var)*

The content of this course is intended to meet the needs and interests of graduate students in selected areas of Kinesiology. *Prerequisite: Permission of the instructor.*

KINS 7330 *Issues and Trends in Pedagogical Research (3-0-3)*

This course will explore issues and trends currently guiding research in curriculum and instruction in physical education. Students will examine theories, methods, and questions found in pertinent literature. Particular attention will be given to analyzing these issues and identifying trends likely to shape the field in the near future.

KINS 7433 *Philosophy of Kinesiology (3-0-3)*

This course is designed to introduce the student to the historical and philosophical issues of human movement. Students will analyze the writings and teachings of prominent philosophers and make application to Kinesiology. Material will be presented in an epistemological approach.

KINS 7909 *Thesis I (0-6-3)*

The purpose of this course is to offer the student experience in the conceptualization, planning, design of a research study either qualitative or quantitative in nature on an approved topic.

KINS 7910 *Thesis II (0-6-3)*

The purpose of this course is to offer the student experience in the conceptualization, presenting and reporting the results of a research study either qualitative or quantitative in nature on an approved nature topic. *Prerequisites:*

LATN - Latin Courses

LATN 1001 *Elementary Latin (3-0-3)*
Fundamentals of reading and writing Latin. Introduction to Roman culture. Designed for students who have never studied Latin. Students who entered AS for the first time in the Fall of 1998 or later, or those returning students who have not been enrolled for two consecutive years prior to 1998, will not be able to count Foreign Language 1001 towards graduation if it is the same language they took in high school. (First time freshmen who graduated from high school five or more years ago may count Foreign Language 1001.) However, it does count for computing eligibility for financial aid and calculating full-time student status. Students taking the language for the first time will receive credit. For CAC students, consult page 7 of the catalog.

LATN 1002 *Elementary Latin (3-0-3)*
A continuation of Latin 1001. Students admitted provisionally with CAC deficiency in foreign languages may take this course to satisfy the foreign language CAC requirement. Regular credit will not be given to students who have had Latin in high school. *Prerequisites: LATN 1001 or placement.*

LATN 2001 *Intermediate Latin (3-0-3)*
Intermediate Latin grammar, syntax, and vocabulary based on writings of ancient authors; building English vocabulary through study of Latin roots. *Prerequisites: LATN 1002 or placement.*

LATN 2002 *Intermediate Latin (3-0-3)*
A continuation of Latin 2001. At the end of this course, students should have a basic competence in Latin. *Prerequisites: LATN 2001 or placement.*

MATH - Mathematics Courses

MATH 0096 *Developmental Math I (4-0-4)*
This course provides instruction in basic mathematics and introductory algebra. Course work includes basic arithmetic, operations with real numbers, exponents, equations, polynomials, factoring, graphs, and problem solving. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: Math CPE Score of 59-65.*

MATH 0097 *Developmental Math II (3-0-3)*
This course provides instruction in introductory algebra. Course work includes operations with real numbers, exponents, equations, operations with polynomials, factoring, graphs, and problem solving. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: Math CPE Score of 66-74.*

MATH 0099 *Developmental Math III (3-0-3)*

This course provides instruction in intermediate algebra including real numbers, exponents, equations and inequalities, graphs, polynomials, rational and radical expressions and equations, and problem solving. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: MATH 0096/0097 or Math CPE Score of 75-82.*

MATH 1101 *Introduction to Mathematical Modeling (3-0-3)*

An applications-based introductory study of functions using linear, quadratic, polynomial, logarithmic, and piecewise-defined models of real-world phenomena. (Credit will not be awarded for both MATH 1101 and MATH 1111. Not recommended for students planning to take MATH 1113.) *Prerequisite: Two years of high school algebra or the successful completion of MATH 0099.*

MATH 1111 *College Algebra (3-0-3)*

A study of the real number system, exponents, equations and inequalities, functions, systems of linear equations, linear programming, polynomial, exponential, and logarithmic functions. (Credit will not be given for both MATH 1101 and MATH 1111.) *Prerequisite: 2 years of high school algebra or the equivalent.*

MATH 1113 *Precalculus Mathematics (3-0-3)*

A study of functions including polynomial, exponential, logarithmic, and trigonometric. *Prerequisite: MATH 1101 or MATH 1111 (grade of C or better) or two units of high school algebra and one unit of geometry with a SAT-M score of at least 540 and a high school GPA of at least 2.5.*

MATH 1120 *Contemporary Mathematics (3-0-3)*

A second course in mathematics for the liberal arts student. A study of the nature of mathematics and its applications. At least seven (7) topics will be chosen from: set theory, logic, combinatorics, graph theory, probability, statistics, consumer mathematics, history of mathematics, numeration systems, the metric system, number theory, geometry, and algorithm development and computers. *Prerequisite: MATH 1111 or MATH 1101 or advanced placement.*

MATH 1220 *Applied Calculus (3-0-3)*

An intuitive approach to the study of differential and integral calculus with applications in a variety of fields. *Prerequisite: MATH 1111 (grade of C or better) or advanced placement.*

MATH 2011 *Calculus and Analytical Geometry I (4-0-4)*

An introduction to calculus with emphasis on concepts of limit, continuity, and derivative of a function. Differentiation and integration of algebraic, trigonometric, inverse trigonometric, exponential, and logarithmic functions, with applications. *Prerequisite: MATH 1113 (grade of C or better) or ad advanced placement.*

MATH 2012 *Calculus and Analytical Geometry II (4-0-4)*

A continuation of calculus including applications of integration, techniques of integration, L'Hospital's Rule, improper integrals, sequences, series, and polar coordinates including conic sections. Normally offered fall and spring semesters.

Prerequisite: MATH 2011 (grade of C or better) or advanced placement.

MATH 2013 *Calculus and Analytical Geometry III (4-0-4)*

A continuation of calculus with emphasis on the concepts of vectors, vector-valued functions, functions of several variables, parametric equations, partial differentiation, polar coordinates, multiple integration with applications, line integrals, and Green's Theorem. Normally offered spring semester. Prerequisite: MATH 2012 (grade of C or better) or advanced placement.

MATH 2210 *Elementary Statistics (3-0-3)*

A study of frequency distributions of data, graphical and numerical presentations of data, probability, discrete and continuous distributions, sampling distributions, estimation, hypothesis testing, simple linear regression and correlation and goodness of fit. (Credits will not be awarded for both MATH 2210 and MATH 3110.) Prerequisite: MATH 1111 or MATH 1101 or permission of instructor.

MATH 2310 *Statistical Methods (3-0-3)*

Further study of simple and multiple linear regression and correlation, study of experimental design, analysis of variance, analysis of covariance, and non-parametric statistics, categorical analysis and time series. Normally offered: To be arranged. Prerequisite: MATH 2210.

MATH 2950 *Selected Topics (Variable)*

Modern Concepts in special areas of mathematics. Normally offered: To be arranged. Prerequisite: Permission of instructor.

MATH 3020 *Differential Equations (3-0-3)*

A study of ordinary differential equations with applications. A study of methods of solving first order, nth-order linear, and simultaneous differential equations. Solution methods include Laplace transformations and series solutions. Normally offered fall semester. Prerequisite: MATH 2012 or permission of instructor.

MATH 3030 *Symbolic Logic and Set Theory (3-0-3)*

A study of the logical connectives, the algebra of propositions, quantification, inference and arguments, the algebra of sets, relations and mappings, set-theoretic proofs. Prerequisite: MATH 1220 or MATH 2011.

MATH 3110 *Statistical Analysis for Business (3-0-3)*

A study of frequency distributions of data, graphical and numerical summaries of data, basic probability, random variables and their probability distributions, sampling techniques and sampling distributions, estimation and hypothesis testing, simple linear regression and correlation, and statistical quality control and forecasting techniques. (Credit will not be awarded for both MATH 2210 and MATH 3110.) Prerequisite: MATH 1220.

MATH 3241 *Mathematics for Early Childhood Teachers I (3-0-3)*

A study of the real number system with emphasis on whole numbers, common fractions, decimals, and per cents. Includes multiple representations of numbers, relationships between numbers, properties, operations, estimation, elementary number theory concepts, and problem solving. (This course will not count toward a

major or minor in mathematics.) *Prerequisite: Admission to Teacher Development.*

MATH 3242 *Mathematics for Early Childhood Teachers II (3-0-3)*
A study of the concepts related to spatial sense, geometry, and measurement using nonstandard, English, and metric units. Includes a study of two- and three-dimensional objects, geometric transformations, and the location of points on a map or grid. (This course will not count toward a major or minor in mathematics.) *Prerequisite: MATH 3241 (grade of C or better).*

MATH 3261 *Mathematics for Middle School Teachers I (3-0-3)*
A study of the real number system including multiple representations of numbers, relationships between numbers, operations, properties, and estimation. Proportional reasoning, algebraic reasoning, and elementary number theory concepts are included. (This course will not count toward a major or minor in mathematics.) *Prerequisite: Admission to Teacher Development.*

MATH 3262 *Mathematics for Middle School Teachers II (3-0-3)*
A study of geometric concepts and measurement using nonstandard, English, and metric units. Coordinate geometry, inductive and deductive reasoning, and concepts related to two- and three-dimensional objects including similarity, congruence, and transformations are explored. (This course will not count toward a major or minor in mathematics.) *Prerequisite: MATH 3261 (grade of C or better).*

MATH 4011 *Mathematical Analysis I (3-0-3)*
A study of the topology of real numbers, sets, functions, limits, sequences and series, and real numbers. Normally offered fall semester, even years. *Prerequisite: MATH 3030 and MATH 2013 or permission of instructor.*

MATH 4012 *Mathematical Analysis II (3-0-3)*
A study of continuous and discontinuous functions on metric spaces, connectedness, compactness, completeness, the Riemann integral, differentiation. Normally offered spring semester, odd years. *Prerequisite: MATH 4011.*

MATH 4211 *Modern Abstract Algebra I (3-0-3)*
A study of basic mathematical ideas which determine the structure of elementary abstract algebra. Definitions and fundamental properties of groups. Study of number systems. Normally offered fall semester. *Prerequisite: MATH 3030.*

MATH 4212 *Modern Abstract Algebra II (3-0-3)*
Continuation of the development of basic mathematical ideas which determine the structure of elementary abstract algebra. Definitions and fundamental properties of rings, integral domains, and fields. Polynomials over a field. Construction of number systems. Normally offered spring semester. *Prerequisite: MATH 4211.*

MATH 4251 *Probability and Statistics I (3-0-3)*
A study of combinatorics, probability, mathematical expectation, study of discrete and continuous distributions, bivariate and multivariate distributions, moment-generating functions, the central limit theorem, sampling distributions, estimation and hypothesis testing. Normally offered fall semester, odd years.

Prerequisite: MATH 2012.

MATH 4252 *Probability and Statistics II (3-0-3)*

A study of game theory and decision criteria, point and interval estimation, theory and applications of hypothesis testing, non-parametric tests, regression and correlation, analysis of variance and a general introduction to experimental design. Normally offered spring semester, even years. *Prerequisite: MATH 4251.*

MATH 4260 *Mathematics for Elementary and Middle School Teachers III (3-0-3)*

A study of data analysis, statistics, and probability through the collection and interpretation of data. Includes graphical representation of data, experimental and theoretical probabilities, measures of central tendency and variation, interpretation of statistical studies, and making predictions from data. (This course will not count toward a major or minor in mathematics.) *Prerequisite: MATH 3242 (grade of C or better) OR MATH 3262 (grade of C or better).*

MATH 4280 *Linear Algebra (3-0-3)*

A study of vector spaces with emphasis on finite-dimensional vector spaces, linear transformations, matrices, linear equations and determinants. Normally offered spring semester. *Prerequisite: MATH 3030 or permission of instructor.*

MATH 4310 *Modern Geometry (3-0-3)*

A modern treatment of geometry primarily from the metric approach, but with some reference to the Euclidean Synthetic approach. Parallelism, similarity, area, constructions, non-Euclidean and finite geometries. Normally offered summer, even years. *Prerequisite: MATH 3030 or permission of instructor.*

MATH 4320 *Theory of Numbers (3-0-3)*

The concepts of congruences, continued fractions, the Euclidean Algorithm, and the method of Euler are used to solve linear Diophantine equations. Pell's equations, Pythagorean Triples and other higher degree equations are studied. Normally offered spring semester, even years. *Prerequisite: MATH 3030.*

MATH 4350 *Numerical Analysis (3-0-3)*

A study of non-linear equations, numerical integration and differentiation and numerical solution of initial value problems in ordinary differential equations. May be taken for graduate credit within prescribed limits and with the advisor's approval. Normally offered spring semester, odd years. *Prerequisite: CSCI 2000 or CSCI 2301, and MATH 3020, or permission of instructor.*

MATH 4410 *History of Mathematics (3-0-3)*

A study of the nature and historical origin of mathematics. Analysis of the concepts of algebra, trigonometry and calculus. Solution of problems pointed toward appreciation of early mathematical developments. Normally offered fall semester, odd years. *Prerequisite: MATH 3030.*

MATH 4420 *Introduction to the Theory of Graphs (3-0-3)*

A study of graphs, subgraphs, paths, arcs, trees, circuits, digraphs, colorability. Normally offered fall semester, even years. *Prerequisite: MATH 3030.*

MATH 4430 *Methods of Teaching Secondary Mathematics (3-0-3)*
Students learn to use current teaching methods, materials, and technology as they explore topics relevant to the secondary mathematics curriculum. A field experience of 45 clock hours is a required component. *Prerequisites: MATH 4211 and MATH 4310, and permission of the instructor.*

MATH 4510 *Complex Variables (3-0-3)*
A study of the field of complex numbers, elementary functions of a complex variable, limits, derivatives, analytic functions, mapping by elementary functions, integrals, power series, residues and poles. Normally offered summer, odd years. *Prerequisite: MATH 2012 or permission of instructor.*

MATH 4520 *General Topology (3-0-3)*
A systematic survey of the standard topics of general topology with particular emphasis on applications to Euclidean spaces, surfaces, topological invariants, continuous functions, and homeomorphisms. Normally offered spring semester, even years. *Prerequisite: MATH 3030.*

MATH 4900 *Cullum Lecture Series (Variable 1 - 3)*
A variable-content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative programs. Students will hear lectures by nationally and internationally known scholars with expertise in the topic chosen for each spring semester, attend films and/or panel discussions, participate in-class discussions, and prepare a student project relevant to the quarter's topic. Normally offered spring semester. *Prerequisite: Variable.*

MATH 4950 *Selected Topics (Variable)*
A study of modern concepts in special areas of mathematics. Semester to be offered: To be arranged. *Prerequisite: Permission of instructor and approval by Mathematics Curriculum Committee.*

MATH 4960 *Undergraduate Internship (Variable 1 - 9)*
An internship in a service-learning experience based in an institution or agency, emphasizing the completion of a specific task and the acquisition of specific knowledge and skills under the supervision of AS and the cooperating institution or agency. Semester to be offered: To be arranged. *Prerequisite: Permission of the department chair.*

MATH 4990 *Undergraduate Research (Variable)*
Individual mathematics research, a minimum of three hours per week for each semester hour credit. Semester to be offered: TBA. *Prerequisite: Permission of Department Chairman and senior standing.*

MATH 6011 *Mathematical Analysis for Teachers (3-0-3)*
A study of the real numbers, sets, compactness, sequences, functions, limits, continuity, and derivatives. Normally offered: fall semester, even years. *Prerequisite: MATH 6110 or permission of instructor.*

MATH 6012 *Mathematical Analysis for Teachers II (3-0-3)*
A study of metric spaces, Riemann integration, sequences and series. Normally offered: Spring semester, odd years. *Prerequisite: MATH 6011.*

MATH 6070 *Fundamentals of Mathematics (3-0-3)*
An in-depth study of the fundamental concepts of mathematics contained in the elementary and middle school curriculum including arithmetic, probability, statistics, number theory, geometry and measurement. Semester to be offered: To be arranged. *Prerequisite: Admission to graduate program.*

MATH 6080 *Foundations of Geometry (3-0-3)*
A study of the fundamental concepts of plane geometry, both metric and non-metric and an introduction to finite, coordinate, non-Euclidean and projective geometries. Semester to be offered: To be arranged. *Prerequisite: Admission to graduate program.*

MATH 6110 *Foundations of Mathematics (3-0-3)*
A study of logic, set theory, cardinality, the Axiom of Choice and its equivalences. Semester to be offered: To be arranged. *Prerequisite: Admission to graduate program and at least the equivalent of a minor in mathematics in undergraduate program or permission of instructor.*

MATH 6211 *Abstract Algebra I (3-0-3)*
An advanced study of group theory and ring theory. Semester to be offered: To be arranged. *Prerequisite: MATH 6110 and MATH 4211 (or equivalent) or permission of instructor.*

MATH 6212 *Abstract Algebra II (3-0-3)*
Further study of advanced ring theory. An advanced study of field theory including extension fields and Galois theory. Semester when offered: To be arranged. *Prerequisite: MATH 6211 or permission of instructor.*

MATH 6250 *Mathematical Statistics (3-0-3)*
A detailed study of descriptive statistics, probability, discrete and continuous random variables and their distributions and moments, bivariate and multivariate distributions, central limit theorem, estimation, hypothesis testing and regression and correlation. Semester when offered: To be arranged. *Prerequisite: Admission to graduate program or permission of instructor.*

MATH 6280 *Linear Algebra (3-0-3)*
A study of vector spaces, modules, linear transformations, matrices and linear systems. Semester when offered: To be arranged. *Prerequisite: Admission to graduate program or permission of instructor.*

MATH 6320 *Advanced Number Theory (3-0-3)*
A brief survey of divisibility and primes followed by in-depth study of congruences, residues, Diophantine Equations, numbertheoretic functions, Farey and continued fractions, Pell's Equation, and algebraic numbers. Semester when offered: To be arranged. *Prerequisite: Admission to graduate program and MATH 4320 or permission of instructor.*

MATH 6360 *Mathematics Curriculum (3-0-3)*
The study of the mathematics curriculum in the secondary school and the effects of research and technology on this curriculum. Semester when offered: TBA. *Prerequisite: Permission of instructor.*

MATH 6410 *History of Mathematics for Teachers (3-0-3)*

A study of the historical origin of mathematics. Analysis of the concepts of algebra, geometry, trigonometry, and calculus. Solution of problems pointed toward appreciation of early mathematical developments. Emphasis is placed on the development of differential and integral calculus. Normally offered fall semester, odd years. *Prerequisite: Admission to graduate program and not credited in a course equivalent to MATH 4410.*

MATH 6420 *Introduction to the Theory of Graphs (3-0-3)*
A study of graphs, subgraphs, paths, arcs, trees, circuits, digraphs, colorability. Normally offered fall semester, even years. *Prerequisite: Admission to graduate program and MATH 3030 or permission of instructor.*

MATH 6460 *Strategies for Teaching Mathematics (3-0-3)*
A study of contemporary learning theories as they relate to secondary mathematics and teaching strategies including technology and other aids. Semester when offered: To be arranged. *Prerequisite: Admission to graduate program or permission of instructor.*

MATH 6570 *Research in Mathematics Education (Variable)*
A brief survey of research related to the teaching and learning of mathematics. Particular emphasis will be given to the reading and interpreting of research. *Prerequisite: Permission of instructor.*

MATH 6710 *Combinatorial Mathematics (3-0-3)*
A study of permutations, combinations, recurrence relations, generating functions, the principle of inclusion exclusion, Latin rectangles and block designs. Normally offered summer, odd years. *Prerequisite: Admission to graduate program or permission of Instructor.*

MATH 6950 *Selected Topics (Variable: 1-3)*
A variable content course intended to meet the needs and interests of graduate students in selected areas of mathematics. Semester when offered: To be arranged. *Prerequisite: Permission of Department Chair and Instructor.*

MGED - Middle Grades Education Courses

MGED 3111 *The Middle School Teacher and Student Roles (3-0-3)*
The course is designed to enable the student to analyze and examine the nature of student and teacher roles in the Middle Grades classroom and the relationships which undergird teaching and learning. The student(s)/teacher relationship will serve as the context to examine problem solving management strategies when working with early adolescents. *Prerequisites: Admission to Teacher Education Program.*

MGED 3112 *The Middle School Classroom: Environment, Curriculum and Practices (3-0-3)*
Students will examine the elements of an effective Middle Grades classroom including the classroom environment, a Middle School approach to implementing a student centered interdisciplinary curriculum, and Middle School pedagogy and best practices. Meeting students individual needs, including those of special

needs students is embedded in the course.

MGED 3213 *The Middle School as Organization (3-0-3)*
Students will examine the Middle School as an organization. Middle School philosophy and the origins of the Middle School movement will be examined as the basis of organizational components such as teaming, flexible scheduling, interdisciplinary curriculum, parental/community involvement programs and educational structures built to meet student/adolescent needs. *Prerequisites: MGED 3111 and MGED 3112*

MGED 3221 *Adolescent Language Arts Pedagogy (3-0-3)*
Students will develop instructional skills to effectively teach Language Arts in the Middle Grades classroom. They will develop an understanding of Language Arts philosophies and best practices in the Middle Grades. They will explore areas of reading, writing, speaking and listening as the context for skill development in students.

MGED 3222 *Integrated Reading to Learn
(Reading pedagogy across content areas) (3-0-3)*
Students will develop strategies to effectively engage Middle Grade students in reading across content areas. Students will develop approaches which emphasize reading as a means to learn. Students will also develop strategies to enable students to deal with reading deficiencies and other challenges students may face as readers in the Middle Grades. *Prerequisites: MGED 3111, 3112, and 3213.*

MGED 3231 *Content Pedagogy:
Mathematics Education for Middle Grades (3-0-3)*
This course focuses on the curriculum and evaluation standards of the National Council of Teachers of Mathematics. Emphasis is on problem-solving, measurement, computation, hypothesis posing, and hypothesis testing. Teaching and learning strategies are examined.

MGED 3241 *Content Pedagogy:
Social Studies Education for Middle Grades (3-0-3)*
This course will emphasize how the conceptual themes and modes of inquiry represented in the national social studies standards are to be applied when formulating instruction and assessment activities that are appropriate to middle grade students. Special emphasis will be placed on concept formulation, thematic problem solving, strategic learning, complex skill development, performance assessment.

MGED 3251 *Science Education for Middle Grades (3-0-3)*
This course emphasizes approaches to teaching science content that reflect understanding of the distinct characteristics of middle school students, the importance of inquiry and discovery in the process of coming to understand science content, and the framework provided by national and state science standards.

MGED 4110 *Teaching on an Integrated Team (3-0-3)*
Students will engage in a simulation to act as an interdisciplinary team

conceptualizing, planning and working together as a team engaging in a thematic approach to integrated studies in the middle grades. *Prerequisites: MGED 3111, 3112, 3213, and content concentration.*

MGED 4111 *Integrated Instruction in the Middle School (3-0-3)*
Students will engage in collaborative planning of an interdisciplinary unit of instruction for implementation in the field. Students will work with a team of teachers to pre-plan, implement and evaluate the interdisciplinary unit of instruction. *Prerequisites: MGED 3111, 3112, 3213, and content concentration.*

MGED 4160 *The Creative Arts (3-0-3)*
Designed to meet the unique needs of the middle school regular classroom teacher; this course, based on the arts infusion model, will emphasize aesthetic perception, creative expression, cultural heritage, and aesthetic valuing. Content areas include music, creative dramatics, movement and the visual arts.

MGED 4210 *Middle Grades Apprenticeship (3-12-15)*
Students are placed with selected master teachers for an entire semester during which time they are teaching in the curriculum areas for which they are seeking certification. During the semester the apprentice teacher, under the supervision of the master teacher, assumes the responsibilities of professional teaching practice. During this semester apprentices meet regularly with the master teachers and university coordinators in seminar to examine issues and problems of practice. Students reflect on and synthesize the conceptual and theoretical constructs of pedagogy with the complexity of practice. *Prerequisites: Successful completion of all components of middle grades sequence.*

MGMT - Management Courses

MGMT 2106 *Legal and Ethical Environment of Business (3-0-3)*
This course analyzes the legal, ethical, economic, social, and political environment in which business operates. The cost and benefits of regulation are appraised. *Prerequisite: Completion of 50 semester hours.*

MGMT 3500 *Management Theory and Practice (3-0-3)*
A study of the theory and practices of management using a functional approach to emphasize the interdependence of behavior, technology, and organizational structure. *Prerequisites: 50 semester hours including C's or better in 12 hours of BBA Core Area F.*

MGMT 3510 *Organizational Behavior (3-0-3)*
Examines the determinants and consequences of human behavior in formal organizations. *Prerequisite: MGMT 3500 with a grade of C or better.*

MGMT 4500 *Human Resource Management (3-0-3)*
An applications approach to the managerial decisions regarding selection, recruitment, training, performance appraisal, compensation, benefits, discipline, termination, and employment law. *Prerequisite: MGMT 3500 with a grade of C or*

better.

MGMT 4520 *Labor Relations and Collective Bargaining (3-0-3)*
A decisional approach surrounding the union-management relationship including collective bargaining, contract negotiation and administration, dispute resolution (arbitration, mediation), the NLRA, and the structure and functioning of organized labor. *Prerequisites: MGMT 3500 with a grade of C or better.*

MGMT 4550 *Entrepreneurship and Small Business Management (3-0-3)*
An interdisciplinary case and lecture approach is used to provide the student with knowledge of real life as well as simulated management experience in areas of entrepreneurship and small business problem solving. Emphasis will be on the characteristics of entrepreneurs, small business problems, managing and controlling the operations. *Prerequisite: ACCT 2101, ECON 1810 or ECON 2106, MKTG 3700, and MGMT 3500 with a grade of C or better in each.*

MGMT 4560 *Advance Topics in Human Resources (3-0-3)*
Course contains module coverage of selected HR topics of selection, compensation, training and development, and safety and health issues. *Prerequisite: MGMT 3500 and MGMT 4500 with grades of C or better in each.*

MGMT 4580 *Strategic Management (3-0-3)*
Analysis of the practices and problems in the strategic management of businesses through case studies and other information drawn from the functional areas of the enterprise. Serves as a capstone course. *Prerequisite: C's or better in MKTG 3700, MGMT 3500, QUAN 3600 and FIND 3400; senior standing; and all other jr./sr. common courses or final semester.*

MGMT 4950 *Selected Topics in Management (3-0-3)*
A course and/or directed study of a major issue, practice, or problem in the area of management. Content to be decided based on needs and professional objectives of students and the expertise and availability of faculty. *Prerequisite: Permission of advisor to use in the major area and senior standing.*

MGMT 6500 *Organizational Behavior (3-0-3)*
An analysis of the determinants and consequences of human behavior in organizations with attention to motivation, leadership, and group dynamics. *Prerequisite: Graduate (MBA) status and completion of MGMT 3500.*

MGMT 6510 *Societal Issues in Business Decisions (3-0-3)*
Examines the interrelationships between business and society from a managerial perspective. Decision implications of ethics, the natural environment, stakeholder diversity and business regulation are addressed from an application standpoint. *Prerequisite: Graduate (MBA) status and MGMT 3500 or equivalent.*

MGMT 6520 *Management of Human Resources (3-0-3)*
A comprehensive survey of the typical personnel management decisions faced by managers, including accepted contemporary practice relative to job analysis, EEO regulations, selection, development, discipline, discharge, appraisal, compensation, benefits, and global human resource issues. *Prerequisites:*

Graduate (MBA) status and MGMT 3500 or equivalent.

MGMT 6580

Strategic Management (3-0-3)

Gives the student an opportunity to develop and appreciate conceptual skills as needed by higher level managers in all types of organizations. Emphasis is on the integration of subject matter from all courses in the discussion and analysis of organizational problems. Comprehensive analyses of organizations are conducted. To be taken within the last two semesters. *Prerequisites: Graduate (MBA) student status, successful completion of at least eight 6000-level MBA courses, and permission of the MBA program director.*

MGMT 6590

Current Issues in Management (3-0-3)

A variable content course individually designed to meet the needs, interests, and professional objectives in business administration. *Prerequisites: Graduate (MBA) student status and MGMT 3500 or equivalent.*

MILS - Military Science Courses

MILS 1010

Introduction to the Military (2-0-2)

An overview of the Army, Army Reserves, and the National Guard. PA basic study about the military and how the military and the government work together for the country's protection. Enrolled/Contracted ROTC cadets can participate in a weekend exercise to experience Army life.

MILS 1020

First Aid for Soldiers (2-0-2)

A study in practical application of cardiopulmonary resuscitation (CPR) and other first aid measures to be applied in the event of: choking, bleeding, shock, fractures, burns, frost bite, and heat exhaustion.

MILS 2010

Small Unit Leadership & Management (2-0-2)

A study of a leader of a small organization. A practical exercise for the student to learn how to plan, organize, execute tasks, manage time and make sound decisions. Enrolled/Contracted ROTC cadets can participate in a weekend exercise to put all skills to practice.

MILS 2020

Orienteering (2-0-2)

An introduction to the basic fundamentals of military map reading and land navigation. A practical exercise in orienteering using maps, compass, and terrain association. Enrolled/Contracted ROTC cadets can participate and test their skills in several scheduled Land Navigation course at Fort Gordon.

MILS 3010

Advanced Orienteering and Leadership (3-0-3)

A study of map reading and land navigation as applied with the military small unit leader. An introduction to small unit tactics and leadership skills. Includes physical conditioning. *Prerequisite: Permission of Department Chair.*

MILS 3020

Tactical Military Leadership (3-0-3)

A study of the fundamentals of leadership and the leader's role in directing individuals and small units in offensive and defensive tactics. Includes physical

conditioning. *Prerequisite: Permission of Department Chair.*

MILS 3060 *Officer Basic Camp Summer Internship (3-0-3)*
A five week summer camp conducted at Fort Knox, Kentucky. Students participate in physical training, land navigation, weapons and tactics, and leadership development. Successful completion qualifies individuals to validate or compete for a two year scholarship.. *Prerequisite: Permission of Department Chair.*

MILS 4010 *Advanced Military Leadership (3-0-3)*
A study of command responsibilities and military ethics. An introduction to the staff functions and responsibilities: personnel and administration, intelligence, training and operations, and logistics. *Prerequisite: MILS 3105.*

MILS 4020 *Transition to Officership (3-0-3)*
A study of the responsibilities and duties of the upcoming commissioned officer serving in the military; more specifically in the Army, Army Reserve, and National Guard. An introduction to the military justice system to include the court-marital system and the commander's responsibilities. *Prerequisite: MILS 4010.*

MILS 4950 *Selected Topics (3-0-3)*
An intensive study of special areas of Military Science. *Prerequisite: Permission of Department Chair.*

MILS 4960 *Advanced Camp Summer Internship (3-0-3)*
A five week summer camp conducted at Fort Lewis, Washington. Students participate in physical training, land navigation, weapons and tactics, and leadership development. The final camp score is part of the student's accessions packet for service in the Army. *Prerequisite: MILS 3020.*

MINF - Management Information Courses

MINF 2201 *Microcomputer Applications (3-0-3)*
Hands-on introduction to microcomputer applications which support business functions; word processing, spreadsheets, graphics, and database management system. Also exposure to use of an operating system, electronic communication, and basic computing concepts. *Prerequisite: MATH 1101 OR MATH 1111.*

MINF 3310 *Business systems Development (3-0-3)*
Analysis, design, and implementation of information systems supporting accounting, finance, management, and marketing are studied emphasizing technology management and technical development of information systems. *Prerequisites: 50 semester hours and C's or better in 12 semester hours of BBA Area F including MINF 2201 and ACCT 2101.*

MINF 3650 *Information Systems (3-0-3)*
Examines the role of hardware, programs, data, procedures, and personnel systems. Includes file/database processing, telecommunication, and systems architecture, development, and management. *Prerequisite: 50 semester hours and C's or better in 12 semester hours of BBA Area F including MINF 2201.*

MINF 4117 *Marketing on the Internet (3-0-3)*
Address how e-commerce is changing the marketing of products and services, Advertising and selling on the Internet are explored: the use of web sites for customer services and support, consumer shopping decisions on the Internet, databases which allow customization to specific customer segments, and payment and transaction processes. Also, the strategic issues of marketing communications and distribution strategies are investigated. *Prerequisites: MINF 3650 and MKTG 3700 with grades of C or better.*

MINF 4118 *Web Page Design (3-0-3)*
Acquaints students with layout and design concepts of creating web pages and building interaction via scripting. Students will be exposed to appropriate format and page layout, adding and manipulating visuals, images and hyperlinks, creating tables and forms for web pages. *Prerequisites: MINF 3650 with a grade of C or better.*

MINF 4330 *Telecommunications Management (3-0-3)*
An introduction to managing business telecommunications resources. The course examines telecommunications from three different perspectives: the client, the designer, and the implementer, focusing on the role of the designer. This role determines telecommunications requirements from the client and translates these requirements to the implementer. *Prerequisites: MINF 3650 with a grade of C or better.*

MINF 4390 *Introduction to E-Commerce (3-0-3)*
Concentrates on identifying Internet and E-commerce opportunities that enhance business process service quality and cost effectiveness: challenges, opportunities, and issue of the Internet; Internet Service Providers; Intranets; Extranets: marketing concepts in an Internet context; marketing sites, search engines; understanding e-customers; ethnic markets; E-commerce internationally, growth of Business to Business commerce, customer relationship management. *Prerequisites: MINF 3650 with a grade of C or better.*

MINF 6620 *Management of Information Technology (3-0-3)*
Examines the issues of information technology, operations, competitive advantage, and leadership from management's perspective. Includes cross-functional issues, relationships with vendors and consultants, RFP's, contracts, hardware, software, communications, and ethics. *Prerequisite: Graduate (MBA) status.*

MINF 6690 *Current Issues in Management Information Systems (3-0-3)*
A variable content course individually designed to meet the needs, interests, and professional objectives in business administration. *Prerequisites: Graduate (MBA) student status.*

MKTG - Marketing Courses

MKTG 3700 *Principles of Marketing (3-0-3)*
An introduction to the basic principles of marketing and the marketing environment,

with a focus on understanding ethical planning, implementing, and controlling marketing activities on a local, national, and global scale. *Prerequisite: 50 semester hours including C's or better in 12 semester hours of BBA Core Area F.*

MKTG 3710

Buyer Behavior (3-0-3)

This course examines the decision-making process of individual and organizational buyers. It examines both target market selection and segmentation, drawing on concepts from economics, psychology, and sociology, and relating behavior issues to strategic planning. *Prerequisite: MKTG 3700 with a grade of C or better.*

MKTG 3720

Retail Management (3-0-3)

Identification and analysis of concepts and practices of successful retailing management. Includes environmental and opportunity assessments; sales promotion and customer services; organizational and merchandise decisions; accounting controls; and leadership. *Prerequisite: MKTG 3700 with a grade of C or better.*

MKTG 3730

Salesmanship and Sales Management (3-0-3)

Introduction to sales concepts and techniques and how to apply them in a myriad of selling situations. Management and evaluation of the sales force are also included. *Prerequisite: MKTG 3700 with a grade of C or better.*

MKTG 4740

Marketing Research (3-0-3)

Study and practice of planning, designing, organizing, executing, analyzing, reporting, and evaluating and controlling marketing research activities as an aid to effective and efficient managerial marketing decisions. *Prerequisite: MKTG 3700 & MATH 3110 with grades of C or better.*

MKTG 4750

Marketing Planning and Strategy (3-0-3)

An examination of the marketing decision-making process within the corporate strategic planning framework. The course explores strategic planning tools and assesses their strengths and weaknesses in helping attain long-range corporate objectives. *Prerequisite: MKTG 3700 with a grade of C or better.*

MKTG 4770

Product Innovation and Product Management (3-0-3)

Examines how the elements of the marketing mix are affected by technological choice, design trade-off, licensing, purchase of technology, and timing and entry into the marketplace. The management of R & D activities is discussed and the impact on marketing strategy. *Prerequisite: MKTG 3700 with a grade of C or better.*

MKTG 4780

Advertising and Promotion Management (3-0-3)

Introduction to marketing and advertising plans and strategies, the advertising business, advertising media, and advertising creativity. *Prerequisite: MKTG 3700 with a grade of C or better.*

MKTG 4950

Selected Topics in Marketing (3-0-3)

A course and/or directed study of a major issue, practice, or problem in the area of marketing. Content to be decided based on needs and professional objectives of

students and the expertise and availability of faculty. *Prerequisite: Permission of advisor to use in the major area and senior standing.*

MKTG 6700 *Marketing Management (3-0-3)*
Advanced study of the rationale for the marketing functions and the application of the managerial functions to marketing problems and opportunities. *Prerequisite: Graduate (MBA) student status and MKTG 3700 or equivalent.*

MKTG 6790 *Current Issues in Marketing (3-0-3)*
A variable content course individually designed to meet the needs, interests, and professional objectives in business administration. *Prerequisites: Graduate (MBA) student status and MKTG 3700 or equivalent.*

MUSI - Music Courses

Music Ensembles and Applied Music Lessons (MUSA) are listed after the following MUSI courses.

MUSI 0201
See MUSI 1201 below.

MUSI 0202
See MUSI 1202 below.

MUSI 0521 *Class Piano I (2-0-2)*
An introduction to the keyboard and training in basic keyboard technique, with emphasis on major and minor scales. Successful completion of this course fulfills the major and minor scales components of the AS Piano Proficiency Exam. Normally offered Fall, Spring.

MUSI 0522 *Class Piano II (2-0-2)*
A continuation of basic piano skills and repertoire, with emphasis on major and minor arpeggios and block chords. Successful completion of this course fulfills the arpeggios and block chords components of the AS Piano Proficiency Exam. Normally offered Fall, Spring.

MUSI 0523 *Class Piano III (2-0-2)*
A continuation of basic technical keyboard skills for non-keyboard majors, with emphasis on early intermediate repertoire, on accompanying, and on the patriotic song requirements of the AS Piano Proficiency Exam. Successful completion of this course fulfills these components of the AS Piano Proficiency Exam. Normally offered Fall, Spring.

MUSI 0524 *Class Piano IV (2-0-2)*
A continuation of class piano instruction for non-keyboard majors, with emphasis on sight-reading, on open-score reading, and on transposition skills. Successful completion of this course fulfills these components of the AS Piano Proficiency Exam. Normally offered Fall, Spring.

MUSI 0810 *Basic Computer and Technological Applications in Music (V-0-1)*

The study and utilization of technology in musical applications. Emphasis on basic computer music notation systems, MIDI sequencing, and CAI. Successful completion of this course fulfills the Computer Applications in Music Proficiency.

MUSI 1101 *Elementary Ear-Training and Sight-Singing I (2-0-2)*

The study of the diatonic harmony of the Common Practice Period through aural analysis and recognition and the development of sight-singing skills. Emphasis on cadences, melodic form, non-harmonic tones & diatonic triads. *Co-Requisite: MUSI 1211 must be taken concurrently or prior to enrollment in MUSI 1101.*

MUSI 1102 *Elementary Ear-Training and Sight-Singing II (2-0-2)*

A continued study of the diatonic harmony of the Common Practice Period through aural analysis and recognition and the development of sight-singing skills. Introduction to elementary forms, chromatic harmony, elementary modulation and secondary dominants of primary chords. *Prerequisites: MUSI 1101, MUSI 1211. Co-Requisite: MUSI 1212 must be taken concurrently or prior to enrollment in MUSI 1102.*

MUSI 1201 *Music Fundamentals I (2-0-2)*

A course in basic musicianship for non-music majors and music majors, including a study of pitch reading, rhythm reading, analysis of music, major scales, key signatures, intervals from the major scales, and triads; with further application of learned theoretical concepts through the development of rudimentary keyboard, ear-training and sight-singing skills. Does not count toward the music degree (MUSI 0201).

MUSI 1202 *Music Fundamentals II (2-0-2)*

A course in basic musicianship for non-music majors and music majors, including a study of pitch reading, rhythm reading, analysis of music, minor scales, key signatures, intervals from the minor scales, and triads; with further application of learned theoretical concepts through the development of rudimentary keyboard, ear-training and sight-singing skills. Does not count toward the music degree (MUSI 0202).

MUSI 1211 *Elementary Part Writing and Analysis I (2-0-2)*

A study of the diatonic harmony of the Common Practice Period through the development of composition, analysis and keyboard skills. Emphasis on cadences, melodic form, non-harmonic tones, and diatonic triads. *Prerequisite: Permission of the Department of Fine Arts Chair.*

MUSI 1212 *Elementary Part Writing and Analysis II (2-0-2)*

A continued study of the diatonic and chromatic harmony of the Common Practice Period through the development of composition, analysis and keyboard skills. Emphasis on elementary forms, chromatic harmony, elementary modulation and secondary dominants of primary chords. *Prerequisite: MUSI 1211.*

MUSI 1500 *Recital Laboratory (0-V-0)*

A forum for student performances and recital/concert attendance. Emphasis on exposing the student to a variety of musical styles and genres within the classical and jazz traditions. Co-Requisite: Major or Concentration Applied Lessons.

MUSI 1501/3501 *Class Piano for Non-Music Majors (2-0-2)*
Class piano instruction for non-music majors who have not studied piano previously or are at the elementary level. Emphasis on proper hand position and posture, training in basic keyboard technique, and mastery of basic elements of music. May be repeated for credit. Normally offered Fall, Spring.

MUSI 1502/3502 *Class Voice for Non-Music Majors (2-0-2)*
Class singing instruction for non-music majors who have not studied voice previously or are at the elementary level. Emphasis on proper breathing and posture, tone production, vocal technique, and English and Italian diction. May be repeated for credit. Normally offered Fall, Spring.

MUSI 1503/3503 *Class Guitar for Non-Majors (2-0-2)*
Class guitar instruction for non-music majors who have not studied guitar previously or are at an elementary level. Emphasis on proper posture and hand positions and mastery of basic elements of music. May be repeated for credit or taken as an upper division course (MUSI 3503). *Prerequisites for MUSI 3503: Permission of instructor.*

MUSI 2101 *Advanced Ear Training and Sight Singing I (2-0-2)*
A continued study of the chromatic harmony of the Common Practice Period through aural analysis and recognition and the development of sight-singing skills. Emphasis on elementary forms, modulation to closely related and foreign keys, and secondary leading tone chords of primary chords. *Prerequisites: MUSI 1102, 1212 Co-Requisite: MUSI 2211 must be taken concurrently or prior to enrollment in MUSI 2101.*

MUSI 2102 *Advanced Ear Training and Sight Singing II (2-0-2)*
A continued study of the harmonic practices of the 19th and early 20th centuries through aural analysis and recognition and the development of sight-singing skills. Emphasis on common formal processes, extended tertian chords, modal practices and the twelve-tone system. *Prerequisites: MUSI 2101, 2211. Co-Requisite: MUSI 2212 must be taken concurrently or prior to enrollment in MUSI 2102.*

MUSI 2211 *Advanced Part Writing and Analysis I (2-0-2)*
A continued study of the chromatic harmony of the Common Practice Period through the development of composition, analysis and keyboard skills. Emphasis on elementary forms, modulation to closely related and foreign keys, and secondary leading tone chords of primary chords. *Prerequisite: MUSI 1212.*

MUSI 2212 *Advanced Part Writing and Analysis II (2-0-2)*
A continued study of the harmonic practices of the 19th and early 20th centuries through the development of composition, analysis and keyboard skills. Emphasis on common formal processes, extended tertian chords, modal practices and the twelve-tone system. Normally offered Spring. *Prerequisite: MUSI 2211.*

MUSI 2230 *Introduction to the Masterworks of Western*

Music Literature (2-0-2)

The art of music listening, involving study of the evolution of musical styles from the western tradition by listening to and discussing established masterworks. The course's approach is chronological with an emphasis on developing listening skills.

MUSI 2310

*From the Monastery to the Concert Stage:
Western Art Music (3-0-3)*

A survey of Western musical styles for non-music majors. Emphasis will be placed upon listening and aural analysis of musical works. May be taken as an upper-division course (MUSI 3310). *Prerequisite: HUMN 2001.*

MUSI 2320/3320

Music and Popular Culture (3-0-3)

A chronicle of the musical and historical development of rock-based popular music from its formative stages through the present day. Popular music will be examined within the sociocultural, political and economic contexts of a rapidly changing society where music stands as a dominant force in popular culture. *Prerequisite: HUMN 2001.*

MUSI 2330/3330

Music of the World's Peoples (3-0-3)

An inquiry into the dynamics of Western and non-Western value systems and behaviors by studying classical, traditional, primitive, and folk music traditions in the context of human life in a variety of cultures. *Prerequisite: HUMN 2001*

MUSI 2400

Music Methods for Elementary Teachers (2-0-2)

A study of the fundamentals of music for the elementary classroom teacher with emphasis on strategies for teaching music to students in the elementary grades using the Orff and Kodaly methods.

MUSI 3210

Form and Analysis (2-0-2)

A study of the formal processes of music in representative works from all style periods through analysis and composition. *Prerequisite: MUSI 2212.*

MUSI 3220

16th Century Counterpoint (2-0-2)

A study of species and modal counterpoint based on principles of Johann Fux and the style of Palestrina. Projects will develop both compositional and analytical skills. *Prerequisite: MUSI 2212.*

MUSI 3230

18th Century Counterpoint (2-0-2)

A study of two- and three-voice counterpoint as found in the invention, canon, and fugue. Projects will develop both compositional and analytical skills. *Prerequisite: MUSI 2212.*

MUSI 3310

See MUSI 2310 above.

MUSI 3320

See MUSI 2320 above.

MUSI 3330

See MUSI 2330 above.

MUSI 3340*Music History I (3-0-3)*

A survey of the history of western art music from its beginnings through the Baroque era (approximately 1750). Emphasis is given to the evolution of musical style, beginning with the influence of Greek and other ancient cultures, through the philosophical and societal attitudes toward music during the medieval, Renaissance, and Baroque periods. *Prerequisite: MUSI 2230.*

MUSI 3350*Music History II (3-0-3)*

A survey of the history of western art music from the Classic period (approximately 1750) to the present day. Emphasis is given to the influence of the various philosophical movements in music from the Age of Enlightenment through the 19th and 20th centuries, and the changes in societal attitudes toward music during this period. *Prerequisite: MUSI 3340.*

MUSI 3410*Elementary and Middle School Music Methods (2-0-2)*

A functional course in the techniques involved in teaching general music to students in the elementary and middle school grades. Techniques addressed will include recorder, guitar, Orff and Kodaly methods. *Prerequisites: MUSI 1102; MUSI 1212*

MUSI 3420*Brass Methods (1-0-1)*

A functional course for the music educator in the techniques involved in playing and teaching trumpet, horn, trombone, euphonium and tuba. Emphasis on development of fundamental skills and teaching techniques through hands-on experience with each of these instruments. *Prerequisites: MUSI 1102; MUSI 1212.*

MUSI 3430*Woodwind Methods (1-0-1)*

A functional course for the music educator in the techniques involved in playing and teaching flute, clarinet, oboe, bassoon and saxophone. Emphasis on development of fundamental skills and teaching techniques through hands-on experience with each of these instruments. *Prerequisites: MUSI 1102; MUSI 1212.*

MUSI 3440*String Methods (1-0-1)*

A functional course for the music educator in the techniques involved in playing and teaching violin, viola, cello, bass, guitar, and the instruction of string players of all levels within mixed ensembles. Emphasis on the development of fundamental skills and teaching techniques through hands-on experience with each of the string instruments. *Prerequisites: MUSI 1102; MUSI 1212.*

MUSI 3450*Percussion Methods (1-0-1)*

A functional course for the music educator in the techniques involved in playing and teaching snare drum, mallet percussion, timpani and auxiliary instruments. Emphasis on development of fundamental skills through hands-on experience with each of the percussion instruments. *Prerequisites: MUSI 1102; MUSI 1212.*

MUSI 3460*Marching Band Methods (1-0-1)*

Developmental experiences in the pedagogical and administrative skills, and knowledge of literature needed for successful teaching of marching band in secondary schools. Emphasis on teaching marching fundamentals and drill design. *Prerequisites: MUSI 1102; MUSI 1212.*

MUSI 3470 *Vocal Methods (1-0-1)*

A functional course for the music educator in the techniques involved in singing and teaching vocal production in the classroom or studio. Emphasis on development of fundamental skills and teaching techniques through study of vocal anatomy and physiology. *Prerequisites: MUSI 1102; MUSI 1212.*

MUSI 3501

See MUSI 1501 above.

MUSI 3502

See MUSI 1502 above.

MUSI 3503

See MUSI 1503 above.

MUSI 3511 *English Diction for Singers (1-0-1)*

The study of principles and application of English diction in singing through the use of the International Phonetic Alphabet, spoken language drill, and study and recitation of representative song literature.

MUSI 3512 *Italian Diction for Singers (1-0-1)*

The study of principles and application of Italian diction in singing through the use of the International Phonetic Alphabet, spoken language drill, and study and recitation of representative song literature.

MUSI 3513 *German Diction for Singers (1-0-1)*

The study of principles and application of German diction in singing through the use of the International Phonetic Alphabet, spoken language drill, and study and recitation of representative song literature. *Prerequisites: MUSI 3511; MUSI 3512.*

MUSI 3514 *French Diction for Singers (1-0-1)*

The study of principles and application of French diction in singing through the use of the International Phonetic Alphabet, spoken language drill, and study and recitation of representative song literature. *Prerequisites: MUSI 3511; MUSI 3512.*

MUSI 3520 *Vocal Pedagogy (2-0-2)*

A survey of the methods and materials related to individual and group instruction in a principal performing medium. Emphasis upon solo vocal instruction. *Prerequisites: Upper Division Status in applied vocal studies.*

MUSI 3530 *Keyboard Pedagogy (2-0-2)*

A survey of the methods and materials related to individual and group instruction in a principal performing medium. Emphasis on solo piano instruction. *Prerequisites: Upper Division Status in applied keyboard studies.*

MUSI 3540 *Instrumental Pedagogy (2-0-2)*

A survey of the methods and materials related to individual and group instruction in a principal performing medium. Emphasis on solo instrumental instruction, all orchestral and wind instruments. *Prerequisites: Upper Division Status in applied instrumental studies.*

MUSI 3551 *Keyboard Accompanying (2-0-1)*
An introduction to performance practices for keyboard and solo instrument and/or voice. Emphasis on historic and stylistic elements, sight-reading and aural skills.
Prerequisites: Permission of the instructor.

MUSI 3552 *Keyboard Accompanying Practicum (V-0-V)*
Supervised, practical experience of vocal and/or instrumental accompanying in weekly lessons, Recital Lab (MUSI 1500), and outside performances.
Prerequisites: MUSI 3551; Permission of the instructor.

MUSI 3560 *Fundamentals of Conducting (2-0-2)*
Training in score reading and the integration of analysis, style, performance practices, instrumentation, and baton techniques in order to create accurate and musically expressive performances with various types of performing groups and in classroom situations. Laboratory experiences provide opportunities to apply rehearsal techniques and procedures. *Prerequisites: MUSI 2211; MUSI 2101.*

MUSI 3720 *Jazz Improvisation (3-0-3)*
The study and application of jazz improvisation techniques. Emphasis on harmonic progressions, chord/scale relationships, patterns, and stylistic considerations. *Prerequisite: MUSI 1212.*

MUSI 3810 *Advanced Computer and Technological Applications in Music (3-0-3)*
The study and utilization of technology in musical applications. Emphasis on music notation, MIDI sequencing, and CAI, and the Principles of sound sampling and synthesis. *Prerequisites: MUSI 0810, MUSI 2212.*

MUSI 4090 *Senior Project for the Bachelor of Arts in Music (V-0-2)*
A guided study of topics in music and its interrelationship with other disciplines through an independent research project. In consultation with the music faculty, students will choose their own topics for study and research projects.
Prerequisites: Permission of the instructor; Senior Standing; Completion of Piano Proficiency and Computer Applications in Music Proficiency.

MUSI 4190 *Special Topics in Conducting (2-0-2)*
A guided study of topics in conducting through independent research projects or in-depth study. Possibilities include score preparation, score study, techniques for conducting specific repertoires and public performance. May be repeated for credit. *Prerequisite: MUSI 3560.*

MUSI 4210 *Instrumentation and Orchestration (2-0-2)*
An introduction to the basics of writing for instruments, mixed groups of instruments and arranging music of other genres. Emphasis on the development of knowledge about the ranges, capabilities and tonal characteristics of each instrument, while writing with musical variety and interest. *Prerequisites: MUSI 2212; MUSI 2102.*

MUSI 4220 *Contemporary Theoretical Techniques (2-0-2)*
An exploration of the methods and techniques with which to analyze twentieth century music, including the twelve-tone technique in the music of Schoenberg, Berg, and Webern, Allen Forte's theory of pitch sets, and means of analyzing pitch centric works and electronic and aleatoric music. *Prerequisite: MUSI 2212.*

MUSI 4290 *Special Topics in Music Theory (2-0-2)*
A guided study of theoretical techniques through independent research and analysis projects or in-depth study in a classroom setting. In consultation with the theory faculty, students will choose their own topics for study. May be repeated for credit. *Prerequisite: MUSI 2212.*

MUSI 4310 *Choral Literature (2-0-2)*
A survey of sacred and secular choral music from all style periods from plainsong through the 20th century. Emphasis on the study of compositional characteristics from each style period. *Prerequisite: MUSI 2211.*

MUSI 4320 *Vocal Literature (2-0-2)*
A study of the development of solo vocal song literature, of major song composers, and of song and song cycle repertoire. *Prerequisite: MUSI 2211.*

MUSI 4330 *Opera Literature (2-0-2)*
A comprehensive survey of opera through study of the historical development, characteristics, and composers of opera. *Prerequisite: MUSI 2211.*

MUSI 4341 *Piano Literature 1 (2-1-2)*
A history of the piano and harpsichord and an in-depth survey of the major solo repertoire from the 16th through the 18th century. *Prerequisite: MUSI 2211.*

MUSI 4342 *Piano Literature 2 (2-1-2)*
A history of the piano and an in-depth survey of the major solo repertoire from the 19th century to the present. *Prerequisite: MUSI 4341.*

MUSI 4350 *Orchestral Literature (2-0-2)*
A comprehensive survey of symphonic music styles and history from the Pre-Classical and Baroque Periods to the present. Emphasis on listening, research and score study. *Prerequisite: MUSI 2211.*

MUSI 4360 *Chamber Music Literature (2-0-2)*
A comprehensive study of instrumental chamber music styles and history from the Baroque period to the present. Emphasis on aural identification and comparative analysis of representative works. *Prerequisite: MUSI 2211.*

MUSI 4370 *Wind Ensemble Literature (2-0-2)*
A survey of music for wind instruments from the Renaissance to the present. Emphasis on eighteenth-century *Harmoniemusik*, nineteenth-century chamber music as well as wind ensemble, symphonic band and pieces for orchestral wind section. *Prerequisite: MUSI 2211.*

MUSI 4390 *Special Topics in Music History (2-0-2)*
A guided study of topics in music history through independent research projects or in-depth study in a classroom setting. In consultation with the music history faculty, students will choose their own topics for study and research projects. May be repeated for credit. *Prerequisite: MUSI 2211.*

MUSI 4410 *Conducting and Methods of Secondary School Instrumental Music (2-0-2)*
Developmental experiences in the gestural, pedagogical, administrative skills, and knowledge of literature needed for successful teaching of instrumental music in grades 6-12. *Prerequisite: MUSI 3560.*

MUSI 4420 *Conducting and Methods of Secondary School Choral Music (2-0-2)*
Developmental experiences in the gestural, pedagogical, administrative skills, and knowledge of literature needed for successful teaching of choral music in grades 6-12. *Prerequisite: MUSI 3560.*

MUSI 4490 *Special Topics in Music Education (2-0-2)*
A guided study of topics in music education through independent research projects or in-depth study in a classroom setting. May be repeated for credit, or may be taken for graduate credit (MUSI 5490). *Prerequisites: MUSI 3410, MUSI 4410, MUSI 4420.*

MUSI 4491 *Student Teaching in Music (V-0-12)*
Intensive, field-based apprenticeship in music at the elementary and/or middle/secondary levels. Includes supervised teaching and practical application of previous coursework. *Prerequisites: Senior Standing; fulfillment of all other graduation requirements; completion of Junior Recital (MUSA 3XX5); completion of Piano Proficiency; Computer Applications in Music Proficiency; admission to teacher education.*

MUSI 4492 *Seminar in Student Teaching in Music (V-0-0)*
A forum dealing with applications, problems, and solutions in student teaching in music.

MUSI 4493 *Internship in Music Education (V-0-6)*
Intensive, field-based apprenticeship in music for those employed at the elementary and/or middle/secondary levels and who are seeking certification in music. Includes supervised teaching and practical application of previous course work. May be repeated for credit. Offered: On demand. *Prerequisites: Fulfillment of other Music Certification requirements.*

MUSI 4492 *Seminar in Student Teaching in Music (V-0-0)*
A forum dealing with applications, problems, and solutions in student teaching in music. *Co-requisite: MUSI 4491.*

MUSI 4521 *Directed Studio Teaching: Vocal (V-0-V)*
Studio teaching of beginning to intermediate level voice students under the regular supervision of the voice faculty. May be repeated for credit. *Prerequisite: MUSI*

3520.

MUSI 4530 *Advanced Piano Pedagogy (3-0-3)*
A survey of the methods and materials related to individual and group instruction in piano. Emphasis on advanced solo piano instruction. *Prerequisite: MUSI 3530*

MUSI 4531 *Directed Studio Teaching: Keyboard (V-0-V)*
Studio teaching of beginning to intermediate level piano students under the regular supervision of the piano faculty. May be repeated for credit. *Prerequisite: MUSI 3530.*

MUSI 4541 *Directed Studio Teaching: Instrumental (V-0-V)*
Studio teaching of beginning to intermediate level instrumental students under the regular supervision of the instrumental faculty. May be repeated for credit. *Prerequisite: MUSI 3540.*

MUSI 4590 *Special Topics in Music Performance (2-0-2)*
A guided study of topics in music performance through independent projects or in-depth study in a classroom setting. In consultation with the applied music faculty, students will choose their own topics for study and/or research projects. May be repeated for credit. *Prerequisite: MUSA 3XX1 or MUSA 3XX3.*

MUSI 4730 *Jazz History and Literature (3-0-3)*
The study of music in the jazz idiom from its origin to the present, with emphasis on influential musicians, groups, and composers. *Prerequisite: MUSI 2211.*

MUSI 4900 *Cullum Lecture Series (V-0-V)*
An interdisciplinary seminar on foreign culture. The student will be expected to choose and execute a project in music. Normally offered Spring. *Prerequisite: HUMN 2001.*

MUSI 4910 *Special Topics in Music Business & Management (2-0-2)*
A guided study of music business through independent research and analysis projects or in-depth study. May include an internship. In consultation with the music and/or School of Business faculty, students will choose their own topics for study. May be repeated for credit. *Prerequisites: MUSI 2102; MUSI 2212.*

MUSI 5490
See MUSI 4490 above.

Music Ensembles: The Music Ensembles at Augusta State University present all students with the opportunity for a hands-on experience with music in a shared effort with others. A variety of performance groups exist for the interested student regardless of major, including large ensembles and chamber groups. All instruments and voice types are welcome. Major ensembles may be taken as an upper-division course with permission of the instructor or upper-division applied lessons status. All ensembles are normally offered Fall and Spring.

MUSI 1000 *AS Pep Band(1-0-1)*
The AS Pep Band performs at all home basketball games and at the Peachbelt

Conference Tournament. Music performed will be selected from a wide variety of sources, including popular and jazz idioms. Everyone is welcome to participate. No audition required.

MUSI 1610 *Augusta State University Wind Ensemble (4-0-1)*

Prerequisite: Previous experience on woodwind, brass or percussion instruments.

MUSI 1620 *Augusta State University Choir (4-0-1)*

MUSI 1630 *Augusta State University Orchestra (4-0-1)*

Prerequisite: Previous experience on an orchestral instrument.

MUSI 3610

See MUSI 1610 above.

MUSI 3620

See MUSI 1620 above.

MUSI 3630

See MUSI 1630 above.

MUSI 3660 *Augusta State University Jazz Ensemble (4-0-1)*

Prerequisite: Permission of the instructor.

MUSI 4610 *Augusta State University Opera Workshop (V-0-V)*

Prerequisites: Permission of the instructor; audition for roles in major productions.

MUSI 4620 *Augusta State University Chamber Singers (2-0-1)*

Prerequisite: Permission of the instructor.

MUSI 4640 *Woodwind Ensemble(s) (2-0-1)*

Prerequisite: Permission of the instructor.

MUSI 4650 *Brass Ensemble(s) (2-0-1)*

Prerequisite: Permission of the instructor.

MUSI 4660 *Jazz Combo(s) (2-0-1)*

Prerequisite: Permission of the instructor

MUSI 4670 *Keyboard Ensemble(s) (2-0-1)*

Prerequisite: Permission of the instructor.

MUSI 4680 *Percussion Ensemble(s) (2-0-1)*

Prerequisite: Permission of the instructor.

MUSI 4690 *Chamber Music Ensemble(s) (2-0-1)*

Prerequisite: Permission of Instructor.

MUSA - Applied Music Courses

APPLIED MUSIC LESSONS: Individual instruction in a performance medium is

available for all string instruments, all wind instruments, all keyboard instruments and all voice types. Non-music majors are welcome to enroll in secondary applied lessons, but will be accommodated on a space-available basis. All students must receive permission from the Chair of the Department of Fine Arts before beginning their applied lesson sequence. An additional fee is charged for private instruction.

The following secondary applied lessons are available to both music majors and non-music majors: Individualized instruction in a performance medium. One half-hour private lesson per week. Grading will be based on the student's preparation and performance in the weekly lessons. Secondary applied music lessons are available for non-music majors who may wish to begin or continue private study of a musical instrument or voice or for music majors who desire instruction on a secondary musical instrument or in voice. Permission of the Chair of the Department of Fine Arts is required for enrollment. May be repeated for credit. Secondary applied lessons are available on the upper-divisional level if the student shows significant achievement on the lower division level.

MUSA XXX0

(½-0-1)

Applied lessons in Jazz Winds, Jazz Piano, Jazz Percussion, Jazz Strings, Drum Set, and Composition are available only at the secondary level.

The following lessons are available only to music majors:

Transfer students: Music Majors who transfer to AS from another institution must audition within the first week of their first semester for proper placement within the applied lessons sequence.

Concentration Applied Lessons: Individualized instruction in the student's primary performance medium. One one-hour private lesson per week with an additional hour of studio class. Emphasis will be placed upon performance skills. Grading will be based on the student's preparation and performance in the weekly lessons and in a jury exam at the end of each semester. Co-requisite: enrollment in MUSA 2X05, MUSI 1500 and solo performance in MUSI 1500. Applied lessons for the concentration are available on the upper-divisional level if the student has a successful audition for upper-division status. Students must receive a permission form from their private applied teacher prior to registration for their applied lessons.

MUSAXXX1

(1-0-2)

MUSA XXX2

(1-0-2)

Music majors must pass an audition for the performance major in order to enroll in Major Applied Lessons.

Major Applied Lessons: Individualized instruction in the student's major performance medium. One one-hour private lesson per week with an additional hour of studio class. Emphasis will be placed upon performance skills and pedagogical concepts. Grading will be based on the student's preparation and performance in the weekly lessons and in a jury exam at the end of each semester. Co-requisite: enrollment in MUSA 2X05, MUSI 1500 and solo performance in MUSI 1500. Applied lessons for the major are available on the

upper-divisional level if the student has a successful audition for upper-division status. Students must receive a permission form from their private applied teacher prior to registration for their applied lessons.

MUSA XXX3 (1 - 0 - 3)*

MUSA XXX4 (1 - 0 - 3)*

*Not available at the 1000 level.

Instruction Available for:

x10x Voice	x51x Violin
	x52x Viola
	x53x Violoncello
x21x Flute	x54x Double Bass
x22x Oboe	x55x Guitar
x23x Clarinet	
x24x Bassoon	x61x Piano
x25x Saxophone	x62x Organ
	x63x Harpsichord
x31x Trumpet	
x32x Horn	x710 Jazz Winds
x33x Trombone	x720 Jazz Piano
x34x Euphonium	x730 Jazz Percussion
x35x Tuba	x740 Jazz Strings
x41x Percussion	x810 Classical Composition
x420 Drum Set	x820 Jazz Composition
	x830 Computer Composition
	x900 Early Instruments

MUSA 2X05 *Studio Class (0-1-0)*

A forum for the discussion of performances, techniques and repertoire in the student's applied performance area. *Co-requisite: major or concentration applied lessons.*

MUSA 3XX5 *Junior Recital (V-0-0)*

Individualized instruction in the student's applied performance medium leading to the performance of a half-hour public solo recital. *Prerequisites: Permission of the student's applied lesson instructor. Co-requisite: MUSA 3XX2 or 3XX4.*

MUSA 4XX5 *Senior Recital (V-0-1)*

Individualized instruction in the student's major performance medium leading to the performance of a one-hour public solo recital with program notes researched and written by the student. *Prerequisites: Permission of the student's applied lesson instructor; Completion of the Piano Proficiency and the Computer Applications in Music Proficiency. Co-requisite: MUSA 4XX2 or 4XX4.*

NURS - Nursing Courses

NURS 1101

Foundations of Nursing Practice (5-12-9)

Introduction to and historical basis for associate degree nursing practice. The course provides introduction to the roles of provider of care, manager of care, member of the discipline of nursing and an overview of the human experience of health, illness and death. Students examine fundamental concepts of culture, spirituality, grief and grieving, with application of concepts of stress, adaptation and coping to their role as learner with health promotion and wellness behaviors. Students begin their experience with the health care delivery system in a nursing home setting and are introduced to the impact of managed care. Critical thinking skills are applied to the examination of potential and actual health care needs of the patient experiencing chronic physiological problems. Emphasis is on the assessment of functional health patterns of the patient across the life span and beginning level functioning in the role as provider of care. Communication and psychomotor skills basic to beginning therapeutic interventions are learned in a simulated laboratory and applied in a variety of in-patient, outpatient, and community settings. *Prerequisites: COMS 1010, *ENGL 1101, *MATH 1111, *PSYC 2103. Corequisites: *BIOL 2111, *ENGL 1102. (*Grade of "C" or better required.)*

NURS 1102

Nursing Care Across the Life Span I (5-15-10)

Critical thinking skills are applied to developing a knowledge base and increasingly complex skills in the role as provider of care with the patient across the life span. Emphasis is on the special needs of patients experiencing common physiological problems resulting in alterations in functional health patterns and the needs of childbearing families. Students are expected to utilize skills to assist those living with common acute and chronic health problems and to assist childbearing families in a variety of settings. Communication skills are expanded to emphasize family interactions and teaching-learning activities. *Prerequisites: *NURS. 1101, *BIOL 2111, *ENGL 1102. Corequisites: *BIOL 2112, POLS 1101 or HIST 2111 or 2112. (*Grade of "C" or better required.)*

NURS 1103

LPN Transition (5-3-6)

This course builds on prior knowledge and competencies of qualified LPNs and facilitates advanced placement into the second year of the associate of science in nursing program. The course provides an introduction to the roles of the associate degree nurse. Emphasis is on critical thinking skills, communication, health assessment test taking strategies, and application of the nursing process across the life span to patients experiencing common physiological alteration in functional health patterns and the special needs of childbearing families at risk. Students are expected to perform psychomotor and interpersonal skills with selected patients experiencing common physiological alterations and childbearing families at risk. Progression to the next nursing course (NURS 2201) will require successful passing of the Regent's Reading and Writing Examination. *Prerequisites: *ENGL 1101, 1102; *MATH 1111; COMS 1010; HIST 2111 or 2112; *PSYC 2103 (*Grade of "C" or better required).*

NURS 2201 *Nursing Care Across the Life Span II (5-15-10)*
Critical thinking skills are applied to providing care for patients across the life span experiencing complex physiological and mental/emotional alterations in health. The focus of therapeutic interventions is expanded to include manager of care. Communication and relationship skills are expanded to include group dynamics and process, team-leading and member behaviors. Emphasis is on competency in the role as provider of care and acquisition of skills of collaboration, consultation, delegation, accountability, patient advocacy and respect in the role as the manager of care. Students are expected to utilize increasingly complex skills and technology with the patient in a variety of health care and community settings. *Prerequisite: *NURS 1102 or *NURS 1103, *BIOL 2112. Corequisite: *BIOL 3110. (*Grade of "C" or better required.)*

NURS 2202 *Nursing Care Across the Life Span III (3-15-8)*
Critical thinking skills are applied to providing care for patients across the life span experiencing complex alterations in health status. Emphasis is placed on developing competency in the roles of provider of care and manager of care during the first half of the semester. The last half is focused on the role as member within the discipline of nursing. Students have increasing responsibility for the care of complex patient needs within a variety of health care and community settings. *Prerequisite: *NURS 2201, *BIOL 3110. Corequisite: *NURS 2203. (*Grade of "C" or better required.)*

NURS 2203 *Nursing Issues and Trends (1-0-1)*
Seminar to critically analyze socio-political, cultural, ethical-legal, and professional issues affecting nursing practice and health care. *Prerequisite: *NURS 2201. Corequisite: *NURS 2202. (*Grade of "C" or better required.)*

PADM - Public Administration Courses

PADM 6000 *History, Scope and Practice of Public Administration (3-0-3)*
This course is designed to introduce the MPA student to the intellectual tradition of the field of public administration. It will focus on theories, concepts and methods which have become associated with the discipline of public administration.

PADM 6040 *Urban Social Problems (3-0-3)*
This course is an in-depth consideration of metropolitan social problems including crime, fiscal crisis, housing and the homeless, poverty, racism, and social inequality. This course is cross-referenced with SOCI 6040.

PADM 6050 *Seminar in American Government:
with Emphasis on Constitutional Law and
Public Law/Administrative Law (3-0-3)*
The course explores the scope, nature and function of administrative law as it relates to the substantive, procedural and equal protection rights; as well as that law which a reasonably competent public official should know.

PADM 6100 *Public Organization Theory and Behavior (3-0-3)*
This course is a systematic analysis of theories of organizations. Focus will be on the two major approaches to organizational structure — the formal and the informal. Organizational membership, communications, reward systems and leadership styles will be stressed. Public sector application will be emphasized.

PADM 6150 *Seminar in American Government with emphasis on Political Institutions (3-0-3)*
This course is structured as a means of addressing a central goal of the MPA degree program: to have the student understand how public policy is formulated in the context of its organizational environment. The focus is on those political institutions - Congress, the Presidency, the Courts, and state legislatures - where policy is debated.

PADM 6200 *Public Human Resource Management (3-0-3)*
Introduces the student to personnel processes used in the public sector and the legal, political, social, and ethical issues affecting the management of human resources.

PADM 6250 *Planning Resources and Administration (3-0-3)*
This course is designed to identify the resources used in urban and regional planning and to understand the political and legal nature of land use decisions. Students undertake one or more planning projects in the local community during the course of the term. Previous projects have included updating a neighborhood zoning map, conducting citizens' advisory surveys and updating a neighborhood plan as a result of the findings, a comparative demographic study using U.S. Census materials, and a housing stock condition survey.

PADM 6300 *Public Budgeting (3-0-3)*
This course examines the institutions and techniques of modern financial administration in federal, state, and local government. The course introduces terminology and process of budgeting as well as to gain competence in analyzing budgetary problems and proposing solutions. The role of the budget as a tool in expressing priorities in policy choices is emphasized.

PADM 6350 *Emergency Management (3-0-3)*
Introduces students to the discipline and profession of applying science, technology, planning and management to deal with disasters. Special emphasis on how local governments and agencies can mitigate, plan, respond and recover from disasters situations. *Prerequisites: None.*

PADM 6400 *Ethics and Current Issues in Public Administration (3-0-3)*
This course focuses on the professional responsibility of the public administrator. Included in this discussion are such topics as whistle-blowing, revolving door appointments and conflict of interest, kick-backs, campaign financing, illegal patronage, Hatch Act requirements, acceptance of gifts, and cover-ups.

PADM 6450 *Public Health Administration (3-0-3)*
This course is designed to provide the MPA student with a broad overview of the health delivery system. Emphasis will be placed on public health issues and the organization/administration of public health systems at the federal, state, and local level.

PADM 6500 *Research Methods in Public Administration (3-0-3)*
Introduces the student to the principles of designing research, defining and measuring variables and sampling. Special emphasis is placed on survey research. This course centers on a group project completed in PADM 6600; therefore, students must plan on enrolling in these two courses in consecutive semesters. *Prerequisites: Knowledge of word processing and spreadsheet programs.*

PADM 6550 *Social Agencies and Services (3-0-3)*
This course is an in-depth consideration of human service agencies and organizations: staff, clients, structure, service delivery, and administration. A strong emphasis is given to developing knowledge and practice skills for interfacing with local regional agencies and resources.

PADM 6600 *Quantitative Methods and Program Evaluation (3-0-3)*
Introduces students to the quantitative methods used in the design and implementation of program evaluation and performance monitoring systems in the public and nonprofit sector. *Prerequisite: PADM 6500.*

PADM 6650 *Public Policy Analysis (3-0-3)*
Introduces students to basic economic theory on when government should intervene in markets, various methods of analyzing policy alternatives, and the social and political forces affecting public policy.

PADM 6700 *Urban Government Administration and policy Analysis (3-0-3)*
This course focuses on providing a comprehensive understanding of the origin, development, and growth of urban government. Emphasis will be on alternative forms of urban governments, policymaking and implementation, budgeting and delivery of services. Case studies will be incorporated.

PADM 6750 *Public Program Evaluation (3-0-3)*
Focuses on the design and implementation of program evaluation and performance monitoring systems for in-house and privatized public programs and services. *Prerequisites: PADM 6650 and PADM 6600.*

PADM 6800 *State Government Administration and Policy Analysis (3-0-3)*
This course is designed to familiarize the student with the operation of state governments throughout the United States. There is an emphasis on the forms of organization, the functions, and the political environment of state government.

PADM 6900 *Graduate Internship (3-0-3)*
By permission only.

PADM 6950 *Selected Topics in Public Administration (3-0-3)*
This course title will be utilized as needed to create seminars around specialized topics as these issues become prominent on the current public policy agenda.

PADM 7000 *Directed Reading (3-0-3)*

This course is a problematically structured, individualized research project to be mutually designed by the instructor and student.

PADM 7050

Thesis (3-0-3)

This is a capstone paper in which the student demonstrates knowledge of public administration principles as applied in practice.

PHIL - Philosophy Courses

PHIL 1000*Introduction to Philosophy (3-0-3)*

A critical analysis of the emergence of philosophy and its attempt to explain the meaningfulness of human experience in the world from ancient and modern. A grade of C or better is required for all majors and/or minors in Political Science. *Prerequisite: ENGL 1101 or permission of the instructor.*

PHIL 3005*Philosophy of the Human Person (3-0-3)*

A critical inquiry into the questions of the human condition and the realms of experience that generate the framework for thinking and acting, such as myth/religion, knowledge, art, science and the ethical/political. *Prerequisite: PHIL 1000 with a grade of C or better.*

PHIL 3010*Ancient Political Philosophy (3-0-3)*

A critical examination of ancient Greek political philosophy in the writings of Plato and Aristotle and their expressions of fundamental theoretical and practical approaches to political experiences of regime and citizenship. Their contemporary relevance will be scrutinized. *Prerequisite: PHIL 1000 with a grade of C or better.*

PHIL 3011*Modern and Contemporary Political Philosophy (3-0-3)*

The development of political ideas from classical liberal theory and the rise of representative democracy to its dissenters found in the theories of direct democracy, socialism, and existentialism. Focus will be on the isolation of the modern individual in a changing world. *Prerequisite: PHIL 1000 with a grade of C or better.*

PHIL 3012*Pragmatic Thought (3-0-3)*

A critical inquiry into the political questions of rights and obligations which are disclosed in a contemporary American debate between the liberal conception of justice grounded in rights and the communitarian conception of justice grounded in the good. *Prerequisite: PHIL 1000 with a grade of C or better.*

PHIL 3020*Existentialism (3-0-3)*

In its search for meaning rather than truth, existential philosophy understands the human condition as individual choice in the pursuit of self-knowledge. Its discursive language includes vocabularies on love, belief, the other, responsibility, suffering, anxiety, despair, and death. *Prerequisite: PHIL 1000 with a grade of C or better.*

PHIL 3095*Major Philosophers in History (3-0-3)*

To acquaint students with fundamental texts in philosophy. This course undertakes a critical reading of the work of one or two philosophers alternating ancient with modern in order to examine the meaning, language, and philosophical value of these texts. *May be repeated. Prerequisite: PHIL 1000 with a grade of C or better.*

PHIL 4030 *Ancient Greek Philosophy (3-0-3)*
This course undertakes a critical study of the writings of Plato and Aristotle focusing on major teleological, ontological, and epistemological concepts such as Plato's forms and their ground in the "good " and Aristotle's "being" and its ground "presence". *Prerequisite: PHIL 1000 with a grade of C or better and permission of instructor.*

PHIL 4032 *Contemporary Continental Philosophy (3-0-3)*
An inquiry into the phenomenology of Heidegger, Levinas, and Derrida and their philosophical relationship to each other. The focus will be on concepts such as being, the other, and difference in an attempt to understand the deconstructive approach to philosophical questions. *Prerequisite: PHIL 1000 with a grade of C or better and permission of instructor.*

PHIL 4900 *Cullum Lecture Series (3-0-3)*
A variable-content course that offers lectures by nationally and internationally known scholars with expertise in the particular topic. Students will also attend films and participate in class discussions, as well as prepare a relevant student project with approval of the chair. *PHIL 1000 with a grade of C or better.*

PHIL 4990 *Undergraduate Research (3-0-3)*
Independent research that focuses on a particular philosophical theme or philosopher of the student's choice under the direction of the philosophy instructor. Emphasis will be on the development of sound philosophical ideas and approaches. *Prerequisite: PHIL 1000 and three additional philosophy courses with a grad of C. Chair and instructor's permission required.*

PHSC - Physical Science Courses

PHSC 1011 *Physical Science I (3-2-4)*
A survey of physics including motion and energy. May include heat, sound, light, electricity, magnetism, relativity, atoms and nuclei. Simple applications in problem solving. Designed for the non-technical student. *Prerequisites: Recommended but not required: MATH 1101 or MATH 1111.*

PHSC 1012 *Physical Science II (3-2-4)*
A study of the constituent materials and properties of the earth's surface, interior and Atmosphere; the solar system; galaxies; and the universe. Physical principles from PHSC 1011 are applied. Designed for the non-technical student. *Prerequisite: Recommended but not required: PHSC 1011.*

PHYS - Physics Courses

PHYS 1111 *Introductory Physics I (3-2-4)*
A trigonometry-based study of mechanics, heat, waves and sound. Emphasis on problem solving. Credit may not be earned for both PHYS 1111 and PHYS 2211. *Prerequisites: MATH 1113 (C or better).*

PHYS 1112 *Introductory Physics II (3-2-4)*

A trigonometry-based study of electricity and magnetism, light, and modern physics. Emphasis on problem solving. Credit may not be earned for both PHYS 1112 and PHYS 2212. *Prerequisites: PHYS 1111 or 2211.*

PHYS 1950 *Selected Topics (V)*
Concepts/topics in special areas of physics. May be repeated for credit.
Prerequisites: Permission of the instructor.

PHYS 2211 *Principles of Physics I (3-3-4)*
A calculus-based study of mechanics, heat, waves and sound. Emphasis on problem solving. Credit may not be earned for both PHYS 2211 and PHYS 1111.
Prerequisites: (Co-requisite) MATH 2012 concurrently.

PHYS 2212 *Principles of Physics II (3-3-4)*
A calculus-based study of electricity and magnetism, light, and modern physics. Emphasis on problem solving. Credit may not be earned for both PHYS 2212 and PHYS 1112. *Prerequisites: PHYS 2211.*

PHYS 2950 *Selected Topics (V)*
Concepts/topics in special areas of physics. May be repeated for credit.
Prerequisites: Permission of the instructor.

PHYS 3011 *Electronics I (2-4-4)*
Alternating current theory, filters, wave-shaping, power supplies, transistors, amplification, integration, feedback, operational amplifiers and their application. Applicable solid-state theory will also be discussed. *Prerequisites: PHYS 2212 © or better)*

PHYS 3012 *Electronics II (2-4-4)*
Logic gates, multiplexing, flip-flops, counters, open collector and tri-state logic, analog-to-digital converters, data-logging systems. *Prerequisites: PHYS 3011 © or better)*

PHYS 3040 *Advanced Optics (3-3-4)*
Geometric properties of light. Reflection and refraction at boundaries. Thin and thick lenses. Wave optics, diffraction and interference. Spectroscopy and absorption of light. Polarization. Modern optical techniques. *Prerequisites: PHYS 2212 (C or better)*

PHYS 3251 *Theoretical Mechanics I (3-0-3)*
Newtonian mechanics. Vector algebra, vector analysis. Particle kinematics and dynamics in one, two and three dimensions. Motion of a system of particles. Simple, damped and forced harmonic motion. Rigid body motion. *Prerequisites: PHYS 2211 © or better), MATH 3020.*

PHYS 3252 *Theoretical Mechanics II (3-0-3)*
Gravitational field and potential. Moving coordinate systems, rotational motion and Coriolis force. Mechanics of continuous media. Lagrange's equations. Hamilton's equations. *Prerequisites: PHYS 3251 (C or better), MATH 3020.*

PHYS 4051 *Electromagnetic Theory I (3-0-3)*
Vector analysis. Electrostatics and Gauss' law. Poisson's and Laplace's equations applied to Electrostatics problems. Electric fields, energy and potential. Dielectrics and electrical properties. Currents and magnetic fields. *Prerequisites: PHYS 2211 (C or better), MATH 3020.*

PHYS 4052 *Electromagnetic Theory II (3-0-3)*
Magnetization, magnetic fields and properties of matter. Electromagnetic induction. Maxwell's equations and applications. Electromagnetic radiation, propagation of electromagnetic waves in free space and in dielectric materials. *Prerequisites: PHYS 4051 (C or better), MATH 3020.*

PHYS 4310 *Thermal Physics (3-0-3)*
Thermodynamics and the relation between microscopic systems. Statistical descriptions of microscopic systems. Equilibrium, reversible processes, heat and temperature. Ideal gas, specific heats, expansion or compression, and entropy. Equipartition of energy. *Prerequisites: PHYS 2211 (C or better), MATH 3020.*

PHYS 4350 *Analytical Methods of Physics (3-0-3)*
Apply mathematical techniques to specific physics problems. Vector theorems. Variational calculus. Special functions. Applications of partial differential equations and integral transforms to problems in physics. Complex variables. Tensors and eigenvalue problems. *Prerequisites: PHYS 2212 (C or better), MATH 3020.*

PHYS 4511 *Quantum Physics I (3-2-4)*
Theory of Special Relativity. Quantum Physics: Blackbody radiation, Photoelectric effect, Compton effect, X-rays; Bohr model of the atom; wave properties of matter; the uncertainty principle. *Prerequisites: PHYS 2212 (C or better).*

PHYS 4512 *Quantum Physics II (3-2-4)*
Schrödinger equation in three dimensions, angular momentum, atomic and molecular spectroscopy, nuclear structure, radioactivity, transitions, and interactions of radiation with matter. *Prerequisites: PHYS 4511 (C or better).*

PHYS 4900 *Cullum Lecture Series (V, 1 to 5)*
Students will hear lectures by nationally and internationally known scholars with expertise in the topic chosen for each spring term, will attend films and/or panel discussions and will submit written assignments. *Prerequisites: Permission of the instructor.*

PHYS 4950 *Selected Topics (V)*
Concepts/topics in special areas of physics. May be repeated for credit. *Prerequisites: Permission of the instructor.*

PHYS 4960 *Undergraduate Internship (V, 1 to 15)*
An internship is a service-learning experience based in an institution or agency, emphasizing the completion of a specific task and the acquisition of specific knowledge and skills under the supervision of Augusta State University and the cooperating institution or agency. *Prerequisites: Permission of the instructor.*

PHYS 4990*Undergraduate Research*

Individual modern physics research. A minimum of three hours of laboratory work per week for each semester hour of credit. Report/thesis required. May be repeated for credit. *Prerequisites: Permission of the instructor.*

PLCP - Paralegal Courses

PLCP 0081*Introduction to Law*

3 hour institutional credit course in Paralegal Certificate Program. Recognition of legal issues; structure of the judicial system; fundamentals of legal practice and the role of the paralegal; introduction to methods and resources of legal research with outside research projects.

PLCP 0082*Civil Litigation*

3 hour institutional credit course in Paralegal Certificate Program. Introduction to basic principles of procedural discovery; practical considerations of pleadings; discovery and motions; pretrial preparation and trial procedures. *Prerequisite: PLCP 0081.*

PLCP 0083*Business Organizations/Corporations*

3 hour institutional credit course in Paralegal Certificate Program. This course will include instruction in practice of forming business corporations, partnerships, and sole proprietorships; maintenance of a business corporation's legal books and financial data; drafting employer-employee contracts and pension plans; application of state and federal laws and regulations to the respective business entities. *Prerequisite: PLCP 0081.*

PLCP 0084*Property & Estates*

3 hour institutional credit course in Paralegal Certificate Program. Introduction to two major areas of law. Part I will cover real estate. Part II will cover the preparation of wills and trusts. *Prerequisite: PLCP 0081.*

PLCP 0085*Criminal Law*

3 hour institutional credit course in Paralegal Certificate Program. Study of the criminal process and constitutional rights of the accused in context of hypothetical cases as the student receives direct training in client interviews; pretrial discovery and motions; trial preparation and plea bargaining. *Prerequisite: PLCP 0081.*

PLCP 0086*Advanced Legal Research*

3 hour institutional credit course in Paralegal Certificate Program. Research and preparation of legal memoranda, trial briefs and appellate briefs; introduction to computerized legal research. *Prerequisite: PLCP 0081.*

POLS - Political Science Courses

POLS 1101*Introduction to American Government (3-0-3)*

An introductory course covering the essential facts of federal, state and local governments in the United States. A satisfactory grade will exempt a student from

the requirement of passing an examination on the Constitution of the United States and the Constitution of Georgia before graduation.

POLS 2000 *Society, Law and the Criminal (3-0-3)*
An introductory examination of the nature of crime, the consequences of crime for society, and an intensive examination and evaluation of the law as a social device for coping with crime. *Prerequisite: POLS 1101, grade of C or better.*

POLS 2101 *Introduction to Political Science (3-0-3)*
This course is designed to provide a foundation for and a focus on the theories and language of the discipline and on political inquiry. *Prerequisite: POLS 1101, grade of C or better.*

POLS 2201 *Introduction to State and Local Government (3-0-3)*
An introduction to the basic forms of organization functions and operations of sub-national governments in the United States. Special attention will be given to problems of urban, suburban and metropolitan areas including: interest groups, power structures and voting behavior. *Prerequisite: POLS 1101, grade of C or better.*

POLS 2301 *Introduction to Comparative Politics (3-0-3)*
A course designed to provide students with general knowledge about how different political systems around the world operate. The course will concentrate on three main parts, each of which focuses on countries that exhibit one of the major political styles: (1) the political systems in transition, (2) the communist states' political systems, (3) the developing countries' political systems. *Prerequisite: POLS 1101, grade of C or better.*

POLS 2401 *Introduction to Global Issues (3-0-3)*
A course that focuses on major global issues and problems. *Prerequisite: POLS 1101, grade of C or better.*

POLS 2501 *Election 2002 (3-0-3)*
Introduces students to campaign strategies, tactics and financing, political polling, voter behavior, political parties, and how elections are conducted within the context of the current election year in the United States.

POLS 2701 *Introduction to Political Methodology & Research (3-0-3)*
Introduces students to the principles of designing research, defining and measuring variables, sampling, descriptive and some inferential statistics. Emphasis is placed on the scientific study of political behavior. *Prerequisite: POLS 1101 and ENGL 1101, grades of C or better.*

POLS 3101 *Comparative European Governments (3-0-3)*
This course describes and analyzes the major political systems in Western Europe. It includes France, Germany, Italy and Great Britain. It compares and contrasts the constitutions of these four countries and their political and economic developments after the Second World War. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 3201 *Government & Politics of Post-Communist Russia (3-0-3)*
A study emphasizing how the new Commonwealth of the Independent States is governed; economic, political, and social change following the dissolution of the Soviet Union, and the most pressing issues confronting the former Soviet states. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 3301 *Judicial Process (3-0-3)*
An introduction to the three major areas of law, civil, criminal and administrative, their institutions and functions. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 3401 *The American Presidency (3-0-3)*
A detailed study of the American presidency, considering its constitutional basis, selection process, contemporary roles, and relationships with other elements of the political system. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 3501 *Ancient Political Thought (3-0-3)*
A critical examination of ancient Greek political philosophy in the writings of Plato and Aristotle and their expressions of fundamental theoretical and practical approaches to political experiences of regime and citizenship. Their contemporary relevance will be scrutinized. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 3601 *Modern & Contemporary Political Thought (3-0-3)*
The development of political ideas from classical liberal theory and the rise of representative democracy to its dissenters found in the theories of direct democracy, socialism, and existentialism. Focus will be on the isolation of the modern individual in a changing world. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 3701 *American Political Thought (3-0-3)*
A critical inquiry into the political questions of rights and obligations which are disclosed in a contemporary American debate between the liberal conception of justice grounded in rights and the communitarian conception of justice grounded in the good. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 3801 *International Relations Theory (3-0-3)*
The course is designed to survey the major theories which serve as models for understanding and analyzing the political processes of the international system, to guide students through the best in theory and to trace the development of international relations as a field of systematic study. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4101/6101 *State Government (3-0-3)*
A broad based approach to organizational forms, functions and procedures of state governments. Emphasis is placed on the government and constitution of Georgia. Regional and state infrastructures are also covered. Successful completion of the course satisfies the Georgia Constitution requirement. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4201/6201 *Urban Policy Analysis (3-0-3)*

The origin, development and growth of local government forms. Policy making process and governmental reorganization will be stressed. Emphasis will also be placed on urban redevelopment and infrastructure. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4301/6301 *Principles of Public Administration (3-0-3)*

The course describes the general principles, problems and practices of public administration, emphasizing governmental process in the executive branch. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4401/6401 *Government Organization & Administrative Theory (3-0-3)*

A systematic analysis of major theories of organization, management, and administration in the Public Sector. Emphasis will be placed on the formal scientific management school and the less formal Human Relations approach. Organization processes environments, and effectiveness will be analyzed. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4501/6501 *Constitutional Law: Distribution of Power (3-0-3)*

The role of the Supreme Court as arbiter of separation of powers and federalism, as well as the interplay of political, social, and economic forces. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4601/6601 *Constitutional Law: Civil Liberties (3-0-3)*

A study of the constitutional protection of civil liberties in the U.S., emphasizing freedom of expression, religious freedom, and the nationalization of the Bill of Rights. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4701/6701 *Governments of Developing Nations (3-0-3)*

Focuses on the concepts of political stability, conflict, revolution, nationalism, hyper-disintegration, economic development and modernization. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4801/6801 *Government and Politics of China (3-0-3)*

A basic overview of the institutions and processes in the Chinese political system. A rather elaborate treatment of current events in China intended to provide the student with an up-to-date, accurate, and meaningful interpretation of Chinese Communist politics. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4900 *Cullum Lecture Series (3-0-3)*

A variable-content course that offers lectures by nationally and internationally known scholars with expertise in the particular topic. Students will also attend films and participate in class discussions, as well as prepare a relevant student project.

Prerequisite: POLS 1101 & 2701, grades of C or better.

POLS 4901/6901 *European Union: Institutions & Policies (3-0-3)*
The course outlines the composition of European Union's institutions, their structures and functions. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4902/6902 *World Politics (3-0-3)*
A comprehensive study of the international political system, concentrating on the environmental factors, theories of international relations, the nation state and nationalism, international conflict, international cooperation, transnational institutions, balance of power and collective security, military strategy, the role of diplomacy, the dynamics of national foreign policy, the role of nuclear weapons in world politics, and other contemporary problems. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4903/6903 *International Law & Organization (3-0-3)*
A survey of the sources and types of international law: the law of peace, the law of conflict, the law of neutrality; the antecedents of the United Nations; the United Nations and its specialized agencies; regional organizations and international integration. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4904/6904 *Politics of Latin American (3-0-3)*
This course is designed to provide students with an overview of the political systems of Latin American countries. It describes the various political experiences among Latin American nations and compares and contrasts their constitutions. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4905/6905 *United States Foreign Policy (3-0-3)*
This course is the study of the system of activities developed by elites for modifying the behavior of other elites and systems and for adjusting their own activities to the international environment. Special attention is paid to two types of activities: the inputs and the outputs produced. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4909/6909 *Political Science Methods (3-0-3)*
A study of the assumptions and statistical methods employed in the analysis of politics including analysis of variance, covariance, correlation, and regression. Emphasis upon comprehension of the assumptions and uses of the methods rather than statistical manipulations. Students will be introduced to computer manipulation of data. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4910 *Study Abroad (3-0-3)*

Requires approval of department chair.

POLS 4950/6950 *Political Science Selected Topics (3-0-3)*
Designed primarily for students who wish to pursue an in-depth study of a specialized area in Political Science. May be taken for graduate credit within the prescribed limits and with the chair's approval. *Prerequisite: POLS 1101 & 2701, grades of C or better.*

POLS 4960/6960 *Undergraduate Internship (3-0-3)*
An internship is a service-learning experience based in an institution or agency, emphasizing the completion a specific task and the acquisition of specific knowledge and skills under the supervision of Augusta State University and the cooperating institution or agency. *Prerequisite: POLS 1101 & 2701, grades of C or better. Junior status, GPA 3.00 or higher and Permission of Instructor.*

PSYC - Psychology Courses

PSYC 1101 *Introduction to General Psychology (2-2-3)*
An introduction to the full breadth of the science and practice of psychology including such topics as research methodology, sensation and perception, states of consciousness, learning and memory, cognition, emotion and motivation, life-span development, personality, deviance, therapy, and social psychology.

PSYC 1103 *Introduction to the Behavioral and Social Sciences (3-0-3)*
An interdisciplinary introduction to methods and concepts in the behavioral and social sciences of anthropology, economics, psychology, sociology and others. Emphasis is placed on integrating the perspectives of different disciplines in understanding and explaining human behavior and social order. (Cross-listed by participating departments)

PSYC 1105 *Honors Seminar in Psychology (2-2-3)*
An in-depth study of selected psychological topics for selected students. The course will include hands-on experience, and will emphasize critical examination of evidence, understanding contemporary applications of basic behavioral science, and appreciation of the breadth of the discipline of psychology. *Prerequisite: Permission of instructor.*

PSYC 2101 *Introduction to the Psychology of Adjustment (3-0-3)*
An examination of applied psychological theory and research as related to self exploration, enhancement of mental health and well being, and prevention of behavioral and mental disorders. Topics will include values development, conflict resolution, lifestyle management, anxiety and stress, and effective interpersonal communication.

PSYC 2103 *Introduction to Human Development (3-0-3)*
The study of behavioral, cognitive, emotional and psychosocial changes across the life span. Major developmental theories and research will be examined. Note: This course is intended primarily for nursing and allied health majors. For more detailed coverage of developmental topics, the student may wish to consider PSYC 3131 and/or PSYC 3133.

PSYC 2150 *Introduction to Human Diversity (3-0-3)*
An examination of a variety of gender, age, racial, ethnic and cultural issues from a psychological and, to a lesser extent, biological perspective, especially as these influence individual development. Emphasis will be placed on historical trends, communication, critical thinking, and healthy functioning in an increasingly diverse world.

PSYC 3121 *Quantitative Methods (3-2-4)*
A study of parametric and nonparametric statistics used in correlational and experimental designs in psychological research, including computer applications. This course is a prerequisite to PSYC 3122, Research Methods, and to all 4000-level PSYC courses. *Prerequisite: PSYC 1101 with a C or better, and MATH 1101 or MATH 1111.*

PSYC 3122 *Research Methods (3-2-4)*
A survey of correlational and experimental research methods used in psychology. Students will use scientific methods in conducting research projects and will write reports using APA style. This course is a prerequisite to all 4000-level PSYC courses. *Prerequisite: PSYC 1101 and PSYC 3121. MATH 2210 or MATH 2310 may be used with permission of instructor. C or better required in all prerequisites.*

PSYC 3131 *Child and Adolescent Development (3-0-3)*
A study of behavioral, emotional, cognitive, and maturational changes from conception through adolescence. Developmental theories and research are presented with emphasis on applying concepts to life experience. *Prerequisite: PSYC 1101 a C or better.*

PSYC 3133 *Adult Development and Aging (3-0-3)*
A study of physical, emotional, cognitive, behavioral, and psychosocial changes occurring from young adulthood to old age. Focus is placed on topics such as preventive health measures, relationships, work and retirement, and death and dying issues. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3140 *Theories of Personality (3-0-3)*
A survey of major theories of personality along with primary research on the biological, sociocultural and psychological foundations of personality. Emphasis will be placed on the integrated aspects of personality. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3143 *Abnormal Psychology (3-0-3)*
The study of various forms of maladaptive behaviors and intellectual deficits with focus upon terminology and classification systems, etiology, and recognition of primary symptoms. *Prerequisite: PSYC 1101 with a grade of C or better.*

PSYC 3155/WMST 3155 *Psychology of Gender (3-0-3)*
This course will study the construct of gender and how it has been analyzed and investigated in psychology. A multi-cultural perspective will be adopted to examine historical and contemporary theories related to gender psychology. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3160 *Sensation and Perception (2-2-3)*
A study of the biological and psychological processes that govern encoding and

storage of sensory information and the construction of individual perceptions of reality, and how these impact such things as deviance, consumer preferences, art appreciation, conflict resolution and problem solving. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3170 *Consumer Behavior (3-0-3)*
A survey of the role of psychological, social, cultural, economic, demographic, and strategic marketing factors on the consumer behavior of individuals and groups. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3180 *Drugs and Behavior (3-0-3)*
An introduction to psychopharmacology in its broadest sense, including drug-taking relationships with sociocultural and economic factors, mechanisms of drug action, drug classifications, psychological effects of drugs, abuse and addiction, and psychotherapeutic drugs. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3183 *Health Psychology (3-0-3)*
A survey of the scientific and clinical study of behavior as it relates to wellness, disease, disease prevention, and rehabilitation. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3188 *Human Sexuality (3-0-3)*
This course will provide an overview of sexual development along with the biological, sociocultural, and psychological influences on sexuality and sexual behavior. Sexual dysfunctions, deviations, and victims of sexual assault will also be discussed. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 3190 *Psychological Careers (1-0-1)*
An examination of career opportunities for persons majoring in psychology. Topics will include course selections for distinctive career goals, preparing oneself for graduate school and/or employment, and projected job opportunities in psychology. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 4115 *History and Systems of Psychology (3-0-3)*
The scientific and philosophic antecedents and trends influencing psychology and the development of its principal theoretical schools. Emphasis will be placed on understanding current trends from an historical perspective. *Prerequisite: PSYC 3122 with a C or better.*

PSYC 4125 *Psychological Tests and Measurement (3-0-3)*
Construction and characteristics of tests and measurement scales, including standardization, reliability and validity. The course will include a survey of individual and group tests used in various psychological, educational, business and clinical settings. *Prerequisite: PSYC 3122 with a C or better.*

PSYC 4145 *Clinical Psychology (3-0-3)*
A critical examination of psychological and biological/medical interventions with disturbed individuals, principally to compare various diagnostic approaches and major psychotherapeutic models. *Prerequisite: PSYC 3122 and PSYC 3143, with a C or better.*

PSYC 4165 *Learning and Cognition (2-2-3)*
An examination of the principle methods and theories of learning and thinking, with emphasis on contemporary research on human learning, memory, language, and

cognition. *Prerequisite: PSYC 3122 with a grade of C or better.*

PSYC 4173 *Social Psychology (3-0-3)*
A survey of social influences on individual and group behavior. Special topics will include attitude formation and change, social perception and attribution processes, interpersonal attraction, aggression, altruism, social influence, and group dynamics. *Prerequisite: PSYC 3122 with a grade of C or better.*

PSYC 4178 *Industrial-Organizational Psychology (3-0-3)*
A survey of psychology as applied to the workplace. Topics include personnel selection, training, evaluation, motivation, leadership, and organizational development. *Prerequisite: PSYC 3122 with a C or better.*

PSYC 4180 *Biological Psychology (2-2-3)*
An examination of the biological bases of behavior and mental processes to include learning, perception, emotion, cognition, personality and deviance. *Prerequisite: PSYC 3122 with a C or better.*

PSYC 4185 *Comparative Psychology (3-0-3)*
A study of the factors influencing the behavior of species across the phyletic scale. Emphasis is on inter-species comparison and the understanding of human behavior in terms of evolutionary antecedents. *Prerequisite: PSYC 3122 with a C or better.*

PSYC 4900 *Cullum Lecture Series (Var)*
A variable-content, interdisciplinary course where students hear from nationally known scholars, attend films and/or panel discussions, participate in class discussions, and complete projects relevant to the topic and the field of psychology. *Prerequisite: PSYC 1101 with a C or better.*

PSYC 4950 *Selected Topics (Var)*
An intensive study, either in a special classroom course or on an individual (but supervised) basis, of a selected psychological area not addressed in the current curriculum. *Prerequisites: PSYC 3122 with a grade of C or better, and prior permission of the instructor who may establish additional prerequisites.*

PSYC 4960 *Undergraduate Internship (Var)*
Supervised field experience in a variety of cooperating community institutions or agencies. Registration requires advanced planning with the Director of Undergraduate Internships. *Prerequisites: PSYC 3122 with a C or better, senior standing, and prior permission.*

PSYC 4990 *Undergraduate Research (Var)*
Supervised research on a psychological topic of interest to the student and supervisor. Advanced planning is required since activities must be approved by ethics committees of AS and any host agency. *Prerequisites: PSYC 3122 with a C or better, senior standing, and prior permission of faculty sponsor.*

PSYC 6115 *History and Systems of Psychology (3-0-3)*
The scientific and philosophical antecedents influencing psychology, and the development of psychology's principal theoretical schools. Emphasis will be placed on understanding current trends from an historical perspective.

PSYC 6121 *Research Methods I (1-2-2)*

This course covers theory and application of experimental design in psychology. Topics include but are not limited to controlling confounding variables, hypothesis testing, APA style guidelines, and univariate statistics. The use of computers in psychological research will also be covered.

PSYC 6122 *Research Methods II (1-2-2)*

A continuation of PSYC 6121. Focus is placed on correlational and multivariate analyses and designs. Other topics include qualitative analyses, research ethics, and APA style guidelines. Computer application of course material will be emphasized. *Prerequisite: PSYC 6121, with a C or better.*

PSYC 6125 *Tests and Measurement (3-0-3)*

Construction and characteristics of tests and measurement scales; survey of individual and group tests in psychological, educational, and clinical settings.

PSYC 6126 *Psychological Assessment I (2-2-3)*

Review of measurement theory and supervised practice in the administration and interpretation of individual psychological tests, with an emphasis on tests of intellectual and cognitive functioning and on report writing. *Prerequisite: PSYC 4125 with a grade of C or better.*

PSYC 6127 *Psychological Assessment II (2-2-3)*

Administration and interpretation of psychological tests, with emphasis on projective instruments, personality inventories, and on psychological report writing. *Prerequisites: PSYC 6143 and PSYC 6126, each with a grade of C or better.*

PSYC 6130 *Developmental Psychology (3-0-3)*

A study of biological, cognitive, psychosocial and ecological changes in life span development. The evolution of developmental theory is examined with emphasis on current research in the field.

PSYC 6140 *Personality (3-0-3)*

The study of dispositional, biological, psychoanalytic, learning, phenomenological and cognitive perspectives to personality. Emphasis is placed on critiques of various perspectives using contemporary research.

PSYC 6143 *Behavior Pathology (3-0-3)*

The study of maladaptive behavior, including current taxonomic systems, with emphasis on theoretical and research dimensions associated with behavior pathologies. *Prerequisite: Undergraduate course in abnormal psychology with a grade of C or better.*

PSYC 6145 *Therapeutic Interventions in Clinical and Counseling Psychology I (2-2-3)*

A critical comparison of therapeutic approaches to behavior disorders and problems of daily living, including psychodynamic behavioral, humanistic and

cognitive-behavioral models. Practical training in interviewing and therapy is provided. *Prerequisite: PSYC 6143, with a C or better.*

PSYC 6146 *Therapeutic Interventions in Clinical*

and Counseling Psychology II (2-2-3)

A continuation of PSYC 6145, with critical comparison of therapeutic approaches to behavior disorders and problems of daily living, including psychodynamic behavioral, humanistic and cognitive-behavioral models. Practical training in interviewing and therapy is provided. *Prerequisites: PSYC 6143 and PSYC 6145, each with a C or better.*

PSYC 6147 *Seminar in Group Process (2-2-3)*

The application of psychotherapeutic and counseling theory to group intervention. Group interactions are used to explore feelings, attitudes, cognition, and interpersonal impact upon others. Techniques of group facilitation and personal exploration are emphasized.

PSYC 6148 *Marriage and Couples Therapy (3-0-3)*

An introduction to the premier psychological approaches to therapy with couples. Various theoretical perspectives and their clinical application will be explored, including those of the psychoanalytic, experiential, behavioral, and family systems traditions. Ethical considerations specific to couples therapy are also explored.

PSYC 6150 *Human Diversity (3-0-3)*

The study of several broad areas of diversity, including race, gender, ethnicity, sexual orientation, age and disability. Empirical literature is critically examined with respect to such issues as the effects of experimenter bias. Implications for counseling and therapy with diverse groups are addressed.

PSYC 6165 *Learning and Cognition (3-0-3)*

Methods, theoretical concepts and empirically derived principles of conditioning, learning and cognition with human and animal subjects.

PSYC 6173 *Social Psychology (3-0-3)*

A survey of social influences on individual and group behavior. Special topics will include attitude formation and change, social perception and attribution processes, interpersonal attraction, aggression, altruism, social influence, and group dynamics.

PSYC 6178 *Industrial-Organizational Psychology (3-0-3)*

A survey of psychology as applied to work in industrial and organizational settings. Special topics will include personnel selection, training and evaluation, human factors in performance, environmental influences, goal setting and job design, work motivation, job satisfaction, leadership, and organizational structure and change.

PSYC 6181 *Behavioral Neuroscience (2-0-2)*

Consideration of the biological bases of behavior, particularly the role of forebrain structures. Clinical neuropsychology will receive special focus. An undergraduate course in biological psychology is recommended but not required.

PSYC 6182 *Clinical and Addictive Psychopharmacology (2-0-2)*
A critical examination of contemporary chemical-based therapies for psychological disorders; and a survey of the theoretical, etiological and treatment aspects of drug abuse and (especially) drug addiction. Undergraduate preparation in biological psychology and/or psychopharmacology is preferred but not required.

PSYC 6190 *Professional and Ethical Foundations of Psychology (3-0-3)*
Professional issues, including the fundamental perspectives and knowledge base of the discipline, are addressed, with emphasis placed on ethical standards in the science and practice of psychology.

PSYC 6950 *Special Topics (Var)*
Supervised independent study or seminars on topics chosen to meet the needs and interests of graduate students which make use of the expertise of the faculty and consultants. May be repeated for credit. *Prerequisites: Graduate status and prior approval by the faculty instructor or supervisor.*

PSYC 6960 *Clinical Internship (Var)*
Individually supervised clinical or counseling field work in an applied setting relevant to the student's professional goals. May be repeated for credit. *Prerequisites: Completion of a minimum of 18 graduate hours in psychology with a B average or better, and approval of the student's academic advisory committee.*

PSYC 6970 *Teaching Internship (Var)*
Individually supervised field work in a teaching or educational setting relevant to the student's professional goals. May be repeated for credit. *Prerequisites: Completion of a minimum of 18 graduate hours in psychology with a B average or better, and approval of the student's academic advisory committee.*

PSYC 6980 *Research Internship (Var)*
Individually supervised fieldwork of a research nature relevant to the student's professional goals. May be repeated for credit. *Prerequisites: Completion of a minimum of 18 graduate hours in psychology with a B average or better, and approval of the student's academic advisory committee.*

PSYC 6990 *Research and Thesis (Var)*
Independent research conducted under the supervision of a faculty advisor. May be repeated for credit. *Prerequisites: Completion of a minimum of 18 graduate hours in psychology with a B average or better, and approval of the student's academic advisory committee.*

QUAN - Management Science Courses

QUAN 3600 *Operations Management (3-0-3)*
Modern approaches and techniques for managing operations and technology. TQM philosophy and tools provide a course foundation, and standard operations environments (e.g., just-in-time, materials requirements planning), and methods (e.g., linear programming, project management, decision theory) are explored. *Prerequisites: 50 semester hours including C's or better in MATH 3110 and also in 12 hours of BBA Core Area F including MINF 2201.*

QUAN 4610 *Production Management (3-0-3)*
Addresses production scheduling, worker supervision, bottleneck identification and elimination, product flows and inventories, and improvement through reduction of variation. *Prerequisites: 50 semester hours including C's or better in MATH 3110 and also in 12 hours of BBA Core Area F including MINF 2201.*

QUAN 4620 *Spreadsheet Modeling and Decision Analysis (3-0-3)*
Will use visual techniques to understand, document and communicate business models, and then apply information technology to the modeling process for business decisions in accounting, management, operations, finance, and marketing. *Prerequisites: 50 semester hours including C's or better in MATH 3110 and also in 12 hours of BBA Core Area F including MINF 2201.*

QUAN 6600 *Applied Business Research (3-0-3)*
This course will help students sharpen critical thinking skills by applying scientific methods to help them make informed business decisions. Topics include research design; sampling; data collection, analysis and interpretation; report preparation; and ethics of business research. To be taken early in the program. *Prerequisites: Graduate (MBA) status and MATH 3110 or equivalent.*

QUAN 6610 *Designing, Managing, and Improving Operations (3-0-3)*
This course provides students with quantitative tools to solve business problems. They will learn how to use the best available data to generate optimum solutions. Optimization, experiment design, and statistical quality control are covered. *Prerequisite: Graduate (MBA) status and MATH 3110 or equivalent.*

QUAN 6690 *Current Issues in Management Science (3-0-3)*
A variable content course individually designed to meet the needs, interests, and professional objectives in business administration. *Prerequisites: Graduate (MBA) student status and MATH 3110 or equivalent.*

READ - Developmental Reading Courses

READ 0090 *Developmental Reading ESL I (3-0-3)*
Designed for the non-native speaker of English, this course provides instruction in the fundamental reading skills necessary for improved reading comprehension and general English vocabulary development and acquisition. Supervised multi-media activities geared toward individual linguistic needs are included. Co-enrollment in ENGL 0090 is required. Credit for this course is not applicable to degree programs and is not transferable to other institutions. *Prerequisite: TOEFL Score of 500-549 (Computer-based TEOFL Score of 173-212).*

READ 0091*Developmental Reading ESL II (3-0-3)*

Designed for the non-native speaker of English, this is a diagnostic and prescriptive reading course designed to meet the linguistic needs of the ESL student. Emphasis is on vocabulary development and literal and critical reading skills. Supervised multi-media activities geared toward the individual linguistic needs of the student are included. Co-enrollment in ENGL 0091 is required. Credit for this course is not applicable to degree programs and is not transferable to other institutions. *Prerequisite: ENGL 0090 and READ 0090 or TOEFL Score of 550-599 (Computer-based TOEFL Score of 213-249).*

READ 0097*Developmental Reading I (3-0-3)*

This is a basic reading course designed to meet the needs of students with deficiencies in reading skills. Emphasis is on the fundamental reading skills necessary to improve general reading comprehension. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: Reading CPE Score of 62-72.*

READ 0099*Developmental Reading II (3-0-3)*

This is a diagnostic and individualized reading course designed to meet the needs of students with deficiencies in reading and study skills. Emphasis is on vocabulary development and literal and critical reading skills. (Credit for this course is not applicable to degree programs and is not transferable to other institutions.) *Prerequisite: READ 0097 or Reading CPE Score of 73-76.*

SAB. - Studies Abroad Courses

SAB. 2930*Studies Abroad (3-0-3)*

Introductory language and/or civilization abroad. Designed primarily for freshmen and sophomores, or those at the initial stages of a foreign language. An internship may be a component of the course.

SAB. 3930*Studies Abroad (3-0-3)*

Intermediate level of study of language, civilization, business, or science abroad. Designed primarily for juniors and seniors, or those placing at this level. An internship may be a component of the course. Credit varies up to 15 semester hours per term. *Prerequisites: Foreign language 2002 or equivalent.*

SAB. 4930*Studies Abroad (3-0-3)*

Advanced study of language, civilization, business, or science abroad. Designed primarily for students placing at this level, including post-graduate or graduate students not concentrating in the discipline for which they seek credit. An internship may be a component of the course. Credit varies up to 15 semester hours per term. *Prerequisites: Foreign language 2002 or equivalent.*

SCED - Secondary Education Courses

SCED 4101

*Secondary School Student:
Implications for Curriculum, Instruction,*

Assessment, and Management (3-0-3)

Using knowledge bases derived from educational research and learning theory relevant to adolescents, students will study the characteristics of secondary school learners and the principles of educational psychology that inform our understanding of these learners. The course will examine the secondary student population in terms of its diversity and distinctive special needs; it will explore the implications of these learner characteristics for curriculum, instruction, assessment, and school organization. *Prerequisites: Admission to teacher education.*

SCED 4102 *Secondary School Context and Curriculum Coherence and Classroom Management (3-0-3)*

Using language bases derived from educational research, from state, national, and local curriculum standards, and from secondary school effective practices, students will examine the secondary school curriculum in terms of the connections that exist among the subject area disciplines, and in terms of the strategies that secondary school teachers and learners use (including models of teaching, critical thinking techniques, and approaches to content area reading). Students will examine the secondary school in its historical and political context, as well as in relation to pertinent philosophical issues. Students will examine multiple models of classroom management and their relationship to the learning environment of the classroom. *Prerequisites: Admission to teacher education.*

SCED 4201 *Secondary Social Studies Content Pedagogy I (3-0-3)*

Students will examine the implications of the structural features of social sciences and history for developing curriculum, instruction, and assessment for secondary social studies and history. They will critically consider national and state content standards in light of their knowledge of the disciplines and secondary students. *Prerequisites: Admission to teacher education.*

SCED 4202 *Secondary Social Studies Content Pedagogy II (3-0-3)*

This course emphasizes the process of applying the understandings developed in SCED 4201 to the design of instruction and assessment. The assessment focused segment of the course will examine varied methods and modes of assessing learning; and the importance of aligning assessment with intended learning outcomes or objectives. *Prerequisites: Admission to teacher education and SCED 4201.*

SCED 4301 *Secondary Mathematics Pedagogy I (3-0-3)*

The focus will be on skills in problem-solving, measurement, computation, hypothesis posing and hypothesis testing, and on algebraic and geometric analyses. Teaching and learning strategies will be examined in light of effective school practices and in light of national, regional, and local curriculum standards. *Prerequisites: Admission to teacher education.*

SCED 4302 *Secondary Mathematics Pedagogy II (3-0-3)*

Using knowledge bases derived from educational research, from national, state, and local curriculum standards. Students will plan, present, and evaluate instruction for the secondary school mathematics classroom. Techniques for assessment of learning will be examined, as well as teaching and learning strategies. Computer and electronic technologies appropriate to secondary

mathematics curriculum will be utilized to develop introductory competencies. *Prerequisites: Admission to teacher education and SCED 4301.*

SCED 4401 *Science Pedagogy I (3-0-3)*
Students will examine varied approaches to instruction of secondary science curriculum including: inquiry, field and laboratory based learning, concept attainment and formation, hypothesis testing, discovery and simulation. Students will develop instructional planning skills. *Prerequisites: Admission to teacher education.*

SCED 4402 *Science Pedagogy II (3-0-3)*
In this course students will critically examine formal designs and examples of secondary science curriculum, the national and state standards for science in the secondary schools, materials and resources for science instruction, including opportunities through electronic media for scientific investigations, data base development, critical discourse. *Prerequisites: Admission to teacher education and SCED 4401.*

SCED 4501 *Secondary English Pedagogy I (3-0-3)*
Through this course students will demonstrate the abilities to analyze and apply models of instructional approaches, and learning assessment in the areas of literature, reading skills, and language development. Students will develop skills necessary to plan instructional units and lessons that accommodate diverse learners. *Prerequisites: Admission to teacher education.*

SCED 4502 *Secondary English Pedagogy II (3-0-3)*
Students will examine controversial issues related to English curriculum and instruction. They will develop understandings and skills related to assessment including diagnostic, formative and summative evaluation strategies; interpreting standardized test data; using inventories and holistic scoring strategies; understanding and using sound principles of test design. *Prerequisites: Admission to teacher education and SCED 4501.*

SCED 4901 *Secondary Apprenticeship/Seminar (1-12-13)*
Students are placed with selected master teachers for an entire semester during which time they are teaching in the curriculum areas for which they are seeking certification. During the semester the apprentice teacher, under the supervision of the master teacher, assumes the responsibilities of professional teaching practice. Students reflect on and synthesize the conceptual and theoretical constructs of pedagogy with the complexity of practice. *Prerequisites: Successful completion of teacher education course work and all requirements for the subject area major.*

SOCI - Sociology Courses

SOCI 1101 *Introduction to Sociology (3-0-3)*
Introduces students to the major concepts, methods, theories, and findings of sociology--the study of human interaction in groups and organizations as well as the nature of our society and its major social institutions. *Prerequisites: None*

SOCI 1103 *Introduction to the Behavioral and Social Sciences (3-0-3)*
An interdisciplinary introduction to methods and concepts in the behavioral and social sciences, including (but not limited to) anthropology, economics, psychology, and sociology. Emphasis will be placed on integrating the perspectives various disciplines contribute to understanding and explaining human behavior and social order. (Cross-listed by participating departments)

SOCI 1160 *Social Problems Analysis (3-0-3)*
An analytical and critical approach to the study of contemporary social problems.
Prerequisite: SOCI 1101.

SOCI 2241 *Multicultural Diversity (3-0-3)*
Introduces student to the Multicultural construction of contemporary American Society. Focuses on social realities and identities constructed over gender, class, race, national origin, religion, language, and sexuality. *Prerequisites: None*

SOCI 3303 *Sociology of the Family (3-0-3)*
Study of the family as an institution in society. Examines why the family takes the particular forms in particular societies, and what forces are responsible for changing and shaping it. Attention given to the position of men and women in society, social class, and racial differences, and historical and comparative materials. *Prerequisites: SOCI 1101.*

SOCI 3317 *Sociology of Medicine (3-0-3)*
An overview of the central theories, concepts, and research findings in medical sociology, the course and experiences of illness and patient-practitioner relationships, the social construction of disease, professional medical subcultures and institutions, and the structure and political economy of the American health care system. *Prerequisites: SOCI 1101.*

SOCI 3320 *Sociology of Aging (3-0-3)*
An introduction to the elderly as members of society and the social institutions which impact on their lives and which the elderly helped to shape and currently influence. Covers theoretical perspectives on aging, the individual and the social system, adjustment patterns and changing lifestyles in old age, relevant societal issues, current trend, opportunities, and challenges. *Prerequisites: SOCI 1101.*

SOCI 3323 *Sociology of Popular Culture (3-0-3)*
This course examines how popular culture reflects major characteristics of society and individuals at the same time that it influences that society and those individuals. The history and influence of music, humor, sports, movies and graffiti will be included.

SOCI 3330 (Cross listed as CRJU 3330) *Social Deviance: (3-0-3)*
Covers theoretical and empirical issues in the understanding and designations of deviant behavior; addresses the analysis or the social causes and consequences of deviance, conformity, and societal reactions. *Prerequisites: SOCI 1101.*

SOCI 3340 *Social Stratification (3-0-3)*
An introduction to social stratification with a primary emphasis on theories of

stratification and on an empirical examination of the American class structure. Includes historical-comparative material and addresses other dimensions of inequality such as race, ethnicity, sex, and age as they interact with social class. Prerequisites: SOCI 1101.

SOCI 3350 *Sociology of Organizations (3-0-3)*
Sociological analysis of micro and macro structures and processes of formal/complex organizations. Emphasizes diversity of theory and research in the area of complex organizations; the internal functioning and structure of organizations; and external and macro processes which influence the structure and dynamics of complex organizations. Prerequisites: SOCI 1101.

SOCI 3360 *World Population and Development (3-0-3)*
Basic introduction to theory and dynamics of such demographic processes as fertility, mortality, emigration and immigration, population composition, and density. Examines issues of growth and environmental problems, social problems, political and economic processes, world food supply, and sustainability. Prerequisites: SOCI 1101.

SOCI 3373 *Social Psychology (3-0-3)*
Examines social interactions that relates people to each other in everyday life with special focus on symbolic communication. Exploration of how humans create and define experience. This model of symbolic interactionism is compared critically to other approaches for explaining human conduct. Prerequisite: SOCI 1101 or PSYC 1101.

SOCI 3375 *Sociology of Death, Grief, and Caring (3-0-3)*
Examines the phenomenon of death as it relates to the social structure of selected cultures; the patterns of social interaction which surround and give meaning to various aspects of death, loss, grief, and caring; and the plans of action which individuals and societies develop to guide them as they confront death. Prerequisites: SOCI 1101.

SOCI 3380 *Sociological Theory (3-0-3)*
Critical examination of the modern grounding of sociological theory based on the works of such classical theorists and the emergence of contemporary theoretical paradigms. Prerequisites: SOCI 1101.

SOCI 3381 *Methods in Social Research, I (3-0-3)*
An introduction to the scientific method in social research; logic of scientific inquiry; relationship between theory and research; logic of sampling; modes of observation (experiments, survey research, field research, evaluation research); and ethics in social research. Prerequisites: SOCI 1101, MATH 1101 or MATH 1111.

SOCI 3382 *Methods in Social Research, II (3-0-3)*
An introduction to the analysis of social data; including the quantification of data for computer application; use of SPSS (statistical package) for analyzing data, logic of statistical inference; statistical techniques for analyzing data, including univariate, bivariate, and multivariate social statistics; and the reporting of research findings. Prerequisites: SOCI 3381.

SOCI 3385 *Sociology of Religion (3-0-3)*
An introduction to the social scientific study of religion as a social institution and of the relationship of religion and people's experiences. *Prerequisites: SOCI 1101.*

SOCI 4404 *Urban Social Problems (3-0-3)*
A sociological consideration of metropolitan social problems, including crime, fiscal crisis, housing and the homeless, poverty, racism, health, education, and social inequality. Emphasis will be placed on the critical analysis of contemporary urban social problems, their causes, consequences, solutions, and social policy implications. *Prerequisites: SOCI 1101.*

SOCI 4413 *Sociology of Education (3-0-3)*
This course focuses on the relationships between Education and Society in the United States, including public and private education in America. Particular emphasis will be placed on application of sociological theories and insights to the advancement of the goal of increased effectiveness of schools, teachers and students. *Prerequisites: SOCI 1101 or EDUC 2101 and EDUC 2102.*

SOCI 4421 *Gerontology (3-0-3)*
Examines the interaction between the social, physical, psychological, and programmatic aspects of aging. Emphasis is on programs, services, interactive techniques, legislation, and advocacy efforts which address the needs and concerns of older Americans, their family members, and service providers. *Prerequisites: SOWK 1111 or SOWK 2234 or SOCI 1101.*

SOCI 4431 *Criminology (3-0-3)*
The study of criminal behavior and its treatment. The development of criminal behavior and societal reaction in contemporary society are addressed in terms of major social theories of crime and its causation. The treatment and rehabilitation of the offender by probation, imprisonment, and parole are addressed in terms of philosophy and policy. *Prerequisites: CJ 1103 or SOCI 1101; and SOCI 1160.*

SOCI 4432 *Juvenile Delinquency(3-0-3)*
The philosophy, theory, and history of juvenile delinquency, including its causes, preventions, and measurement from sociological perspectives. *Prerequisites: CJ 1103 or SOCI 1101.*

SOCI 4435/WMST 4435 *Women Crime, and the Criminal Justice System (3-0-3)*
A sociological analysis of women as criminal offenders, victims, and as workers in criminal justice fields. Examines how gender influences criminal law and the practices of criminal justice agencies. Covers historical perspectives on women and crime, the adequacy of contemporary criminological perspectives for explaining female criminality. *Prerequisites: SOCI 1101 or CJ 1103.*

SOCI 4441 *Racial and Ethnic Minority Groups in American Society (3-0-3)*
This course focuses on the relationships between majority and minority groups in the United States. It will examine the historical and present conditions of society and the forces and motivations which have created and perpetuated minority groups status for various racial and ethnic groups and individuals. *Prerequisites:*

SOCI 1101.

SOCI 4442/WMST 4442

Sociology of Women (3-0-3)

An introduction to the sociology of women. It will examine and analyze the nature, causes, and consequences of women's status in American society. Sociological insights and concepts will be employed in observing, interpreting, and analyzing the social processes creating and reinforcing gender roles and the status of women in American society. *Prerequisites: Sociology 1101.*

SOCI 4443

Social Movements (3-0-3)

Sociological analysis of historical and contemporary social movements nationally and internationally. Special attention is given to the critical analysis of social movement theory and its application to understanding the diversity of social movements. Emphasis is placed on the etiology of social movements, their causes, consequences, and social implications. *Prerequisites: SOCI 1101.*

SOCI 4451

Sociology of Work and Occupations (3-0-3)

An analysis of the social dimensions of work; the labor process; occupations and professions; the social meaning and organization of work; and the relationships between the structuring of work, social mobility, and social stratification. *Prerequisites: SOCI 1101.*

SOCI 4461

Urban Sociology (3-0-3)

Survey of the development of the city as a social phenomenon in the modern world. Includes an examination of urban ecology, urban social stratification, social participation in the city, urban social organization, urban social problems and issues, urban policy and planning and world urbanization. *Prerequisites: SOCI 1101.*

SOCI 4900

Cullum Lecture Series (3-0-3)

A variable content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative programs. *Prerequisites: SOCI 1101.*

SOCI 4950

Selected Topics (3-0-3)

A variable content course. Either 1) a faculty initiated course which allows students the opportunity to enroll in specifically titled courses, or 2) a student initiated directed study. *Prerequisites: Junior or senior standing; 20 hours of advanced sociology; permission of instructor; and contractual agreement with department chair.*

SOCI 4960

Undergraduate Internship (3-0-3)

A service-learning experience based in an institution/agency, emphasizing the completion of specific tasks and the acquisition of specific knowledge, skills, and values under the supervision of Augusta State University, the academic supervisor, and the cooperating institution/agency. *Prerequisites: Permission of instructor.*

SOCI 4990

Undergraduate Research (3-0-3)

Independent research on a topic of student choice selected in consultation with an instructor. The student must submit a contract proposal for the research project

prior to enrolling in the course. *Prerequisites: Junior or Senior Standing; 12 hours of advanced sociology; and contractual agreement with department chair.*

SOCI 6613 *Sociology of Education (3-0-3)*
An advanced course focusing on the relationships between Education and Society in the United States. Theories of socialization, cognitive development, symbolic interaction and conflict will be applied to analyze the processes and outcomes of education. *Prerequisites: SOCI 1101 and 1160 or EDUC 2101 and 2102; Graduate Student status; or permission of instructor.*

SOWK - Social Work Courses

SOWK 1111 *Introduction to Social Work (3-0-3)*
Introduction to the discipline and profession of social work: place in society knowledge, skills and values bases, traditional methods of intervention (individual, group, family and community). System analysis provides the theoretical and practical framework for exploring these areas. *Prerequisites: None*

SOWK 2234 *Introduction to Social Welfare (3-0-3)*
Examines contemporary human needs, programs and policies as expressions of current social values and benefits. Some assessment of program effectiveness and social implications of the welfare society. *Prerequisites: None*

SOWK 3322 *Agencies and Services (3-0-3)*
Concerned with human service agencies and organizations: staff, clients, structure, delivery of services, administration. A strong emphasis is given to developing knowledge of area agencies and resources. *Prerequisites: SOWK 1111 or SOWK 2234.*

SOWK 3346 *Methods of Social Work (3-0-3)*
Generalist social work practice and the problem-solving process as used in working with individuals, groups, and communities is emphasized as is the development of interviewing, counseling, planning, and reporting skills and techniques. *Prerequisites: SOWK 1111 or SOWK 2234 or permission of instructor..*

SOWK 3358 *Field Placement (3-0-3)*
The assignment of students to a human service organization/agency for a semester. A minimum of ten hours a week is spent under the direction of qualified agency supervisors. Course also involves weekly assignments relating field experience to academic learning, log keeping, reports, and weekly meetings with academic supervisor. *Prerequisites: SOWK 3346 or permission of instructor.*

SOWK 3375 *Sociology of Death, Grief, and Caring (3-0-3)*
Examines the phenomenon of death as it relates to the social structure of selected cultures; the patterns of social interaction which surround and give meaning to various aspects of death, loss, grief, and caring; and the plans of action which individuals and societies develop to guide them as they confront death.

Prerequisites: SOCI 1101 or SOWK 1111 or SOWK 2234.

SOWK 4421 *Gerontology (3-0-3)*
Examines the interaction between the social, physical, psychological, and programmatic aspects of aging. Emphasis is on programs, services, interactive techniques, legislation, and advocacy efforts which address the needs and concerns of older Americans, their family members, and service providers.
Prerequisites: SOWK 1111 or SOWK 2234 or SOCI 1101.

SOWK 4950 *Selected Topics (3-0-3)*
A variable content course. Either as 1) a faculty initiated course which allows students the opportunity to enroll in specifically titled courses, or 2) a student initiated directed study. *Prerequisites: Junior or senior standing; 20 hours of advanced sociology or social work; permission of instructor; and contractual agreement with department chair.*

SOWK 4960 *Undergraduate Internship (3-0-3)*
A service-learning experience based in an institution/agency, emphasizing the completion of specific tasks and the acquisition of specific knowledge, skills, and values under the supervision of Augusta State University, the academic supervisor, and the cooperating institution/agency.
Prerequisites: Permission of instructor.

SPAN - Spanish Courses

Note: For additional courses in Spanish, consult the Studies Abroad (**SAB.**) courses described on page 367.

SPAN 1001 *Elementary Spanish (3-V-3)*
Fundamentals of listening, speaking, reading, and writing Spanish in a proficiency-based classroom. Introduction to Spanish-speaking cultures. Designed for students who have never studied Spanish. Students who entered AS for the first time in the Fall of 1998 or later, or those returning students who have not been enrolled for two consecutive years prior to 1998, will not be able to count Foreign Language 1001 towards graduation if it is the same language they took in high school. (First time freshmen who graduated from high school five or more years ago may count Foreign Language 1001.) However, it does count for computing eligibility for financial aid and calculating full-time student status. Students taking the language for the first time will receive credit. For CAC students, consult page 7 of the catalog.

SPAN 1002 *Elementary Spanish (3-V-3)*
A continuation of Spanish 1001. Students admitted provisionally with CAC deficiency in foreign languages may take this course to satisfy the foreign language CAC requirement. *Prerequisites: SPAN 1001 or placement.*

SPAN 2001 *Intermediate Spanish (3-V-3)*
This proficiency-centered course is designed to build on high school Spanish or on SPAN 1002. More emphasis will be placed on listening, speaking, and reading

skills in practical situations. Students will learn how to "get around" in places where Spanish is spoken natively. *Prerequisites: SPAN 1002 or placement.*

SPAN 2002 *Intermediate Spanish (3-V-3)*
This proficiency-centered course includes a grammar review and more intensive work in listening comprehension, speaking, and reading, with more emphasis on writing than in SP 2001. Spanish-speaking cultures will be studied through music, art, film, literary and cultural readings, including current events. At the end of this course, students should have a basic competence in Spanish. Students who wish to take upper-division courses in Spanish will need to demonstrate sufficient proficiency as determined by the foreign language faculty before enrolling in major/minor courses. *Prerequisites: SPAN 2001 or placement.*

SPAN 2950 *Studies in Hispanophone Culture (3-0-3)*
A variable content course taught in English that will center on one Hispanophone country or area, or a specific issue dealing with Hispanophone culture. May not be counted towards the Spanish major and may not satisfy foreign language requirement.

SPAN 3100 *Conversational Spanish (3-0-3)*
A course designed to enhance students' listening and speaking ability in Spanish. Emphasis on expressing hypotheses, opinions, and debate. NOT OPEN TO NATIVE SPEAKERS. *Prerequisites: SPAN 2002 or equivalent or by permission of instructor.*

SPAN 3211 *Spanish American Culture I (3-0-3)*
A study of Spanish American culture and civilization with attention to history, geography customs, art, and music. From the beginnings to 1821. Emphasis on the development of oral, listening, reading and writing skills. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 3212 *Spanish American Culture II (3-0-3)*
A study of Spanish American culture and civilization with attention to history, geography, customs, art, and music. From 1821 to the present. Emphasis on the development of oral, listening, reading and writing skills. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 3220 *Spanish Culture (3-0-3)*
A study of Spanish culture and civilizations with attention given to history, geography, customs, art and music. Covers contributions of Spain to world civilization. Emphasis on the development of reading, writing, speaking and listening skills. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 3300 *Spanish Composition. (3-0-3)*
A course designed to promote the student's ability to express himself or herself correctly in written Spanish and become acquainted with different styles. Emphasis on vocabulary building, advanced grammar. Some expository writing, letter writing, and creative writing. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 3400 *Applied Linguistics (3-0-3)*

A study of basic applied linguistics: morphology, semantics, and syntax. Emphasis on grammatical difficulties encountered by non-native speakers of Spanish. *Prerequisites: SPAN 2002 or equivalent*

SPAN 3510 *Introduction to Literature (3-0-3)*
A study of the theoretical and practical foundations of literature, including poetry, narrative, drama and essay. Prepares students for analysis and literary criticism. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 3520 *Drama in Spanish (3-0-3)*
An introduction to drama in Spain and Hispanic America, focussing on the performance and presentation of dramatic pieces. Emphasis on the development of reading, writing, oral and listening skills. *Prerequisites: SPAN 2002 or equivalent*

SPAN 3610 *Business Spanish (3-0-3)*
A study of economics and business practices in Spanish speaking countries; emphasis on the development of communicative competence, particularly oral expression and listening comprehension. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 3620 *Medical Spanish (3-0-3)*
A course for intermediate Spanish students who desire to expand their Spanish knowledge in the field of medicine. It will provide oral and written opportunities to practice an active vocabulary in health related situations. Emphasis on the development of oral, listening, reading, and writing skills. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 4100 *Advanced Conversational Spanish (3-0-3)*
A course designed to enhance students' listening and speaking ability in Spanish at an advanced level. Emphasis on expressing hypotheses, opinions, and debate. NOT OPEN TO NATIVE SPEAKERS. *Prerequisites: SPAN 3100 or equivalent or by permission of instructor.*

SPAN 4300 *Advanced Composition (3-0-3)*
An advanced course that emphasizes critical reading, expository and creative writing. The students will use skills such as summarizing, criticizing, comparing, contrasting and expressing their opinions. This course is designed to help students write better. Emphasis on the development of reading and writing skills. *Prerequisites: SPAN 3300 or equivalent.*

SPAN 4530 *Twentieth-Century Spanish Literature:
A Concentration in International Studies (3-0-3)*
A study of Spanish poetry, novel, drama and short story of the 20th century. Emphasis on the development of reading, writing, speaking and listening skills. *Prerequisites: SPAN 3510.*

SPAN 4540 *Hispanic Nobel Laureates (3-0-3)*
A study of all laureate writers, including stylistic and thematic comparisons showing their contributions to Hispanic Literature. *Prerequisites: SPAN 3510.*

SPAN 4550 *Hispanic American Poetry (3-0-3)*

A study of the foundations and evolution of Hispanic American poetry since Modernism to the present, focusing on form and content. *Prerequisites: SPAN 3510.*

SPAN 4560 *Twentieth-Century Hispanic American Literature (3-0-3)*
A study of Hispanic American Literature since Modernism until the so called Post-Boom Generation, including poetry, narrative and essay, and concepts like neo-baroque, magical realism and boom, among others. *Prerequisites: SPAN 3510.*

SPAN 4570 *Short Story (3-0-3)*
A study of the origin, techniques, characteristics and evolution of the short story in Hispanic Literature, including Romanticism, Realism, Naturalism, Modernism and Contemporary movements. *Prerequisites: SPAN 3510.*

SPAN 4710 *Spanish Film (3-0-3)*
An introduction to Spanish films focussing on their artistic value, their relationship to literature, social and political issues, cultural differences, morals and ethics. Includes the works of Buñuel, Saura, Almodóvar and others. Emphasis on the development of reading, writing, speaking and listening skills. *Prerequisites: SPAN 3510 and senior status or SPAN 3510 and permission of the instructor.*

SPAN 4720 *Hispanic American Film (3-0-3)*
An introduction to Hispanic American films focusing on their artistic value, their relationship to literature, social and political issues, cultural differences, morals and ethics. The course may examine the works of directors from one or more Hispanic American countries. Emphasis on the development of reading, writing, speaking and listening skills. *Prerequisites: SPAN 3510 and senior status or SPAN 3510 and permission of the instructor.*

SPAN 4801 *Methods and Materials for Teaching Foreign Language in the Elementary School (3-0-3)*
Methods and materials for listening, speaking, reading, writing, and cultural activities appropriate for elementary and middle school learners. First and second language acquisition theories, a review of foreign language teaching methods, testing procedures and teacher preparation and evaluation. A field experience of 45 clock hours is a required component of the course. *Prerequisites: Senior status or permission of the instructor.*

SPAN 4802 *Methods and Materials for Teaching Foreign Language in the Secondary School (3-0-3)*
Methods and materials for listening, speaking, reading, writing, and cultural activities appropriate for secondary learners. First and second language acquisition theories, a review of foreign language teaching methods, testing procedures and teacher preparation and evaluation. A field experience of 45 clock hours is a required component of the course. *Prerequisites: Senior status or permission of the instructor.*

SPAN 4900 *Cullum Series (3-0-3)*
A variable-content course which has been identified by the American Association of State Colleges and Universities as one of the country's ten most innovative

programs. Students will hear lectures by nationally and internationally known scholars with expertise in the topic chosen for each spring quarter, attend films and/or panel discussions, participate in class discussions, and prepare a student project relevant to the quarter's topic. *Prerequisites: SPAN 2002 or equivalent.*

SPAN 4950

Selected Topics (3-0-3)

A variable-content course, intended to meet the interests of students minoring or majoring in Spanish and desiring to make an intensive study of some special area of Spanish language or literature. May be repeated for credit. Prerequisites: SPAN 2002 or equivalent.

SPED - Special Education Courses

SPED 2000

Education of Exceptional Children (3-0-3)

An introductory course for general and special educators covering laws & litigations impacting special education, (b) pre-referral and referral procedures, (c) definitions and characteristics of individuals with disabilities and students with multiple abilities, (d) research-based instructional methodologies, strategies, and techniques, (e) collaboration/consultation, (f) classroom acceptance, and (g) assistive technologies.

SPED 3001

Policies and Procedures in Special Education (3-0-3)

An introductory course on (a) federal, state, and local rules and regulations, (b) basic policies and procedures in special education, (c) landmark legislation and litigations impacting the education of individuals with disabilities, and (d) current issues and trends in special education.

SPED 3003

Educational Assessment of the Learner (3-0-3)

An introductory course involving (a) basic assessment terminology, (b) administration of frequently used diagnostic instruments, (c) strengths and weaknesses of various assessment tools, and (d) evaluation and instructional recommendations.

SPED 3004

Curriculum for the Special Educator (3-0-3)

This course is designed to examine the mechanics of individualizing instruction for special education students in a P-12 setting. In addition, design of curriculum, development of lesson plans, and instructional assessment are covered.

SPED 3005

Effective Learning Environments (3-0-3)

This course examines up-to-date reviews of research on teacher expectations, classroom organization, student motivation, and classroom instruction. An emphasis is placed on student observation, and reflection of special education classrooms. *Prerequisite: Permission of instructor.*

SPED 3110

Characteristics of Interrelated Special Education (3-0-3)

This course is designed to prepare special educators to work collaboratively with general educators to identify and recognize characteristics of individuals with mild disabilities and to understand how these characteristics might affect learning as well as social and emotional development.

SPED 4000 *Technology in Special Education (3-0-3)*
This course examines technology in the light of recent knowledge and research in special education. Focus is on specifically designated areas of special education.

SPED 4001 *Methods/Materials for Teaching Students with Severe/Profound Disabilities (3-0-3)*
Methods/materials for teaching students with severe/profound intellectual disabilities throughout the life span including hands-on experiences; emphasis on creating lesson plans using age-appropriate functional skills.

SPED 4003 *Behavior Management in Today's Schools (3-0-3)*
This course is designed to assist the student in the development of the knowledge, skills, and attitudes required to assess, plan, and implement successful behavior management programs and strategies in the classroom. The creation of a positive classroom atmosphere in which students will learn and make behavioral choices is stressed. The development of a behavior change plan from observations in a practicum setting is a requirement.

SPED 4004 *Collaboration/Consultation (3-0-3)*
An introductory course on effective collaboration/consultation skills, various education models (e.g., co-teaching, team teaching, consultant, etc.), barriers to effective collaboration/consultant, and possible solutions.

SPED 4005 *Family Literacy (3-0-3)*
This course is designed to examine research-based practices for teachers/families/caregivers in enhancing early literacy and intervention techniques applicable to infants, toddlers, and preschoolers with special needs.

SPED 4007 *Literacy Fundamentals (3-0-3)*
This course surveys research-based reading strategies for teaching literacy skills (e.g., reading, writing, listening, speaking, critical thinking, spelling) to students (P-12). Special attention will be given to selecting and using intervention tools for literacy instruction with students who experience literacy problems. *Prerequisite: Permission of instructor.*

SPED 4008 *Literacy - Diagnosing and Prescribing (P-12) (3-0-3)*
This course addresses developmental, corrective and remedial literacy practices to be identified, prescribed, and implemented with students including those who experience literacy-related difficulties. *Prerequisite: SPED 4007 or permission of instructor.*

SPED 4120 *Materials and Methods for the Interrelated Classroom (3-0-3)*
This course is designed to prepare educators who are knowledgeable and competent in teaching students with mild disabilities in a variety of collaborative settings. This course encompasses research-based methodologies, learning strategies, the development of teacher-made materials, and the utilization of

commercial materials. *Prerequisite: SPED 3110 or permission of instructor.*

SPED 4491 *Special Education Apprenticeship (0-0-15)*
Students are placed with selected master teachers for an entire semester during which time they are teaching in the curriculum areas for which they are seeking certification. During the semester the apprentice teacher, under the supervision of the master teacher, assumes the responsibilities of professional teaching practice.

SPED 6001 *Diagnostic Assessment and Legal Issues (3-0-3)*
This course is designed to prepare educators to be knowledgeable and reflective practitioners in the area of assessment in special education. It also prepares educators in the legal ramifications associated with assessment.

SPED 6002 *Designing Collaborative Educational and Behavioral Interventions (3-0-3)*
This course develops the behavior management and collaboration/consultation skills needed to design effective educational and behavioral interventions for students with disabilities. A variety of interventions are studied, ranging from academic instruction to social skills instruction. Collaborative processes with professionals and parents are used to design effective educational and behavioral for students with special needs.

SPED 6003 *Behavior Management of Exceptional Learners (3-0-3)*
This course is designed to study and develop skills in working with the behavior management process as it applies to exceptional learners. The principles and concepts of management within the context of special education settings for students with mild to severe problems is stressed. Students will complete an authentic behavior change process in a special education setting.

SPED 6004 *Facilitating Inclusive Instruction (3-0-3)*
This is an in-depth course on techniques for implementing inclusive instruction. Various models (such as team teaching collaboration, and consultation) are studied. Collaborative models for implementing inclusive instruction are examined.

SPED 6007 *Literacy Fundamentals I for P-12 (3-0-3)*
This course is designed to examine research on literacy instruction in P-12 settings. It is particularly focused on techniques that have proven to be effective with students experiencing problems in acquiring literacy skills.

SPED 6008 *Literacy Fundamentals II for P-12 (3-0-3)*
This course is designed to examine assessment strategies and intervention tools for students experiencing problems in acquiring literacy skills.

SPED 6101 *Characteristics/SLD (3-0-3)*
An introductory course in learning disabilities which covers (a) definitions; (b) academic, cognitive, perceptual/processing, social, emotional, and behavioral characteristics and needs of individuals with SLD; (c) historical development of the area of SLD as a field of study and major contributors; (d) various theories and philosophies affecting the field; and (e) current trends and issues.

SPED 6102 *Materials and Methods in Learning Disabilities (3-0-3)*
A study of materials and research-based methodologies, strategies, and

techniques utilized to effectively meet the academic, social, and emotional needs of individuals with learning disabilities. The course covers (a) individual and small group planning, (b) classroom management of activities and materials, (c) learning strategies and teaching techniques, (d) on-going evaluation procedures, (e) the affective domain (self-concept, teacher expectations, etc.) *Prerequisite: SPED 6101.*

SPED 6106 *Internship in Learning Disabilities (0-9-9)*
An extensive field-based internship teaching students who are learning disabled. Hours vary according to individual needs.

SPED 6201 *Characteristics of Intellectual Disabilities (3-0-3)*
An overview of the field of mental retardation; includes historical, legal, philosophical, ethical, and programming issues; current trends and issues in the field. Students will have in depth coverage of current issues in the field of intellectual disabilities. Current perspectives in educational programming will be covered.

SPED 6202 *Methods and Materials for Teaching Students with Mild/Moderate Intellectual Disabilities (3-0-3)*
Methods and materials for teaching students with mild and moderate intellectual disabilities throughout the life span including hands-on experiences; emphasis on career education, transitions, and lesson plans emphasizing life skills. Emphasis is on self-evaluation and plans to improve instruction; several settings will be utilized (self-contained, resource, general).

SPED 6203 *Methods/Materials for Teaching Students with Severe/Profound Disabilities (2-1-3)*
Methods/materials for teaching students with severe/profound intellectual disabilities throughout the life span including hands-on experiences, emphasis on creating lesson plans using age-appropriate functional skills.

SPED 6205 *Capstone in Special Education (0-3-3)*
This course is designed to provide a forum for analysis and exploration of current research and issues in special education. This course is the culminating graduate course in the M.Ed. Special Education programs.

SPED 6206 *Internship in Special Education: Intellectual Disabilities (0-9-9)*
This in-depth, supervised program is designed to provide Masters' level students with a year-long internship that includes the application of knowledge and demonstration of skills so they can effectively teach students with intellectual disabilities.

SPED 6301 *Characteristics of Students with Emotional and Behavioral Disorders (3-0-3)*
This course is designed to study the nature and characteristics of students with mild to severe behavior disorders. Issues related to the development, assessment, and labeling of conduct and emotional disorders as manifested in the home, school and community are stressed.

SPED 6302 *Methods and Techniques for Teaching Students with Emotional and Behavioral Disorders (3-0-3)*

This course is designed to study and develop skills in the methods and techniques required for success in teaching students with emotional/behavioral disorders. Individualized and group strategies are explored with applications to students with mild to severe disorders. An ecological approach to the adaptation of curriculum for students with specific emotional, behavioral, and educational needs is stressed.

SPED 6306 *Internship in Emotional/Behavior Disorders (3-0-3)*
Students in this course are required to relate content taught in the Emotional/Behavior Disorders sequence (SPED 6301 and SPED 6302) to the practical school and community settings. This information will be applied under the advisement of a mentor teacher and university professor. *Prerequisite: SPED 6301 and SPED 6302.*

SPED 6406 *Internship in Interrelated Special Education (0-3-3)*
The student will gain first hand experiences working with students in an inter-related public school class; the emphasis is on writing and implementing lesson plans, making adaptations and modifications for students who attend general education classes.

SPED 6501 *Characteristics of Preschool Children with Disabilities (3-0-3)*
An introductory course concerning preschool children with special needs and their families. Definitions, educational traits, emotional and social characteristics, and assessment instruments are surveyed.

SPED 6502 *Methods for Teaching Preschool Children with Disabilities (3-0-3)*
The study of teaching methods and materials as they relate to preschool children with disabilities. Materials selection, conducting assessments, collecting data, writing and implementing lesson plans are emphasized.

SPED 6503 *Language Development for Preschool Children with Disabilities (3-0-3)*
An introductory course concerning preschool children with special needs and their families. Emphasis is on language development, remediation strategies, atypical patterns of development, and techniques for developing oral and aural language facility.

SPED 6610 *Transitions and Careers (3-0-3)*
This course is designed to examine issues related to transitions for people with disabilities. Emphasis is on preparing students for options beyond school, including career exploration and vocational options.

SPED 7500 *Advanced Studies in Special Education (3-0-3)*
This course is designed for the in-service teacher who is at the post masters' level; it provides an in-depth study of the cross-categorical model of service delivery for students with emotional/behavioral disorders, mild intellectual disabilities, and learning disabilities. Emphasis is on the similarities and differences of the three categories in historical treatment, definition, characteristics, incidence, prevalence etiology, and implications for teaching. Current issues and trends in special education will be studied.

SPED 7501 *Internship in Interrelated Special Education (0-3-3)*
This practicum is for the master teacher to demonstrate competence in the inter-related special education classroom. This practicum will represent a synthesis of knowledge being put into practice at the Specialist's level.

SPED 7502 *Advanced Assessment/Instructional Development (3-0-3)*
This course is designed for the in-service teacher who is at the post-masters' level; a school/community project involving a model of teaching, in-service training sessions, or innovative practice in the field of special education will be designed, implemented, and evaluated by the student under the supervision of the major professor. The course emphasizes state of the art methods for assessing/teaching students in interrelated classrooms.

WELL - Wellness Courses

WELL 1000 *Wellness (3-0-3)*
A lecture/activity course that integrates the physical, mental, social, and environmental aspects of wellness. Healthy lifestyle choices are encouraged through education and fitness wellness assessment. NOTE: This course does not count as a 1-hour activity elective.

WELL 1010-1199 Individual/Dual Activities

- 1010 Badminton/Table Tennis (0-2-1)
- 1011 Badminton (0-2-1)
- 1012 Beginning Golf (0-2-1)
- 1013 Advanced Golf (0-2-1)
- 1014 Bowling (0-2-1)
- 1015 Stunts and Tumbling (0-2-1)
- 1016 Track and Field (0-2-1)
- 1017 Pickleball (0-2-1)
- 1018 One Wall Handball (0-2-1)
- 1019 Tennis (0-2-1)
- 1020 Advanced Tennis (0-2-1)
- 1021 Downhill Snow Skiing (0-2-1)
- 1022 Rock Climbing/Orienteering (0-2-1)
- 1023 Hiking, Backpacking, and Camping (0-2-1)
- 1024 Yoga (0-2-1)
- 1025 Tai Chi (0-2-1)
- 1026 Self Defense (0-2-1)
- 1027 Ice Skating (0-2-1)

WELL 1201-1299 Team Sports

- 1201 Basketball (0-2-1)
- 1202 Soccer(0-2-1)
- 1203 Softball(0-2-1)
- 1204 Flag Football (0-2-1)
- 1206 Team Handball (0-2-1)
- 1207 Grass Volleyball (0-2-1)

- 1208 Wallyball (0-2-1)
- 1209 Volleyball (0-2-1)
- 1210 Ice Hockey (0-2-1)

WELL 1300-1399 Rhythmic Activities

- 1301 Social/Folk Dance (0-2-1)
- 1302 Square/Country Line Dance (0-2-1)
- 1303 Creative Movement (0-2-1)

WELL 1400-1500 Aquatics

- 1400 Beginning Swimming (0-2-1)
- 1401 Fitness Swimming (0-2-1)
- 1402 Diving (0-2-1)
- 1403 Lifeguard Certification (0-2-1)
- 1404 Water Safety Instructor (WSI) (0-2-1)
- 1405 Water Polo (0-2-1)
- 1406 Canoeing (0-2-1)
- 1407 Beginning Scuba (0-2-1)
- 1408 Advanced Scuba (0-2-1)
- 1409 Swimming for Non-Swimmers (0-2-1)

WELL 1501-1599 Fitness Activities

- 1501 Aquacise (0-2-1)
- 1502 Step Bench (0-2-1)
- 1503 Aerobic Dance (0-2-1)
- 1504 Body Shaping (Women) (0-2-1)
- 1505 Body Building (Men) (0-2-1)
- 1506 Weight Training (0-2-1)
- 1507 Jogging (0-2-1)

WELL 1600-1699 Special Activities

- 1601 Adapted Swimming Instruction (0-2-1)

WMST - Women's Studies Courses

WMST 3155/PSYC 3155

Psychology of Gender (3-0-3)

This course will study the construct of gender and how it has been analyzed and investigated in psychology. A multi-cultural perspective will be adopted to examine historical and contemporary theories related to gender psychology. *Prerequisite: PSYC 1101 with a C or better.*

WMST 3310/ENGL 3310

Women's Literature (3-0-3)

An examination of a wide range of women writers, both classic and contemporary, with an emphasis on multicultural and/or multidisciplinary approaches. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

WMST 3461/HIST 3461

History of American Women (3-0-3)

A general study of the history and experiences of women in America from the colonial period to the present. *Prerequisite: HIST 2111 or HIST 2112 or permission of instructor.*

WMST 3871/ANTH 3871

Sex, Gender, and Culture (3-0-3)

Information from biophysical anthropology, archaeology, linguistics, and cultural studies is combined in a cross-cultural, evolutionary approach to examine sex and gender roles. *Prerequisite: ANTH 1102 or ANTH 2011 or permission of instructor.*

WMST 4120/COMS 4120 *Gender and Communication (3-0-3)*

This course explores gendered communication patterns in a variety of contexts and examines how communication creates and reinforces gender. Theories that explain how culture shapes gendered communication and how gendered communication shapes culture will be examined. *Prerequisites: COMC 2010 or permission of instructor.*

WMST 4310/ENGL 4310 *Studies in Feminism (3-0-3)*

A course which uses feminist scholarship to analyze selected texts and topics. *Prerequisites: ENGL 1101-1102 or 1113-1114; HUMN 2001-2002; ENGL 2250.*

WMST 4435/SOCI 4435 *Women Crime, and the Criminal Justice System (3-0-3)*

A sociological analysis of women as criminal offenders, victims, and as workers in criminal justice fields. Examines how gender influences criminal law and the practices of criminal justice agencies. Covers historical perspectives on women and crime, the adequacy of contemporary criminological perspectives for explaining female criminality. *Prerequisites: SOCI 1101 or CJ 1103.*

WMST 4442/SOCI 4442 *Sociology of Women (3-0-3)*

An introduction to the sociology of women. It will examine and analyze the nature, causes, and consequences of women's status in American society. Sociological insights and concepts will be employed in observing, interpreting, and analyzing the social processes creating and reinforcing gender roles and the status of women in American society. *Prerequisites: Sociology 1101.*

WMST 4959 *Selected Topics (Variable, depending on department)*

A seminar in a particular area of Women's Studies, often conducted on an interdisciplinary basis. *Prerequisites: Dependent on department.*

WMST 4960 *Undergraduate Internship (Variable, depending on department)*

A service-learning experience based in an off-campus agency or organization. Under the supervision of a faculty member at Augusta State University and a supervisor at a cooperating agency or organization, a student completes specific tasks and acquires specific knowledge and skills related to an area of Women's Studies.

WMST 4990 *Undergraduate Research (Variable, depending on department)*

A major research project exploring a specific topic in Women's Studies under the direction of a supervising instructor. *Prerequisites: Permission of instructor.*

FACULTY

(Year of first hire at AS is located at the end of each entry.)

- Arab**, Rhonda, Assistant Professor of English, M.A., Columbia University; M.P.H.I.L., Columbia University; M.A. Dalhousie University; B.A. Dalhousie University. 2001
- Aubrey**, Karen L., Associate Professor of English, Department of Assistant Professor of English, Department of Languages, Literature, and Communications; B.S.E., M.A., University of Central Arkansas; Ph.D., University of Southern Mississippi. 1990
- Axton, Rosemarie**, Director Media Services. 1992
- Balogh**, Jean D., Assistant Professor of Nursing. A.S.N., B.S.N., M.S.N., University of Nebraska-Omaha. 1993
- Banister**, Linda L., Professor of Music. B.S., Valley City State College; M.M., University of Missouri at Columbia; D.M., Florida State University in Tallahassee. 1989
- Barnabei**, Fred, Professor of Education and Vice President for Business and Student Services. A.B., John Carroll University; M.S., Ed.D., University of Tennessee, Knoxville. 1988
- Basciano**, Peter M., Assistant Professor of Finance. B.S.B.A., Youngstown State, M.B.A., Ph.D., Kent State University 1999
- Benedict**, J. Michelle, Assistant Professor of Mathematics and Computer Science. B.S., Lambuth College; M.S., Georgia Institute of Technology. 1981
- Benedict**, James M., Professor of Mathematics and Computer Science. B.S., M.A., Central Michigan University; Ph.D., Western Michigan University. 1976
- Bickert**, James H., Associate Professor of Biology. B.S., M.S., University of Dayton; Ph.D., University of Tennessee. 1970
- Bishku**, Michael B., Associate Professor of History. B.A., M.A., University of Florida; Ph.D., New York University. 1996
- Black**, Diane R., Coordinator of Technical Services/ Assistant Professor of Library Science, B.S., Augusta College; M.L.I.S., University of South Carolina. 1993
- Blackwell**, Barbara, Associate Professor of Education. B.S., Howard University; M.A., Ph.D., University of Connecticut. 1988
- Blanchard**, Mary-Kathleen G., Professor of French, Department of Languages, Literature, and Communications. B.A., Western Michigan University; M.A., Middlebury College; Ph.D., University of North Carolina at Chapel Hill. 1971
- Bledsoe**, Robert S., Assistant Professor of German. B.A., M.A., Ph.D., University of California - Berkeley. 2000
- Bloodworth, Jr.**, William A., Professor of English, President of the University. B.S., Texas Lutheran; M.A., Lamar University; Ph.D., University of Texas - Austin. 1993
- Bourdouvalis**, Chris, Professor of Political Science. B.S., M.A., Ph.D., Florida State University. 1990
- Bramblett**, Richard M., Associate Professor of Business Administration, Associate Dean and Director of Graduate Studies. B.I.E., M.S.I.E., Ph.D., Georgia Institute of Technology. 1986
- Brannen**, Dalton E., Professor of Management; B.S., M.B.A., University of West Florida; Ph.D., University of Mississippi. 1990
- Brauer**, Jurgen, Professor of Economics. Diploma Degree, Free University of Berlin; M.A., Ph.D., University of Notre Dame. 1991
- Bryant**, Clint L., Director of Athletics, B.S., Belmont Abbey College; M.A., Clemson University. 1988
- Bustos**, Roxann, Associate Director/Associate Professor of Library Science. B.A., M.A., University of Rochester; M.L., University of South Carolina. 1990
- Cadle**, Lynn, Assistant Professor of Special Education. B.A., Whitman College; M.Ed., Ed.D. Professor of Language, Literature, and Communications. B.A., University of Georgia. 2000
- Capps**, Richard C., Assistant Professor of Geology. B.S., M.S., East Carolina University; Ph.D., University of Georgia. 1996
- Casaletto**, Kristin, Assistant Professor of Art. B.F.A., Ball State University; M.A., Michigan State University; M.F.A., Western Michigan University. 2000
- Case**, Charles E., Associate Professor of Sociology. B.A., University of Connecticut; M.A., City University of New York; Ph.D., University of Arizona. 1990
- Chandrasekara**, Ray W., M.A., University of Berkeley. 1999
- Christy**, Charlotte M., Associate Professor of Biology. B.A., Hendrix College; M.S., University of Tennessee; Ph.D., Arizona State University. 1995
- Clements**, Stevan R., Cree-Walker Distinguished Professor of Communications, Department of Languages, Literature, and Communications. B.A., M.A., Brooklyn College. 1999
- Cohen**, Jacquelyn T., Assistant Professor of Mathematics in Learning Support. B.S., Emory University; M.S., University of Houston. 1985
- Colbert**, Thomas M., Associate Professor of Physics. B.A., Kenyon College; M.S., Ph.D., Lehigh University. 1992
- Coleman** Barbara C., Professor of Marketing. B.A., Oakland University; M.B.A., Augusta College; Ph.D., University of Georgia. 1990
- Connolly**, Graeme J., Temporary Instructor of Health and Physical Education. B.A., Furman University; MA, Wake Forest University; Ph.D., University of Georgia. 2000
- Cooke**, Jasper, Director Public Safety, B.B.A, Augusta; M.P.A., Columbus State University College. 1981
- Cooper**, Mary Gendernalik, Professor of Education & Chair Department of Teacher Development. B.A., Michigan State University, M.A., Ph.D., Wayne State University. 1996
- Cope**, Carolyn S., Assistant Professor of Theater/Theater Director, Department of Theater, Literature, and Communications. B.A., University of Houston 1999
- Cotter**, Joseph E., Associate Professor of History, B.A., University of California - San

- Diego, M.A., Ph.D., University of California - Santa Barbara. 1997
- Craig**, Cynthia M., Assistant Professor of Mathematics in Learning Support and Associate Chair of Learning Support, B.A., M.Ed., Ed.S., Augusta College. 1989
- Crawford**, Linda B., Assistant Professor of Mathematics. B.S., Georgia College; M.Ed., Augusta College. 1988
- Cronk**, Michael J., Counselor, B.A., St. Lawrence University; M.S., State University of New York at Plattsburgh. 2001
- Crookall**, Christine E., Assistant Professor of Music, B.M., University of British Columbia, M.M. and D.M.A., University of Texas, Austin; 2001
- Crute**, Thomas, Associate Professor of Chemistry. B.A., University of Virginia; Ph.D., University of South Carolina. 1991
- Darracott**, Charles R., Assistant Professor of Health & Physical Education. B.S., M.A., Wake Forest University, EDD, University of Georgia 1999
- Darracott**, Shirley H., Assistant Professor of Health and Physical Education. B.S., Glasgow University (Scotland) M.Ed., Augusta State University
- Davies**, Kimberly A. Associate Professor of Sociology. B.A., B.A., M.A., Ph.D., Ohio State University. 1996
- Davis**, Mary, Director of Annual Funds. A.B.J., University of Georgia. 1996
- Davis**, Richard, Assistant Professor of English, Department of Languages, Literature, and Communications. B.A., Augusta College; M.A., University of Georgia. 1993
- Dodd**, William M., Associate Dean for University College and Chair of the Department of Learning Support. B.A., M.Ed., Augusta College; Ed.D., University of Georgia. 1979
- Dorgan**, Kelly A., Assistant Professor of Communications. B.S., Appalachian State; M.A., University of Kentucky; Ph.D., University of Georgia, 2001
- Dowell**, Michael L., Assistant Professor of Computer Science, B.S., M.S., Ph.D., University of South Carolina. 2001
- Duignan**, Magali M., t Associate Professor of English in Learning Support, M.A., D.A., State University of N.Y. at Stony Brook. 1991
- Eisenman**, Gordon, Assistant Professor of Early Education. B.S., M.Ed., Ed.D., University of Georgia. 1995
- Evans**, Walter E., Professor of English, Department of Languages, Literature, and Communications. A.B., A.M., University of Missouri/Columbia; Ph.D., University of Chicago. 1972
- Ezell**, Ronnie L., Professor of Physics, Chair of the Department of Chemistry and Physics. B.A., Austin Peay State University; Ph.D, University of Georgia. 1973
- Feaster**, Sharon A., Associate Professor of English Education. B.A., Furman University, M.Ed., Stephen F. Austin State University, EDD, Texas A & M University 1999
- Fanning**, C. Elizabeth, Professor of English, Department of Languages, Literature, and Communications. B.A., Mount Mary College; M.A., Ph.D., Fordham University. 1973
- Filpus-Luyckx**, Mary, Information Systems Trainer/Instructor of Business Administration. B.S., Mercy College-Detroit, M.B.A., Texas A & M University. 1995
- Fissel**, Mark C., Associate Vice President for Academic Affairs and Professor of History. B.A., University of California-Santa Cruz; M.A., Ph.D., University of California-Berkeley. 1998
- Fitch**, Judy L., Assistant Professor of Business Administration. B.A., University of Maryland-Baltimore County; M.A., University of South Carolina-Columbia; Ph.D., University of South Carolina-Columbia. 1998
- Fite**, Stanley G., Assistant Professor of Health and Physical Education. B.S.Ed., Valdosta State College; M.Ed., West Georgia College. 1984
- Flannigan**, Robert A., Associate Professor of Spanish. A.B., Northeastern University; M.A., University of Arkansas - Fayetteville; M.Ed., Georgia Southern; Ph.D., University of Georgia. 1993
- Flowers III**, John B., Vice President for University Advancement. A.B., East Carolina University. 1995
- Floyd**, Rosalyn W., Professor of Music. B.A., Talladega College; M.M., D.M.A., University of South Carolina. 1988
- Foster**, Robert L., Associate Professor of Music, B.A., Oakland University, M.Mus., Wayne State University. 1996
- Gardiner**, Thomas C., Assistant Professor of English in Learning Support. A.B., Davidson College, M.A.T., Vanderbilt University. 1984
- Garvey**, James W., Professor of English, Department of Languages, Literature, and Communications. B.A., University of Toronto; M.A., Ph.D., University of Rochester. 1979
- Gerren**, Peggy R., Associate Professor of Education, A.A. Mercer University, M.Ed., E.D., University of Georgia. 1993
- Goley**, Julie, Director/Career Center. B.A., University of South Carolina; M.Ed., University of South Carolina. 1992
- Gordon**, Judith E., Associate Professor of Biology. B.S., Pennsylvania State University; M.S., Virginia Polytechnic Institute and State University; Ph.D., Indiana University. 1976
- Grayson**, James M., Associate Professor of Management. B.S., U.S. Military Academy; M.B.A., Ph.D., North Texas State University. 1992
- Greene**, Joseph D., Cree-Walker Professor of Business Administration, Associate Professor of Business Administration. B.B.A., Augusta College; M.A., University of Georgia; C.L.U., American College. 1991
- Griner**, Richard D., Assistant Professor of Biology. B.S., Ph.D., University of Georgia. 2000
- Griswold**, Sara Y., Assistant Professor of Spanish. B.A., National University of Trujillo;

- M.A., University of Kansas. 1986
- Groves**, John C., Director of Student Activities. B.A., M.Ed., Northwestern State University. 1969
- Gustafson**, Robert P., Associate Professor of Health and Physical Education. B.S., M.Ed., University of Texas; Ph.D., Texas Woman's University. 1991
- Hamrick**, Anna K., Professor of Mathematics and Computer Science. B.S.Ed., M.Ed., Ed.D., University of Georgia. 1976
- Hardy**, Lurelia A., Assistant Professor of Health and Physical Education. B.S., M.A.Ed., Tennessee State University. 1984
- Harris**, Paul A., Assistant Professor of Political Science. B.A., State University of N.Y.-Albany; M.P.A., Georgia Southern College; Ph.D., Auburn University. 1998
- Harris**, Paulette P., Cree-Walker Professor of Education, Professor of Education. B.A., M.Ed., Augusta College; Ed.D., University of South Carolina. 1978
- Harrison**, Richard D., Professor of Health and Physical Education, Chair of the Department of Kinesiology & Health Science. B.S.Ed., University of Georgia; M.A.T., University of South Carolina; Ed.D., University of Georgia. 1972
- Hauger**, Joseph A., Associate Professor of Physics, B.S., University of Wisconsin - Milwaukee, M.S., Ph.D., Purdue University. 1996
- Hayes**, Karen M., Instructor of Mathematics in Learning Support, B.A., Elmira College, M.Ed., Francis Marion College. 1995
- Hayward**, Pamela A., Associate Professor of Communications. B.A., Northeastern Illinois University; A.M., Ph.D., University of Illinois. 2001
- Heck**, Grace B., Associate Professor of English, Department of Languages, Literature, and Communications. B.A., Converse College; M.A., Ph.D., Emory University. 1990
- Heck**, Jeff J., Automation Librarian/Assistant Professor of Library Science. B.S., University of Tennessee; M.S.L.I.S., University of Tennessee. 1995
- Hendee**, Helen, Director of Development and Alumni Relations. B.A., Augusta College; M.Ed., University of Georgia. 1985
- Hobbins**, J. William, Associate Professor of Music, B.Mus., M.Mus., University of North Texas, D.M.A., University of Colorado. 1995
- Hobbs**, Donna S., Associate Professor of Chemistry. B.A., University of North Carolina - Chapel Hill; Ph.D., Vanderbilt University. 1992
- Hobbs**, Stephen H., Professor of Psychology, Chair of the Department of Psychology. B.A., Stetson University; M.S., Ph.D., University of Georgia. 1972
- Hollingsworth**, Priscilla, Associate Professor of Art. A.B., Princeton University; M.F.A., Indiana University - Bloomington. 1993
- Holmes**, Willene C., Associate Director of Financial Aid. B.B.A., West Georgia College. 1987
- Holt**, Deltrye E., Assistant Professor of Mathematics. B.S., Clark College; M.A., University of Georgia. 1991
- Hoosain**, Emamuddin, Assistant Professor of Mathematics Education. M.A., University of London, Ph.D., Ohio State University 2000
- House**, Elizabeth B., Professor of English, B.M., M.A., North Texas State University; Ph.D., University of South Carolina. 1975
- House**, Richard E., Assistant Professor of Music, D.M.A., Arizona State University; M.M., Arizona State University; B.M., East Carolina University. 2001
- Houston**, Billie, Director of Child Care. M.Ed., University of Miami, B.S. Russell Sage College. 1996
- Howard**, Donald P., Associate Professor of Economics, B.S., M.B.A., University of South Carolina. 1989
- Hoyos-Salcedo**, Pedro Pablo, Associate Professor of Spanish. B.A., Universidad Santiago de Cali; M.A., University of Massachusetts; Ph.D., University of Nebraska-Lincoln. 1995
- Huffstetler**, Dave E., Instructor of English in Learning Support. B.A., University of Texas - Austin. 1987
- Ibrahim**, Nabil A., Grover C. Maxwell Professor of Business Administration, B.A., University of Pittsburgh; M.A., Duquesne University; M.B.A., Georgia State University; Ph.D. (Political Science), Emory University; Ph.D. (Business Administration), Georgia State University. 1987
- Ingraham**, Carolyn K., Director of Continuing Education. B.S., University of Maine at Orono, J.D., University of Georgia. 1993
- Jackson**, Charles C., Associate Professor of Education, B.A., Wayne State University, M.Ed., Ed.D., University of Cincinnati. 1996
- Jackson**, Pamela Z., Professor of Accounting. B.S.E.D., University of Georgia; M.B.A., Augusta College; Ph.D., University of Georgia. 1982
- Jarman**, Robert O., Associate Professor of Mathematics and Computer Science. B.S., Drexel University; M.B.A., Syracuse University; D.B.A., Mississippi State University. 1990
- Jenks**, Charles E., Associate Professor of Social Science Education. B.S.Ed., M.A., University of South Carolina, EDD, University of Georgia 1999
- Johnson**, Lillie Butler, Professor of English, Chair of the Department of Languages, Literature, and Communications. B.A., Augusta College; M.A., University of Chicago; Ph.D., University of Georgia. 1972
- Johnston**, Robert L., Professor of Sociology. B.S., M.A., University of Louisville; Ph.D., Virginia Polytechnic Institute and State University. 1986
- Jones**, Joyce, Dean of Students & Chief Student Affairs Officer. Ph.D., University of Nebraska, B.A., Texas Woman's University. 1998
- Jones**, Kim, Director of Budgets. B.B.A., Augusta State University. 1993
- Jones**, Martin D., Associate

- Professor of Music. B.M., California State-North Ridge; M.M., D.M.A., Johns Hopkins University. 1998
- Kelliher**, Michele W., Assistant Professor of English in Learning Support. B.A., M.A., George Mason University, Ph.D., Catholic University of America. 1995
- Kellman**, Lewen Anthony, Professor of English, Department of Languages, Literature, and Communications. B.A., University of the West Indies; M.F.A., Louisiana State University. 1989
- Kirk**, Rebecca, Instructor of Management Information Systems. B.S., M.S., Georgia State University. 1991
- Laterza**, Anthony L., Professor of Military Science. B.S., M.Ed., Norwich University. 1999
- Leightner**, Jonathan E., Professor of Economics. B.A., M.A., Baylor University; Ph.D., University of North Carolina. 1989
- Lisko**, Mary K., Assistant Professor of Business Administration, Assistant Dean and Director of Student Advising and Support. B.S., Mankato State University; M.B.A., University of Arizona; C.P.A., C.M.A. 1977
- Lopez**, Gilbert, Assistant Professor of Military Science. B.S., Austin Peay State University. 2000
- Luke**, Virginia K., Associate Director of Counseling and Testing Center. B.A., M.S., Augusta College. 1986
- Luoma**, Keith E., Assistant Professor of Mathematics in Learning Support. A.A., Macomb Community College; B.S., University of Detroit; M.S., George Mason University.
- O'Connor**, Michael, Associate Professor of Health and Physical Education. B.S., Virginia Polytechnic Institute; M.S., Florida Institute of Technology; M.Ed., Ed.D., University of Georgia. 1994
- O'Neal**, Jr., H. Don, Director of Personnel. A.B.J., University of Georgia. 1995
- Onofrio**, Jennifer Lynn, Assistant Professor of Art. B.F.A., University of Wisconsin, M.F.A., University of California-Davis 1999
- O'Shea**, John J., Special Collections
- 1988
- McCormack**, Mary C., Assistant Professor of English. Assistant Chair of the Department of Languages, Literature and Communications. B.A., Emory University; M.A., University of South Carolina. 1997
- McDaniel**, Anita K., Assistant Professor of Speech. B.A., Texas A&M; M.A., University of Houston; Ph.D., University of Texas. 1999
- McIntosh**, Bernard, Assistant Professor of Military Science. A.A., Northwest Missouri State, A.B., Morehead State University, M.H.R.D., Clemson Univ. 2000
- Maloney**, Maxine, Associate Athletic Director for Business and Finance.
- Marshall**, Virginia L., Assistant Professor of Nursing. B.S.N., Murray State University; M.S.N., Medical College of Georgia. 1999
- Matson**, Werner (Chip), Director of Computer Services. B.A., M.B.A., Augusta State University. 2000
- Mays**, Robert, Director of Counseling/Testing. B.A., M.A., South Carolina State University; Ph.D., University of Georgia. 1993
- Medley**, Mary Dee, Associate Professor of Mathematics and Computer Science. B.A., Lake Forest College; M.S., University of Illinois; Ph.D., University of Georgia. 1986
- Mile**, Siàn E., Associate Professor of English. B.A. University of Birmingham, England; M.A., University of Connecticut; Librarian/Assistant Professor of Library Science. B.A., Augusta College; M.L., University of South Carolina. 1983
- Padgett**, Betty R., Assistant Director of Financial Aid 1988
- Pettit**, Jr., M. Edward, Acting Dean of School of Arts and Sciences, Professor of Mathematics and Computer Science. B.A., University of Oregon; M.A., Ph.D., University of California at Riverside. 1977
- Phillips**, Kay, Assistant Director of Student Activities. Ph.D., University of Colorado. 1994
- Miller**, Jeffrey R., Associate Professor of Accounting. B.B.A., Southwest Texas State University; M.B.A., Southwest Texas State University; Ph.D., Louisiana State University, C.P.A. 1993
- Miller**, Marc D., Associate Professor of Business Administration. B.B.A., M.B.A., Augusta College; Ph.D., Auburn University. 1999
- Mixon**, K. Wayne, Professor of History, Chair of the Department of History and Anthropology. B.A., M.A., University of South Carolina; Ph.D., University of North Carolina. 1996
- Mobley**, Mary F., Professor of Business Administration. B.S., University of Georgia; M.Ed., M.B.A., Augusta College; Ph.D., University of South Carolina. 1982
- Morgan**, Angela Lynn, Associate Professor of Music and Chair of the Department of Fine Arts. B.M. University of Tennessee, M.M., D.M., Florida State University, 1995
- Murphy**, Christopher P. H., Professor of Anthropology. B.A., M.A., University of Georgia; Ph.D., University of Virginia. 1971
- Myers**, Stephanie A., Associate Professor of Chemistry. B.S., Adrian College; M.S., University of Florida; Ph.D., University of Florida. 1993
- Nelson**, William N., Library Director/Professor of Library Science. B.A., Centenary College; M.A., M.L.S., Ph.D., Louisiana State University. 1993
- B.A., Culver-Stockton College; M.Ed., University of Georgia. 1990
- Pollard**, Lester O., Assistant Professor of English, Department of Languages, Literature, and Communications. B.A., Paine College; M.A., Atlanta University; Ph.D., University of South Carolina. 1980
- Pollingue**, Alice, Assistant Professor of Education. B.A., M.A., Ed.D., University of Alabama. 1992
- Prettelt**, Angela S., Director Accounting Services. B.B.A.,

- Augusta College. 1980
- Price**, Charlotte R., Associate Professor of Nursing. B.S.N., M.S.N., Medical College of Georgia School of Nursing; Ed.D., Nova Southeastern University. 1989
- Prinsky**, Norman R., Associate Professor of English, Department of Languages, Literature, and Communications. B.A., Reed College; M.A., Ph.D., University of California at Irvine. 1979
- Pritchett**, June, Director of the Bookstore. 1973
- Pukis**, Rick E., Assistant Professor of Telecommunication. B.A., Columbia College; B.S.C., DePaul University; M.S., The University of Montana. 2001
- Reese**, William A. II, Professor of Sociology. B.S., M.A., University of Houston; Ph.D., University of Arizona. 1989
- Reeves**, Robert A., Professor of Psychology. B.A., Augusta College; M.A., Appalachian State University, Ph.D., University of Georgia. 1981
- Reinke**, Sandra J., Assistant Professor of Political Science. B.B.A., M.S., D.P.A., University of Alabama. 1999
- Rice**, Louise A., Associate Professor of Reading in Learning Support. B.S., Tuskegee Institute; M.A., Columbia University; Ph.D., University of Georgia. 1984
- Richardson**, Deborah S., Chair and Professor of Psychology, Ph.D., Kent State; M.A., College of William & Mary; B.S., Virginia Commonwealth University. 2001
- Richardson**, Samuel, Assistant Professor of Mathematics in Learning Support. B.S., Morris College; M.A.T., Morgan State University; Ed.D., South Carolina State University. 1987
- Robertson**, J. Duncan, Professor of French and Spanish. B.A., Yale University; Ph.D., Princeton University. 1990
- Robinson**, Sam Leslie, Associate Professor of Mathematics and Acting Chair of Department of Mathematics and Computer Science. B.S., University of North Carolina-Charlotte; Ph.D., Virginia Polytechnic & State University. 1999
- Rogers**, Rebecca Lynn, Assistant Professor of Clinical Psychology. B.A., University of South Florida, M.A., Ph.D., University of North Texas. 1999
- Rosier**, Therese, Director of Physical Plant. M.B.A., Augusta State University, B.S. North Carolina State University. 1995
- Rucker**, Susan B., Tappan, Assistant Professor of Nursing, B.S.N., Ohio State University, M.S.N., Case Western Reserve. 2002
- Rust**, Brian L., Associate Professor of Art. A.A., Columbia Basin College; B.F.A., University of Washington; M.F.A., University of California at Berkeley. 1991
- Rychly**, Carol J., Assistant Professor of Mathematics. B.A., Agnes Scott College; M.S., Louisiana State University. 1989
- Sandarg**, Janet I., Professor of Spanish. B.A., M.A., Ph.D., University of North Carolina, Chapel Hill. 1981
- Sappington**, John T., Professor of Psychology. A.B., Allegheny College; M.A., Ph.D., Case Western Reserve University. 1978
- Saul**, Bruce M., Associate Professor of Biology. B.S., Augusta College; M.S., Ph.D., University of Tennessee, Knoxville. 1991
- Scarboro**, Allen, Professor of Sociology, Chair of the Department of Sociology. A.B., Kenyon College; M.A., Hartford Seminary Foundation; Ph.D., Emory University. 1994
- Schlesselman**, Susan M., Assistant Professor of Nursing. B.S.N., Winona State University; M.S.N., Medical College of Georgia School of Nursing. 1992
- Schofe**, Kathy D., Director of Public Relations and Publications. B.A., M.S., Columbus College. 1995
- Schultz**, Todd A., Associate Professor of Business Administration. B.S., Georgia Institute of Technology; M.S.E., Ph.D., Johns Hopkins University. 1987
- Schwartz**, Michael, Associate Professor of Art History. B.A., Rutgers College; M.A., M.Phil., Ph.D., Columbia University. 1991
- Searles**, Michael, Assistant Professor of History. B.A., Southern Illinois University; M.A., Howard University. 1990
- Sethuraman**, Sankara, Associate Professor of Mathematics. B.S., Loyola College; M.S., Madras Christian College; Ph.D., University of Georgia. 1991
- Sexton**, Joanne, Assistant Professor of Computer Science. B.S., Rutgers University; M.A., Naval War College; Naval Postgraduate School. 1999
- Shivers**, Louise, Writer in Residence, Department of Languages, Literature, and Communications.
- Shotwell**, Clayton, Associate Professor of Music, Chair of the Department of Fine Arts, Coordinator of Humanities Program. B.A., Hastings College, M.A. and Ph.D., University of Minnesota. 1994
- Sisk**, Karin, Director of Writing Center/Adjunct Professor of English. B.A., M.A.T., Emory University. 1987
- Sladky**, Paul D., Associate Professor of English, Department of Languages, Literature, and Communications. B.A., Southern Illinois University; M.A., (English), M.A. (Linguistics), University of Texas. 1989
- Sligar**, John C., Associate Professor of Mathematics. B.S., University of Houston; M.S., University of North Carolina at Chapel Hill; Ph.D., University of Georgia. 1990
- Smith**, Lyle R., Professor of Education. A.A., Imperial Valley College; B.S., California Polytechnic State University; M.S., Ph.D., Texas A. & M. University. 1973
- Snyder**, Dianne C., Associate Professor of Biology. B.S., Mississippi College; M.S., Ph.D., Tulane University. 1992
- Stallmann**, Cornelius, Assistant Professor of Mathematics. B.A., University of North Carolina-Ashville; Ph.D. University of Tennessee. 1998
- Stephens**, Shannon, Counselor. M.S., Augusta State University, B.S., Lander

- University. 1994
- Stewart**, Jacquelyn E., Director of Institutional Research, B.A., Fayetteville State University; M.A. Webster University. 1989
- Stracke**, John R., Professor of English, Department of Languages, Literature, and Communications. B.A., University of Windsor; Ph.D., University of Pennsylvania. 1981
- Stroebel**, Gary G., Professor of Chemistry. B.S., Texas Lutheran College; Ph.D., University of Utah. 1979
- Stullken**, Russell E., Associate Professor of Biology. B.A., DePauw University; M.S., Ph.D., Emory University. 1972
- Styron**, W. Joey, Associate Professor of Accounting. B.B.A., University of Houston; M.S., Ph.D., Texas A. & M. University. 1991
- Sullivan**, John, Assistant Athletic Director for Sports Medicine.
- Sullivan**, Samuel, Professor of Physics, Vice President for Academic Affairs; B.S., North Carolina Central University; M.S., Ph.D., Howard University. 2002
- Sunderland, Fran.** Associate Registrar. B.S., University of Kansas. 1993
- Sutherland**, Nancy E., Assistant Professor of English. B.A., Vanderbilt University; M.A.T., Emory University. 1975
- Sweeney**, Katherine H., Registrar & Director of Admissions. B.A., M.P.A., Augusta State University. 1993
- Terry**, Christopher A., Assistant Professor of Mathematics. B.A., Erskine College; M.S., Ph.D., University of Virginia. 1998
- Thiruvaiyaru**, Dharma, Associate Professor of Mathematics. B.S., Presidency College; M.S., Madras Christian College; M.S., Ph.D., University of Georgia. 1991
- Thomas**, Billy M., Associate Professor of Health and Physical Education, B.S., M.Ed., Georgia College, Ed.D., University of Tennessee. 1996
- Thompson**, Barry R., Assistant Professor of Science Education. B.S., Penn State University; M.Ed., Ph.D., University of Virginia. 2000
- Thompson**, George G., Professor of Mathematics. B.S., M.S., Ph.D., Clemson University. 1971
- Thompson**, Kathryn T., Director of Enrollment Management. B.A., M.S., Augusta College. 1978
- Thornton**, Holly J., Associate Professor of Education, B.S.Ed., M.A., Ph.D., Ohio State University. 1996
- Topolski**, Richard L., Associate Professor of Psychology. B.A., State University of N.Y.-Buffalo, M.A., Ph.D., S.U.N.Y.-Binghamton. 1996
- Tugmon**, Cathy R., Associate Professor of Biology. A.A., Allan Hancock College; B.A., California State University - Chico; M.S., Midwestern State University; Ph.D., University of New Hampshire. 1993
- Turner**, Wendy J., Assistant Professor of History. B.A., M.A., California State - Sacramento; M.A., Ph.D., University of California - Los Angeles. 2001
- Urban**, Emil K., Professor of Biology, Chair of the Department of Biology. B.S., University of Wisconsin; M.A., University of Kansas; Ph.D., University of Wisconsin. 1976
- VanTuyl**, Debra R., Associate Professor of Communications. A.B., University of Montevallo; M.A., University of Alabama-Tuscaloosa; Ph.D., University of South Carolina. 1992
- VanTuyl**, Hubert P., Professor of History. B.A., University of Montevallo; J.D., Duke University; Ph.D., Texas A & M University. 1991
- Verburg**, Fay L., Coordinator of Reference Services, A A Assistant Professor of Library Science. B.A., West Georgia College; M.S.L.S., University of Tennessee. 1995
- Vincent**, Sharon K., Associate Professor of Nursing. B.S.N., Eastern Kentucky University; M.S.N., Medical College of Georgia, Ed.D., Nova Southeastern University. 1988
- Warner**, Mark L., Assistant Professor of Education Administration. B.S., University of Pennsylvania; M.Ed., Antioch College-Ohio; Ed.D., Appalachian State University. 1998
- Watkins**, Ralph C., Assistant Professor of Sociology. B.A., California State University-Sacramento; M.A., University of Dubuque; D.Min., Pittsburgh Theological Seminary; Ph.D., University of Pennsylvania. 1998
- Wear**, Donna J., Associate Professor of Biology. B.S., Shorter College; M.A., Appalachian State University; Ph.D., Mississippi State University. 1995
- Weber**, Ronald L., Professor of Education. B.S., State University of New York at Oswego; M.Ed., Temple University; Ph.D., University of South Carolina. 1978
- Welford**, James W., Assistant Professor of Military Science. B.B.A., New Mexico State University. 1997
- Wellnitz**, William R., Professor of Biology. B.S., Cornell University; M.A., Colorado University, Boulder; Ph.D., Cornell University. 1980
- Wellwood**, Kevin G., Director of Financial Aid. B.S., Mississippi University for Women; M.B.A., Liberty University. 1991
- White**, David L., Reference Librarian/Assistant Professor of Library Science. B.A., Columbia College-Missouri, M.L.S., University of South Carolina. 1996
- Whitfield, Dan**, Associate Vice President for Business Operations. B.B.A., Augusta College. 2000
- Whiting**, Raymond A., Professor of Political Science. B.A., J.D., Ph.D., Syracuse University. 1990
- Whittle**, Stephen T., Assistant Professor of Mathematics in Learning Support. A.S., Brunswick Junior College; B.S., M.Ed., Georgia Southern College. 1984
- Widener, Jr.**, Jack K., Dean, School of Business Administration, B.I.E., Georgia Institute of Technology; M.B.A. Georgia State University. 1991
- Widner**, Sabina C., Assistant Professor of Psychology. B.A., University of Kentucky; M.A., Wake Forest University; Ph.D., University of Georgia. 1995
- Williams**, Janice E., Professor of Art. B.F.A., University of Georgia; M.F.A.,

Indiana State University. 1981
Williams, Melissa T., Assistant Professor of Nursing. B.S.N., M.S.N., University of South Carolina. 1993
Williams, Seretha D., Assistant Professor of English. B.S., Northwestern University; M.A., Ph.D., University of Georgia. 1998
Williams, Vickie A., Assistant Professor of Psychology. B.A., Florida A&M., M.A., University of West Florida, PHD, Florida Atlantic University. 1998
Wood, Gwendolyn Y., Associate Professor of Political Science. A.B.J., M.A., D.P.A., University of Georgia. 1991
Yonce, Margaret J., Professor of English, Department of Languages, Literature, and Communications. A.B., Newberry College; M.A., University of Georgia; Ph.D., University of South Carolina. 1970
Ziobrowski, Brigitte J., Professor of Finance. B.S., University of Arkansas; M.A., University of Akron; Ph.D., Kent State University. 1991
Zuckerman, Eric J., Assistant Professor of Chemistry, B.S., Michigan State University; M.S., Michigan State University Ph.D., Purdue University. 2001

EMERITUS FACULTY

Atkins, Adelheid M., Professor Emerita of English. B.A., Augusta College; Ph.D., University of South Carolina.
Bompart, Bill E., Professor Emeritus of Mathematics and Vice President Emeritus for Academic Affairs. B.S.Ed., University of Texas; M.R.E., Southwestern Baptist Seminary; M.Ed., North Texas State University, Ph.D., University of Texas. 1967
Bowsher, Harry F., Professor Emeritus of Physics. B.S., M.S., Ph.D., Ohio State University.
Brown, Albert M., Associate Professor Emeritus of Mathematics. B.S., Livingston State University; M.A. (Education), M.A. (Mathematics), University of Alabama.
Bryan, Elizabeth H., Associate

Professor Emerita of Mathematics and Computer Science. A.S., Augusta College; B.S., M.S., University of Georgia.
Bryant, Louise D., Professor Emerita of Nursing, Chairman Emerita of the Department of Nursing. B.S., George Peabody College; M.S.N., Case Western Reserve University.
Burau, Dennis W., Assistant Professor Emeritus of Health & Physical Education. B.Ed., M.Ed., Georgia Southern University.
Cohen, Delwin D., Professor Emeritus of Psychology. B.A., Ph.D., University of Minnesota.
Callahan, Helen, Professor Emerita of History. B.A., Augusta College, M.A., Ph.D., University of Georgia
Capers, Emily S., Assistant Professor Emerita of Nursing. B.S.N.E., University of Georgia; R.N., Barrett School of Nursing; M.N., Emory University.
Cashin, Jr., Edward J., Professor Emeritus of History, Chair Emeritus of the Department of History. B.A., Marist College; M.A., Ph.D., Fordham University.
Cashin, Mary Ann, Associate Director of Library/Associate Professor Emerita. MLN, University of South Carolina, B.S., College of Saint Teresa.
Chou, Frank H., Professor of Education Emeritus. A.B. Southeast Oklahoma State University, M.Ed., Ed.D., University of Georgia
Christenberry, George A., Professor Emeritus of Biology and President Emeritus of the College. B.S., Furman University; M.A., Ph.D., University of North Carolina, Chapel Hill.
Comer, F. Eugenia, Assistant Professor Emerita of Art Education. B.A., Centenary College of Louisiana; M.A., Louisiana State University.
Dinwiddie, Jr., J. Gray, Professor Emeritus of Chemistry and Dean Emeritus of the School of Arts and Sciences. B.S., Randolph-Macon College; Ph.D., University of Virginia.
Dolyniuk, Harry, Associate Professor Emeritus of Chemistry. B.S., Dickinson

State Teachers College; M.A.T., Indiana University.
Drake, Alan H., Professor Emeritus of Music. A.B., University Miami; M.Mus.Ed., Ph.D., Florida State University.
DuBose, Marya M., Professor Emerita of English. A.B., University of South Carolina; Ph.D., University of Georgia.
Duncan, David E., Associate Professor Emeritus of Business Administration. A.B., Paine College; M.B.A., San Francisco State College Chapel Hill.
Edmonds, Ed M., Professor Emeritus of Psychology. B.A., Stetson University; M.S., Auburn University; Ph.D., Texas Christian University.
Ellis, Jane R., Professor of Psychology Emerita. B.S., University of Alabama, M.S., Auburn University, Ph.D., University of Georgia.
Farmer, Martha A., Dean Academic & Professor of Accounting Emerita. Ph.D., University of South Carolina, M.Sc., B.S., University of Alabama.
Fogleman, Marguerite F., Associate Librarian/Associate Professor Emerita of Library Science. B.S., B.S./L.S., M.L.S., Louisiana State University.
Fominaya, Eloy, Professor of Music. B.Mus., Lawrence University; M.Mus., North Texas State University; Ph.D., Michigan State University.
Freeman, Robert N., Professor Emeritus of School of Education and Dean Emeritus of School of Education. B.A., Furman University, M.Ed., Stephen F. Austin State University, EDD, Texas A & M University.
Godin, Jean W., Associate Professor Emerita of Secretarial Science. B.S., Bob Jones University; M.A., George Peabody College.
Gray, Otha L., Professor Emeritus of Business Administration and Dean Emeritus of the School of Business Administration. B.A., Furman University; M.S., Virginia Polytechnic Institute; J.D., Emory University; Ph.D., University of Alabama; C.P.A.
Hermitage, Shirley A., Assistant Professor Emerita of Computer Science. B.A.,

M.A., Oxford University-England; M.Ed., Augusta College; M.S., University of South Carolina.

Hickman, Elige W. Hickman, Associate Professor Emeritus of Education. M.Ed., Ed.D., University of Arkansas

Holloman, C. Russell, Grover C. Maxwell, Professor Emeritus. B. A. University of Northern Colorado, M. S. University of Colorado, Ph.D. University of Washington.

Jacobs, Harry M., Professor Emeritus of Music. B.Mus., Eastman School of Music, University of Rochester; M.Mus., Northwestern University.

Jacobs, Vola, Assistant Professor Emerita of Music. B.Mus., Eastman School of Music, University of Rochester.

Jensen, Jeanne L., Professor Emeritus of Political Science and Chair Emeritus of International Relations. B.A., Colorado State University; M.A., University of Santa Clara; Ph.D., University of South Carolina.

Johnson, William J., Professor Emeritus of English. Chair Emeritus, Department of Languages, Literature, and Communications. B.A., M.A., Ph.D., University of Texas. 1966

Law, Donald R. Professor Emeritus of Business Administration. B.S. Wilkes College; M.A., Ph.D., University of Florida; C.P.A.

Maynard, Freddy J., Professor Emeritus of Mathematics and Chair Emeritus of Mathematics and Computer Science. B. S., Georgia State University; M.Ed., Ed.D., University of Georgia. 1968

McMillian, Frank M., III, Associate Professor Emeritus of Education. B.S., M.Ed., University of South Carolina; Ed.D., University of Georgia.

Mele, Joseph F., Vice President Emeritus. M.A., Bradley University, B.S., Russell Sage College.

Monge, F. William, Professor Emeritus of Business Administration. B.S., Wagner College; M.B.A., New York University.

Moon, W. Harold, Professor Emeritus of Psychology, B.S.Ed. Auburn University, Ph.D., Florida State University.

Murphy, Joseph A., Dean Emeritus. ED.D., University of Georgia, M.Ed., Emory University, B.S., Western Kentucky.

Peden, William C., Professor Emeritus. Ph.D., St. Andrews College, M.A., University of Chicago, B.A., Davidson College.

Pierce, J. Eugene, Professor Emeritus of Business Administration. B.A., M.S., University of Tennessee; Ph.D., University of Pennsylvania.

Ramage, Thomas Warren, Associate Professor Emeritus of History. B.A. University of Kentucky; B.D. Southern Baptist Theological Seminary; M.A., Ph.D., University of Kentucky.

Richart, Silvia G., Associate Professor Emerita of Chemistry, D.Sc., University of Havana.

Rowland, A. Ray, Librarian/Professor Emeritus of Library Science. A.B., Mercer University; M.Ln., Emory University.

Saggus, Charles D., Associate Professor Emeritus of History. B.A., Louisiana State University; M.A., University of Georgia; Ph.D., Emory University.

Skalak, Constance H., Professor Emerita of Nursing, Chairman Emerita of the Department of Nursing. B.S.N., M.N., Emory University; Ed.D., University of Georgia.

Smith, James H., Associate Professor Emeritus of English. B.A., University of Southern Mississippi; M.A., University of Mississippi.

Stirewalt, Harvey L., Associate Professor Emeritus of Biology. B.A., M.S., University of Mississippi; Ph.D., University of Tennessee.

Taylor, Paul F., Associate Professor Emeritus of History, B.A., Eastern Kentucky State College; M.A., Ph.D., University of Kentucky.

Thevaos, Artemisia D., Associate Professor Emerita of Music. B. Mus., Wesleyan Conservatory; M.M., Indiana University.

Toole, William F., Professor Emeritus of Music. B.M., Wesleyan Conservatory; B.M., M.M., Yale University.

Tubbs, Frank R., Associate Professor Emeritus of Education. A.B., Maryville College; M.S.Ed., Ed.D., University of Tennessee.

Turner, Anna Jo, Associate Professor Emerita of Mathematics. B.A., Carson-Newman College; M.Ed., University of Georgia.

Turner, Janice B., Professor Emerita of Chemistry, A.B. Georgia College; M.S., Emory University; Ph.D., University of South Carolina.

Vanover, Marvin, Professor Emeritus of Physical Education, Chairman Emeritus of the Department of Health and Physical Education. B.S., Georgia Southern College; M.A., George Peabody College.

Walker, Ralph H., Professor and Chair Emeritus of Political Science, Director of Augusta College Research Center. B.A., M.A., Kent State University; Ph.D., University of Georgia.

Walton, O'Greta M., Assistant Professor Emerita of Reading in Developmental Studies. B.A., Knoxville College; M.A., New York University.

Warner, Guy E., Assistant Professor Emeritus of Communications. B.A., David Lipscomb College; M.A., Central Michigan University; Ph.D., Michigan State University.

Wharton, Terence Frederick, Professor Emeritus of English. B.A., M.A., University of Leicester, England. 1983

Whatley, William L., Associate Professor Emeritus of Economics. B.S., M.S., University of South Carolina.

Williams, Roscoe, Dean Emeritus. Ph.D., University of South Carolina, M.A., Fisk University, B.A., Paine College.

ADMINISTRATIVE OFFICES

OFFICE OF THE PRESIDENT (Rains Hall)
Dr. William A. Bloodworth, Jr., 737-1440

ACADEMIC AFFAIRS (Payne Hall)
Dr. Samuel Sullivan, Vice President,
737-1422

BUSINESS AND STUDENT SERVICES
(Fanning Hall)
Dr. Fred Barnabei, Vice President,
737-1770

DEAN OF STUDENTS (Boykin Wright Hall)
Dr. Joyce A. Jones, Dean, 737-1411

UNIVERSITY ADVANCEMENT (Rains Hall)
Mr. John B. Flowers, III, Vice President,
737-1442

**KATHERINE REESE PAMPLIN
COLLEGE OF ARTS AND SCIENCES**
(Skinner Hall)
Dr. M.E. Pettit, Acting Dean, 737-1738

**COLLEGE OF BUSINESS
ADMINISTRATION** (Markert Hall)
Mr. Jackson K. Widener, Jr., Dean, 737-
1418

COLLEGE OF EDUCATION (Butler Hall)
Dr. Ronald Weber, Acting Dean, 737-1499

ACADEMIC DEPARTMENTS

BIOLOGY (Science Building)
Dr. Emil K. Urban, Chair, 737-1539

BUSINESS ADMINISTRATION
(Markert Hall), 737-1560
Dr. Richard Bramblett, Associate Dean

CHEMISTRY AND PHYSICS
(Science Building)
Dr. Ronnie L. Ezell, Chair, 737-1541

**CLINICAL AND PROFESSIONAL
STUDIES** (Hardy Hall) 737-1497
Dr. Lyle R. Smith, Acting Chair

FINE ARTS (Fine Arts Building)
Dr. Angela L. Morgan, Chair, 737-1453

HISTORY AND ANTHROPOLOGY
(Skinner Hall)
Dr. K. Wayne Mixon, Chair, 737-1709

KINESIOLOGY AND HEALTH SCIENCE
(Physical Education/Athletic Complex)
Dr. Richard D. Harrison, Chair, 737-1468

**LANGUAGES, LITERATURE, AND
COMMUNICATIONS** (Butler Hall)
Dr. Lillie B. Johnson, Chair, 737-1500

LEARNING SUPPORT (Hardy Hall)
Ms. Cynthia Craig, Acting Chair, 737-1685

**MATHEMATICS AND COMPUTER
SCIENCE** (Hardy Hall)
Dr. Sam Robinson, Acting Chair, 737-1672

MILITARY SCIENCE (Galloway Hall)
Maj. W.K. Cantrell 737-1643

NURSING (Skinner Hall)
737-1725

POLITICAL SCIENCE (Skinner Hall)
Dr. Chris Bourdoulis, Acting Chair
737-1710

PSYCHOLOGY (Science Building)
Dr. Deborah Richardson, Acting Dean, 737-
1694

SOCIOLOGY (Hardy Hall)
Dr. Allen Scarboro, Chair, 737-1735

TEACHER EDUCATION (Butler Hall)
Dr. Mary G. Cooper, Chair, 737-1496

CAMPUS SERVICES

ADMISSIONS (Benet House)
Ms. Katherine H. Sweeney, Director,
737-1632

ATHLETICS (Physical Education /Athletic
Complex)
Mr. Clint Bryant, Athletics Director, 737-
1626

BOOKSTORE (Washington Hall)
Ms. June R. Pritchett, Director, 737-1611

BUDGETS (Fanning Hall)
Ms. Kim Jones, Director, 667-4170

BUSINESS OFFICE (Fanning Hall)
Mr. N. Dan Whitfield, Assoc. Vice President
for Business Operations, 737-1767

CAREER CENTER (Boykin Wright Hall)
Ms. Julie Goley, Director, 737-1604

CENTRAL OFFICE SUPPLY
(Warehouse 204)
Mr. Leon Smith, Manager, 737-1478

COMPUTER SERVICES (Hardy Hall)
Mr. Chip Matson, Director, 737-1484

CONTINUING EDUCATION (Galloway
Hall)
Ms. Carolyn K. Ingraham, Director
737-1636

COPY CENTER (Warehouse 204)
Mr. Amir Shibli, 737-4161

COUNSELING AND TESTING

(Bellevue Hall)
Dr. Robert Mays, Director, 737-1472

**DEVELOPMENT AND ALUMNI
RELATIONS** (Maxwell Alumni House)
Ms. Helen Hendee, Director, 667-4609

**ENVIRONMENTAL HEALTH AND
SAFETY** (Plant Operations Office)
Mr. James M. Smith, IV, Coordinator,
731-7934

FINANCIAL AID (Payne Hall)
Mr. Kevin G. Wellwood, Director, 737-1431

FOOD SERVICES, (Washington Hall)
Ms. Cindy Wilson, Marriott Food Services,
737-1599

INSTITUTIONAL RESEARCH (Hardy Hall)
Ms. Jacquelyn E. Stewart, Director,
737-1492

INTERNATIONAL STUDENT ADVISING
(Boykin-Wright Hall)
Dr. Frank Chou, Director, 667-495

LIBRARY (Reese Library)
Dr. William N. Nelson, Director, 737-1745

MAIL ROOM (Warehouse 204)
Mr. Alonza T. Gray, Mail clerk, 737-1479

MEDIA SERVICES (Hardy Hall)
Ms. Rosemarie C. Axton, Director,
737-1703

PERFORMING ARTS THEATRE
(Performing Arts Theatre)
Mr. Henry B. Thomas, Auditorium Manager,
667-4099

PERSONNEL (Personnel Services Office)
Mr. H. Don O'Neal, Director, 737-1763

**PHYSICAL EDUCATION/ATHLETIC
COMPLEX** (3109 Wrightsboro Rd.)
Jason Griebach, Events Coordinator,
667-4950

PHYSICAL PLANT (Plant Operations
Office)
Therese Rosier, Director, 737-1590

PROCUREMENT (Fanning Hall)
Mr. N. Dan Whitfield, Assoc. Vice President
for Business Operations, 667-4149

**PUBLIC INFORMATION AND
PUBLICATIONS** (Rains Hall)
Ms. Kathy Schofe, Director, 737-1878

PUBLIC SAFETY (Public Safety Office)
Mr. Jasper A. Cooke, Director, 737-1403

RADIO STATION (Hardy Hall)
Mr. Alan Cooke, Manager, 737-1661

REGISTRAR (Payne Hall)
Ms. Katherine H. Sweeney, Registrar,
737-1408

RESEARCH CENTER (Skinner Hall)
Dr. Ralph H. Walker, Director, 737-1710

**START UP/ENROLLMENT
MANAGEMENT** (Washington Hall)
Ms. Kathryn T. Thompson, Director,
731-7979

STUDENT ACTIVITIES (Washington Hall)
Mr. John C. Groves, Director, 737-1609

VETERANS' AFFAIRS (Payne Hall)
Mr. Michael W. Wilkins, VA Coordinator
737-1606
